ARTICLE 5
COMPENSATION

A. GENERAL PROVISIONS

1. Effective date of salary increases – The initial year one increases shall be effective on January 5th, 2014 (January 1st, 2014 for monthly paid). All other salary increases shall be effective on the first full biweekly or monthly pay period on or after the effective date.

2. Appendix A – The salary ranges and steps resulting from the negotiations are reflected in Appendix A. The parties recognize that the actual salary rates paid to employees may slightly vary from those reflected in Appendix A due to rounding.

3. Range Adjustments
   a. When applying a range adjustment to ranges with steps, the adjustment shall apply equally to all steps within the range. The resultant step salary shall apply to all employees on the step.
   b. Employees within the salary range who are not eligible for the full amount of the within range increase, or who are situated above the range, shall be compensated as follows:
      The amount above the range shall be paid in a one-time, non-base building lump sum and coded in the payroll system as covered compensation.
   c. No employee shall be paid less than the salary range minimum.

4. Order of Increases: If more than one salary range adjustment takes place on the same date, actions occur in the following order:
   a. Across the board salary range adjustment;
   b. Equity adjustments;
   c. Individual employee step increase;
   d. Salary action resulting from promotion, reclassification, transfer, or demotion.

5. The across the board (“ATB”) salary range increases in Section B., below, will apply to determine the wages specified in Appendix A hereto.

6. All provisions in this article applicable to career employees shall apply equally to limited appointment employees, unless otherwise specified.

7. Eligibility: In addition to any specific requirements indicated below related to any particular increase, to be eligible for pay increases, employees must be in the unit on the effective date of the increase as well as on the date of payout.
