Tobacco Cessation Resources

UC is committed to providing our faculty and staff with a tobacco-free environment. To support the Smoke and Tobacco-Free Policy and help those who want to quit smoking, the university offers comprehensive smoking cessation resources for faculty and staff.

All UC-sponsored non-Medicare medical plans provide prescription and over-the-counter tobacco cessation products at no additional cost when prescribed by a physician, along with optional behavioral modification programs to help you quit smoking.

The additional resources here are available through your medical plan—usually at no cost to you.¹

Your campus may also offer local tobacco cessation programs. Visit ucal.us/quittobacco for more information.
