A. LISTING OF BENEFITS

The following is a brief listing of benefits provided to University employees, effective January 1, 2013. Specific eligibility and benefits under each plan are governed entirely by the terms of the applicable plan documents, custodial agreement, University of California Group Insurance Regulations, group insurance contracts, and state and federal laws. Employees in an ineligible class are excluded from coverage regardless of appointment percent and average regular paid time. For details on specific eligibility of each health and welfare program, see the Group Insurance Regulations. These benefits and amounts may be subject to change based on the renewal of this insurance annually by the University.

A prospectively expanded UCRP membership is applicable to certain lecturers using a 50 percent time worked eligibility standard tied to the academic year (9 months). The expanded UCRP eligibility criteria would result in treating lecturers who work 750 hours (750 hours is equivalent to 50 percent of 9 months) during a 12-month period in

an equivalent manner as employees who work 1,000 hours (1,000 hours is equivalent to 50 percent of 12 months).

UCRP provides retirement income, adjusted for cost-of-living increases, for eligible employees, and their contingent annuitants. UCRP also provides pre-retirement disability income for eligible employees and, pre-retirement survivor income for their eligible survivors. Also, for eligible employees who became UCRP members prior to July 1, 2013 and have not incurred a break in service, UCRP provides post-retirement survivor income to eligible survivors and a lump sum cashout option for members in lieu of monthly retirement income (provided the member elected this option).
