RE: Sunshine Letter

Dear Ms. Dabney-Smith

In Accordance with the Collective Bargaining Agreement (CBA) between the Alameda County Building and Construction Trades Council (BTC) University of California, Berkeley/Lawrence Berkeley Lab (CAL/LBL) from the period of 2014-2020 which was been extended by mutual agreement to June 30, 2021. The BTC makes official notice to begin full contract negotiations on a successor agreement.

BTC is willing to meet and confer and bargain in good faith wages, benefits, and terms and conditions of employment for bargaining unit members of CAL/LBL.

BTC proposes to open and negotiate all terms in the CBA including all Articles, Appendices, and Table of Contents. BTC will submit additional proposals at a later date and will reserve the right to add, amend, modify, and change its proposals.

Please sunshine this letter as per our request for full contract negotiations with CAL/LBL at the next possible public hearing. We look forward to a spirited discussion and negotiations where both parties work towards creating a positive work environment for all.

I can be reached at (406) 830-6575

Sincerely,

Edward Escoto Alvarez
Business Representative
Alameda County Building and Construction Trades Council
