## Getting Started

Starting a new job involves a lot of choices. This quick-reference guide is designed to help you understand the many benefits available, and how to get started choosing the ones that are right for you.

**This guide will take you through the steps to enroll in your UC-sponsored benefits and help you make the right benefit choices for you and your family. You'll want to have *A Complete Guide to Your UC Health Benefits* and the *UCRP Summary Plan Description for 2013 Tier Members*, which are included in your welcome kit, available as a reference.**

As a union-represented employee, your benefits are governed by your union's contract with UC and may be different than the benefits outlined in other publications. Please see section 7 ("Collective Bargaining") for more information.

### SO LET'S GET STARTED...

Attend your local new employee orientation to help you get started.

Gather your family members' Social Security numbers and birthdates; you'll need them for benefits enrollment.

To begin, you'll want to set up your secure, private account on At Your Service Online (AYSO). Through your AYSO account, you will have access to your personal work and benefits information, including payroll statements, retirement benefit estimates, links to your medical, dental and other plans and much more. You can also enroll in benefits and make benefits changes online during annual Open Enrollment periods.

If you don't have access to a computer, contact your Benefits Office for help with your benefits enrollment.

### HERE'S HOW TO SET UP YOUR ACCOUNT:

1. Go to [ucnet.universityofcalifornia.edu](http://ucnet.universityofcalifornia.edu) and choose the "AYS Online" button. Then select "New to UC and have a temporary password?"
2. Enter your Social Security number and your temporary password. Your temporary password is your birthdate in the format mmddyyyy, with no dashes or slashes; for example, if your date of birth is June 17, 1981, your temporary password is 06171981.
3. Select "Sign In" and follow the instructions to create your permanent password. It must contain 6 to 12 alphanumeric characters (e.g., 123abc). Then agree to the Password Authorization.
4. Next, follow the instructions to create a username; once you do this, you won't need to use your Social Security number again.
5. You also will be prompted to create a security word that a customer service or benefits representative can use to help identify you when you call for information.
6. After you provide your preferred email address, answer any 4 of the 11 challenge questions. Providing answers to the challenge questions will allow you to access your personal information if you forget your password.

**Now you're ready to enroll in health and other benefit plans.**

#### **Tip:**

Remember, you have 31 days from your date of hire to enroll in your health benefits. Faculty have a second 31-day period of eligibility that begins on their first day on campus.

## **ENROLL IN HEALTH AND WELFARE BENEFITS**

You're eligible for Full, Mid-Level or Core benefits depending on the type of appointment you have. For details about your eligibility, see page 5 in *A Complete Guide to Your UC Health Benefits*.

To enroll online, sign in to your At Your Service Online account. Select "Benefits Enrollment" on the main menu to begin enrollment. You don't have to do it all at once—you are free to sign in anytime during your first 31 days of employment to complete your enrollment choices. That includes weekends and holidays.

If you're a faculty member and you miss the period of eligibility, you have a second 31-day period of eligibility that begins on your first day on campus.

If you don't take any action during this 31-day period of eligibility, you and your dependents will not be enrolled in UC-sponsored coverage. In most cases, you won't be able to change benefit plans or enroll family members until the next Open Enrollment period. You will also face more stringent requirements to enroll in some UC-sponsored insurance programs, including voluntary disability and supplemental life insurance.

## **VERIFY YOUR FAMILY MEMBERS' ELIGIBILITY**

If you enroll family members in medical, dental and/or vision plans, you must provide documents to verify their eligibility for coverage. Watch for the Family Member Eligibility Verification packet in the mail.

**More Information:**  
[ucal.us/fmv](http://ucal.us/fmv)

### **Tips:**

#### **Name your beneficiaries.**

Don't forget to name beneficiaries for your UC retirement benefits, life insurance and accidental death and dismemberment benefits. You can name the same or a different beneficiary for each plan, and you can name more than one beneficiary for any plan. Just select "My Beneficiaries" on AYSO and follow the instructions. You can name beneficiaries for retirement plans other than UCRP on [myUCretirement.com](http://myUCretirement.com).

#### **Confirm your choices.**

About 10 days after you have enrolled, check your personal account on AYSO (select "Current Enrollments") to verify coverage for you and your family members. It's your responsibility to promptly notify your Benefits or Payroll Office of any errors in your enrollment. The month after you enroll, review your earnings statement to be sure it reflects the correct benefit choices. Report discrepancies to your Benefits Office immediately.

#### **Keep your records up to date.**

Keep your address, email address and phone number up to date on AYSO so UC can properly administer your benefits and keep you informed of changes to your benefits.

#### **Are you in a domestic partnership?**

Eligibility rules for domestic partners are different for health and welfare benefits and for UC Retirement Plan benefits. Check out "Establishing a domestic partnership" on UCnet ([ucal.us/domesticpartnership](http://ucal.us/domesticpartnership)) to make sure you've established your partner's eligibility for UCRP survivor and death benefits.

## Medical, Dental, Vision

Your health is important to us, and we offer a wide range of health benefits to help take care of you and your family.

### MEDICAL PLANS

UC offers you a wide choice of medical plans. Some have lower premiums; others provide more flexibility in the doctors and hospitals you can use. All of the plans offer comprehensive benefits including medical and behavioral health office visits, hospital services and prescription drug coverage.

**Tool:**

Medical Plan Chooser  
[uc.chooser.pbgh.org](http://uc.chooser.pbgh.org)

The Medical Plan Chooser lets you compare medical plans based on criteria such as cost, doctor availability and whether specific services are covered. If you want to compare premiums, you can also find that information online at: [ucal.us/medicalpremiums](http://ucal.us/medicalpremiums)

Your medical plan premiums are deducted from your pay before taxes are calculated, so you save on taxes.

**More Information:**

*A Complete Guide to Your UC Health Benefits*, pages 19–23  
Online: [ucal.us/medicalplans](http://ucal.us/medicalplans)

### VISION SERVICE PLAN

If you're eligible for Full benefits, UC pays the full cost of vision insurance premiums for you and your family. The plan covers exams, lenses, frames (every other year) and contact lenses.

**More Information:**

*A Complete Guide to Your UC Health Benefits*, page 28  
Online: [ucal.us/vision](http://ucal.us/vision)

### DENTAL PLANS

If you're eligible for Full benefits, you have a choice of two dental plans: Delta Dental PPO and DeltaCare USA, which is similar to a medical HMO, with a network of dentists. UC pays the full cost of either plan for you and your family.

Check out the DeltaCare USA network of dentists before choosing between the two plans, since the network is limited in some areas of California.

**Tool:**

Online: [ucal.us/dental](http://ucal.us/dental)

**Tip:**

For most plans, you're covered on your first day at work, but it can take 30 to 60 days after you enroll for the plan to have a record of your enrollment. So if you need immediate services, check with your plan first to see if it has a record of your enrollment. If it doesn't, ask a representative to contact your local Benefits Office or the person in your department who handles benefits to help you get services.

## Disability and Life Insurance

To help you prepare for the unexpected, UC offers insurance plans to provide a financial safety net for you and your family.

### DISABILITY INSURANCE

Disability insurance replaces some of your wages if you have an illness or injury that prevents you from working for an extended period of time, including for pregnancy and childbirth.

Unlike most employers in California, UC does not participate in State Disability Insurance (SDI). Instead, UC offers its own Basic and Voluntary Disability insurance plans to those eligible for Full, Mid-Level or Core benefits. You're automatically enrolled in Basic Disability, at no cost to you. Basic Disability will replace 55 percent of your eligible earnings, to a maximum benefit of \$800 per month, for up to six months. There is a 14-day waiting period, and you must use up to 22 days of sick leave before benefits begin, if you have them.

For greater financial protection, you may choose to enroll in Voluntary Short-Term Disability, Voluntary Long-Term Disability or both. The voluntary plans provide up to 60 percent of your eligible earnings, to a maximum benefit of \$15,000 per month. Voluntary Disability income is generally not taxable, since you pay the premiums with after-tax dollars.

The start date and duration of your benefits depends on the level of coverage you choose:

- Short-Term only—You'll be covered, but only for up to six months. There is a 14-day waiting period, and you must use up to 22 days of sick leave if you have them before benefits begin.
- Long-Term only—You'll be covered after six months, until your Social Security normal retirement age for most conditions.

- Short and Long-Term—You'll be covered until your Social Security normal retirement age for most conditions. There is a 14-day waiting period, and you must use up to 22 days of sick leave if you have them before benefits begin. Choosing both Voluntary Short and Long-Term Disability provides the most comprehensive coverage for all types of disability leaves.

Premium costs depend on your monthly salary, age, retirement plan and the level of coverage you choose (short-term, long-term or both). See *Your Guide to UC Disability Benefits* for more information about your options, including exclusions and limitations.

#### **Tip:**

Be sure you understand the Basic and Voluntary Disability benefits and the sick leave policies and/or paid medical leave policies that apply to you before making a decision about enrolling in Voluntary Short-Term Disability, Long-Term Disability or both.

If you don't enroll in voluntary coverage during your 31-day period of eligibility, you must submit a statement of health to add coverage later. However, the insurance carrier may not grant your request.

### **LIFE INSURANCE**

UC provides Basic Life insurance equal to your base pay, up to \$50,000, if you are eligible for Full benefits. If you have Mid-level or Core benefits, your life insurance is \$5,000. UC provides these plans at no cost to you.

Faculty and staff with Full or Mid-level benefits may also enroll in Supplemental Life insurance and cover their dependents in Dependent Life insurance. You pay monthly premiums for the supplemental plans.

**Tool:**

Life Insurance Premium Estimator  
[ucal.us/lifepremiumestimator](http://ucal.us/lifepremiumestimator)

If you decide not to enroll in these plans during your first 31 days, you can apply for coverage later by submitting evidence of insurability to the insurance company. The insurance company may or may not approve your enrollment based on the application.

### **ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE**

To help protect you and your family from the financial impact of an accident, UC offers Accidental Death & Dismemberment (AD&D) insurance. There are several levels of coverage for you and your family. You can enroll in, increase or decrease your AD&D coverage at any time. The rate chart for premiums is online at: [ucal.us/adanddpremiums](http://ucal.us/adanddpremiums)

## Legal and Flexible Spending Accounts

In addition to good health and retirement benefits, UC also offers you access to legal services, tax-savings plans and other benefits—at reduced prices.

### LEGAL PLAN

The ARAG Legal Plan covers routine preventive or defensive legal services like drawing up a will, adoption or divorce proceedings and criminal misdemeanors. You can enroll for a small monthly premium.

### FLEXIBLE SPENDING ACCOUNTS

Flexible spending accounts, or FSAs, allow you to pay for eligible expenses on a pre-tax basis. You determine an amount to be deducted from your paycheck before taxes are calculated and placed in an FSA. You pay for eligible expenses from the account and save on taxes since you have lower taxable income. UC offers separate flexible spending accounts for health and dependent care expenses.

You will be registered for coverage automatically when you make your arrangements through any of UC's preferred travel agencies found in Connexus, UC's systemwide travel program. If you do not make your travel arrangements through Connexus, you will need to register online for business travel insurance. Personal travel insurance is also available for protection when not traveling on university business.

All eligible new employees are offered primary—or required—retirement benefits, with costs shared by you and UC. UC also offers voluntary savings opportunities and a range of resources to help you make informed retirement decisions.

The University of California Retirement System (UCRS) encompasses the UC Retirement Plan (UCRP) and three retirement savings plans.

**UC RETIREMENT PLAN**

The UC Retirement Plan (UCRP) is a defined benefit plan in which lifetime monthly pension payments are based on your average salary, age and years of UCRP service credit at the time you retire. To be eligible to receive pension benefits, you must be a member of the plan and have a minimum of five years of service credit at retirement. When you retire, you may choose to take a reduced monthly benefit in order to provide a benefit for another person of your choosing, such as a spouse or domestic partner.

You contribute 7 percent of your salary to the plan on a pretax basis and UC contributes 8 percent. Some union members entitled to modified benefits contribute 9 percent.

**VOLUNTARY RETIREMENT SAVINGS PROGRAM**

You can enhance your retirement security by voluntarily participating in the UC Retirement Savings Program. The program consists of three plans:

- Tax-Deferred 403(b) Plan
- 457(b) Deferred Compensation Plan
- Defined Contribution Plan

If you're not eligible for primary retirement benefits based on your position, you'll make mandatory contributions to the Defined Contribution (DC) Plan as a Safe Harbor participant. In lieu of paying Social Security taxes, you contribute 7.5 percent of your wages to the plan on a pretax basis, and you can choose from a range of funds in which to invest.

**REHIRED, NEWLY ELIGIBLE AND FORMER CALPERS-COVERED EMPLOYEES**

Retirement benefits may differ for certain employees:

- If you are rehired after having previously worked for UC in an eligible appointment;
- If you start at UC before July 1, 2016, and become eligible for full retirement benefits after that date; or
- If you were a "Classic Member" under CalPERS and are eligible for reciprocity.

If you're in one of these groups, or if you have questions, please contact the UC Retirement Administration Service Center.

**RETIREE HEALTH & WELFARE BENEFITS**

Health benefits for retired UC employees are one of the rewards UC currently offers long-serving eligible employees. Under the UCRP 2013 Tier, employees who work for UC for 10 years or more may be eligible to continue some UC-sponsored health benefits.

These benefits, which include medical, dental, vision, legal and accidental death and dismemberment (AD&D), are separate from the UC Retirement Plan (UCRP) and are not a vested benefit. That means these benefits are not guaranteed and that UC's contributions to the cost of the benefits may change or be discontinued at any time. Retiree health and welfare benefits are subject to collective bargaining for represented employees.

Currently, UC contributes to the cost of medical and dental insurance for eligible retirees. For vision, legal and AD&D, retirees who enroll pay the full premiums.

**Eligibility**

To be eligible for these benefits, employees must:

- Be a member of the UC Retirement Plan
- Have a retirement date that is within 120 days of the date they end UC employment
- Be enrolled in or eligible to enroll in Full UC employee benefits at the time of separation
- Continue health coverage until retiree health benefits become effective

Retirees must also meet UC service credit requirements, based on the date they became a member of UCRP, to be eligible.

## COLLECTIVE BARGAINING

UC is committed to establishing and maintaining cooperative relations with its 15 unions, and to bargaining constructively and in good faith to come to agreement on the terms and conditions of employment for the roughly 85,000 UC employees in 26 bargaining units.

Terms and conditions of employment for exclusively represented employees are spelled out in the detailed contracts that the university and the unions have negotiated. Contract provisions cover all aspects of employment. If you are a member, you can find the contract that applies to you on the Labor Relations website ([ucal.us/laborrelations](http://ucal.us/laborrelations)), or directly from the union. If you have questions about the details of contract provisions and implementation, union representation or agency fees, contact the union directly.

## **Union Agency Fees**

California law requires mandatory union fee payroll deductions for UC employees who are represented by a union but do not join the union and pay regular member dues. Under the law, these deductions constitute an “agency fee” to the union to help cover the union’s costs for negotiations, contract administration and related activities.

The agency fee amount is determined by each union at UC, but cannot exceed the union’s regular membership dues.

UC faculty members eligible for Academic Senate membership are exempt from the agency fees. An employee who is a member of a bona fide religion, body or sect that has historically held conscientious objections to joining or financially supporting public employee organizations may instead pay an amount equivalent to the agency fee to a nonreligious, nonlabor charitable fund.

More information about agency fees is available directly from the unions.

**More Information:**  
[ucal.us/laborrelations](http://ucal.us/laborrelations)

### **Tip:**

If you are a member of a union, your benefits and their costs are subject to collective bargaining and may be different from those outlined in these pages. Check your bargaining agreement for details: [ucal.us/agreements](http://ucal.us/agreements)
