D. Classification: The term “classification” shall refer to the job title and title codes listed in this article.

E. “Prior to the implementation of a new or revised SETC classification the Union may request a meet and discuss session regarding the proposed new or revised classification. UC Merced will meet and confer over the conditions of employment and the wage rates of the new or revised classification.”
ARTICLE 2 – CLASSIFICATIONS AND RECLASSIFICATIONS

A. Classifications

1. The term "classification" shall refer to the job title and title codes listed in Article 1, Recognition.

2. Bargaining unit employees’ level and scope of assigned duties shall be documented in their job descriptions which shall be established and classified by the University. If an employee’s duties and responsibilities undergo significant changes, the affected position(s) may be reviewed as described hereafter in this Article.

3. The University and the Union agree that employees should be assigned work consistent with the employee’s job description.

B. Request for Classification Review

A. An employee may request a review of the classification of his/her position to Campus Human Resources in accordance with the Campus Reclassification Procedures. The review shall be based on the employee’s job description as approved by the supervisor. Campus Human Resources shall provide a response to the request within 90 (ninety) days after receiving the submission.

B. The University’s Compensation unit will determine whether to reclassify the employee’s position by evaluating the core functions and duties of the position and comparing them to pre-defined job families, classifications specifications, and comparable positions within the organization and/or external to the organization. Factors that may be considered include, but are not limited to, the scope of responsibility, skills and competencies required to perform the position.

The classification review process will include all of the following:
   a. a review of the incumbent’s prior job description;
   b. a review of a revised updated job description; and
   c. a review of the organizational chart;

The classification review process may also include any of the following as necessary:
   d. a review of any supplemental information;
   e. survey interviews with the incumbent, supervisor and/or manager; or subject matter experts;
   f. a review of a position questionnaire or survey;
   g. a desk audit

3. If the employee is not satisfied with the results of the initial decision, s/he has fifteen (15) calendar days to request a secondary and final review by the Assistant Vice Chancellor, Human Resources, or designee. Such requests shall include a detailed statement by the employee indicating the reasons for disagreement with the original decision. The Assistant Vice Chancellor’s or designee’s decision will be final.

ARTICLE 3 – DEFINITIONS

A. Break in Service
A break in service is any separation from employment status. In addition, a break in service occurs, effective the last day on pay status, whether or not a separation form is submitted, when an employee is off pay status for four (4) complete, consecutive calendar months without an approved leave without pay, furlough, or temporary layoff.

A return to pay status from an approved leave without pay, furlough, temporary layoff, indefinite layoff during a period of right to recall and preference for reemployment, or on the next working day following a separation, is not a break in service.

B. Address of Record

It shall be the responsibility of each employee to inform the University in writing of his/her current home address and of any change in such address, and the information so provided shall constitute “the employee’s last known home address.”

Upon written request from the Union, the University shall provide to the Union a report of bargaining unit members. The report will include the employee’s name, classification, date of hire, department and home address. Home addresses shall be made available to the Union provided that the employee has authorized, in writing, the release of his/her address. The release of home addresses shall be pursuant to Government Code Section 6254.3. For purposes of Article 41 – No Strike/No Lockout, notice to the home addresses provided herein shall meet the Union’s obligation.

C. Seniority

As used in the Layoff, Hours of Work, Overtime Articles, seniority is calculated by the number of full time equivalent months (or hours) of University service excluding employment prior to a break in service. When employees have the same number of full-time equivalent months (or hours), the employee with the most recent date of appointment is considered the least senior.

As used in the Vacation Article, seniority is determined by the date of appointment of the employee to the classification. If employees have the same date of appointment to the classification, the one with the most recent appointment to the shop or work location shall be the least senior.

D. Rates of Pay

1. Base rate is the rate of pay exclusive of any additional pay, such as shift differential, overtime, compensatory time, or on-call pay.

2. Regular hourly rate is the employee’s base rate plus any shift differential, and on-call pay.

3. Salary increases are calculated on current base rate.

E. Classifications

The term “classification” shall refer to the job title and title codes listed in Article 1, Recognition.

F. Day

Unless otherwise indicated herein, the term “day” shall refer to a calendar day.
G. Year
   1. Fiscal Year. July 1 through June 30
   2. Calendar Year. January 1 through December 31
   3. Unless otherwise indicated herein, the term “year” shall refer to a fiscal year.

H. Emergency
   The term “emergency” shall be specifically defined to mean an occurrence of a serious nature, developing suddenly and unexpectedly, requiring immediate action to protect property, equipment, life, safety, and health, including affected research.

I. Official University Business
   A pre-approved activity that contributes to one of the University's major functions of teaching, research, patient care, or public service.

ARTICLE 4 - NONDISCRIMINATION IN EMPLOYMENT

A. The provisions of this Agreement shall be applied to all members of the unit within the limits imposed by law or University regulation without regard to race, color, religion, union affiliation, marital status, national origin, ancestry, sex, sexual orientation, gender, gender expression, gender identity, physical or mental disability, medical condition (cancer-related or genetic characteristics), genetic information, status as a covered veteran (special disabled veteran, Vietnam era veteran, or any other veteran who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized), service in the uniformed services, age, or citizenship.

B. For purposes of this article only, medical condition means any health impairment related to or associated with a diagnosis of cancer, including a record or history of cancer or genetic characteristics. Genetic information includes family history. Pregnancy includes childbirth and related medical conditions. Service in the uniformed services includes membership, application for membership, performance of service, application for service or obligation for service in the uniformed services.

C. Allegations of a violation of this Article, only when made in connection with a provision of another Article that is grievable beyond Step 2, shall be eligible for appeal to the same degree that the Article to which the grievance is connected is grievable and/or arbitrable.

ARTICLE 5—POSITIONS AND APPOINTMENTS

A. Career Appointments
   Career appointments are established at a fixed or variable percentage of time at fifty percent (50%) or more of full-time, and are expected to continue for one (1) year or longer.

B. Limited Appointments
   1. Limited Appointments are established at any percentage of time, fixed or variable, and are not expected to continue for more than one thousand (1000) hours in a twelve (12) month period.
2. Conversion to Career Status. Except as provided in Section 3 below, in the event that an employee with a limited appointment attains 1000 hours of qualifying service within a 12-month period, the University will evaluate whether to convert to career status upon reaching the 1000-hour threshold.

   a. Qualifying service includes all time on pay status in one or more limited appointments. Pay status shall not include on-call or overtime hours.

   b. Such conversion to career status shall be effective on the first day of the month following attainment of 1000 hours of qualifying service.

   c. Any break in service of 120 days or longer shall result in a new 12-month period for purposes of calculating the 1000 hours of qualifying service.

   d. Employees who have been converted to career appointments shall serve a probationary period in accordance with the provisions of Article 6, Probationary Period.

3. Conditions for Non-conversion to Career Status. Conversion to career status, as provided in Section 2 above, shall not occur when:

   1. The employee is hired as replacement for another person who is on an extended leave; or,

   2. The position into which the employee is hired is not an “ongoing” position, in that the position is established and funded for less than a year at any percent of time; or,

   3. The funding for the position is “one time” funding of 18 months or less; or,

   4. The employee was hired specifically to work on a short-term project lasting no more than one (1) year.

   5. Limited Appointments shall not normally be hired instead of career employees.

   6. Termination of Limited Employees. Employees in limited appointments may be terminated or have their time reduced at the sole discretion of the University and without recourse to Article 27, Arbitration Procedure, of this Agreement.

   7. Disputes – A Limited Employee shall have the right to file a grievance through step two.

   **ARTICLE 6 - PROBATIONARY PERIOD**

   A. All new career employees shall serve a probationary period of six (6) calendar months at fifty percent (50%) time or more without a break in service. Time on leave with or without pay is not qualifying service for the completion of the probationary period. Employees who are rehired following a break in service shall serve a new probationary period whether or not they previously completed a probationary period.

   B. An employee who is required to serve a probationary period and who has worked in a limited appointment immediately preceding the career appointment, shall have up to 1,000 hours on pay status (the amount to be determined based on hours in pay status but exclusive of on-call and overtime hours), credited towards completion of the probationary period, provided that the credited time was served in the same position and with the same supervisor that the employee had immediately prior to the career appointment.
C. A Limited Appointment Employee hired or rehired into a career position of the same classification, in the same shop and under same supervisor, within thirty days of his/her break in service shall be credited with up to 1,000 hours on pay status on the same basis as provided for in paragraph B above.

D. Prior to the completion of a probationary period, the University shall make a good faith effort to evaluate the employee’s performance. However, a probationary employee may be released at the discretion of the University provided the employee is not being released in violation of Article 4, Nondiscrimination in Employment. Other than probationary releases alleged to be based on discriminatory grounds, disputes arising from this Article are not subject to the Grievance or Arbitration Procedure of this Agreement.

ARTICLE 7 - PERFORMANCE EVALUATION

A. The performance of each employee shall be evaluated periodically for the purpose of assessing and evaluating an individual’s work performance and for providing guidance and assistance relative to the employee’s work performance, in accordance with a process established by the University. If an employee does not receive an evaluation of performance and it has been at least a year since the last evaluation has been done, the employee shall be deemed to have performed satisfactorily. A performance evaluation does not constitute discipline nor corrective action.

1. The University shall provide the employee their performance evaluation no less than annually and according to the same schedule applicable to other employees in the department.

2. An employee shall have the right to provide a written rebuttal with the employee’s signature within thirty (30) calendar days to his/her performance evaluation and to have that rebuttal attached to the performance evaluation. The written rebuttal shall be provided to the employee’s immediate supervisor. Both documents shall be placed in the employee’s personnel file.

3. An employee shall receive a copy of the signed performance evaluation, including the employee’s rebuttal, if any.

B. If an employee does not receive an evaluation of performance and it has been at least a year since his/her last evaluation was completed, he/she may make a written request to his/her immediate supervisor that an evaluation be done. Upon request, a performance evaluation shall be provided no later than sixty (60) calendar days.

C. The University may counsel a bargaining unit employee concerning his/her performance, including but not limited to attendance and related performance issues. Such counseling shall not constitute discipline or corrective action. Upon the employee’s written request, a counseling memoranda shall be destroyed and with or without a written request, shall not be used for any purpose eighteen months after the date of issuance if during that time there has been no further counseling or disciplinary action taken against the employee.

D. Disputes concerning alleged violations of Section B above shall be subject to the Grievance and Arbitration Procedures of this Agreement; however, all other disputes arising from this Article may be reviewed under the Grievance Procedure only of this Agreement.

When granting such requests, the University shall take into account the frequency of such requests and the amount of time the employee is or will be engaged in such activity. Alternatively, an individual may provide the University with a written authorization allowing a designated SETC representative to receive a copy of the employee’s personnel file(s) or identified portions thereof. Such written authorization shall be valid for a period of twenty (20) calendar days from the date thereof.

The University & SETC will develop written apprentice standards for a UC Merced craft apprenticeship program by the expiration of this agreement. The due date may be extended by mutual agreement. Once the apprenticeship standards are finalized, the apprentice standards shall be attached to the agreement, as Appendix K. The apprenticeship program will be implemented at the sole discretion of the University based upon the availability of funding and resources.

F. Bereavement Leave
An employee shall be permitted to use not more than five (5) days of accrued sick leave when that employee's attendance is required due to the death of the employee's mother, father, husband, wife, son, daughter, brother, sister, mother-in-law, father-in-law, or grandparents; or of any other related person who resided in the employee's household. If the employee needs additional time, based on a personal obligation, the employee may request vacation time and, subject to operational needs, that vacation time will not be unreasonably denied. Management may, at its discretion, request documentation regarding the need for the additional time.

G. Transfer and Reinstatement of Sick Leave
1. An employee who is transferred, promoted, or demoted from one University position to another University position in which sick leave accrues and can be transferred shall have the sick leave transferred. An employee who is transferred, promoted, or demoted to a position in which sick leave does not accrue or in which sick leave cannot be transferred shall not have accrued sick leave
transferred. However, if the employee later transfers to a position in which sick leave accrues, the previously accrued sick leave shall be reinstated.

2. An employee who is reemployed after a break in service of less than fifteen (15) calendar days shall have all accrued sick leave from prior service reinstated.

3. An employee who is reemployed after a break in service of fifteen (15) calendar days or more but less than six (6) months shall have accrued sick leave from prior service not in excess of eighty (80) hours reinstated.

4. State of California service is included as University service for the purpose of applying paragraphs 2 and 3 above.

5. An employee who has been laid off and who is recalled or preferentially rehired within the employee's period of recall or preferential rehire eligibility shall have all accrued sick leave from prior service reinstated.

H. Conversion of Sick Leave Upon Retirement

Upon retirement, members of the University of California Retirement System shall have their accumulated sick leave converted to retirement service credit at the rate authorized by the University of California Retirement System for each day of unused accrued sick leave.

ARTICLE 19 - WORK-INCURRED INJURY OR ILLNESS

A. This Article sets forth the application of sick leave and vacation for employees who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act and provides extended sick leave for such employees when sick leave is exhausted and when employees are still unable to work because of such injury or illness. In order to be treated by their own doctors, employees must file a written “Designation of Treating Physician” with their department prior to any illness or injury occurring. If any state laws applicable to the University and relating to the subject matter of this Article are more generous to employees that currently provided for in this Article, the University will comply with the law.

B. Use of Accrued Sick Leave and Vacation

1. An employee who accrues sick leave and vacation shall be permitted to use accrued sick leave and vacation to supplement temporary disability payments received under the California Workers' Compensation Act.

2. Sick leave and vacation payments shall be the difference between the amount payable to the employee under the Workers' Compensation Act and the employee's regular salary. The additional payment made to an employee to provide the employee with the full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act.

3. An employee who receives advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore proportionate sick leave and vacation credit as appropriate.

4. A non-probationary employee who is receiving temporary disability payments for work incurred injury or illness and supplemental sick leave or vacation as described in Sections B 1. through 3. above, is considered on regular pay status. Sick leave and vacation accrued during this period may be used as soon as they accrue.
5. A probationary employee who is receiving temporary disability payments for work incurred injury or illness and supplemental sick leave or vacation as described in Sections B 1. Through 3. above, is considered not on regular pay status, and his/her probationary period may be extended. Sick leave and vacation accrued during this period may be used as soon as they accrue.

C. Extended Sick Leave

1. An employee who remains disabled and who continues to receive temporary disability payments and who has exhausted all accrued sick leave shall receive extended sick leave payments from the University in an amount equal to the difference between the payments from Workers' Compensation and eighty percent (80%) of the basic salary plus any shift differential which the employee would have received. If such an employee returns to part-time University duties, the earnings plus any temporary disability payments, if less than eighty percent (80%) of basic salary plus shift differential, shall be supplemented to eighty percent (80%) by extended sick leave payments, provided the employee continues to be medically authorized for Workers' Compensation temporary disability. Total extended sick leave payments shall not exceed twenty-six (26) weeks for any one injury or illness. Extended sick leave constitutes an advance against permanent disability payments.

2. An eligible employee who does not have sufficient accrued sick leave to cover the three (3) calendar days' waiting period for receiving Workers' Compensation payments shall receive extended sick leave payment to cover any part of the waiting period not covered by sick leave. Payment shall be made only after determination that the injury or illness is compensable under Workers' Compensation.

3. An employee who elects not to use all sick leave is not eligible for extended sick leave benefits.

4. An employee who is receiving temporary disability payments and extended sick leave benefits is considered to be on regular pay status, except for completion of the probationary period. However, sick leave and vacation accrued during this period are credited to the employee only upon return to work. If an employee separates without returning to work, the employee shall be paid for vacation for the period the employee received extended leave payment.

D. Leave Without Pay

An employee on leave without pay and receiving temporary disability payments for work incurred injury or illness, accrues sick leave and vacation on the same basis as if regularly employed. Such accrued sick leave shall only be credited to the employee upon return to work. Vacation leave accrued while the employee was receiving temporary disability payments shall be credited to the employee if the employee returns to work. If an employee separates without returning to work, payment shall be made for the accrued vacation credit.

E. Family and Medical Leave

An employee who is receiving supplemental leave (sick leave and/or vacation) and/or extended sick leave as described in Sections B. and C. above, shall have that time counted towards the 12-workweek entitlement to family and medical leave, provided that the employee is entitled to leave pursuant to Article 22 - Leaves of Absence without Pay.

F. Right to Representation

While on medical leave, an employee has a right to union representation in accordance with the provisions of this Agreement.

G. Separation
An employee shall not use vacation, sick leave, or extended sick leave to supplement Workers’ Compensation payments beyond a predetermined date of separation or leave without pay. Any vacation credit remaining on the date of separation shall be paid on a lump-sum basis.

**ARTICLE 20 - MEDICAL SEPARATION**

A. When the University determines that an employee is unable to satisfactorily perform the essential, assigned functions of his/her position due to a disability or other medical condition and determines that no reasonable accommodation exists without causing undue hardship, the employee may be medically separated.

1. Employees separated under this Article who had attained non-probationary career status are eligible for special reemployment procedures.

2. The University shall pay the costs of any medical examinations required by the University.

B. Basis for Separation

1. A medical separation shall be based on
   a) a University statement describing the essential functions the employee is unable to perform satisfactorily; and
   b) a written review by the University Accommodation Consultant or other appropriate University representative determining that no reasonable accommodation exists without causing undue hardship; and
   c) any pertinent information such as medical information provided by the employee’s health care provider or a health care provider retained by the University.

2. A medical separation may also be based on the employee’s receipt of disability payments from a retirement system to which the University contributes.

3. An employee shall not be separated under this Article while he/she has accrued sick leave or while the employee is on extended sick leave. However, an employee may be separated for medical or other reasons if the date of separation was set prior to the commencement of sick leave or extended sick leave.

C. Notices

1. Notice of Intent.

   Advance written notice of the intention to medically separate the employee shall be given. The notice shall:
   a. State the reason(s) for the medical separation;
   b. Include a copy of the materials on which the University is basing the intended action such as documentation related to the interactive process (see B.1 above) and medical information provided by the employee’s health care provider or a health care provider retained by the University;
   c. State the essential functions which the employee is unable to perform satisfactorily; and,
   d. State that the employee has the right to respond in person or through a representative within fourteen (14) calendar days from the date of the notice. Such response may be oral or in writing.

2. Notice of Separation.
After review of the employee's timely response, if any, the University shall notify the employee of its determination. If it has been determined that separation is appropriate, the employee shall be given advance written notice of the separation date and the employee's right to appeal. Such notice shall be provided by hand delivery, or by placing the notice in the U.S. Mail addressed to the employee at the employee's last known home address. Proof of service shall accompany the notice.

D. Special Reemployment Procedures

For a period of one (1) year following the date of a medical separation, a former non-probationary career employee may be selected for a position within the bargaining unit without the requirement that the position be posted. However, if the former employee is receiving disability benefits from a retirement system to which the University contributes, the period shall be three (3) years from the date benefits commenced.

E. Service upon Reemployment

If a non-probationary career employee separated under this Article is reemployed within the allowed period, a break in service shall not be deemed to have occurred.

ARTICLE 21 - REASONABLE ACCOMMODATION

A. General Provisions

In a manner that is consistent with applicable law, the University provides reasonable accommodation to qualified employees who are disabled or become disabled and need assistance to perform the essential functions of their positions.

B. Interactive Process

1. When an employee requests reasonable accommodation for a disability or the University has reason to believe that a reasonable accommodation is needed, the parties will engage in the interactive process, which is an ongoing dialogue between the employee and appropriate University representatives about possible options for reasonably accommodating the employee’s disability.

2. Options for reasonable accommodation may include, but are not limited to: assistive devices; modification of existing facilities; restructuring the position to eliminate non-essential job functions; and leaves of absence.

3. Both the University and the employee are expected to participate in the interactive process in good faith, which includes engaging in timely communications regarding possible reasonable accommodation.

4. As part of the interactive process, the University will review the affected employee’s position and will consider relevant information related to the essential functions of the position; the employee’s functional limitations; possible accommodations; the reasonableness of possible accommodations; and issues related to the implementation of a reasonable accommodation. This information will be used by the University to determine what, if any, reasonable accommodation will be made. While the University will consider the employee’s suggestions regarding which accommodation(s) to implement; accommodations, if any, to be implemented will be at the sole non arbitrable discretion of the University. The University will not implement an accommodation that would present an undue hardship.

C. Medical Documentation

The employee is responsible for providing the University Accommodation Consultant or other appropriate University representative with timely medical documentation regarding the employee’s disability and how it limits the employee’s ability to perform the essential functions of the position. The University may require that a University-
appointed licensed health care provider examine the employee and/or confirm the documentation provided by the employee. In such a case, the University shall pay the costs of the University-appointed health care provider. Upon the employee’s written request, the University will provide to the employee or his/her medical provider the employee’s job description and list of essential functions of the job.

D. Trial Employment

When recommended by the University Accommodation Consultant, or other appropriate University representative and approved by the appropriate University official, a qualified non-probationary career employee with a disability or a former non-probationary career employee with a disability may be offered temporary trial employment in a position within the unit to evaluate the employee’s interests and abilities. The length of this trial employment shall be determined by the University Accommodation Consultant in consultation with the employing department/division head and shall not exceed one (1) year. Positions used for trial employment shall not be designated as career.

E. Special Selection for Other Positions

If the University determines that a non-probationary career status employee who becomes disabled cannot be reasonably accommodated in his or her current position, a search for an alternative vacant position for which the employee is qualified with or without reasonable accommodation will be conducted without the requirement that the position be posted.

ARTICLE 22- LEAVES OF ABSENCE

A. General Provisions

In accordance with the provisions of this Article, Leaves of Absence, with or without pay, may or will be approved by the University.

1. Non-medical leaves of absence, with or without pay, include: leave for jury duty, administrative or legal proceedings or personal leaves.

2. Medical Leaves with or without pay, include Pregnancy Disability Leave, Family Care/Medical Leave, which includes both Family Medical Leave Act of 1993 (FMLA) and the California Family Rights Act of 1995 (CFRA), and Disability Leave.

3. If any state of federal laws applicable to the University and relating to the subject matter of this Article are more generous to employees than currently provided for in this Article, the University will comply with the law.

B. Benefit Eligibility

1. Approved leave without pay shall not be considered a break in service. Except as provided for Pregnancy Disability Leave and Family Care and Medical Leave (See Sections G and H of this Article), an eligible employee on approved leave without pay may elect to continue University-sponsored benefit plans for the period of the leave by remitting to the University the entire premium amount due for the period of approved leave. Regulations of the retirement systems determine the effects of leave without pay on retirement benefits.

2. If an employee is on leave without pay more than half a calendar month, sick leave, vacation, and seniority credit do not accrue.
C. **Pay Status**
   1. Periods on leave in a without-loss-of-straight-time pay status shall be considered time worked.
   2. The provisions of Article 18 - Sick Leave, Article 17 - Vacations and Article 33 – Insurance and Retirement Benefits shall apply when employees are on an approved leave without pay.

D. **Requests for Leave**
   Except as provided in Section H. Family Care and Medical Leave, requests for leaves of absence and extensions thereof, both with and without pay, shall be submitted in writing. Such requests shall be submitted sufficiently in advance of the requested leave date to provide the University time to assess the operational impact of granting the request.

   All requests for leave(s) of absence shall contain the requested beginning date, end date and any additional information as requested.

E. **Return to Work**
   1. Except as provided in Section G. Pregnancy Disability Leave, and Section H. Family Care and Medical Leave, an employee who has been granted an approved leave with or without pay shall be returned to the same or a similar position in the same department/division when the duration of the leave is six calendar months or less, or 12 months, if extended. If the position held has been abolished or affected by layoff during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee been on pay status when the position was abolished or affected by layoff. The date of return to work is determined when the leave is granted.
   2. An employee who has exhausted his/her original leave entitlement and who has been granted additional leave under another section of this Article, shall be reinstated in accordance with the provisions of the section under which the additional leave was granted.
   3. An employee shall not be granted a leave of absence beyond the ending date of the employee’s appointment or predetermined date of separation.
   4. An employee who fails to return to work from a leave of absence on the approved anticipated date of return or any approved extension shall be considered to have abandoned his/her job. Such absences shall be treated in accordance with Article 23 – Resignation & Job Abandonment.

F. **Personal Leave**
   1. An employee in a career position may be granted a personal leave for the employee's convenience, subject to the operational needs and requirements of the University. In special situations, a personal leave for temporary employment outside the University may be approved provided that the outside work is in the interest of public service and/or will be beneficial to the University upon the employee's return.
   2. A personal leave may also be granted for extended illness or to care for a newborn or newly-adopted child.
   3. A department head may approve a personal leave for a period not in excess of six (6) months. The Chancellor, upon recommendation of a department head, may approve extension of a personal leave for a total leave of not more than twelve (12) months.

H. **Pregnancy Disability Leave**
   1. A female employee disabled on account of pregnancy, childbirth, or related medical conditions is entitled to a medical leave of absence in accordance with the provisions of this Article. Pregnancy Disability Leave may consist of leave without pay and/or paid leave such as accrued sick leave, accrued vacation leave, and compensatory time off. The employee shall provide written notice of the need for leave as soon as she becomes aware of it and, at a minimum, thirty (30) days in advance if possible.
2. Verification of medical disability for pregnancy-related purposes shall include, but is not limited to, a statement of a health care provider of the anticipated duration of disability; the estimated date of delivery; a statement that the employee is incapable of performing the essential assigned functions of her job; and the anticipated date that the employee will be able to perform the essential assigned functions of her job.

3. Time Periods
   a. During the period of verified pregnancy-related/childbearing disability, a female employee is entitled to and the University shall grant a medical leave of absence of up to four months. If a career employee’s pregnancy-related/childbearing medical disability continues beyond four months, a personal leave of absence may be granted, for a total leave of absence not to exceed six months.
   
   b. If an employee on approved Pregnancy Disability Leave is also eligible for leave under the federal Family and Medical Leave Act, up to 12 workweeks of such leave shall run concurrently. Upon termination of Pregnancy Disability Leave that runs concurrently with federal Family and Medical Leave, an employee shall also be entitled, if eligible, to up to 12 workweeks of State Family Care and Medical Leave for any covered reason except pregnancy or a pregnancy-related medical condition. When parental leave is granted under Section H. Family Care and Medical Leave, the total of parental leave and pregnancy-related/childbearing disability leave, when taken in conjunction, shall not exceed seven months.

4. Return from a Pregnancy/Disability Leave
   An employee who has been granted a medical leave of absence for pregnancy/childbearing disability purposes shall be returned to the same job provided the employee returns to work immediately upon termination of the pregnancy-related/childbearing disability and provided such return is within four months of the date on which the pregnancy-related/childbearing medical leave commenced. If the same job was abolished during the leave, a similar job will be offered. If a similar position is not available, the employee shall be afforded the same considerations which would have been afforded had that employee been on pay status when the position was abolished or affected by layoff. A female employee who is also granted Parental Leave and Family Care and Medical Leave shall be returned to work in accordance with H.c.3) of this Article.

5. Continuation of Health Benefits
   An employee who exhausts her entitlement to health plan coverage while on an approved Pregnancy Disability Leave that runs concurrently with federal Family and Medical Leave shall not be entitled to an additional 12 work weeks of health plan coverage under the State Family Care and Medical Leave Act.

I. Family Care and Medical Leave
   Employees who have at least one year of University service, and have at least 1,250 actual hours of work during the 12-month period immediately preceding the commencement of the leave, are eligible for and shall be granted up to a total of 12 workweeks of Family Care and Medical Leave in the leave year, except as otherwise provided in this Article. Actual hours worked does not include sick leave, vacation or compensatory time off hours or time paid for holidays or time spent in unrestricted on-call status. For employees granted military leave, all hours that would have been worked had the employee not been ordered to military duty shall be used to calculate the 1,250 actual hours of work requirement.

   Family Care Leave includes both Parental Leave and Family Illness Leave. Medical Leave is provided for the employee's own serious health condition. Family Care and Medical Leave includes paid and unpaid absences, including use of an employee's accrued sick leave, vacation and compensatory time, and leave of absence without pay. For purpose of this section, leave year is defined as calendar year.
1. Definitions
   a. Parental Leave is leave to care for the employee's newborn or a child who has been placed with the employee for adoption or foster care.

   b. Medical Leave is leave granted for the employee's own serious health condition that makes the employee unable to perform the essential assigned functions of the employee's position.

   c. Family Illness Leave is leave to care for the employee's child, parent or spouse with a serious health condition.

   d. A family member for the purposes of family care leave is the employee's biological, adopted, or foster child, stepchild or legal ward who is under eighteen (18) years, a child for whom the employee stands in loco parentis, or an adult dependent child; a biological, foster or adoptive parent, stepparent or legal guardian, an individual who stood in loco parentis while the employee was a child; spouse or same or opposite sex domestic partner.

   e. An employee's own serious health condition is an illness, injury, impairment, or physical or mental condition, that renders the employee unable to perform any one or all of the essential functions of the employee's position and involves the following:

      1. inpatient care in a hospital, hospice, or residential medical care facility, or

      2. continuing treatment by a health care provider for:

         A. a period of incapacity of more than three (3) days

         B. any period of incapacity or treatment due to a chronic serious health condition, or

         C. any period of incapacity which is permanent or long-term due to a condition for which treatment may be effective.

   f. Health care provider means an individual who is licensed in California to hold either a physician's and surgeon's certificate or an osteopathic physicians and surgeons certificate, podiatrists, dentists, clinical psychologists, optometrists, chiropractors (limited to treatment of the spine to correct a subluxation as demonstrated in x-ray to exist), physician assistant, nurse practitioners and nurse-midwives performing within the scope of their practice, Christian Science practitioners or any other health care provider that the employee's health plan carrier recognizes for the purposes of payment.

   g. Equivalent position has the same pay, benefits, and working conditions, including the same or substantially similar duties and responsibilities, which entail substantially equivalent skill, effort, responsibility, and authority.

2. General Provisions
   a. Time Periods

      1. For Family Care and Medical Leave purposes only, 12 workweeks means 12 workweeks in a leave year for full-time employees. For employees who work less than full time or who work full time but on alternative work schedules, the number of working days shall be adjusted on a pro-rata basis.

      2. Parental Leave shall be initiated and concluded within one year of the birth or placement for adoption or foster care of the employee’s child. The University shall grant a Parental Leave of at least one day but less than two weeks’ duration on any two occasions during any twelve (12) month period. The University at its discretion may require that any additional leaves requested during this same period be for a minimum duration of two
weeks, unless otherwise required by law. The total of Pregnancy Disability Leave and Parental Leave, when taken in conjunction, shall not exceed seven months.

3. When medically necessary and supported by medical certification, the University shall grant an employee Family Illness and/or Medical Leave on a reduced work schedule or on an intermittent basis including absences of less than one day. Only the time actually spent on the intermittent or reduced leave schedule shall be counted towards the employee's entitlement of 12 workweeks in any 12-month period.

4. Where the employee requests an intermittent leave or leave on a reduced leave schedule for a planned medical treatment, the University may, at its discretion, require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates recurring periods of leave than the employee's regular position. Such transfer shall have equivalent pay and terms and conditions of employment, but does not need to have equivalent duties.

5. A personal leave may also be granted for extended illness or to care for a newborn or newly-adopted child, to career employees who are ineligible for Family Care and Medical Leave or who are eligible for Family Care and Medical Leave but have exhausted their 12-work week entitlement in one work year. Such leave may consist of leave without pay and/or paid leave such as accrued sick leave, vacation and compensatory time off. The leave shall be requested at least 30 days in advance if possible.

6. The date of return is determined when the leave is granted. Extensions, if any, may be granted in accordance with this Article.

b. Notice

1. If the employee learns of the event giving rise to the need for more than 30 days in advance, the employee shall provide the University with notice as soon as the employee learns of the need for leave, and, at a minimum, 30 days prior to the commencement of the leave, if practicable.

2. If the need for the leave is foreseeable due to a planned medical treatment or the supervision of a family member's medical treatment, the employee shall make reasonable efforts to schedule the treatment so as to not unduly disrupt the University's operations.

3. If the employee learns of the event giving rise to the need for leave less than 30 days in advance, the employee shall provide the University with as much advance notice as is practicable, and, at a minimum, within five working days after learning of the event.

4. An employee who fails to give 30 days' notice for a foreseeable leave, with no reasonable basis for the delay, may have his/her family care and/or medical leave denied until 30 days after the date on which the employee provides notice.

c. Certification

1. For the Employee’s Own Serious Health Condition

When leave is requested for the employee's own serious health condition, the University may, at its discretion, require in writing that an employee's request for Family Illness or Medical Leave be supported by a written certification issued to the University by the health care provider of the individual requiring care. The certification shall be on a form provided by the University and shall include the following:

   a. For the serious health condition of the employee the date on which the condition commenced;

   b. a statement as to whether the employee is unable to perform any one or more of the essential assigned functions of the position including a statement of the function(s) the employee is unable to perform;

   c. if known, and the probable duration of the condition and probable date of return to work;
d. whether it will be medically necessary for the employee to take leave intermittently or to work on a reduced work schedule, and if so, the probable duration of such schedule;

e. if the condition is chronic and the employee is presently incapacitated, the duration and frequency of episodes of incapacity.

f. Should there be any questions regarding the validity of the employee's medical certification for his/her own serious health condition, the University may, at its discretion, require the employee to obtain a second medical opinion from a second health care provider. Should the second medical opinion differ from the employee's own health care provider, the University may require a third medical opinion from a third health care provider jointly approved by the University and the employee. The University shall bear the cost of the second and third opinions, and the third opinion shall be final.

g. If additional leave is requested upon expiration of the leave granted, the University may, at its discretion, require the employee to obtain recertification. Such requests for subsequent certification shall be in writing.

h. If certification or recertification is required, the employee shall return the certification within 15 calendar days of the University's request, where practicable. Failure to provide certification for a foreseeable leave within the requested time may result in denial of the leave until the required certification is received. Failure to provide certification for an unforeseeable leave within the requested time period may result in denial of continuation of the leave until the required certification is provided. If the employee fails to provide a completed certification, the employee shall be given 15 calendar days to perfect the certification. Failure to perfect an incomplete certification may result in denial of the leave or denial of continuation of the leave.

2. For the Employee's Family Member

A serious health condition for the purposes of family illness leave is an illness, injury, impairment, or physical or mental condition which warrants the participation of the employee to provide supervision or care during a period of treatment or incapacity including psychological comfort.

When leave is requested to care for the employee's seriously ill family member, the University may, at its discretion, require in writing that an employee's request for Family Illness or Medical Leave be supported by a written certification issued to the University by the health care provider of the individual requiring care.

The certification shall be on a form provided by the University and shall include the following:

a. The certification should include for the employee's family member a statement that the family member has a serious health condition which warrants the participation of a family member to provide supervision or care and an estimate of the amount of time that the health care provider believes the employee is needed to provide care during the period of the treatment or supervision of the individual requiring care.

b. Whether the employee will need to care for the family member intermittently or on a reduced work schedule, and the probable duration that the employee is needed to provide care.

c. Confirmation of Family Relationship
5. University may, at its discretion, require an employee requesting leave to care for a family member with a serious health condition or requesting Parental Leave, to provide documentation of the familial relationship or proof of birth, placement for adoption or in foster care.

6. Failure to provide documentation within fifteen (15) calendar days of the University’s request may result in delay of the leave until the required documentation is provided. If the employee fails to provide the required documentation and the leave has not begun, the request for family and/or medical leave will be denied. If the leave has begun, the leave may, at the University’s discretion, be discontinued; however, any leave taken is not FMLA leave.

3. Return to Work

An employee who has been granted a Medical Leave for reasons other than pregnancy-related/childbearing disability shall be returned to the same or an equivalent position when the employee has been medically released to perform the essential assigned functions of his/her job. Failure to provide a medical release to return to work may result in the denial of reinstatement until after the employee submits the required medical release certification. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the employee shall be afforded the same considerations which would have been afforded had the employee been on pay status when the position was abolished or affected by layoff. A limited employee granted a Family Care and/or Medical Leave is not entitled to reinstatement to his/her position if the employee's limited appointment ending date occurs before the scheduled return date.

When the employee requests an intermittent leave or a reduced work schedule, the University may, at its sole, non-grievable discretion, require the employee to transfer temporarily to an available alternate position which the employee is qualified and which better accommodates the employee’s recurring period of leave. Such transfer shall have equivalent pay and terms and conditions of employment, but does not need to have equivalent duties.

An employee who fails to return to work on the approved anticipated date of return or any approved extension shall be considered to have abandoned his/her job. Such absences shall be treated in accordance with Article 23 – Resignation and Job Abandonment.

4. Use of Accrued Paid Leave

a. An employee on approved Family Illness Leave may, at the discretion of the University, elect to use accrued vacation time and/or compensatory time off before taking leave without pay. If the employee’s vacation leave accrual is at maximum, the employee will be required to use at least 10 percent of the vacation leave credit prior to taking leave without pay. Up to 30 days of accrued sick leave per year may be substituted for Family Illness Leave granted under this section, pursuant to Article 18.A. and 18. E.7.

b. An employee on an approved Parental Leave may elect to use accrued vacation time and/or compensatory time off before taking leave without pay. If the employee’s vacation leave accrual is at maximum, the employee will be required to use at least 10 percent of the vacation leave credit prior to taking leave without pay.

c. An employee on leave for his/her own serious health condition shall use accrued sick leave in accordance with the University's disability plan or as provided under Article 19 - Work- Incurred Injury or Illness. Employees not eligible for University disability benefits who are not on leave due to a work-incurred illness or injury shall use all accrued sick leave prior to taking medical leave without pay. An employee may elect to use accrued compensatory time off or accrued vacation before taking leave without pay. However, if the employee’s vacation leave accrual is at maximum, the employee will be required to use at least 10 percent of the vacation leave credit prior to taking leave without pay.
5. Duration

a. Family Care and Medical Leave shall not exceed twelve (12) workweeks in any leave year. In the event University policy and/or State or Federal law result in a different date of commencement for this twelve-month period, the commencement period for employees in this bargaining unit shall conform to the commencement date generally applicable to other University employees.

b. For the purposes of FMLA, only, twelve (12) workweeks is equivalent to 480 hours of scheduled work for full-time employees who are normally scheduled for an eight (8) hours per day five (5) days per workweek (8/40) schedule. While the use of FMLA leave need not be consecutive, in no event shall an employee’s aggregate use of FMLA leave exceed a total of twelve (12) weeks within the leave year.

c. For employees who work part-time or a schedule other than an 8/40, the number of FMLA leave hours to which the employee is eligible shall be adjusted in accordance with his/her normal weekly work schedule.       2. Dismissal: if the notice of intent shall be for dismissal following a period of investigatory leave, inform the employee of the University’s intention that thirty (30) working days shall be without pay;
   b. The reason(s) for such action(s);
   c. Include materials relied upon to support the disciplinary action, if any;

   e. Inform the employee of his/her right to representation.

E. Response to Notice

1. The employee and or the employee’s representative may provide a response, oral or written within fourteen (14) calendar days from the date of issuance of such notice of intent.
2. After review of an employee's timely response to a notice of intent, if any, the University shall notify the employee of any action(s) to be taken. Such action(s) may not constitute discipline more severe than that described in the notice of intent.

3. Nothing in this Article shall be construed as preventing the University from imposing any discipline it deems less severe than that set forth in the notice of intent without issuing a new notice of intent.

F. Skelly Hearing

Within fourteen (14) calendar days of the date the notice of intent was issued, the employee has the right to respond orally to the designated Skelly Hearing Officer. The Skelly Hearing Officer shall not be a University representative who was involved in the decision to impose a discipline.

At the Skelly Hearing, the employee shall be entitled to give an oral response, including any facts or arguments which the employee and/or the Union wishes to convey to the Skelly Hearing Officer.

Within five (5) calendar days after the conclusion of the Skelly Hearing, the Skelly Hearing Officer shall issue a final letter to the employee with a copy to the Union of any action(s) to be taken in accordance with Section D above.

G. Grievance Procedure

1. Grievances must be filed in accordance with Article 26 – Grievance Procedure, Section B2.
2. Employees grieving suspensions of more than five days or dismissals may waive step 2 of the Grievance Procedure and proceed directly to Step 3, provided the University mutually agrees to such a waiver.

The time limits set forth in this section may be extended only by prior written mutual agreement of the Assistant Vice Chancellor for Human Resources & Labor Relations, or designee and the Union Representative.

H. Removal of Written Warnings

Upon an employee's request, a written warning shall be destroyed eighteen (18) months after the date of issuance if during that time there has been no further disciplinary action taken against the employee. A written warning cannot be used to support subsequent discipline if there has been no further disciplinary action within eighteen (18) months following the issuance of the written warning.

I. Written Warnings

Written warnings, unless used as a basis for subsequent disciplinary suspension or discharge, are not subject to Article 27, Arbitration.

J. Oral Warning & Plan of Improvement:

Oral warnings and plan(s) of improvement are not subject to grievance and arbitration (Articles 26 & 27).

ARTICLE 26 - GRIEVANCE PROCEDURE

A. Definition, Eligibility, Consolidation, and Representation

1. Definition. A grievance is a claim during the term of this Agreement that the University has violated a written provision(s) of this Agreement.
2. **Eligibility.** Except, as otherwise provided in this Agreement, a grievance may be brought to the attention of the Office of Labor Relations through this procedure by an individual employee, a group of employees, or by the Union. A grievance may not be brought through this procedure by the University.

3. **Consolidation.** Grievances brought by, or related to, two (2) or more bargaining unit employees, and multiple grievances by or related to the same employee, which concern the same incident, issue, or course of conduct, may upon mutual agreement of the Employee and Labor Relations Manager and the Union be consolidated for the purposes of this procedure; provided that the time limits described in this Article shall not be shortened or lengthened for any grievance because of the consolidation of that grievance with other grievances.

4. **Representation.** An employee shall have the right to be represented at all steps of the Grievance Procedure by a person or persons designated by SETC. Said representative shall not be a University employee who has been designated by the University as supervisory, managerial or confidential. If an employee is represented by the Union, only one SETC representative (i.e., a UC MERCED employee) and one SETC Officer shall participate in the Grievance Procedure.

### B. Procedure

1. **Informal Review – Employee’s Immediate Supervisor**

   **Step 1.** The employee must submit a written request for an informal review to his/her immediate supervisor, or designee. Within three (3) working days from the request, the immediate supervisor shall convene a meeting to discuss the grievance. All parties shall informally attempt a resolution of the matter before a formal grievance is filed. Informal resolutions, although final, shall not be precedent setting. If the grievance is not resolved through informal discussion with the immediate supervisor, the employee may file a formal grievance as set forth below.

   Attempts at informal resolution do not extend time limits unless an extension is mutually agreed to in writing by the Employee and Labor Relations Manager or designee and the employee or his/her representative. The Union may file a formal grievance before the informal step is completed in order to meet the timelines set forth in Section B (2) below and said grievance shall be held in abeyance until the informal review is completed. The informal review must be completed within ten (10) calendar days of the filing of the grievance.

2. **Department Review – Department Head or Designee**

   **Step 2.** A formal grievance initiation must be filed in writing on a grievance form mutually agreed to by the parties. The Office of Labor Relations must receive the written grievance within thirty (30) calendar days after the date on which either the employee or the Union knew or could be expected to know of the event or action which gave rise to the grievance or within fifteen (15) calendar days after the date of the employee’s last day on pay status, whichever occurs first. Grievances not presented within the time limits specified in the contract shall be considered untimely and not eligible for the Grievance or Arbitration Procedure.

   Formal grievance may be filed by hand delivery, U.S. mail, or email in the Office of Labor Relations and must be received by that office within the time periods referenced herein. The date filed shall be the date received in the Office of Labor Relations. If a grievance is received outside of normal business hours, the first following business day will be deemed the filing date.

   During the Step 2 process, the alleged violations stated in the original grievance may be amended, by mutual agreement. Such amendment shall be in writing.

   Formal grievance initiations filed by email must be sent to laborrelations@ucmerced.edu. The ‘date of filing’ for emailed grievance initiations shall be the date received on the University server, provided that the grievance
is received during business hours. The University shall provide an acknowledgement of the Union’s grievance, within (2) two business days.

Formal grievances must set forth:

a. The specific section(s) and provision(s) of the Agreement alleged to have been violated;

b. The action grieved and how it violated the above-mentioned provision(s);

c. How the grieving employee was adversely affected;

d. Name of the employee’s representative, if any;

e. The date(s) of the occurrence of the alleged violation(s);

f. The date(s) the employee discussed the alleged violation(s) with his/her supervisor; and,

g. The remedy requested.

The department head or official designee shall review the grievance and shall meet with the employee(s) and his/her representative, to discuss the grievance when the grievance alleges violations of this Agreement which are not subject to arbitration (Article 6 – Probationary Period; Article 10 – Training & Development; Article 11 – Promotion & Transfer; Article 39 – Union Rights, Section E; & Article 40 – Management Rights). Within fourteen (14) calendar days after receipt of the Grievance, the department manager or designee who issues the decision shall schedule a meeting with the employee. A written response will be issued to the employee(s) with a copy to his/her representative and the Union, within fifteen (15) calendar days of the meeting with the department head or designee. If the department’s response is not issued within the established time limits or if the grievance is not resolved, the grievance may be appealed to Step 3.

When the grievance alleges violations of this Agreement which are subject to arbitration, the parties may mutually agree to waive Step 2 and proceed to Step 3 if the grievance is not resolved at Step 1.

3. Human Resources Review

**Step 3.** If the grievance is not resolved at Step 2, an appeal may be submitted in writing by the employee(s) or his/her representative to the Office of Labor Relations. The written appeal must be received by the Office of Labor Relations within twenty (20) calendar days of the date on which the written response to Step 2 was issued or due.

Formal grievance appeals may be filed by hand delivery, U.S. mail or email in the Office of Labor Relations and must be received by that office within the time periods referenced herein. The date filed shall be the date received in the Office of Labor Relations. If an Appeal is received outside of normal business hours, the first following business day will be deemed the filing date.

Formal grievance appeals filed by email must be sent to laborrelations@ucmerced.edu. The ‘date of filing’ for emailed grievance appeals shall be the date received on the University server, provided that the grievance appeal is received during business hours. The University shall provide an acknowledgement of the Union’s grievance, within (2) two business days.

a. Within twenty (20) calendar days of the receipt of the Step 3 appeal, the Employee and Labor Relations Manager, or designee shall schedule a meeting to discuss the grievance. During the meeting the parties shall discuss information and contentions relevant to the grievance.
b. The Employee and Labor Relations Manager, or designee shall issue a written decision within twenty (20) calendar days following the Step 3 meeting. The decision shall be sent to the employee(s) and his/her representative. A copy of the decision also shall be sent to the Union with a proof of service attached. The date on the proof of service shall constitute the “date of issuance.”

c. The Union may appeal the grievance to arbitration pursuant to the Arbitration Article within thirty (30) calendar days of the date on which the decision was issued or due. The parties may agree, on a case-by-case basis, to attempt resolution of the grievance through mediation.

4. **Waiver.** The Employee and Labor Relations Manager, or designee and the Union Representative may mutually agree in writing to waive any and all steps of the Grievance Procedure. Such written agreement must be executed in advance of the expiration of the specific applicable time limits, i.e., no later than the last day of the applicable time limit.

5. **Time Limits.** Time limits may be extended by mutual agreement of the parties in writing in advance of the expiration of the time limits as set forth in Section B.4 above. Deadlines which fall on a University non-business day will automatically be extended to the next business day. If a grievance is not appealed to the subsequent step of the procedure within applicable time limits, and an extension has not been agreed to, the grievance will be considered settled on the basis of the last University written response. Failure by Management to reply to the employee’s grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

6. **Pay Status.** Time spent by bargaining unit employees in investigation of grievances shall be on pay status as follows:

   1. A maximum of eight (8) non-cumulative hours per month will be granted for such activities; and,

   2. a. A request for the release time must be made to the employee’s immediate supervisor at least twenty-four (24) hours in advance of the activity.

      b. Whenever the University and the Union convene a meeting to mutually resolve grievance(s) during the scheduled work time of an employee who is a grievant or a representative, upon advance request, reasonable release time shall be granted to the employee(s) involved. Employee time spent at these meetings shall be considered as time worked.

      c. When such meetings are convened outside an employee’s scheduled work time, no employee release time shall be granted. University employees called as witnesses at such meetings shall be released from work with reasonable advance request and granted leave with pay for reasonable time spent in meetings. The University will make a good faith effort to alter the work hours for grievants and/or stewards who do not work the day shift. Said grievants and/or stewards shall not suffer a loss of regularly assigned shift pay when participating in the Grievance Procedure.

C. **Resolution**

Resolution may be agreed upon at any stage of the grievance process. Prior to the resolution of any formal grievance in the Skilled Crafts Bargaining Unit, the Union shall be notified. The University and the Union agree that any resolution of a grievance at Step 2 or thereafter shall be reduced to writing.

D. **Mediation/Arbitration**

The University and the Union may mutually agree to mediation/arbitration with an agreed upon arbitrator.

**ARTICLE 27 - ARBITRATION PROCEDURE**
A. Request for Arbitration

A request for arbitration may be made only by the Union and only after exhaustion of the Grievance Procedure. The written request for arbitration must be sent by certified mail or email and received by the Assistant Vice Chancellor for Human Resources & Labor Relations or designee within thirty (30) calendar days of the date on which the Step 3 grievance decision was issued or due. Arbitration requests filed by email must be sent to laborrelations@ucmerced.edu. The ‘date of filing’ for arbitration requests shall be the date received on the University server, provided that the request is received during business hours. If a request is received outside of normal business hours, the first following business day will be deemed the filing date. The University shall provide an acknowledgement of the Union’s request for arbitration within (2) two business days.

Proof of service must accompany these mailings. An appeal to arbitration is considered filed on the date it is received in the Labor Relations Office.

B. Selection of Arbitrators

Within fourteen (14) calendar days of a request for arbitration, the parties shall meet and attempt to reach agreement on an arbitrator. If no agreement is reached, the parties shall use the arbitrators listed herein by randomly drawing three names. The first arbitrator's name drawn shall be contacted and if the arbitrator's first available date is more than ninety (90) calendar days from the date of the request, the parties may agree to contact the second arbitrator's name drawn. If the second arbitrator's first available date is more than ninety (90) calendar days from the date of request, the parties may agree to contact the third arbitrator. If the third arbitrator is not available as specified above, the selection process shall be repeated until an arbitrator is selected. The arbitrator will be selected from the following:

1. Ms. Bonnie Bogue
2. Mr. Alexander Cohn
3. Mr. John Kagel
4. Mr. Robin Matt
5. Mr. Ken Perea
6. Mr. Michael Prihar
7. Mr. Franklin Silver
8. Mr. Barry Winograd

If an arbitrator on this list declines to take cases in this area, the parties will agree on a replacement.

C. Arbitration Procedure

1. The arbitration procedure shall provide an opportunity for the Union and the University to examine and cross-examine witnesses under oath and to submit relevant evidence. Relevant material and the names of all witnesses who are to be called shall be identified and provided to the opposing party prior to the hearing. To the extent possible, witnesses and material should be identified at least seven (7) calendar days prior to the hearing.

2. The arbitrator may not admit settlement offers as evidence at the arbitration hearing.

3. Prior to the arbitration, the Union and the University shall attempt to stipulate as to the issue(s) to be arbitrated and to as many facts as possible.

4. Settlement proposals may be offered at any stage prior to or during arbitration.

5. The arbitration hearing shall be closed to the public unless the parties otherwise agree.
6. The arbitrator, following the close of the record of the hearing, shall consider the evidence presented and render a written decision. The written decision shall include a brief description of each issue under submission, the position of the parties, the findings of fact, the arbitrator’s conclusion(s) as to violation of the Agreement, if any, and, where appropriate, a remedy.

7. The arbitrator shall be limited to interpreting the written provisions of the Agreement regarding the issues submitted and shall have no power to add to, delete from, or otherwise alter the terms of the Agreement. If the arbitrator determines that a grievance was not received by the University within the time limits set forth in Article 26, Section B, the arbitrator shall have no jurisdiction to decide the merits of the grievance. The arbitrator shall have no jurisdiction to decide issues not specifically identified on the initial grievance form.

8. The arbitrator’s fees shall be borne equally by the parties. Expenses for stenographic or other services or facilities shall be borne by the party requesting such services or facilities unless the parties agree otherwise in advance.

D. Decision and Remedy

1. If the grievance is sustained in whole or in part, and subject to the limitations set forth in Paragraph 2 below, the remedy shall not exceed restoring to the employee the pay, benefits, or rights lost as a result of a violation of the Agreement, less any compensation and benefits received from any source, including, but not limited to, Workers’ Compensation and Unemployment Insurance benefits. The decision of the arbitrator shall be final and binding and distributed to the parties within thirty (30) calendar days of the close of the record of the hearing, unless the arbitrator notifies the parties that the time frame cannot be met.

2. The arbitrator shall have no authority to award back wages or other monetary reimbursement, nor shall the University be liable on a grievance claiming back wages or other monetary reimbursement for:

a. Any period of time during which an extension of time limits has been granted by the University at the request of the Union; or,

b. Any period of time between the date a hearing was originally scheduled to be held, and due to a request from the Union to postpone or change the scheduled hearing, the rescheduled date of the hearing; or

c. Any period of time greater than sixty (60) calendar days prior to the date of the Informal Review, Step 1 of the Grievance Procedure, except for the correction of mathematical, calculation, recording or accounting errors. For grievances involving the correction of an error in the payment of wages or the correction of mathematical calculations, recording or accounting errors relating to the payment of wages (for example vacation leave, holidays, overtime, military leave or the amount of shift differentials, if any) shall not be made retroactive to a date earlier than two years prior to the date of the Informal Review, Step 1 of the Grievance Procedure.

E. Release Time and Pay Status

Whenever an arbitration hearing or a meeting convened to resolve an arbitration is scheduled during the regular work time of an employee who is a grievant or a representative, release time with pay shall be granted to the employee(s) and his/her representative involved in said hearing or meeting so long as a request to the employee’s immediate supervisor for release time is received at least twenty-four (24) hours in advance. Employees so released shall be granted leave with pay. For purposes of release time, it shall be assumed the employee is a day shift employee. University employees called as witnesses shall be released from work with reasonable advance request and granted leave with pay for reasonable time spent in meetings convened to resolve the arbitration and for the arbitration hearing. Time spent in preparation for arbitration shall be on pay status as follows:
a. A maximum of ten (10) hours per month will be granted for arbitration-related activity; and,

b. A request for the release time described in subsection (a) above must be made to the grievant’s and/or the representative’s immediate supervisor at least twenty-four (24) hours in advance of the activity.

**ARTICLE 28 - LAYOFF AND REDUCTION IN TIME**

A. Should the University determine that layoffs are necessary due to lack of work or lack of funds, the following shall apply.

B. Definitions

1. Temporary layoff and temporary reduction in time affecting a career position is for a specified period of less than four (4) calendar months from the date of layoff.

2. Indefinite layoff and indefinite reduction in time affecting a career position is one which no date for return to work, or no date of restoration to the employee’s former appointment rates is provided.

3. Whenever the term layoff is used in this Agreement it shall be construed to encompass both indefinite layoff and indefinite reduction in time as defined above.

4. A break in service is any separation from employment status. In addition, a break in service occurs, effective the last day on pay status, whether or not a separation form is submitted, when an employee is off pay status for four (4) complete, consecutive calendar months without an approved leave without pay, furlough, or temporary layoff.

   A return to pay status from furlough, temporary layoff, or indefinite layoff during a period of right to recall and preference for reemployment, or on the next working day following a separation is not a break in service.

5. Seniority is calculated by the number of full time equivalent months (or hours) of University service, excluding employment prior to a break in service. When employees have the same number of full-time equivalent months (or hours), the employee with the most recent date of appointment is considered the least senior.

C. Minimization of Indefinite Layoff

1. The University shall attempt to minimize indefinite layoffs as defined in Section B2 above, from career positions by first reviewing the necessity for existing limited positions within the department. When a vacancy exists within the layoff unit in an active career position in other classes in the department which are at the same salary level (as determined by the salary range maximum) as the employee’s current position, the department head shall reassign an employee scheduled for indefinite layoff to that position, provided that the department head determines that the employee is qualified to perform the duties of that position.

2. Notwithstanding C1 above, the parties shall meet and discuss alternative solutions to layoffs within the first fifteen (15) days from the date of the notice of indefinite layoff. However, if agreement is not reached, the University may implement its decision.

D. Temporary Layoff and Temporary Reduction in Time

1. An employee shall be given written notice of the effective date and the ending date of a temporary layoff or reduction in time. Whenever possible, the notice shall be given at least thirty (30) calendar days prior to the effective date. Concurrent notice shall be sent to the Union.
2. If an indefinite layoff or indefinite reduction in time should become necessary while an employee is on temporary layoff or reduction in time, the procedures for indefinite layoff or indefinite reduction in time, as set forth in Section E below, shall be applied.

E. Indefinite Layoff and Indefinite Reduction in Time

1. Indefinite layoffs and reductions in time are by class (title code) or by craft within a department. For purposes of this Article, a craft is defined as a job family includes employees at the I, II, and Lead Levels as outlined in Appendix J. The order of indefinite layoff and reduction in time of employees in the same class or craft within a department shall be in inverse order of seniority.

2. Seniority. Seniority shall be calculated by the number of career full-time equivalent months (or hours) of UC MERCED service. Employment prior to a break in service shall not be counted. When employees have the same number of full-time equivalent months (or hours), the employee with the most recent date of appointment shall be deemed the least senior.

3. Notice. Whenever feasible, an employee will receive at least thirty (30) calendar days’ written notice prior to indefinite layoff or reduction in time. If less than thirty (30) calendar days’ notice is provided, the employee shall receive straight time pay in lieu of notice for each additional day the employee would have been on pay status had the employee been given thirty (30) calendar days’ notice. Prior to a layoff, the affected employee shall be notified of benefit continuation and unemployment insurance processes and, in addition, a non-probationary career employee shall be informed of the procedures for recall and preferential rehire. Concurrent notice shall be sent to the Union.

F. Reemployment from Indefinite Layoff

   a. At the same salary level or lower (as determined by the salary range maximum), and,

   b. At the same or lesser percentage of time as the position held at the time of layoff.

3. Reemployment at another University Location. The Employment Manager shall assist a non-probationary career employee on indefinite layoff who wishes to seek employment at another campus or laboratory.

G. Duration of Recall and Preference Rights

1. A non-probationary career employee with less than five (5) years of seniority shall have recall and preference rights for reemployment for a period of one (1) year from date of layoff.
2. A non-probationary career employee with at least five (5) but less than ten (10) years of seniority shall have recall and preference rights for reemployment for a period of two (2) years from date of layoff.

d. Is no longer available for the reasons specified in Section G.4 above; or,

e. Fails to respond to written notice of an employment opportunity.

I. Acceptance of Employment

Preference for reemployment terminates if an employee accepts any career position at UC MERCEDE.

J. Service Upon Reemployment

Reemployment within the period of right to recall and preference for reemployment or from temporary layoff provides continuity of service. Benefits and seniority accrue only when on pay status.

K. General Effect on Benefits

1. Subject to the employee's payment of full premiums, an employee on indefinite or temporary layoff may continue, if previously enrolled, in certain group insurance programs for the length of time provided by the University’s Group Insurance Regulations.

2. The parties shall meet and discuss in accordance with Article 28, Layoff and Reduction in Time, Section C2.

The Union shall furnish the University official or designee with the names of the employees selected as stewards. Arrangements shall be made by the University and the Union to enable swing and graveyard shift employees to participate in the meet and confer process, if necessary, as long it does not impact the University’s ability to provide services. The Union shall provide the designated University official with the names of employees requiring such release time at least three (3) working days in advance of the meet and confer session unless the parties mutually agree otherwise. The University shall not arbitrarily deny a particular request for release time.
