University of California

# UCRS Advisory Board

Meeting of February 28, 2014

**AGENDA ITEM E**

UCRP – Funding Status Projections Based on Different Employer Contribution Rates

At the request of the Chair, actuaries Paul Angelo and/or John Monroe from the Segal Company will present some updated UCRP funding projections using data from the July 1, 2013 actuarial valuation and various hypothetical employer contribution rates. Also at the request of Chair, some additional hypothetical contribution scenarios that that were requested by and presented to the Faculty Welfare's Task Force on Investment and Retirement (TFIR) in December 2013 will be presented.
