**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association and the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**

- 80% of death benefits but not to exceed \$300,000

- 80% of cash surrender or withdrawal value but not to exceed \$100,000

- **Annuities and Structured Settlement Annuities**

- 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide you coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. MISCELLANEOUS PROVISIONS

Lump Sum Benefits

Other benefits treated as lump sum benefits include, but are not limited to the following:

2. Capital Accumulation Provision (CAP) benefit under UCRP - A one-time offset in the month in which the CAP payment is made.
3. Payout of Terminal Vacation Leave - If terminal vacation leave is paid out in a lump sum, it is not an offset for Disability benefit purposes. If terminal vacation leave is paid out in periodic payments as regular pay, it is offset as any full or partial wage or salary payments or other payments by the University would be.
4. Executive Severance Pay/Health Science Severance Pay - Offset in the month in which the severance payment is received.

6. Settlements are offset if they are paid as wage replacement or in lieu of wages.

In the event of a one-time payment under a special University program, such as any early retirement program or any other special program, the University directions announced at the time of the special payment will apply.

SECTION 2 - DEFINITIONS

In this section Liberty defines some basic terms needed to understand this policy.

"Active Employment" means the Employee must be actively at work for the Sponsor:

1. on a full-time basis and paid regular earnings;
2. for at least the minimum number of hours shown in the Schedule of Benefits; and either perform such work:
 - a. at the Sponsor's usual place of business; or
 - b. at a location to which the Sponsor's business requires the Employee to travel.

An Employee will be considered in Active Employment if he/she was actually at work on the day immediately preceding:

1. a weekend (except where one or both of these days are scheduled days of work);
2. holidays (except when such holiday is a scheduled work day);
3. paid vacations;
4. any non-scheduled work day;
5. a paid leave of absence, approved by the Sponsor for which premium payments are made; and
6. a paid sick leave.

Note: The Termination of the Covered Person's Insurance due to the "Furlough or Paid Leaves of Absence" provisions and "Lay-off or Leave of Absence" provisions will be administered in accordance with the University's Group Insurance Regulations. (Exception: For the purpose of determining disability, Paid sick leave will be administered in accordance with the above definition of Active Employment under the University of California Disability Policy.)

"Administrative Office" means Liberty Life Assurance Company of Boston, 9 Riverside Road, Weston, MA 02493.

"Application" is the document designated in Section 9; it is attached to and is made a part of this policy.

"Covered Person" means an Employee insured under this policy.

"Eligible Earnings" or **"Pre-Disability Earnings"** means the Covered Person's monthly pay or salary which the Covered Person receives through their academic, nonacademic and/or administrative title(s) payable through the University. However, such earnings will not include bonuses, honoraria or pay in lieu of private practice, general assistance "by-agreement" payments, compensation for extension teaching, compensation received for summer session or other vacation period employment which is more than regular earnings, any pay received which is more than 100% of the full-time equivalent of the Covered Person's regular and normal position, perquisites, overtime pay, stipends for department chairs, shift differentials and extra compensation.

If the Covered Person is a salaried employee with a fixed appointment, the Covered Person's benefits will be based on his/her actual salary rate for the full calendar month immediately prior to the month in which Total Disability begins. For example, if the Covered Person is appointed at 75% time, the applicable salary rate for benefits purposes is the 75% rate. This is the amount the Covered Person would have earned had he/she worked the total amount of time for which hired, not the Covered Person's actual earnings.

SECTION 2 - DEFINITIONS

(Continued)

If the Covered Person is an employee with a variable-time appointment and for hourly or positive time reporting employees, earnings for benefits purposes is an average of the actual Eligible Earnings for three calendar months or six full pay periods immediately prior to the period in which Total Disability begins, excluding periods with Furlough or Approved Leave without pay. This average is calculated as follows:

Employees paid monthly or semi-monthly - The average of the actual Eligible Earnings for the three full calendar months immediately prior to the date disability begins.

Employees paid bi-weekly - The sum of six full pay periods is divided by 480 (the total full-time hours for 12 weeks/6 bi-weekly pay periods) to yield an adjusted hourly rate. This rate is then multiplied times 174 hours (the average number of hours per month for a full-time Employee) to produce an adjusted average monthly salary.

For Benefits after 12 months, Earnings means: a) the sum of the actual Eligible Earnings for three calendar months (for Employees paid monthly or semi-monthly) divided by three to reach the monthly average; or b) the sum of the six full pay periods (for Employees paid bi-weekly) immediately prior to the period in which Total Disability begins, excluding periods of Furlough or Approved Leave of Absence without pay, divided by 480 (the total full-time hours for 12 weeks/6 bi-weekly pay periods) to yield an adjusted hourly rate. The rate is then multiplied by 174 hours which is the average number of hours per month for a full-time employee to produce an adjusted average monthly salary for Disability claims purposes. Overtime, uniform allowances or other extras are not included.

Some Employees' University service may include periods of time when they are not normally scheduled to work and are off pay status, for example, Furlough employees. After 12 months of Total Disability benefits for these employees, an earnings adjustment is also made so that Long-Term Total Disability benefits are continuous rather than stopping for scheduled periods off pay status.

The adjustment is made by multiplying the Eligible Earnings the Covered Person was appointed to receive for the full calendar month immediately prior to the month in which Total Disability begins by the number of months the Covered Person is normally scheduled to work. The result is divided by 12 to arrive at the salary on which Long Term Disability Benefits will be based.

Note: The Benefit for members of the Academic Senate on Sabbatical should be calculated using the earnings in effect immediately prior to the sabbatical.

With respect to premium payment, the monthly covered salary rate or base salary rate is the amount paid to the Covered Person on an annual basis (for academic, non-academic and/or administrative appointments) and is set once per year on the Covered Person's date of hire, the date of re-hire following a 120 day break in service, or the January 1st of the current calendar year, whichever is later. Increases or decreases in the Covered Person's salary after any January 1st are reflected in the Covered Person's base salary rate on January 1st of the following calendar year. The base salary rate does not include: stipends for department chairs, shift differentials, overtime payments, consulting fees or payments in lieu of private practice, general assistance "by-agreement" payments, compensation for extension teaching, compensation received for summer session or other vacation period employment in excess of regular salary, any remuneration received which is in excess of 100% of full-time equivalent of your regular and normal position, and perquisites and any bonuses or other special compensation.

If you have more than one appointment at different rates, your base salary rate is a pro-rated amount based on your appointment percentage and salary for each appointment.

SECTION 2 - DEFINITIONS

(Continued)

"**Eligibility Date**" means the date an Employee becomes eligible for insurance under this policy. Eligible Classes are shown in the Schedule of Benefits.

"**Eligibility Waiting Period**" as shown in the Schedule of Benefits means the continuous length of time an Employee must serve in an eligible class to reach his/her Eligibility Date.

"**Employee**" means a person in Active Employment with the Sponsor.

"**Evidence of Insurability**" means a statement or proof of an Employee's medical history upon which acceptance for insurance will be determined by Liberty.

"**Gross Weekly Benefit**" or "**Gross Monthly Benefit**" means the Covered Person's Weekly or Monthly Benefit before any reduction for Benefits from Other Income and earnings.

"**Injury**" means bodily impairment resulting directly from an accident and independently of all other causes. Any Total Disability which begins more than 60 days after an Injury will be considered a Sickness for the purpose of determining benefits under this policy.

"**Physician**" means a person who:

1. is licensed to practice medicine and is practicing within the terms of his license; or
2. is a licensed practitioner of the healing arts in a category specifically favored under the health insurance laws of the State where the policy is delivered, and is practicing within the terms of his license.

It does not include a Covered Person, any family member or domestic partner.

"**Pre-Disability Earnings**" - See definition of Eligible Earnings.

"**Retirement Benefit**", when used with the term Retirement Plan, means money which:

1. is payable under a Retirement Plan either in a lump sum or in the form of periodic payments; or
2. is payable upon early or normal retirement.

"**Retirement Plan**" means a plan which provides Retirement Benefits to employees and which is not funded wholly by employee contributions. The term shall not include: a profit-sharing plan, informal salary continuation plan, registered retirement savings plan, stock ownership plan, or a non-qualified plan of deferred compensation.

"**Schedule of Benefits**" means the section of this policy which shows, among other things, the Eligible Classes, Eligibility Waiting Period, Waiting Period, Amount of Insurance, Minimum Benefit, and Maximum Benefit Period.

"**Sickness**" means illness, disease, pregnancy or complications of pregnancy.

"**Sponsor**" means the entity to whom the policy is issued.

SECTION 2 - DEFINITIONS

(Continued)

"Sponsor's Retirement Plan" is deemed to include any Retirement Plan:

1. which is part of any Federal, State, Municipal or Association retirement system; or
2. for which the Employee is eligible as a result of employment with the Sponsor.

"Total Disability" or **"Totally Disabled"** with respect to Short Term Disability coverage means the Covered Person will be considered Totally Disabled when Liberty determines that all of these conditions are met:

For the first 12 months of benefits:

1. Due to a medically determinable physical impairment or mental impairment resulting from a bodily injury or disease, the Covered Person is completely unable to perform, with reasonable continuity, the substantial and material acts necessary to pursue his/her usual occupation in the usual or customary way;
2. The Covered Person is not working at any occupation for wage or profit; and
3. The Covered Person is under the direct and continuous care of a Physician.

"Total Disability" or **"Totally Disabled"** with respect to Long Term Disability Coverage means the Covered Person will be considered Totally Disabled when all of these conditions are met:

From the 13th month of benefits onward:

1. Due to a medically determinable physical impairment or mental impairment resulting from a bodily injury or disease, the Covered Person is unable to engage, with reasonable continuity, in any occupation for which he/she could reasonably be expected to perform satisfactorily in light of his/her age, education, training, experience, station in life, physical and mental capacity;
2. The Covered Person is not working at any occupation for wage or profit; and
3. The Covered Person is under the direct and continuous care of a Physician.

Liberty requires Covered Person must be under the direct and continuous care of a Physician who will provide medical documentation proving his/her continuous Total Disability. This Physician care must begin no later than 7 days following the date he/she is first unable to work on an Active Employment basis. Telephone contact with the Physician is not considered direct care or regular attendance of his/her Physician.

"Waiting Period" means a period of consecutive days of Total Disability for which no benefit is payable. The Waiting Period is shown in the Schedule of Benefits and begins on the first day of Total Disability.

After the Covered Person has begun his/her Waiting Period and returns to work for a consecutive number of days equal to 20% or less of the Waiting Period, the Covered Person will retain credit for the earlier period if he/she is Totally Disabled again for the same condition.

"Weekly Benefit" or **"Monthly Benefit"** means the amount payable to the Covered Person if he/she is Totally Disabled. Benefits for Short Term Disability coverage are determined on a Monthly basis and paid bi-weekly and benefits for Long Term Disability coverage are determined and paid to the Covered Person on a monthly basis.

The initial, increased or additional insurance will start on the day following the date the individual completes one full day of Active Employment based on his/her normally scheduled work day.

SECTION 3 - ELIGIBILITY AND EFFECTIVE DATES

(Continued)

Rehire Terms

If a former Employee is re-hired by the Sponsor within 120 days of his/her termination date and was continuously insured under this policy for 12 consecutive months, he/she will not be required to re-satisfy the Pre-Existing Condition Exclusion. If a former Employee is re-hired by the Sponsor more than 120 days after his/her termination date, he/she is considered to be a new Employee and will be required to re-satisfy the Pre-Existing Condition Exclusion.

If an Associated Company ceases to be an Associated Company for any reason, its Employees will be deemed to have transferred to a class of Employees not eligible for coverage under this policy.

SECTION 3 - ELIGIBILITY AND EFFECTIVE DATES

(Continued)

Transfer Provision

In order to prevent loss of coverage for an individual because of a transfer of insurance carriers, this policy will provide coverage for certain individuals as follows:

Failure to be in Active Employment due to Injury or Sickness

This policy will cover, subject to premium payments, individuals:

1. insured by the prior carrier at the time of transfer; and
2. who are not in Active Employment due to Injury or Sickness on the Effective Date of the policy.

The benefit payable will be in accordance with the provisions of this policy, less any benefit for which the prior carrier is liable. However, in no event will the benefit payable be greater than that which would have been paid under the prior carrier's benefit schedule.

Total Disability due to a Pre-Existing Condition

If there is a Pre-Existing Condition Exclusion, a benefit may be payable for a Total Disability due to a Pre-Existing Condition for an individual who:

1. was insured by the prior carrier at the time of transfer; and
2. was in Active Employment and insured under this policy on its Effective Date.

The benefit will be determined as follows:

1. Liberty will apply this policy's pre-existing condition exclusion. If the individual qualifies for a benefit, he/she will be paid according to this policy's benefit schedule.
2. If the individual cannot satisfy this policy's pre-existing condition exclusion, the prior carrier's pre-existing condition exclusion will be applied.
 - a. If the individual satisfies the prior carrier's pre-existing condition exclusion, giving consideration towards continuous time insured under both policies, he/she will be paid according to this policy's benefit schedule. However, in no event will the benefit payable be greater than that which would have been paid under the prior carrier's benefit schedule.
 - b. If he/she cannot satisfy the pre-existing condition exclusion of this policy or that of the prior carrier, no benefit will be paid.

SECTION 4 - DISABILITY INCOME BENEFITS

SHORT TERM DISABILITY/SUPPLEMENTAL DISABILITY COVERAGE

Disability Benefit

When Liberty receives proof that a Covered Person is Totally Disabled due to Injury or Sickness and requires the regular attendance of a Physician, Liberty will pay the Covered Person a Weekly Benefit on a bi-weekly basis, after the end of the Waiting Period. The benefit will be paid for the period of Total Disability if the Covered Person gives to Liberty proof of continued:

1. Total Disability; and
2. regular attendance of a Physician.

The proof must be given upon Liberty's request and at the Covered Person's expense.

For the purpose of determining Total Disability, the Injury must occur and the Covered Person's Total Disability must begin while the Employee is insured for this coverage; and Total Disability which is the result of the Covered Person's Sickness must begin while the Employee is insured for this coverage. In addition, a loss of a license for any reason does not, in itself, constitute Total Disability.

The Weekly Benefit will not:

1. exceed the Covered Person's Amount of Insurance; or
2. be paid for longer than the Maximum Benefit Period.

The Amount of Insurance and the Maximum Benefit Period are shown in the Schedule of Benefits.

Amount of Total Disability Weekly Benefit

To figure the amount of Weekly Benefit:

1. Multiply the Covered Person's Eligible Earnings by the Benefit Percentage shown in the Schedule of Benefits.
2. Take the least of:
 - a. the amount figured in step (1) above; or
 - b. 70% of the Covered Person's Eligible Earnings less the Benefits from Other Income, (shown in the Benefits from Other Income provision of this coverage); or
 - c. the Maximum Weekly Benefit shown in the Schedule of Benefits.

SECTION 4 - DISABILITY INCOME BENEFITS

(Continued)

SHORT TERM DISABILITY/SUPPLEMENTAL DISABILITY COVERAGE (Continued)

Partial Disability Benefit

To be eligible to receive Partial Disability benefits, the Covered Person must be earning 80% or less of his Pre-Disability Earnings.

When proof is received that a Covered Person is Partially Disabled from an Injury or Sickness, Liberty will pay a Partial Disability Benefit after the Waiting Period has been satisfied if the Covered Person gives to Liberty within 90 days of the request, and at the Covered Person's expense, proof of continued (a) Partial Disability, and (b) the required regular attendance of a Physician. For the purpose of this provision, the Covered Person may satisfy the Waiting Period if he is Disabled or Partially Disabled, or a combination of Disabled or Partially Disabled, during such time.

"Partial Disability" or "Partially Disabled" means as a result of the Injury or Sickness, the Covered Person is:

1. able to perform one or more, but not all, of the material and substantial duties of his own or any other occupation on an Active Employment or a part-time basis; or
2. able to perform all of the material and substantial duties of his own or any other occupation on a part-time basis.

Amount of Partial Disability Benefit

The Partial Disability Benefit for Short Term Disability will be an amount equal to the Covered Person's Pre-Disability Earnings minus other sources of income if applicable, including his earnings, multiplied by 55%. The Partial Disability Benefit for Supplemental Disability will be equal to the Covered Person's Pre-Disability Earnings minus other sources of income, if applicable, including his earnings, multiplied by 70%. In no case will the total benefits and other incomes exceed 100% of the Pre-Disability earnings. The Partial Disability Benefit for Short Term Disability or Supplemental Disability will never exceed the maximum benefit in the schedule of benefits (Section 1).

Successive Periods of Disability

If a covered person returns to work and becomes Totally Disabled again, he/she may qualify for Successive Periods of Total Disability. "Successive Periods of Total Disability" means a Total Disability which is related or due to the same cause(s) as a prior Total Disability for which a Monthly Benefit was payable.

During the first 12 months of benefits:

A Successive Period of Total Disability will be treated as part of a prior Total Disability if, after receiving Total Disability Benefits under this coverage, the Covered Person (1) returns to work for the University on an Active Employment basis, based on his/her normally scheduled workday; and (2) in less than four consecutive weeks (20 consecutive workdays) after he/she returns to work for the University and while covered under this plan, he/she again becomes Totally Disabled due to the same or related cause as the prior Total Disability.

Benefit payments will be subject to the terms of this coverage for the prior Total Disability.

If the Covered Person returns to a job with the University on an Active Employment basis for four consecutive weeks or more, the Successive Period of Total Disability will be treated as a new period of Total Disability. He/she must complete another Waiting Period. For example, if he/she normally works 8 hours a day, Monday through Friday each week, then he/she must be in Active Employment twenty consecutive 8-hour days to satisfy this requirement.

A Covered Person may take up to one-half day off per week, based on his/her normal work schedule, for routine follow-up appointments with the attending physician without being required to restart the four-week period. However, if he/she takes additional vacation, compensated time and/or sick leave before the completion of the four-week period, he/she will be required to restart this period.

If regular University holidays are scheduled during this period, they will not be counted as workdays nor will they be considered a reason to restart the four-week period. The balance of the period should be completed beginning with the first workday after the holiday. Changes to a Covered Person's work schedule made after the date of Disability will not be considered a normal work schedule for this purpose.

If the later Disability is due to an unrelated cause and the Covered Person had returned to full-time Active Employment based on his/her normally scheduled workday, it will be considered a new Disability and a new Waiting Period will apply.

If a Covered Person becomes eligible for coverage under any other employer's group Short Term Disability coverage, this Successive Period of Disability provision will cease to apply.

SECTION 4 - DISABILITY INCOME BENEFITS

(Continued)

LONG TERM SUPPLEMENTAL DISABILITY COVERAGE

Total Disability Benefit

When Liberty receives proof that a Covered Person is Totally Disabled due to Injury or Sickness and requires the regular attendance of a Physician, Liberty will pay the Covered Person a Monthly Benefit after the end of the Waiting Period. The benefit will be paid for the period of Total Disability if the Covered Person gives to Liberty proof of continued:

1. Total Disability; and
2. regular attendance of a Physician.

The proof must be given upon Liberty's request and at the Covered Person's expense.

For the purpose of determining Total Disability, the Injury must occur and the Covered Person's Total Disability must begin while the Employee is insured for this coverage; and Total Disability which is the result of the Covered Person's Sickness must begin while the Employee is insured for this coverage. In addition, a loss of a license for any reason does not, in itself, constitute Total Disability.

The Monthly Benefit will not:

1. exceed the Covered Person's Amount of Insurance; or
2. be paid for longer than the Maximum Benefit Period.

The Amount of Insurance and the Maximum Benefit Period are shown in the Schedule of Benefits.

Amount of Total Disability Monthly Benefit

To figure the amount of Monthly Benefit:

1. Multiply the Covered Person's Eligible Earnings by the Benefit Percentage shown in the Schedule of Benefits.
2. Take the least of:
 - a. the amount figured in step (1) above; or
 - b. 70% of the Covered Person's Eligible Earnings less the Benefits from Other Income, (shown in the Benefits from Other Income provision of this coverage); or
 - c. the Maximum Monthly Benefit shown in the Schedule of Benefits.

The Total Disability Benefit payable will never be less than the Minimum Monthly Benefit shown in the Schedule of Benefits.

SECTION 4 - DISABILITY INCOME BENEFITS

(Continued)

LONG TERM SUPPLEMENTAL DISABILITY COVERAGE

Partial Disability Benefit

To be eligible to receive Partial Disability benefits, the Covered Person must be earning 80% or less of his Pre-Disability Earnings.

When proof is received that a Covered Person is Partially Disabled from an Injury or Sickness, Liberty will pay a Partial Disability Benefit after the Waiting Period has been satisfied if the Covered Person gives to Liberty within 90 days of the request, and at the Covered Person's expense, proof of continued (a) Partial Disability, and (b) the required regular attendance of a Physician. For the purpose of this provision, the Covered Person may satisfy the Waiting Period if he is Disabled or Partially Disabled, or a combination of Disabled or Partially Disabled, during such time.

"Partial Disability" or "Partially Disabled" means as a result of the Injury or Sickness, the Covered Person is:

1. able to perform one or more, but not all, of the material and substantial duties of his own or any other occupation on an Active Employment or a part-time basis; or
2. able to perform all of the material and substantial duties of his own or any other occupation on a part-time basis.

Amount of Partial Disability Benefit

The Partial Disability Benefit for Short Term Disability will be an amount equal to the Covered Person's Pre-Disability Earnings minus other sources of income if applicable, including his earnings, multiplied by 55%. The Partial Disability Benefit for Supplemental Disability will be equal to the Covered Person's Pre-Disability Earnings minus other sources of income, if applicable, including his earnings, multiplied by 70%. In no case will the total benefits and other incomes exceed 100% of the Pre-Disability earnings. The Partial Disability Benefit for Short Term Disability or Supplemental Disability will never exceed the maximum benefit in the schedule of benefits (Section 1).

SECTION 4 - DISABILITY INCOME BENEFITS

(Continued)

LONG TERM SUPPLEMENTAL DISABILITY COVERAGE (Continued)

Mental Illness and Substance Abuse Limitation

This Limitation applies after the first 12 months of benefits if the Covered Person's Total Disability, as determined by Liberty, is caused at least in part by a mental, psychoneurotic or personality disorder or substance abuse. In such cases, benefits are not payable for his/her Total Disability for more than a combined period of 24 months after the date Long Term Disability benefits begin.

If the Covered Person is in a Hospital or Institution for Mental Illness and/or Substance Abuse at the end of a combined period of 24 months, the Monthly Benefit will be paid during the confinement.

If the Covered Person is not confined in a Hospital or Institution for Mental Illness and/or Substance Abuse, but is fully participating in an Extended Treatment Plan for the condition that caused Disability, the Monthly Benefit will be payable to a Covered Person for up to a combined period of 36 months from the date Long Term Disability benefits begin.

In no event will the Monthly Benefit be payable beyond the Maximum Benefit Period shown in the schedule of benefits (Section 1).

"Extended Treatment Plan" means continued care that is consistent with the American Psychiatric Association's standard principles of Treatment, and is in lieu of confinement in a Hospital or Institution. It must be approved in writing by a Physician.

"Hospital" or **"Institution"** means a facility licensed to provide Treatment for the condition causing the Covered Person's Disability.

"Mental Illness" means a psychiatric or psychological condition classified as such in the most current edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) regardless of the underlying cause of the Mental Illness. If the DSM is discontinued, Liberty will use the replacement chosen or published by the American Psychiatric Association.

"Substance Abuse" means alcohol and/or drug abuse, addiction or dependency.

2. The amount of any Disability benefits which the Covered Person is eligible to receive under:

3. The amount of benefits the Covered Person receives under the Sponsor's Retirement Plan as follows: The amount of any Disability Benefits, or Retirement Benefits the Covered Person voluntarily elects to receive as retirement payment under the Sponsor's Retirement Plan.
4. The amount of benefits the Covered Person receives under: (a) any other Disability plan or (b) any Defined Benefit Retirement Plan for which a University employee receives credit for University Service.
5. The amount of Disability and/or Retirement Benefits under the United States Social Security Act, the Canada Pension Plan, the Quebec Pension Plan, or any similar plan or act, for which:

 - c. the Covered Person's spouse, minor child* or minor children* receives or are eligible for because of the Covered Person's eligibility for Retirement Benefits.

* Liberty will not offset the Covered Person's Disability Benefit with any Social Security Benefits their child or children receive or are eligible to receive if the child or children do not live with the Covered Person on a permanent basis.
6. The amount of earnings the Covered Person earns or receives from any form of employment or any other salary, wages or payments except for Health Sciences Supplemental Income by the University to the Covered Person.

LONG TERM SUPPLEMENTAL DISABILITY COVERAGE (Continued)

Benefits from Other Income (Continued)

Note: Liberty will not offset for University Sponsored Group Disability benefits available to certain employees with respect to compensation that is not covered by University Disability programs such as Disability coverage of Health Sciences Supplemental Income.

Liberty will not offset your benefit with (a) any disability benefits from privately purchased individual disability insurance policies; or (b) Defined Contribution Plan benefits (DCP) such as TIAA-CREF, 401k plans and 403b plans through the University of California and other employers.

These Benefits from Other Income, except Retirement Benefits, must be payable as a result of the same Disability for which Liberty pays a benefit.

Cost of Living Freeze

After the first deduction for each of the Benefits from Other Income, the Monthly Benefit will not be further reduced due to any cost of living increases payable under the Benefits from Other Income provision of this coverage. This provision does not apply to increases received from any form of employment.

Lump Sum Payments

Benefits from Other Income which are paid in a lump sum will be prorated on a monthly basis over the time period for which the sum is given or the Maximum Benefit Period, whichever is less, with the exception of those payments shown in Section 1 - Schedule entitled "Lump Sum Benefits".

Prorated Benefits

For any period for which a Long Term Disability Benefit is payable that does not extend through a full month, the benefit will be paid on a prorated basis. The rate will be 1/30th per day for such period of Total Disability.

Benefit Period Extension

The Maximum Benefit Period is shown in the Schedule of Benefits. However, the benefit will be extended beyond the end of the Maximum Benefit Period if a Covered Person who is Totally Disabled attains the age specified in the benefit duration and has not received 12 Monthly Benefit payments. In this event, the benefit period will be extended during the continuance of Total Disability until 12 monthly payments have been paid.

SECTION 4 - DISABILITY INCOME BENEFITS

LONG TERM SUPPLEMENTAL DISABILITY COVERAGE (Continued)

Successive Periods of Disability

If a covered person returns to work and becomes Totally Disabled again, he/she may qualify for Successive Periods of Total Disability. "Successive Periods of Total Disability" means a Total Disability which is related or due to the same cause(s) as a prior Total Disability for which a Monthly Benefit was payable.

Beginning with the 13th month of benefits:

A Successive Period of Total Disability will be treated as part of a prior Total Disability if, after receiving Total Disability Benefits under this coverage, the Covered Person (1) returns to work for the University on an Active Employment basis, based on his/her normally scheduled workday; and (2) in less than six consecutive months after he/she returns to work for the University and while covered under this plan, he/she again becomes Totally Disabled due to the same or related cause as the prior Total Disability.

Benefit payments will be subject to the terms of this coverage for the prior Total Disability.

If the Covered Person returns to a job with the University on an Active Employment basis for six consecutive months or more, the Successive Period of Total Disability will be treated as a new period of Total Disability. He/she must complete another Waiting Period.

A Covered Person may take up to one-half day off per week, based on his/her normal work schedule, for routine follow-up appointments with the attending physician without being required to restart the six month period. However, if he/she takes additional vacation, compensated time and/or sick leave before the completion of the six-month period, he/she will be required to restart this period.

If regular University holidays are scheduled during this period, they will not be counted as workdays nor will they be considered a reason to restart the six-month period. The balance of the period should be completed beginning with the first workday after the holiday. Changes to a Covered Person's work schedule made after the date of Disability will not be considered a normal work schedule for this purpose.

If the later Disability is due to an unrelated cause and the Covered Person had returned to full-time Active Employment based on his/her normally scheduled workday, it will be considered a new Disability and a new Waiting Period will apply. If a Covered Person becomes eligible for coverage under any other employer's group Long Term Disability coverage, this Successive Period of Disability provision will cease to apply to that Covered Person.

SECTION 5 - EXCLUSIONS

GENERAL EXCLUSIONS

This policy will not cover any Total Disability due to:

1. war, declared or undeclared or any act of war;
2. intentionally self-inflicted injuries;
3. active Participation in a Riot;
4. the Covered Person's committing of or the attempting to commit an indictable offense.

With respect to this provision, **Participation** shall include promoting, inciting, conspiring to promote or incite, aiding, abetting, and all forms of taking part in, but shall not include actions taken in defense of public or private property, or actions taken in defense of the person of the insured, if such actions of defense are not taken against persons seeking to maintain or restore law and order including, but not limited to police officers and firemen.

With respect to this provision, **Riot** shall include all forms of public violence, disorder or disturbance of the public peace, by three or more persons assembled together, whether or not acting with a common intent and whether or not damage to persons or property or unlawful act or acts is the intent or the consequence of such disorder.

SHORT TERM DISABILITY COVERAGE

Applicable to Class 1 - Short Term Disability

Total Disability Benefit Exclusions

A Weekly Benefit will not be payable if a Covered Person becomes Totally Disabled due to:

1. Injury that arises out of or in the course of employment; or
2. Sickness when a benefit is payable under a Workers' Compensation Law, or any other act or law of like intent.

SECTION 5 - EXCLUSIONS

(Continued)

LONG TERM SUPPLEMENTAL DISABILITY COVERAGE

Pre-Existing Condition Exclusion

The first 12 months of benefits under this plan will not be subject to a pre-existing condition exclusion.

After 12 months of benefits, the Pre-Existing Condition Exclusion will apply as follows to any sickness or injury:

If medical treatment (including examination, laboratory test, diagnosis and/or prescription) of any kind was prescribed for or rendered to or received by the Covered Person during the 90 days immediately before the effective date of his/her coverage under this plan:

1. a period of Total Disability due to that Sickness or Injury that begins within 12 months of the effective date of coverage under this policy will not be covered after the first 12 months of Short Term Short Term Disability and Supplemental Disability benefits have been paid under the policy; and
2. any later Total Disability considered a continuation of that period of Total Disability, will not be covered.

For the purpose of this Pre-Existing Condition exclusion, a Total Disability is considered a continuation of an earlier period of Total Disability if both are due to the same or related Sickness or Injury and are not separated by (a) a return to full-time Active Employment based on the Covered Person's normally scheduled workday and b) a continuous period of 90 days after a return to full-time work during which no medical treatment (including examination, laboratory test, diagnosis and/or prescription) of any kind was prescribed for or rendered to or received by the Covered Person in connection with that Sickness or Injury.

Covered Persons on Leave of Absence for less than 120 days may re-enroll with the same coverage amounts in force prior to their Leave of Absence with no additional Pre-Existing Condition limitation. If the Covered Person was employed for less than 12 consecutive months prior to the Leave of Absence they will receive credit toward completing the Pre-Existing Condition limitation for the time worked prior to the Leave of Absence. Covered Persons on Leave of Absence for 120 days or more will receive a new period of initial eligibility (PIE) when they return to work. This allows them to enroll in Supplemental disability for the first time or if previously enrolled, change their waiting period. If the Employee was enrolled in Supplemental disability and employed for 12 consecutive months prior to the leave of absence the employee will not be subject to the Pre-Existing Condition limitation. If the Covered Person was enrolled in Supplemental disability prior to the Leave of Absence and employed for less than 12 consecutive months prior to the Leave of Absence they will receive credit toward completing the Pre-Existing Condition limitation for the time worked prior to the Leave of Absence. Covered Persons enrolling in Supplemental disability for the first time will be subject to the Pre-Existing Condition limitation.

SECTION 6 - TERMINATION PROVISIONS

Termination of Covered Person's Insurance

A Covered Person will cease to be insured on the earliest of the following dates:

1. the date this policy terminates, but without prejudice to any claim originating prior to the time of termination;
2. the date the Covered Person is no longer in an eligible class;
3. the date the Covered Person's class is no longer included for insurance;
4. the last day for which any required Employee contribution has been made;
5. the date employment terminates. Cessation of Active Employment will be deemed termination of employment, except the insurance will be continued for an Employee absent due to Total Disability during:
 - a. the Waiting Period; and
 - b. the period during which premium is being waived.

Liberty reserves the right to review and terminate all classes insured under this policy if any class(es) cease(s) to be covered.

Furlough and Paid Leaves of Absence

The Sponsor may allow continuation of the Covered Person's coverage(s) during certain types of Paid Leaves of Absence. In continuing such coverage under this provision, the Sponsor agrees to treat all Covered Persons equally.

NOTE: The Termination of Covered Person's Insurance and Furlough or Paid Leaves of Absence provisions and Lay-off or Leave of Absence provisions (shown above) will be administered in accordance with the University's Group Insurance Regulations.

SECTION 6 - TERMINATION PROVISIONS

(Continued)

Policy Termination

1. Termination of this policy under any conditions will not prejudice any claim which occurs while this policy is in force.
2. If the Sponsor fails to pay any premium within the grace period, this policy will terminate at 12:00 midnight Standard Time on the last day of the grace period. The Sponsor may terminate this policy by advance written notice delivered to Liberty at least 60 days prior to the termination date. This policy will not terminate during any period for which premium has been paid. The Sponsor will be liable to Liberty for all premiums due and unpaid for the full period for which this policy is in force.
3. Liberty may terminate this policy on any premium due date by giving written notice to the Sponsor at least 60 days in advance if the Sponsor fails:
 - i. to furnish promptly any information which Liberty may reasonably require; or
 - ii. to perform any other obligations pertaining to this policy.
4. Liberty may terminate this policy or any coverage(s) afforded hereunder and for any class of covered Employees on any premium due date after it has been in force for 12 months. Liberty will provide written notice of such termination to the Sponsor at least 60 days before it is effective.
5. Termination may take effect on an earlier date if agreed to by the Sponsor and Liberty.

SECTION 7 - GENERAL PROVISIONS

Entire Contract; Changes

This policy, the application of the employer, and the individual applications, if any, of the employees constitute the entire contract between the parties, and any statement made by the employer or by any employee shall, in the absence of fraud, be deemed a representation and not a warranty. No such statement shall (avoid the insurance or reduce the benefits under this policy or) be used in defense to a claim hereunder unless it is contained in a written application, nor shall any such statement of the employer, except a fraudulent misstatement, be used at all to void this policy after it has been in force for two years from the date of its issue, nor shall any such statement of any employee eligible for coverage under the policy, except a fraudulent misstatement, be used at all in defense to a claim for loss incurred or Disability or Partial Disability (as defined in the policy) commencing after the insurance coverage with respect to which claim is made has been in effect for two years from the date it became effective.

No change in this policy shall be valid unless approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Time Limit on Certain Defenses

(a) After two years from the date of issue of this policy, no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or Disability (as defined in the policy) commencing after the expiration of such two-year period. (b) No claim for loss incurred or Disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Grace Period

A grace period of 60 days will be granted for the payment of premiums accruing after the first premium, during which grace period the policy shall continue in force, but the employer shall be liable to the insurer for the payment of the premium accruing for the period the policy continues in force.

Notice of Claim

Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Subject to the qualifications set forth below, if the insured Covered Person suffers loss of time on account of Disability for which indemnity may be payable for at least two years, the Covered Person shall at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said Disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in giving of such notice shall not impair the insured Covered Person's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

SECTION 7 - GENERAL PROVISIONS

(Continued)

Claims Forms

The insurer, upon receipt of a written notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Proofs of Loss

Written proof of loss must be furnished to the insurer, in the case of claim for loss for benefits, within 90 days after the termination of the period for which the insurer is liable, and in case of claim for any other loss, within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the employee, later than one year from the time proof is otherwise required.

Time of Payment of Claim

Indemnities payable under this policy for any loss other than benefits will be paid as they accrue immediately upon receipt of due written proof of such loss. Subject to due written proof of such loss, all accrued indemnity for benefits will be paid Weekly or Monthly to the insured employee and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

Payment of Claims

If any indemnity of this policy shall be payable to the estate of the insured employee or employee who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity up to an amount not exceeding \$1,000 to any relative by blood or connection by marriage of the insured employee who is deemed by the insurer to be equitable entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Physical Examination and autopsy

The insurer at its own expense shall have the right and opportunity to examine the person of any individual whose injury or sickness is the basis of claim when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

SECTION 7 - GENERAL PROVISIONS
(Continued)

Misstatement of Age

If the age of any individual covered under this policy has been misstated, the amount payable shall be such as the premium paid for the coverage of such individual would have purchased at the correct age.

Conformity with state statutes

Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

SECTION 8 - PREMIUMS

Premium Rates

Liberty has set the premiums that apply to the coverage(s) provided under this policy. Those premiums are shown in a notice given to the Sponsor with or prior to delivery of this policy.

Liberty may establish new rates for all future premiums as well as the one then due:

1. when the terms of this policy are changed, any such change in policy terms will be made in accord with the General Provisions regarding "Complete Contract - Policy Changes";
2. when a division, or Associated Company is added to this policy; or
3. when the number of Covered Persons changes by 25% or more from the number insured on this policy's Effective Date; or
4. for reasons other than 1., 2., or 3. above, such as, but not limited to a change in factors bearing on the risk assumed. But, the rates may not be changed within the first 12 months following this policy's Effective Date.

No premium may be increased unless Liberty notifies the Sponsor at least 210 days in advance. Premium increases may take effect on the next January 1st anniversary date.

Payment of Premiums

1. All premiums due under this policy, including adjustments, if any, are payable by the Sponsor on or before their due dates at Liberty's Administrative Office, or to Liberty's agent. The due dates are specified on the first page of this policy.
2. Premium payment calculations will be based on the coverage(s) provided under this policy. Both are determined by the definition of Monthly Covered Salary Rate.
3. The premium charge for insurance terminated during a policy month will cease at the end of the policy month in which such insurance terminates. This manner of charging premium is for accounting purposes only.
4. Except for fraud and premium adjustments, refunds or charges will be made only for the current policy year.

Waiver of Premium

With respect to Supplemental Disability Benefits, premium payments for a Covered Person are waived during any period for which benefits are payable. If coverage is to be continued, premium payments may be resumed following a period during which they were waived.

Foreword to Employees

The University of California Supplemental Disability Insurance Plan includes (the Supplemental Disability Continuation Rider allowing you to elect to continue Supplemental Disability Coverage and to cover your **full pre-leave pay during certain types of approved leaves for professional development**. The purpose of this addendum is to describe the aspects of the Supplemental Disability Continuation Rider which differ from the regular University of California Supplemental Disability Insurance Plan. When you elect the Supplemental Disability Continuation Rider, this addendum will govern with respect to these areas of difference.

The benefits of the University's Supplemental Disability Plan and the Supplemental Disability Continuation Rider are subject to change. The University of California intends to continue the Supplemental Disability Plan and the Rider described in this addendum but reserves the right to terminate or amend them at any time.

The University's Supplemental Disability Continuation Rider described here is governed by the terms and conditions of contracts between The Regents of the University of California and Liberty Life Assurance Company of Boston and by the University's Group Insurance Regulations, where applicable. Those terms and conditions apply if information in this addendum is not the same.

DEFINITIONS

Qualified Leave is the type of leave qualifying you to continue your regular University Supplemental Disability coverage under the Supplemental Disability Continuation Rider. This includes approved leaves under regular University leave programs for research or teaching related to your University position such as the Educational and Professional Development Leave Program for MSP employees and the Professional Research and Teaching Leave Program at the Labs, and approved leaves to work under a professional grant or fellowship related to your University position such as a Guggenheim fellowship. (Leave to enroll as a student in a degree program, personal leaves, and furloughs are **not** Qualified Leaves.) The University determines whether an employee's leave meets the requirements of a Qualified Leave.

Note: If you are going on a sabbatical leave of any appointment time, see your Benefits Office for options regarding continuation of disability coverage.

Pre-Leave Monthly Covered Salary Rate is the basis for premium calculation. It is the monthly salary for your appointment at the 100% rate for the full calendar month preceding the month in which your leave begins. For split appointments at different rates, the Pre-Leave Monthly Covered Salary Rate is the monthly salary you would receive if working at 100% time in the appointment which has the highest 100% time salary rate. (This definition replaces the MONTHLY COVERED SALARY RATE definition in the regular Supplemental Disability Booklet.)

Supplemental Disability Continuation Rate is the premium rate factor used to calculate the monthly Supplemental Disability Continuation Rider premium and is taken from the special table of rates by age for Supplemental Disability Continuation Rider coverage.

Reactivation Trigger Date is the date 60 days before the predetermined ending date of the Qualified Leave. On this date, which is noted by the Benefits Office at enrollment, Liberty will send a reminder to you and the Benefits Office that it is time to reactivate your payroll deduction Supplemental Disability coverage. At this time, if you have not already done, so, you should notify the University and Liberty **in writing** of any change in your leave plans.

Total Disability will continue to be defined as it is in the regular Supplemental Disability plan. If you file a claim while covered by the Supplemental Disability Continuation Rider, your disability will be reviewed relative to your occupation with the University immediately before the date your approved, Qualified Leave began.

Please refer to your Supplemental Disability booklet for definitions and descriptions not included in this addendum.

ELIGIBILITY

You are eligible to enroll under the Supplemental Disability Continuation Rider if you are enrolled in the University Supplemental Disability plan immediately before the beginning of an approved, Qualified Leave and you are in Active Employment on the last full day of work before your leave.

Enrollment

You may apply for coverage under the Supplemental Disability Continuation Rider when you set up an approved, Qualified Leave, as early as two months before the starting date of the leave. Liberty's confirmation of coverage will depend on the University's confirmation that you have an approved, Qualified Leave and that you are covered under the regular University Supplemental Disability plan immediately before the leave.

Form UCP

Enrollment (Continued)

The final date to apply for the Supplemental Disability Continuation Rider coverage is the last full day worked before the starting date of the approved, Qualified Leave. This means that the application and premium check sent to Liberty must be postmarked no later than this date. NO APPLICATIONS WILL BE CONSIDERED OR ACCEPTED AFTER THIS DATE.

Effective Date

Supplemental Disability Continuation Rider coverage will begin immediately following the last day of regular payroll deduction Supplemental Disability coverage with no lapse in coverage. You must be in Active Employment on the last full day of work before your approved, Qualified Leave.

Within 2 to 3 weeks of making application, you will receive a confirmation of Supplemental Disability Continuation Rider coverage from Liberty. If you have heard nothing at the end of this time period, contact your Benefits Office to determine when the University Statement was sent to Liberty. With that information, contact Liberty to confirm that they received your application and premium check. You may be given telephone confirmation of coverage; however, you will always receive written confirmation of coverage for your records.

Waiting Periods

Your Waiting Period will be the same as under your regular payroll deduction Supplemental Disability coverage.

Length of Continuation That You May Purchase

You may continue your Supplemental Disability coverage under the Supplemental Disability Continuation Rider for a maximum of two years of approved, Qualified Leave.

Return from Leave/Reactivation of Payroll Deduction Supplemental Disability

When you apply for coverage under the Supplemental Disability Continuation Rider, it is your responsibility to ensure that your payroll deduction Supplemental Disability is cancelled. At this same time, the Benefits Office will put the Reactivation Trigger Date on your application for Supplemental Disability Continuation Rider coverage. You must also fill out the re-enrollment form as part of the process. Your Benefits Office will hold your re-enrollment form until Liberty sends notice to reactivate the payroll deduction. This notice is sent on the Reactivation Trigger Date. It will notify you and the University that you have a pre-arranged return-to-work date coming in 60 days. The Benefits Office or Payroll Office (depending on procedures at your location) will process your enrollment form unless you notify them in writing of a change in plans. Be sure to send written notification to Liberty if your plans have changed.

Benefits

Benefits are the same for the Supplemental Disability Continuation Rider and the regular payroll deduction Supplemental Disability plan. See your Supplemental Disability plan booklet for benefit amounts. Benefits will begin no sooner than your elected plan Waiting Period (the same Waiting Period as your payroll deduction Supplemental Disability plan) or the end of any UC pay status or other leave income, whichever is later. Supplemental Disability Continuation Rider benefits will be based on your Eligible Earnings for the last full month before the approved, Qualified Leave. (See "Eligible Earnings" in your Supplemental Disability plan booklet.)

Form UCP

Offsets/Benefits from Other Income

Disability benefits under the Supplemental Disability Continuation Rider will be reduced by any Benefits from Other Income you are eligible to receive as defined in the regular Supplemental Disability booklet. In addition, any partial income earned during an approved, Qualified Leave such as income from a grant will be coordinated with the disability benefit so that the total amount of income from all sources does not exceed 70% of your Eligible Earnings for the last full month worked before your leave and subject to all plan maximums as described in Section 1 - Schedule of Benefits under "Plan Benefits" in your Supplemental Disability plan booklet.

Also see "Estimated Benefits" and "Benefits from Other Income" in your Supplemental Disability plan booklet.

Maximum Benefit Period

Same as the regular Supplemental Disability plan. See your Supplemental Disability booklet for full details.

Examples of Supplemental Disability Plan Benefits

Calculation of Supplemental Disability benefits and coordination with Benefits from Other Income while enrolled in the regular Supplemental Disability plan is explained in the Supplemental Disability booklet. These examples also apply to benefits under the Supplemental Disability Continuation Rider.

Medical Plan Contribution During the First Six Months of Benefits

During the first six months of benefits for a claim under the Supplemental Disability Continuation Rider coverage, the University contribution for your medical plan coverage will be paid, provided you do not separate from UC employment and your UC medical coverage has been continuous during your approved, Qualified Leave.

Taxes on Benefits

The Supplemental Disability Continuation Rider coverage is fully employee paid and as such, is not generally taxable under current provisions of the Internal Revenue Code.

Cost of the Supplemental Disability Continuation Rider Coverage

You pay the full premium for the continuation of Supplemental Disability coverage under the Supplemental Disability Continuation Rider directly to Liberty when application for coverage is made. Premium is based on your age on the January 1 preceding or coinciding with the first day of your Qualified Leave, your Pre-Leave Monthly Covered Salary Rate and the length of your leave. To calculate the premium due, multiply your Pre-Leave Monthly Covered Salary Rate times the Supplemental Disability Continuation Rate for your age times the number of months of leave. The annual rate table may be obtained from your local benefits office. Disregard any partial salary being paid during your leave. Be sure to cancel your payroll deduction Supplemental Disability Coverage when applying for the Supplemental Disability Continuation Rider.

Cost of the Supplemental Disability Continuation Rider Coverage (Continued)

If your Pre-Leave Monthly Covered Salary Rate is higher than \$14,286 per month, use \$14,286 for the purpose of calculating premium.

Example: Professor, age 52, on a grant for 12 months (180 day WP)

$$\frac{\$ 10,000}{\text{Pre-Leave Monthly Covered Salary Rate}} \times \frac{\$ 0.0083^*}{\text{Supplemental Disability Continuation Rate}} \times \frac{12}{\text{Months of Leave}} = \frac{\$ 996.00}{\text{Total Premium Due}}$$

* Rates vary based on Waiting Period and Age under the Cost Example

When calculating the number of months of leave, start counting with the first full month after the leave begins. If the leave begins on the first of the month, begin counting with the month leave begins. The last month to count will be the month in which the leave ends.

Example: A leave begins April 19, 1997 and ends October 11, 1997. The first month counted will be May 1997. The last month counted will be October 1997. Leave = 6 months.

Coverage and premium adjustments are usually made based on changes in salary rate and age in effect on January 1. If you elect the Supplemental Disability Continuation Rider, such adjustments will not be made until you return to Active Employment status.

Waiver of Premium

As with the regular Supplemental Disability plan, when you are receiving benefits under the Supplemental Disability Continuation Rider, no premium is required. Because you must pay the total premium for the Supplemental Disability Continuation Rider upon application for coverage, if you go into benefit status while covered by the Continuation Rider, premium will be refunded from the first of the month coinciding with or next following the date of disability through the earlier of 1) the end of the month in which the end date of the initial claim approval period falls and 2) the end of the month in which the approved, Qualified Leave ends. Refunds will be made in whole month increments only. Approval of an Supplemental Disability claim will initiate the refund process, which will be handled by Liberty.

Dropping Your Supplemental Disability Continuation Rider Coverage

Situations may arise where your Supplemental Disability Continuation Rider coverage needs to be canceled. For example, you may terminate your employment with the University or you may decide that you no longer wish to have the Supplemental Disability Continuation Rider coverage although you are continuing with an approved, Qualified Leave. In these instances, it is your responsibility to notify Liberty and the University in writing to cancel the coverage. Liberty will contact the University as needed, for example, to verify termination, and begin the process of refunding premium you paid for coverage beyond the actual ending date of coverage. Refunds will be calculated from the first of the month coinciding with or next following the date of cancellation of coverage or termination of employment, to the end of the month in which the approved, Qualified Leave ends. Refunds will be in whole month increments only. Please note: NO COVERAGE EXISTS BEYOND TERMINATION OF EMPLOYMENT WITH THE UNIVERSITY.

Dropping Your Supplemental Disability Continuation Rider Coverage (Continued)

If you drop the Supplemental Disability Continuation Rider coverage during an approved, Qualified Leave, when you return to regular pay status at the University you will have a new Period of Initial Eligibility (PIE) under the terms of the UC Group Insurance Regulations during which you may re-enroll in the payroll deduction Supplemental Disability plan. No Statement of Health will be required. The normal eligibility guidelines regarding membership in a defined benefit retirement plan, a minimum 50% time appointment and average regular paid time of at least 17.5 hours per week will apply.

General Exclusions

Same as the regular Supplemental Disability plan.

Pre-existing Conditions Exclusion

For purposes of administering the Pre-existing Condition Exclusion in the regular Supplemental Disability plan as well as in the Supplemental Disability Continuation Rider, the period of continued coverage under the Supplemental Disability Continuation Rider will be considered a continuation of the regular period of coverage rather than a new separate time period.

Partial Disability

If you begin receiving benefits under the Supplemental Disability Continuation Rider and decide to request Partial Disability, you must contact Liberty who will coordinate the Partial Disability process.

Successive Period of Total Disabilities

Same as the regular Supplemental Disability plan

Right of Recovery (with respect to Overpayments/Underpayments)

Same as the regular Supplemental Disability plan. Please refer to your Supplemental Disability booklet for details.

Filing a Claim

Supplemental Disability Continuation Rider claim forms are available from your Benefits Office. One of these special claim forms has been included in your Supplemental Disability Continuation Rider packet. Claim filing procedures are the same as the regular Supplemental Disability plan guidelines, except for the use of the special claim form.

Plan Administration

Same as the regular Supplemental Disability booklet.
