

Supplemental Disability Insurance Plan

University of California

Foreword

The University of California makes available a Supplemental Disability Insurance Plan to its employees through Liberty Life Assurance. Participation in this plan is voluntary and premiums are completely paid by the employee. The plan is designed to protect you against a Total or Partial Disability which may adversely affect your earnings power. Injuries and Sickness can prevent you from doing your job and result in loss of current income. A Total Disability can have serious financial consequences for you and your family. There are other companies that offer disability plans and you may wish to compare the benefit offered in this plan with others before enrolling in the Supplemental Disability Plan.

The purpose of the Supplemental Disability Insurance Plan is to provide a partial income replacement benefit if you are unable to work due to a disability covered by the Plan. It supplements the disability coverage available to you through the Short-Term Disability (formerly known as University-Paid Disability, UPD) Insurance Plan and provides coverage for disabilities that may have a long duration. Details of the Plan can be found on the following pages.

The Supplemental Disability Insurance Plan described here is fully governed by the terms and conditions of the insurance policy between Liberty Life Assurance Company of Boston and the University's Group Insurance Regulations. Those terms and conditions apply if information in this booklet is not the same.

The benefits of the Supplemental Disability Insurance Plan are subject to change. The University of California intends to continue the Supplemental Plan but reserves the right to terminate or amend it at any time.

Section I – Basic Information About This Plan

Coverage under the Supplemental Disability Insurance Plan supplements the automatic coverage provided by the Short-Term Disability Insurance Plan that UC pays based on your eligibility. In addition, the Supplemental Disability Insurance Plan extends benefits beyond the Short-Term Disability Insurance Plan benefit period.

Words that are capitalized have a technical meaning and are described in the Glossary at the end of this booklet. The terms “the plan” and “this plan” are generally used in this booklet to describe the Supplemental Disability Insurance Plan.

Eligibility

You are eligible to enroll in this Plan if you meet the following criteria:

- you are a member of a Defined Benefit Retirement Plan to which the University contributes (such as UCRP, PERS, etc.), and
- you maintain average regular paid time equal to 17.5 hours or more per week.

Certain employment actions may affect your continuing eligibility for this plan. See EMPLOYMENT ACTIONS THAT AFFECT COVERAGE described in Section 5 of this booklet for details.

Monthly Cost

You pay the full cost of monthly premiums for the Supplemental Disability Plan. Your monthly cost for this plan is based on your age, salary rate, and the Waiting Period you select. To calculate the monthly cost, use the rate factors shown in the table below multiplied by your Monthly Covered Salary Rate up to \$14,286.* This calculation is based on the full-time salary rate for your appointment and applies to both full-time and part-time Employees.

Use the Waiting Period you choose and your age as of January 1 of the current year to find the rate in this table (This table reflects 2006 rates; subsequent years' rates may change):

Age	Waiting Period			
	7 Days	30 Days	90 Days	180 Days
Under 35	0.0055	0.0020	0.0018	0.0007
35-39	0.0058	0.0022	0.0019	0.0009
40-44	0.0065	0.0028	0.0023	0.0014
45-49	0.0072	0.0033	0.0028	0.0018
50-54	0.0089	0.0041	0.0035	0.0027
55-59	0.0106	0.0059	0.0050	0.0044
60-64	0.0147	0.0097	0.0083	0.0079
65-69	0.0130	0.0076	0.0065	0.0058
70 & over	0.0099	0.0042	0.0036	0.0023

*The maximum benefit under this plan is 70% of \$14,286 per month so there is no coverage for any Monthly Covered Salary Rate above \$14,286. If your Monthly Covered Salary Rate is higher than \$14,286 per month, use \$14,286.

Premium Worksheet

To calculate your monthly premium, use your age and Monthly Covered Salary Rate as of January 1 of the current year or your date of hire or plan enrollment, whichever is most recent.

- 1. Find the premium rate for your age and Waiting Period

$$\frac{\text{premium rate from table}}{\text{monthly covered salary rate}}$$

- 2. Multiply the premium rate by your gross Monthly Covered Salary Rate up to \$14,286 per month. If your Monthly Covered Salary Rate is higher, use \$14,286.

$$\frac{\text{premium rate from table}}{\text{monthly covered salary rate}}$$

- 3. This is your monthly premium for Supplemental Disability Insurance

$$\frac{\text{premium rate from table}}{\text{monthly covered salary rate}}$$

Example: Assume that you are 43 years old, have a gross Monthly Covered Salary Rate of \$3,458, and you select a 30-day Waiting Period.

1. Premium Rate for your age and Waiting Period	\$0.0050
2. Your gross Monthly Covered Salary Rate	x 3,458
3. Your total monthly cost	\$17.29

Premiums During A Benefit Period

Your premium payments are waived during any period for which disability benefits are payable. If coverage is to be continued, premium payments may be resumed **when you re-enroll** following a period during which they were waived.

Enrollment

You may enroll in this plan during your "Period of Initial Eligibility" (PIE), which begins on the day you become eligible (Eligibility Date) and ends 31 days from your Eligibility Date (Eligibility Date is Day 1). Refer to the Effective Date Of Insurance and Delayed Effective Date For Insurance Section 2 of this booklet for additional details.

Your Campus or Laboratory Benefits or Payroll Office must receive your enrollment transaction by the end of your PIE. You may also have an additional PIE when you return to work if you lose coverage during a leave without pay or certain other situations. See your local Benefits Representative for more information.

Late Enrollment

If you do not enroll during your PIE and want to do so later or if you want to shorten your waiting period, you must apply to Liberty with an Evidence of Insurability Application.

In completing the Evidence of Insurability Application you must provide your full health history as requested on the form. At the time of application, Liberty may require a medical examination (at your expense) in addition to the information requested on the form. Application for coverage by Evidence of Insurability is a special administrative process and processing time will vary depending on the timeliness and availability of information Liberty needs to determine your eligibility for coverage. If you have questions regarding the status of your Application you may contact Liberty directly at:

Liberty Life Assurance Company
P.O. Box 1525
Dover, NH 03820
1-800-210-0268

If you are approved for coverage based on your Evidence of Insurability Application and later file a disability claim under the plan within two years of approval, Liberty will review your Application to determine whether the original medical history you submitted was accurate and complete. Liberty alone makes the decision to accept or deny Applications based on Evidence of Insurability.

Effective Date

Coverage becomes effective the first day you become eligible provided the enrollment transaction is received in the local Benefits or Payroll Office within your PIE and you are in pay status as well as in Active Employment, based on your normally scheduled workday.

If you are on a paid leave for health reasons or any unpaid leave of absence on the normal effective date, new or increased coverage begins the day following the first full day you return to Active Employment, based on your normally scheduled workday. Refer to the Delayed Effective Date For Insurance provision in Section 2 of this booklet.

If you have applied for coverage by Evidence of Insurability and your Application is approved, your effective date will be the date Liberty approves the Application, provided you meet the Active Employment and pay status requirements above. You must also contact your local Benefits office once Liberty approves your Application so premium contributions may begin.

You may defer the normal effective date of this Supplemental Disability coverage for up to six months by submitting a written request with your enrollment form during your PIE or with your Evidence of Insurability Application. The decision to defer the effective date of this coverage is irrevocable.

Waiting Period

You may elect one of four Waiting Period options. The Waiting Period under the Short Term Disability Plan will correspond with the option elected under this Supplemental Disability Plan. For example, if you choose the 180 day Waiting Period you will not receive either Short Term Disability or Supplemental Disability benefits until you have satisfied the Waiting Period of 180 days. You may change to a longer Waiting Period at any time by submitting an enrollment form to your local Benefits or Payroll office. However, you may apply for a shorter Waiting Period only by completing an Evidence of Insurability Application. Liberty will decide whether or not your Waiting Period may be shortened based on medical evidence concerning your health.

The period for which a benefit is payable will begin on the later of:

A. the completion of the chosen Waiting Period listed below:

Option 1: on the 8th day of continuous Total Disability or Partial Disability resulting from Injury or Sickness.

Option 2: on the 31st day of continuous Total Disability or Partial Disability resulting from Injury or Sickness.

Option 3: on the 91st day of continuous Total Disability or Partial Disability resulting from Injury or Sickness.

Option 4: on the 181st day of continuous Total Disability or Partial Disability resulting from Injury or Sickness.

- B. exhaustion of accrued sick leave up to 22 working days/ 176 hours (prorated for part-time Employees). This includes any sick leave accrued before or after your last day at work while still on pay status and before benefits begin (see Note below); or
- C. the day earnings cease.

Note: If you choose to use additional sick leave days or other salary continuance for which you are eligible, your benefits will begin after your earnings cease, if you have satisfied your Waiting Period.

If you elect not to use sick leave you have left beyond the required 22 working days/176 hours, and then decide at a later date to use your remaining sick leave or accrued vacation leave, you must contact Liberty so they can temporarily suspend your benefits to avoid an overpayment on your claim. Also, department approval is required for any use of accrued sick or vacation leave.

After you begin your Waiting Period, if you return to work for a consecutive number of days equal to 20% or less of your Waiting Period, you will retain credit for the earlier period if you are Totally Disabled again for the same condition.

Example: You have a 7-day Waiting Period. You satisfy 5 days of the Waiting Period and then return to your normal pre-disability schedule for 1 day. (1 day = 14% of your 7-day Waiting Period). You become Totally Disabled again due to the same condition. In this situation, you will only need to satisfy 2 more days of your Waiting Period because you are given credit for the earlier 5 days satisfied.

If you return for more than 20% of your Waiting Period, and again become Totally Disabled due to the same condition, you will be required to restart the entire Waiting Period.

SUPPLEMENTAL DISABILITY, Short Term Period (First 12 Months Of Benefits)

For all nonwork-related claims the Short Term Disability plan pays part of your benefit. For work-related claims, the Supplemental Disability plan pays benefits in coordination with your Workers' Compensation benefits, and other benefits from other income, if any.

The **Amount of Supplemental Disability, short term period insurance benefits** will be the lesser of:

- (a) 70% of your Eligible Earnings; or
- (b) 70% of your Eligible Earnings less benefits from other income listed in Section 3 of this booklet; or
- (c) the maximum Monthly Benefit of \$10,000.

The **Maximum Benefit Period for Supplemental Disability, short term period insurance benefits** for any one Total Disability will end on the earliest of:

- (a) the end of your Total Disability; or
- (b) the end of your 52nd week of Total Disability for which a benefit is payable.

SUPPLEMENTAL DISABILITY, Long Term Period (After 12 Months Of Benefits)

To be eligible for further benefits under Supplemental Disability Coverage, continuing Total or Partial

Disability is redefined in a long-term disability context. To be sure you are eligible for Supplemental Disability benefits, refer to the Glossary, for a complete definition of Total Disability from the 13th month of disability onward.

The **Amount of Supplemental Disability, Long Term Period, Insurance Benefits** will be the lesser of:

- (a) 50% of your Eligible Earnings; or
- (b) 70% of your Eligible Earnings less benefits from other income listed in Section 3 of this booklet; or
- (c) the maximum Monthly Benefit of \$10,000.

The minimum Monthly Benefit during the period is \$100.

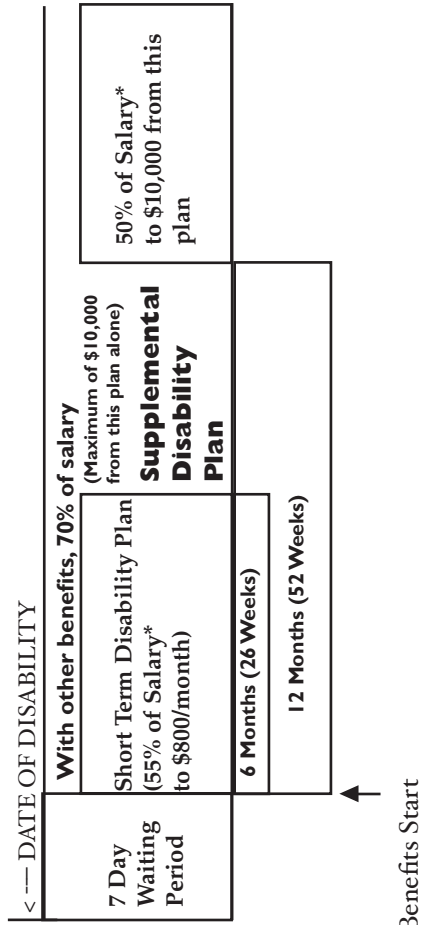

The **Maximum Benefit Period For Supplemental Disability, Long Term Period, Insurance Benefits** will end when you reach age 65, unless the following exceptions apply:

Age At Disability	Maximum Benefit Period
Less than age 60	to age 65, but not less than 5 years
60 through 69	the lesser of 5 years or to age 70
70 and over	1 year

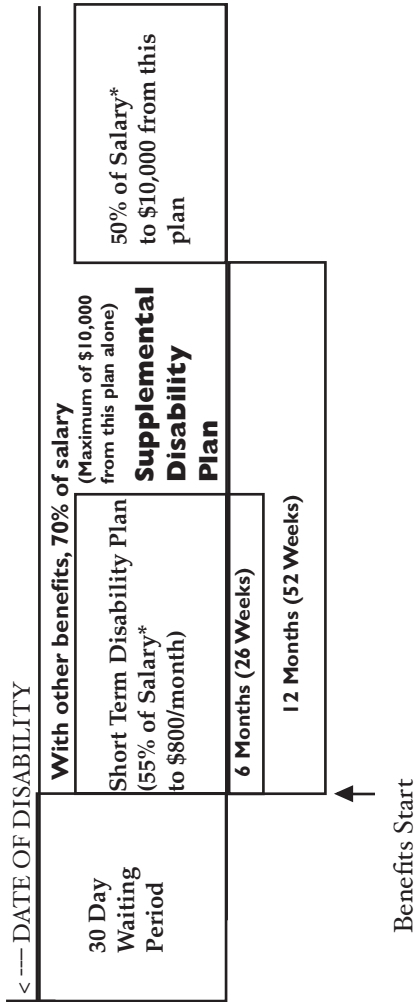

However, the Long Term benefit will be extended beyond the end of your maximum benefit period if you attain the age specified in the Long Term benefit duration while disabled and have not received 12 monthly Long Term benefit payments. In this event, the Long Term benefit period will be extended during the continuance of your Total Disability until 12 monthly payments have been paid.

Please refer to benefit charts on the following pages.

Section 2 – Effective Dates

Effective Date Of Insurance

Your insurance will be effective at 12:01 A.M. Standard Time in the governing jurisdiction on the day determined as follows, but only if your written Application for insurance is made with Liberty through the University of California.

You will be insured for Supplemental Disability contributory insurance on the latest of these dates:

1. your Eligibility Date, if you complete an enrollment transaction during your Period of Initial Eligibility (PIE); or
2. the date Liberty gives its approval, if you:
 - a. apply after your PIE;
 - b. terminate your insurance while continuing to be eligible; or
 - c. apply for a shorter Waiting Period.

In the case of a., b., and c. above, you must submit an Evidence of Insurability Application to Liberty for approval and then complete the enrollment transaction with the University. This will be at your expense.

Delayed Effective Date For Insurance

The effective date of any initial, increased or additional insurance for you will be delayed if you are not in Active Employment because of injury or sickness. The initial, increased or additional insurance will start on the day following the date you complete one full day of active employment, based on your normally scheduled work day.

Section 3 – Disability Income Benefits

GENERAL INFORMATION

The Supplemental Disability Plan pays benefits every two weeks during the first 12 months (short term period) and every month thereafter (long term period) as long as you continue to qualify for benefits.

For nonwork-related disabilities during the first 26 weeks of your Supplemental Disability benefit period, part of your benefit will be paid by the Short Term Disability Plan. The Short Term Disability benefit is calculated as follows:

- | | |
|--|--------------------|
| 1. Monthly Eligible Earnings | \$ 3,000 |
| 2. Monthly Short Term Disability Income | \$ 800 |
| (55% of \$3,000=\$1,650 but \$800 is maximum Monthly Benefit under the plan) | |
| 3. Benefit Period | (6 months maximum) |
| TOTAL SHORT TERM DISABILITY BENEFIT (\$800 X 6 mos.) | \$ 4,800 |

SUPPLEMENTAL DISABILITY COVERAGE, SHORT TERM PERIOD

When is your short term benefit payable?

When Liberty receives proof that you are Totally or Partially Disabled due to Injury or Sickness and require the regular attendance of a Physician, Liberty will pay you a bi-weekly benefit after the end of your Waiting Period. The benefit will be paid for the period of your Total or Partial Disability if you give to Liberty proof of continued (1) Total or Partial Disability; and (2) regular attendance of a Physician. The proof must be given upon Liberty's request and at your expense.

Liberty requires that you be under the direct and continuous care of a Physician who will provide medical documentation proving your continuous Total or Partial Disability. This Physician care should begin no later than 7 days following the date you are first unable to work on an Active Employment basis. Telephone contact with your Physician is not considered direct care or regular attendance of your Physician. See Glossary of this booklet for more information on the definition of Total Disability or Partial Disability.

For the purpose of determining Total or Partial Disability: (1) the Injury must occur and your disability must begin while you are insured for this coverage; and (2) disability which is the result of your Sickness must begin while you are insured for this coverage. In addition, a loss of a license for any reason does not, in itself, constitute Total Disability.

Your Monthly Benefit will not exceed the amount of insurance benefits nor be paid for longer than the maximum benefit period. The amount of insurance benefits and the maximum benefit period are shown in Section 1 – Basic Information About This Plan.

Calculation Of Supplemental Disability Monthly Benefit, short term period (During The First 12 Months Of Benefits)

To figure your Monthly Benefit:

1. multiply your Eligible Earnings by 70%.
2. take the lesser of:
 - a. the amount figured in step (1) above; or
 - b. 70% of your Eligible Earnings less the benefits from other income shown below; or

- c. the maximum Monthly Benefit shown in Section 1 – Basic Information About This Plan.

Note: The Supplemental Disability Benefit supplements Workers' Compensation benefits ONLY if all sick leave and Extended Sick Leave is used up.

Benefits From Other Income (short term period)

Benefits from other income that will be offset to your Supplemental Disability are those benefits shown below and under "Lump Sum Benefit Payments" (Section 3, page 32):

1. any disability or Retirement Benefits for which you are eligible under Social Security; or
2. any other governmental program or coverage required or provided by statute; or
3. any designated wage replacement benefit paid under Workers' Compensation law or any other act or law of like intent; or
4. the amount of earnings you earn or receive from any form of rehabilitative employment or any other salary, wages, or payments except for Health Sciences Supplemental Income by the University to you; or
5. disability or Retirement Benefits under any Defined Benefit Retirement Plan for which a University Employee receives credit for University service.

Note: Liberty will not offset University sponsored group disability benefits available to certain Employees with respect to compensation that is not covered by University disability programs such as disability coverage of Health Sciences Supplemental Income.

Liberty will not offset your benefit with (a) any disability benefits from privately purchased individual disability insurance policies; or (b) Defined Contribution Plan benefits (DCP) such as TIAA-CREF, 401k plans and 403b plans through UC and other employers.

Example Of Plan Benefits, short term period

A. You become disabled at age 35 and remain disabled for two months. You have no other benefits from other income except Short-Term Disability benefits.

1. Monthly Eligible Earnings	\$ 1,750
2. Monthly Supplemental Disability Income (1 st 12 months-70% of \$1,750)	\$ 1,225
3. Benefit Period	(2 months)
TOTAL SHORT TERM AND SUPPLEMENTAL DISABILITY BENEFIT (\$1,225 x 2 mos.)	
	\$ 2,450

Benefit Periods Less Than A Week

For any period for which a Short-Term Plan benefit or a Supplemental Plan, short-term period benefit is payable that does not extend through a full week, the benefit will be paid on a prorated basis. The rate will be 1/7th per day for such period of Total Disability.

Termination Of Your Supplemental Benefit, short term period

Your Monthly Benefit will cease on the earliest of (1) the date you are no longer Totally or Partially Disabled; or (2) the date you die; or (3) the end of your maximum benefit period; or (4) the date you begin work for another employer for wage or profit unless you are on approved Stay At Work/Return To Work (SAW/RTW) Status; or (5) for those on SAW/RTW Status, the date your current earnings while on SAW/RTW exceed 80% of your Pre-Disability Earnings; or (6) for those on SAW/RTW Status, the date your current earnings and benefits from other income exceed 100% of your Pre-Disability Earnings.

SUPPLEMENTAL DISABILITY COVERAGE, LONG TERM PERIOD

When is your long term benefit payable?

When Liberty receives proof that you are Totally Disabled due to Injury or Sickness and require the regular attendance of a Physician, Liberty will pay you a Monthly Benefit after you have exhausted the short term period of your Supplemental Disability benefits. The benefit will be paid for the period of your Total Disability if you give to Liberty proof of continued (1) Total Disability; and (2) regular attendance of a Physician. The proof must be given upon Liberty's request and at your expense.

Liberty requires that you be under the direct and continuous care of a Physician who will provide medical documentation proving your continuous Total Disability. Telephone contact with your Physician is not considered direct care or regular attendance of your Physician. See the Glossary of this booklet for more information on the definition of Total Disability.

Your Monthly Benefit will not exceed the amount of insurance benefits or be paid for longer than the maximum benefit period shown in Section 1 – Basic Information About This Plan.

Calculation Of Supplemental Disability Monthly Benefit, long term period (after 12 months of benefits)

To figure your Monthly Benefit:

1. multiply your Eligible Earnings by 50%.
2. take the lesser of:
 - a. the amount figured in step (1) above; or
 - b. 70% of your Eligible Earnings less your benefits from other income shown below; or
 - c. the maximum Monthly Benefit shown in Section 1 – Basic Information About This Plan.

Benefits From Other Income (long term period)

Your benefits from other income are those benefits shown below and under “Lump Sum Benefit Payments” (Section 3, page 32):

1. The amount for which you are eligible under:
 - a. Workers’ Compensation Law (temporary benefits)
 - b. occupational disease law;
 - c. any compulsory benefit act or law;
 - d. any other act or law of like intent.
2. The amount of any disability benefits which you are receiving or are eligible to receive under:
 - a. any other group insurance plan of the University, excluding Accidental Death and Dismemberment (AD&D);

- b. any governmental retirement system as a result of your job with the University.
- 3. The amount of any disability benefits or Retirement Benefits you voluntarily elect to receive as retirement payment under the University's Retirement Plan.
- 4. The amount of benefits you receive: (a) under any other disability plan, or (b) under any Defined Benefit Retirement Plan for which you receive credit for University service.
- 5. The amount of disability and/or Retirement Benefits under the United States Social Security Act, the Canada Pension Plan, the Quebec Pension Plan, or any similar plan or act, which (a) you receive or are eligible for; and (b) your spouse, minor child or minor children* receive or are eligible for because of your disability; or (c) your spouse, minor child or minor children* receive or are eligible for because of your eligibility for Retirement Benefits.

*Liberty will not offset your disability benefit with any Social Security Benefits your child or children receive or are eligible for if the child or children are not living with you on a permanent basis.

- 6. The amount of earnings you earn or receive from any form of employment or any other salary, wages or payments except for Health Sciences Supplemental Income by the University to you.

Note: Liberty will not offset for University sponsored group disability benefits available to certain Employees with respect to compensation that is not covered by University disability programs such as disability coverage of Health Sciences Supplemental Income.

Liberty will not offset your benefit with (a) any disability benefits from privately purchased individual disability insurance policies; or (b) Defined Contribution Plan benefits (DCP) such as TIAA-CREF, 401k plans and 403b plans through UC and other employers.

Benefits from other income, except Retirement Benefits, must be payable as a result of the same disability for which Liberty pays a benefit.

INFORMATION AFFECTING SUPPLEMENTAL DISABILITY BENEFITS

UC-Sponsored Medical And Life Insurance Plans While Receiving Benefits

Medical Plan

During the first six months (26 weeks) of disability benefits for a nonwork-related disability, part of your disability benefit will be paid by the Short Term Disability plan. If you have medical plan coverage and all premiums due have been paid at the time you become eligible for Short Term Disability Plan benefits, the UC contribution for your medical plan will begin on the first of the month after your disability benefits begin, and will continue until the last day of the month following the month in which the Short Term Disability Plan benefits end provided:

- (a) you do not separate from UC employment,
and
- (b) your UC medical coverage is continuous.

If you go off pay status during your Waiting Period and wish to ensure your UC medical coverage is continuous, you must make arrangements with the local Accounting Office to pay the gross monthly medical premiums directly until the Short-Term Disability Plan benefits begin. Once the UC contribution resumes, you must pay any net cost of medical coverage.

Even if your approved leave without pay and Supplemental Short Term Disability benefits continue beyond the day your Short Term Disability Plan benefits end, the UC medical plan contributions will stop after 6 months. If you are still on an approved leave of absence, you may make direct payments of your gross medical plan premiums through your local Accounting Office to maintain coverage. See your local Benefits Representative for information.

Life Insurance

If you are enrolled in University-sponsored Supplemental Life Insurance and become Totally Disabled, you may qualify for a waiver of your Supplemental Life Insurance premium. See your Benefits Representative for more information and a claim form.

Taxes On Benefits

The Short-Term Disability Plan benefit is fully taxable; however, the Supplemental Disability portion of your disability benefit is generally not taxable. You may voluntarily elect to have Federal taxes deducted from your benefit checks by requesting and completing a Liberty tax withholding authorization form. If OASDI/Medicare has been deducted from your regular pay, it will be deducted from your Short Term Disability benefit check during the first six months following your date of disability. If OASDI/Medicare is not deducted from your regular pay, it will not be deducted from your Short Term Disability benefits.

Cost Of Living Increases

After the first deduction for each of your benefits from other income, your Monthly Benefit will not be further reduced due to any cost of living increases payable under the benefits from other income provision of this plan. This provision does not apply to increases received from any form of employment.

State Disability Insurance (SDI)

University Employees are not eligible for California State Disability Insurance (SDI) available through private employers or California Non-Industrial Disability Insurance (NDI) coverage offered by public employers. Instead, the University offers a Short-Term Disability Insurance Plan which may not necessarily have the same provisions as SDI and NDI.

However, if you have been employed by the University for less than 18 months, you may be eligible for SDI benefits through your previous employer. In this case, it is advisable to file a claim for SDI benefits **as soon as possible**. Before submitting a claim to Liberty, you should call or write the State Employment Development Department (EDD) to obtain a determination, in order to insure that your Liberty benefits are calculated properly.

Short Term and Supplemental Disability Plan benefits are reduced by the amount of SDI if you have been employed at the University for less than 18 months. Short Term and Supplemental Disability benefits are not reduced by SDI for disabilities beginning after you have been employed at the University for 18 months or more or in a situation where SDI benefits are payable for another job.

Social Security Benefits

You must make application with the Social Security Administration for Social Security Disability (SSD) benefit payments under that plan when it is determined that the Total Disability (see page 36) will extend beyond a 12 month period.

If the application is denied by the Social Security Administration, the University requires you to appeal the denial to the full extent afforded under the Social Security appeals process. If you do not appeal the denial, your benefit will still be reduced by an estimated Social Security Disability benefit amount.

If you are awarded Social Security disability benefits and the amount you are eligible to receive was overestimated by Liberty, you will be reimbursed for such amount by Liberty. Alternatively, if the amount was underestimated by Liberty, you will be required to reimburse Liberty for such amount.

Lump Sum Benefit Payments

If you receive benefits from other income which are paid in a lump sum, such as a retroactive Social Security award or retroactive UCRP disability benefits, the benefits will be prorated on a monthly basis over the time period for which the sum is given or the maximum benefit period, whichever is less. This monthly amount will then be offset against the monthly benefit from Liberty.

However, certain benefits received as a lump sum are offset differently:

1. Lump-Sum Cashout from the University of California Retirement Plan (UCRP) – a one-time offset in the month in which the Lump-Sum Cashout payment is made.
2. Capital Accumulation Provision (CAP Benefit under UCRP – a one-time offset in the month in which the CAP payment is made).
3. Payout of Terminal Vacation Leave from the University of California – if terminal vacation leave is paid out in a lump sum, it is not an offset for disability benefit purposes. If terminal vacation leave is paid out in periodic payments as regular pay, it is offset as any full or partial wage or salary payments or other payments by the University would be.

4. Severance Pay from the University of California (Health Science, Executive, Staff, etc.) – offset in the month in which the severance payment is received.
5. Defined Contribution Retirement Plan benefits from a University of California sponsored plan or from a plan sponsored by any other employer (e.g., TIAA-CREF) are not offset, whether paid by lump sum or by periodic payments.
6. Settlements with the University of California are offset if they are paid as wage replacement or in lieu of wages.

In the event of a one-time payment under a special University program, such as any early retirement program or any other special program, the University directions announced at the time of the special payment will apply.

RETURN TO WORK

You are eligible for a number of plan features that will assist you in returning to work as soon as you are able. Liberty provides assistance with return to work through its own and the University's vocational rehabilitation staff. You may also work directly with your local vocational rehabilitation and human resources staff to help you return to your previous job, a transitional work assignment, or a completely different position.

Stay At Work/Return To Work (SAW/RTW)

If you are Partially Disabled, SAW/RTW allows you to receive a Partial Disability benefit. This means that you may be able to stay at work part-time during an illness, return to work on a part-time basis following Total Disability or perform an alternate job at lesser earnings and still be eligible to receive a modified benefit. An alternate job at lesser earnings means a job where you might work as much as full-time but your earnings are equal to 80% or less than 80% of your Pre-Disability Earnings.

When Liberty receives proof that you are Partially Disabled from Injury or Sickness, they will pay you a SAW/RTW benefit after you have satisfied your Waiting Period. Your Waiting Period may be satisfied with any combination of Total or Partial Disability days. To receive SAW/RTW benefits, you must provide proof of continued Partial Disability and

regular attendance of a Physician. In addition, your department or University location will need to determine whether they can offer you a temporary alternative work schedule. While on SAW/RTW status, you are not required to pay the Supplemental Disability premium even though you are working part-time on University pay status.

Your SAW/RTW benefit will be calculated by taking your Pre-Disability Earnings, subtracting your earnings from Partial Disability employment and any benefits from other income, and then multiplying the result by 70%. In no case will the total benefits and other income exceed 100% of your Pre-Disability Earnings. Your SAW/RTW benefit will never exceed the maximum benefit as described in Section 1 – Basic Information About This Plan. The SAW/RTW benefit may continue to age 65 or expiration of benefits, whichever comes first.

Contact your Liberty Mutual Case Manager for a SAW/RTW Status Application. This application must be submitted to Liberty and approved before you begin your modified/part-time assignment.

Successive Periods Of Disability

If you return to work and become Totally or Partially Disabled again, you may qualify for a Successive Period of Disability. A “Successive Period of Disability” is a Total or Partial Disability which is related or due to the same cause(s) as a prior Total or Partial Disability for which a Monthly Benefit was payable.

A. During the first 12 months of benefits:

A Successive Period of Total or Partial Disability will be treated as part of your prior Total or Partial Disability if, after receiving Disability Benefits under this coverage, you (1) return to work for the University on an Active Employment basis, based on your normally scheduled workday; and (2) in less than four consecutive weeks (based on your normally scheduled work week) after you return to work for the University and while covered under this plan, you again become Totally or Partially Disabled due to the same or related cause as the prior Total or Partial Disability. Benefit payments will be subject to the terms of this coverage for your prior Total Disability. For example, if you normally work 8 hours a day, Monday through Friday

each week, then you must be in Active Employment less than twenty consecutive 8-hour days to satisfy this requirement.

If you return to a job with the University on an Active Employment basis for four consecutive weeks or more, the Successive Period of Disability will be treated as a new period of Total Disability. You must complete another Waiting Period.

B. Beginning with the 13th month of benefits:

A Successive Period of Total or Partial Disability will be treated as part of your prior Total or Partial Disability if after receiving Total Disability Benefits under this coverage, you (1) return to work for the University on an Active Employment basis, based on your normally scheduled workday; and (2) in less than six consecutive months after you return to work for the University and while covered under this plan, you again become Totally or Partially Disabled due to the same or related cause as the prior Total or Partial Disability. Benefit payments will be subject to the terms of this coverage for your prior Total or Partial Disability.

If you return to a job with the University on an Active Employment basis for six consecutive months or more, the Successive Period of Disability will be treated as a new period of Total Disability. You must complete another Waiting Period.

For All Successive Periods Of Total Disability

You may take up to one-half day off per week, based on your normal work schedule, for routine follow-up appointments with your attending Physician without being required to restart the four-week period (with respect to A. above) or six-month period (with respect to B. above). However, if you take additional vacation, compensated time and/or sick leave before the completion of the four-week period (with respect to A. above) or six-month period (with respect to B. above), you will be required to restart this period.

If regular University holidays are scheduled during this period, they will not be counted as work-days nor will they be considered a reason to restart the four-week period (with respect to A. above) or six-month period (with respect to B. above). The balance of the period should be completed beginning with the first workday after the holiday. Changes to your work schedule made after the date of disability will not be considered a normal work schedule for this purpose.

If a later disability is due to an unrelated cause and you had returned to full-time Active Employment based on your normally scheduled workday, it will be considered a new disability and a new Waiting Period will apply.

If you become eligible for coverage under any other employer's group Disability coverage, this Successive Period of Disability provision will cease to apply to you.

Section 4 – Exclusions

General Exclusions

Disabilities That Are Not Covered

This plan will not cover any Total or Partial Disability due to:

1. war, declared or undeclared or any act of war;
2. intentionally self-inflicted injuries;
3. active Participation in a Riot;
4. your committing of or attempting to commit an indictable offense;
5. For Short-Term Disability Plan benefits only, a Monthly Benefit will not be payable if you become Totally or Partially Disabled due to:
 - Injury that arises out of or in the course of employment; or
 - Sickness when a benefit is payable under a Workers' Compensation law, or any other act or law of like intent.

“Participation” in a riot shall include promoting, inciting, conspiring to promote or incite, aiding, abetting, and all forms of taking part in, but shall not include actions taken in defense of public or private property, or actions taken in defense of yourself, as long as such actions of defense are not taken against persons seeking to maintain or restore law and order including, but not limited to police officers and firemen.

“Riot” shall include all forms of public violence, disorder or disturbance of the public peace, by three or more persons assembled together, whether or not acting with a common intent and whether or not damage to persons or property or unlawful act or acts is the intent or the consequence of such disorder.

Pre-Existing Condition Exclusion

Short term period benefits (first 12 months) under the Supplemental Disability plan will not be subject to a pre-existing condition exclusion.

After 12 months of benefits, the Pre-Existing Condition Exclusion will apply to any long term period Sickness or Injury as follows:

If medical treatment (including examination, laboratory test, diagnosis and/or prescription) of any kind was prescribed for or rendered to or received by you during the 90 days immediately before the effective date of your coverage under the Supplemental Disability plan:

1. a period of Total or Partial Disability due to that Sickness or Injury that begins within 12 months of the effective date of your coverage under this plan will not be covered for long term period benefits; and
2. any later Total or Partial Disability considered a continuation of that period of Total or Partial Disability will not be covered.

For the purpose of this Pre-Existing Condition Exclusion, a Total or Partial Disability is considered a continuation of an earlier period of Total or Partial Disability if both are due to the same or related Sickness or Injury and are not separated by both:

- (a) your return to full-time Active Employment based on your normally scheduled workday, and
- (b) a continuous period of 90 days after your return to full-time Active Employment during which no medical treatment (including examination, laboratory test, diagnosis and/or prescription) of any kind was prescribed for or rendered to or received by you in connection with that Sickness or Injury.

If you are a former Employee and are re-hired by the University within 120 days following your termination date and had been continuously insured under this plan for 12 consecutive months prior to your termination date, you will not be required to re-satisfy the Pre-Existing Condition Exclusion. If you are re-hired by the University more than 120 days after your termination date, you will be considered a new Employee and will be required to re-satisfy the Pre-Existing Condition Exclusion.

Mental Illness And Substance Abuse Limitation

The benefit for Disability due to Mental Illness and/or Substance Abuse will not exceed a combined period of 36 months (note: The short-term period continues for up to 12 months and the long-term period may continue for up to 24 months of benefits while you are insured under the policy). If you are in a Hospital or Treatment Facility for Mental Illness and/or Substance Abuse at the end of the combined period of 36 months, the Monthly Benefit will be paid during the duration of the confinement.

If you are not confined in a Hospital or Treatment Facility for Mental Illness and/or Substance Abuse, but are fully participating in an Extended Treatment Plan for the condition that caused the Disability at the end of the combined period of 36 months, the Monthly Benefit will be payable for an additional 12 months up to a maximum combined period of 48 months.

In no event will the Monthly Benefit be payable beyond the Maximum Benefit Period shown in Section 1 – Basic Information About This Plan.

“Extended Treatment Plan” means continued care that is consistent with the American Psychiatric Association’s standard principles of Treatment, and is in lieu of confinement in a Hospital or Treatment Facility. It must be approved in writing by your attending Physician.

“Hospital” or **“Treatment Facility”** means a facility licensed to provide Treatment for the condition causing your Disability.

“Mental Illness” means a psychiatric or psychological condition classified as such in the most current edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) regardless of the underlying cause of the Mental Illness. If the DSM is discontinued, Liberty will use the replacement chosen or published by the American Psychiatric Association.

“Substance Abuse” means alcohol and/or drug abuse, addiction or dependency.

Section 5 – Termination Provisions

End Of Your Insurance

You will cease to be insured on the earliest of the following dates:

1. the date this plan terminates, but without prejudice to any claim originating prior to the time of termination;
2. the date you are no longer in an eligible class;
3. the date your class is no longer included for insurance;
4. the last day for which your required contribution has been made;
5. the date your employment terminates. Cessation of Active Employment will be deemed termination of employment, except the insurance will be continued for you if you were absent due to disability during your Waiting Period and the period during which premium is being waived. Refer to Employment Actions That Affect Coverage, which follows, for additional information.

Liberty reserves the right to review and terminate all classes insured under this plan if any class(es) cease(s) to be covered.

EMPLOYMENT ACTIONS THAT AFFECT COVERAGE

Termination Or Retirement

If you leave or retire from University employment, your disability insurance coverage ends on your last day in Active Employment before your termination or retirement.

If you become Totally Disabled before you are laid off, terminate, or retire from employment, your eligibility to receive benefits will continue until your disability ends or until the maximum benefit period is reached, whichever occurs first, provided you were disabled while still in Active Employment and benefits have been approved.

Benefits are not payable for any period of time in which you are not normally scheduled to work. Benefits are not payable beyond the date of death.

Reduction In Average Regular Paid Time

After two consecutive months of insufficient average regular paid time (17.5 hours per week), coverage under this plan ends the first of the following month.

Layoff Or Leave Of Absence

If you are placed on temporary layoff or take an approved leave of absence without pay, Supplemental Disability Insurance coverage ends on the last day of Active Employment. If you take a leave of absence with pay for non-health reasons, coverage may continue, subject to the required premium payments, for up to two years from the date the leave begins, as long as (a) your average regular paid time worked is at least 17.5 hours per week; and (b) your earnings are covered by a University-sponsored defined benefit plan; and (c) your paycheck is large enough to cover the required premium contributions.

Coverage ends at the end of the 24th month or on the last day before a pay period in which any of these conditions is unmet. You must submit a cancellation form to your local Accounting Office to stop premium deductions by the 25th month of your leave.

Sabbatical

If you are on paid sabbatical leave, your payroll deductions for Supplemental Disability, and the University's contribution for Short Term Disability, will continue. You will be covered for disabilities beginning during this leave. If you are on sabbatical leave and your average regular paid time goes below 17.5 hours, you may continue coverage during this sabbatical by paying your regular Supplemental Disability premium directly to the local Benefits or Accounting Office. Your University contribution for your Short Term Disability coverage will continue. If you do not pay the Supplemental Disability premium, you will not have Supplemental Disability coverage. You will only have Short Term Disability coverage.

Benefits are based on your full pay before your sabbatical leave begins. (Salary or pay used to determine benefits is defined under "Eligible Earnings" in the Glossary.) If your sabbatical is preceded or followed by an approved leave of absence without pay, see your Benefits Representative for more information.

Furlough

If you are on furlough you may continue Supplemental Disability coverage during the furlough by paying your regular Supplemental Disability premium directly to the local Benefits or Accounting Office during the period off pay status. Your University contribution for your Short Term Disability coverage will continue up to four months after furlough begins. Disabilities that begin during furlough are covered; however, no benefits are payable for periods you are scheduled to be off pay status. Benefits are based on your full pay for periods when you were scheduled to be on full pay status. (Salary or pay used to determine benefits is defined under “Eligible Earnings” in the Glossary.) If you do not pay the Supplemental Disability premium during a furlough, you will not have Supplemental Disability coverage. You will only have Short Term Disability coverage.

Regardless of how your salary is paid (e.g., work only ten months, furlough two months, but pay is over twelve months) you will not receive disability benefits during your scheduled furlough period.

After 12 months of Total Disability benefits, a salary adjustment is made so that Total Disability benefits during the long term period are continuous rather than stopping for scheduled periods of furlough. An adjustment is made by multiplying the Eligible Earnings the Employee was appointed to receive for the full calendar month before the month in which Total Disability begins by the number of months the Employee is normally scheduled to work. The result is divided by 12 to arrive at the monthly salary on which long term period benefits will be based.

Example: Assume you are an Employee on furlough 2 months each year:

Salary for month before disability	\$1 ,500
Multiplied by months normally scheduled to work	<u> x 10</u>
Equals	\$15,000
Divided by 12	<u> ÷ 12</u>
Equals salary for long term period benefit purposes	\$ 1,250

Note: See your local Benefits Representative about other employment actions which may cause coverage to end and about reestablishing eligibility.

Section 6 – General Provisions

This booklet is intended to outline the principal features of the Supplemental Disability and Short Term Disability plans. The statements made in this summary are subject to the terms of the policy (between The Regents of the University of California and Liberty Life Assurance Company of Boston) and to the University's Group Insurance Regulations. Those terms and conditions apply if information in this booklet is not the same.

Effect Of Statements Made In Your Application For Coverage

In the absence of fraud, all statements made in any signed Application are considered representations and not warranties (absolute guarantees).

No representation by the University in applying for this plan will make it void, unless the representation is contained in the signed Application.

Your claim will not be denied or reduced based on representation by you in your application for any insurance under this plan unless we provide you with a copy of your completed Application or Evidence of Insurability form containing your signature.

The Authority For Interpretation Of This Plan

Liberty shall possess the authority, in its sole discretion, to construe the terms of this plan and to determine benefit eligibility hereunder. Liberty's decisions regarding construction of the terms of this plan and benefit eligibility shall be conclusive and binding.

Contesting The Plan

The validity of this plan shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of this plan shall not be contested on the basis of a statement made relating to insurability by you after such insurance has been in force for two years during your lifetime, and shall not be contested unless the statement is contained in a written instrument signed by you.

Filing A Claim

Written notice of your claim must be given to Liberty within 30 days of the date of the loss on which your claim is based, if that is possible. If that is not possible, Liberty must be notified as soon as it is reasonably possible to do so. You may obtain claim forms from your local Benefits Office. You should protect your rights by filing your claim with Liberty promptly at the address shown on the claim form.

Proof Of Claim

Proof of your claim must be given to Liberty. This must be done no later than 30 days after the end of your Waiting Period unless it is not reasonably possible to furnish such proof within such time.

Such proof must be furnished as soon as reasonably possible, and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

It is your responsibility to give Liberty the required Objective Medical Evidence (proof) to verify your continuous Total Disability. You must also provide vocational and other information necessary for the evaluation of your claim for benefits. You cannot receive benefits without providing this information. In cases where medical evidence is not conclusive, Liberty may require additional records, tests, or examinations in order to pay benefits.

Objective Medical Evidence substantiating your continued Total Disability and regular attendance of a Physician must be given to Liberty within 30 days of the request for the proof. The proof must cover, when applicable (a) the date your Total Disability started; (b) the cause of your Total Disability; and (c) the degree of your Total Disability.

You will receive notification from Liberty within 5 calendar days of their receipt of a **complete claim** indicating whether you will receive benefits under the plan. A complete claim consists of a completed Employee Statement, Attending Physician's Statement, and University Statement. If Liberty needs more time to make a determination, you will be notified of the reasons within 90 days.

Payment Of Claim

When Liberty receives proof of your claim that it determines is satisfactory, the benefit payable under this plan may be paid at least monthly, depending on the coverage for which your claim is made, during any period for which Liberty is liable. Any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

The benefit is payable to you. But, if a benefit is payable to your estate, or if you are a minor, or you are not competent, Liberty has the right to pay up to \$2,000 to any of your relatives or any other person whom Liberty considers entitled thereto by reason of having incurred expense for your maintenance, medical attendance or burial. If Liberty, in good faith, pays the benefit in such a manner, Liberty will not have to pay such benefit again.

Liberty's Examination Rights

Liberty, at its own expense, will have the right and opportunity to have you, whose Injury or Sickness is the basis of a claim, examined by a Physician or vocational expert of its choice. This right may be used as often as is reasonably required.

To obtain factual information regarding your claim, Liberty may arrange to interview you personally. Liberty cannot approve a claim without the Objective Medical Evidence and vocational information necessary to evaluate your continuous Total or Partial Disability.

Claim Denials

In the event that your claim is denied, either in full or in part, Liberty will notify you in writing within 90 days after your claim form was filed.

Under special circumstances, Liberty is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Liberty indicating the reason for the delay and the date you may expect a final decision.

Liberty's notice of denial shall include:

1. the specific reason or reasons for denial with reference to those policy provisions on which the denial is based;
2. a description of any additional material or information necessary to complete the claim and an explanation of why that material or information is necessary; and

3. the steps to be taken if you wish to have the decision reviewed.

Please note that if Liberty does not respond to your claim within the time limits set forth above, you should automatically assume that your claim has been denied and you should begin the appeal process at that time. However, failure to do so will not waive your right to appeal.

How To Appeal

You, the claimant, or your authorized representative, may appeal a denied claim within 60 days after you receive Liberty's notice of denial. You have the right to:

1. submit a request for review, in writing, to Liberty;
2. review pertinent documents; and
3. submit issues and comments in writing to Liberty.

Liberty will make a full and fair review of the claim and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension, and a decision shall be made not later than 120 days following receipt of the request for review. The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those policy provisions upon which the final decision is based.

Liberty's Rights Of Recovery

If a benefit overpayment on any claim occurs, you will be required to reimburse Liberty within 60 days of such overpayment, or Liberty has the right to reduce future benefit payments until such reimbursement is received. Liberty has the right to recover such overpayments from you or your estate.

Timing Of Legal Proceedings

You or your authorized representative cannot start any legal action until 60 days after proof of claim has been given nor more than three years after the time proof of claim is required.

Glossary

This section defines some basic terms needed to understand this plan.

“Active Employment” means you must be actively at work for the University:

1. on a full-time basis based on your regular schedule and paid regular earnings;
2. for at least the minimum number of hours shown in Section 1 – Basic Information About This Plan; and either perform such work:
 - a. at the University’s usual place of business; or
 - b. at a location to which the University’s business requires you to travel.

You will be considered in Active Employment if you are actually at work on the day immediately preceding:

1. a weekend (except where one or both of these days are scheduled days of work);
2. holidays (except when such holiday is a scheduled work day);
3. paid vacations;
4. any non-scheduled work day;
5. a paid leave of absence, approved by the University for which premium payments are made.
6. a paid sick leave

“Application” is the document completed by you when applying for coverage.

“Eligibility Date” means the date you become eligible for insurance under this plan.

Eligible Employees are described in Section 1 – Basic Information About This Plan.

“Eligible Earnings” or **“Pre-Disability Earnings”** (for purposes of calculating benefits), means your monthly pay or salary which you received under your academic, nonacademic and/ or administrative title(s) payable through the University. This includes such things as stipends for department chairs and shift differentials. However, such earnings will not include the following:

- bonuses
- honoraria or pay in lieu of private practice
- general assistance “by-agreement” payments
- compensation for extension teaching
- compensation received for summer session or other vacation period employment which is more than regular earnings

- any pay received which is more than 100% of the full-time equivalent of your regular and normal position
- perquisites
- overtime pay
- any other extra compensation

If you are a salaried Employee with a fixed appointment, your benefits will be based on your actual salary rate for the full calendar month just before the month your Total or Partial Disability starts. For example, if you are appointed at 75% time, the applicable salary rate for benefits purposes is the 75% rate. This is the amount you would have earned had you worked the total amount of time for which hired, not your actual earnings.

For Employees with variable-time appointments and those with hourly or positive time reporting, salary for benefits purposes is an average of the actual Eligible Earnings for the three calendar months or six full pay periods before the period in which the Total or Partial Disability begins, excluding periods with furlough or approved leave without pay.

This average is calculated as follows:

Employees paid monthly or semi-monthly - The average of the actual Eligible Earnings for the three full calendar months immediately prior to the date disability begins.

Employees paid bi-weekly - The sum of six full pay periods is divided by 480 (the total full-time hours for 12 weeks/6 bi-weekly pay periods) to yield an adjusted hourly rate. This rate is then multiplied times 174 hours (the average number of hours per month for a full-time Employee) to produce an adjusted average monthly salary.

“Employee” means any person in Active Employment with the University.

“Evidence of Insurability” means a statement or proof of your medical history upon which acceptance for insurance will be determined by Liberty.

“Injury” means bodily impairment resulting directly from an accident and independently of all other causes. Any Total or Partial Disability which begins more than 60 days after an Injury will be considered a Sickness for the purpose of determining benefits under this plan.

“Monthly Benefit” means the amount payable to you if you are Totally Disabled. Benefits for Supplemental Disability Insurance coverage, short term period, are determined on a monthly basis and paid to you bi-weekly. Benefits for Supplemental Disability coverage, long term period, are determined and paid to you on a monthly basis.

“Monthly Covered Salary Rate” (for purposes of calculating premiums) means:

1. if you are working at 100% time, your Monthly Covered Salary Rate is the salary you are appointed to receive under your academic, nonacademic and/or administrative title(s) payable through the University.
2. if you work at less than 100% time, your Monthly Covered Salary Rate is the 100% time rate for your title.
3. if you have a split appointment at different rates, your Monthly Covered Salary Rate is the one you would receive if working at 100% time in the appointment which has the highest 100% time salary rate.

The premium is adjusted each January 1 based on your age and salary as of that date.

“Objective Medical Evidence” means Proof of Disability documented by a Physician.

The proof must cover, when applicable:

- 1) The date disability started;
- 2) The cause of disability; and

“Sickness” means illness, disease, pregnancy or complications of pregnancy.

2. You are not working at any occupation for wage or profit; and
3. You are under the direct and continuous care of a Physician.

Note: To obtain factual information regarding your claim, Liberty may arrange to interview you personally, and/or may arrange for you to be examined by a consulting Physician at Liberty’s expense. Liberty cannot approve a claim without the Objective Medical Evidence and vocational information necessary to evaluate your continuous Total or Partial Disability.

“University” means The Regents of the University of California to whom the policy is issued.

“University’s Retirement Plan” is deemed to include any Retirement Plan (1) which is part of any Federal, State, Municipal or Association retirement system; and (2) for which you are eligible as a result of employment with the University.

“Waiting Period” means a period of consecutive days of Total or Partial Disability for which no benefit is payable. The Waiting Period is described in Section 1 – Basic Information About This Plan. It begins on the first day of your Total or Partial Disability.
