UCRS Advisory Board

Meeting of February 25, 2011

AGENDA ITEM F

UCRS Advisory Board - SharePoint - Web-based Repository for UCRS Advisory Board Materials - Update

Robert Semple, Principal Analyst in Pension and Retirement Programs, will provide an update on the development of the Board's new SharePoint site, a web-based repository for accessing Board materials that was previously discussed at the Board's November 2010 meeting. In addition, Aliya Dibrell, a Manager with Information Technology in Humans Resources at UCOP, will provide a demonstration of the site.
