An employee is eligible for holiday time pay if the employee is on pay status at least fifty-percent (50%) of the hours in the appropriate pay cycle, excluding holiday hours. The employee must also work the last scheduled work day before the holiday and the first scheduled work day after the holiday, in order to receive holiday pay.

No employee shall receive holiday pay for any holiday, which is immediately preceded by or followed by an unauthorized absence or a disciplinary suspension.

All eligible employees shall receive holiday time for the thirteen (13) holidays provided for in this Article, except as provided in Section B., above, whether or not the holiday is worked. The decision pertaining to the method of payment for the holiday, which can either be paid in straight-time compensatory time off or in actual straight-time pay, shall be at the sole non-grievable discretion of the University.

3. Pay For Holidays Worked

In addition to Section C.2., above, an employee shall be paid for all hours actually worked on the named holidays in accordance with the following:

The Laboratory will be open on both Cesar Chavez Day and Veterans Day and closed during winter shut-down. Employees electing to use the floating holiday on either Cesar Chavez Day or Veterans Day will be required to use an additional vacation day or leave-without-pay day during the winter shut-down.
