- Offers a fast, no-hassle claims process

#### Voluntary STD (partially paid by you through payroll deduction)

60% of your weekly salary when you are out of work due to injury, illness, surgery, or recovery from childbirth. The maximum monthly benefit is \$15,000. This benefit is partially taxable as both you and the University of California share in the cost of this benefit

- **Monthly Cost:** The Voluntary STD insurance premium requires employee contributions. A premium estimator can be found on [UCnet](#).
- to assist you in determining your monthly cost for this benefit.
- **Benefit Elimination Period:** This is the number of days you must be disabled before you can collect disability benefits. The period for which a benefit is payable will commence on the latest of the following:

  - c) earnings cease
- **Maximum Coverage Period:** This is the number of weeks you can collect disability benefits (also known as the benefit duration). Disability benefits will end at either the end of the disability or the end of the 24th week of disability benefit payments, whichever comes first.

- **Partial Disability Benefits:** Partial disability benefits can be payable if your earnings are between 20% and 80% of your pre-disability earnings.
- **Successive Disability Benefits:** A Successive Period of Disability will be treated as part of a prior Disability if, after receiving Disability Benefits under this coverage, you
  1. return to work for the University on an Active Employment basis, based on your normally scheduled workday; and
  2. in less than four consecutive weeks (20 consecutive workdays) after you return to work for the University and while covered under this plan, you again become Disabled due to the same or related cause as the prior Disability.
