When calculating time in pay status during a calendar year the University shall include any period of time for which an employee receives pay for time worked, or for time on paid leave. Paid leave time includes compensatory time off, sick leave, extended sick leave, vacations, holidays, or military leave with pay. Lump-sum payments for terminal vacation do not represent time on pay status.

2. Pay

Employees with partial-year career appointments may choose either to receive paychecks during pay periods worked only, or to distribute their pay so that they will receive twelve (12) (or the bi-weekly equivalent) paychecks throughout the year. Employees who occupy partial-year career positions and who elect the pay-over-twelve (12) months option must occupy the partial-year career position at least nine (9) months (or the bi-weekly equivalent) before receiving pay during the furlough period.

must remit the amount of the employee's contributions in accordance with the applicable plan rules to remain in force.
