

**ARTICLE 36  
SICK LEAVE**

**A. ACCUMULATION OF SICK LEAVE CREDIT**

1. If a campus implements the Factor Accrual System, an eligible employee shall earn sick leave credit at the rate of .046154 hours per hour on pay status, including paid holiday hours but excluding all paid overtime hours.
2. If a campus uses the Table Accrual System, an eligible employee shall earn sick leave credit at the rate of eight hours per month for full-time employment. Sick leave credit is earned proportionately, as set forth in the Sick Leave Credit Table below, for hours on pay status over one-half of the full-time working hours of the month but less than full-time.
3. Until a campus provides notice to CUE Teamsters of a proposed change to either the Table Accrual System or the Factor Accrual System, current accrual practices will remain in place.

4. An employee must be on pay status for at least one-half of the working hours of a month or quadri-weekly cycle to earn sick leave credit for that month or quadri-weekly cycle. Time on pay status in excess of a full-time work schedule does not earn sick leave credit. Sick leave is earned during leave with pay. For the purposes of this Agreement, a quadri-weekly cycle is defined as two bi-weekly pay periods designated by the University to be considered as one unit for the purpose of leave accrual.
5. For employees on either system, earned sick leave for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate sick leave credit for an eligible employee who is separating from employment shall be credited at the completion of the last day on pay status.
6. The number of sick leave hours which may be accumulated is unlimited.

4. Illness While on Vacation – If, while on vacation, an employee becomes ill and is under the care of a physician and submits a physician's statement, the employee may use accumulated sick leave for that personal illness. Sick leave may not be used for illness of a family member during the employees' vacation.

No sick leave pay shall be payable to an employee unless the employee's immediate supervisor or designee is notified of the illness/disability and the probable duration thereof as soon as possible, but in no event later than the beginning of the employee's work day except when the University determines that the employee's failure to notify is due to extreme circumstances beyond the control of the employee.
2. Subsequent to an employee's notice of illness/disability, no time for which the employee has requested and/or received sick leave authorization may be charged to accumulated/anticipated compensatory time, leave with pay, vacation, or holiday time, except as provided in Article 14 – Leaves of Absence.

5. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a medical verification of illness to the employee's supervisor on the employee's return to work in order for the absence to be authorized.
  6. When medical documentation is required by the University, it shall be from a health practitioner licensed by the state in which he or she practices to diagnose and certify illness or disability or from an authorized representative of a recognized treatment program.
  7. The University may have an employee claiming disability examined by a physician or physicians of its choosing, in accordance with Article 14 – Leaves of Absence. The University shall pay the reasonable costs of any such medical examination and, when practical, shall send the employee to a physician of its choosing on the employee's work time.
  8.
