University of California

UCRS Advisory Board

Meeting of November 16, 2012

AGENDA ITEM A

Proposed Defined Contribution Plan Option for UC Health Policy-Covered Staff New Hires – Feasibility Study – Update

At the request of the Chair of the University of California Retirement System Advisory Board (UCRSAB), Director Gary Schlimgen of Pension & Retirement Programs will provide a status report on the draft feasibility study for offering UC Health policy-covered staff new hires the choice of participating in either in a Defined Contribution Plan or the 2013 Tier of the University of California Retirement Plan (UCRP).
