

University of California Summary of Benefits

2017 Voluntary Short-Term Disability Insurance

Group disability insurance offers income protection

Disability is often called the “forgotten risk,” as few employees think about how they would survive financially with no earned income. The impact of a disabling illness or injury, both financially and emotionally, can be devastating.

While health insurance may cover most medical bills, daily living expenses such as rent or mortgage, car payments, and utilities continue. Short-term disability insurance provides partial income replacement if you are unable to work due to a qualifying illness or injury for periods ranging from a few days to several weeks.

Eligibility	You are eligible to enroll in Voluntary Short-Term Disability Insurance if you are eligible for Core, Mid-level or Full benefits.
Eligibility Waiting Period	None. If you are currently enrolled in Supplemental Disability, your enrollment in Voluntary Short-Term Disability will be automatic. If you were not previously enrolled in Supplemental Disability and choose to enroll in Voluntary Short-Term Disability during the 2017 annual open enrollment period, your coverage will begin as of January 1, 2017. If you choose to enroll after the 2017 annual enrollment period, you must provide Evidence of Insurability to enroll.
Monthly Cost	The VSTD insurance premium requires employee contributions. A premium estimator can be found on UCnet to assist you in determining your monthly cost for this benefit by clicking here .
Benefit	Voluntary Short-Term Disability (VSTD) Coverage: If you purchase this coverage, become disabled, and remain disabled through the waiting period, you will receive 60% of your eligible earnings, less other deductible sources of income, such as Workers' Compensation. The maximum monthly benefit is \$15,000. This benefit is partial taxable.
Benefit Waiting Period	The period for which a benefit is payable will commence on the latest of the following: <ul style="list-style-type: none"> a. on the 15th day of continuous Disability resulting from Injury or Sickness. b. exhaustion of accumulated sick leave (must exhaust 30 calendar days which equate to 22 working days not including paid holidays); or c. earnings cease.
Maximum Duration	Short-term disability benefits will end when you are no longer disabled or at the end of the 24th week of disability, whichever comes first.

This brochure is a general description of coverage and/or services offered. See your policy or service contract for actual terms and conditions. Group products and services are offered by Liberty Life Assurance Company of Boston, a Liberty Mutual company. Home Office: Boston, MA. 11/14

Definition of Disability	“Disability” or “Disabled,” with respect to Voluntary Short-term Disability, means you, as a result of Injury or Sickness, are unable to perform with reasonable continuity the Material and Substantial Acts necessary to pursue your Own Job in the usual and customary way.
Partial Disability Benefits	Partial disability benefits may be payable if your earnings are less than 80% of your pre-disability earnings and can continue for the duration of your disability claim.
Successive Disability	A Successive Period of Disability will be treated as part of a prior Disability if, after receiving Disability Benefits under this coverage, you (1) return to work for the University on an Active Employment basis, based on your normally scheduled workday; and (2) in less than four consecutive weeks (20 consecutive workdays) after you return to work for the University and while covered under this plan, you again becomes Disabled due to the same or related cause as the prior Disability.
Exclusions	This plan will not cover disabilities due to: <ol style="list-style-type: none">1. war, declared or undeclared or any act of war;2. active participation in a riot;3. your committing of or attempting to commit an indictable offense

Please Note: This benefit is partially taxable, as both you and the University of California share in the cost of this benefit.
