UCRP – Modifications to the 2013 Tier for Certain Represented Employees

Manager Ken Reicher and Principal Analyst Rob Semple will summarize some modifications to the 2013 Tier for certain groups of employees represented by the University Professional and Technical Employees (UPTE) and the California Nurses Association (CNA) and a modification to the 1976 Tier for a certain group of employees represented by the American Federation of Teachers (AFT). These modifications were recently approved under interim authority by the Regents' Chairman of the Board and Chair of the Committee on Finance as they were deemed necessary to reach collective bargaining agreements with these unions.
