This Part D Enrollment Form was sent to you because you or an eligible family member has enrolled in UC Medicare PPO or UC High Option Supplement to Medicare, which has a Medicare Prescription Drug Plan that requires you to assign your Medicare to your plan.

**Each person on Medicare must complete a separate form.** Please print clearly using a blue or black ballpoint pen.

- “Enrollee” means the person assigning their Medicare. An enrollee can be the UC retiree, spouse/domestic partner or another family member on Medicare.
- “Requested Effective Date” is the first of **the month after UC receives the signed and completed form** and no earlier than the month the person becomes eligible for and enrolls in Medicare Parts A and B. (Forms submitted 90 days or more before the Medicare Part B Coverage Start Date will be denied by Medicare.)
- You can assign your Medicare to only one prescription drug plan at any given time. By signing this form, any other prescription drug plan you may have will be cancelled.
- If you are eligible for premium-free Medicare Part A, UC requires you to have both Medicare Part A and B to join these PDP plans. If you pay a premium for Medicare Part A, contact UC for your coverage options.

Read this entire agreement before you sign the form.

## **PLEASE READ THIS IMPORTANT INFORMATION**

**If you are a member of a Medicare Advantage plan** (like an HMO), you may already have prescription drug coverage from your Medicare Advantage plan that will meet your needs. By enrolling in the UC Medicare Prescription Drug Plan, your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage plan sends you, and if you have questions, contact your Medicare Advantage plan or UC's Retirement Administration Service Center at:

800-888-8267 (in the U.S.)

510-987-0200 (outside the U.S.)

Monday–Friday, 8:30 a.m.–4:30 p.m. PST

If you currently have health coverage from another employer or union, joining a UC Medicare Prescription Drug Plan could affect your employer or union health benefits. You could lose your employer or union health coverage if you join UC Medicare Prescription Drug Plans. Read the communications your employer or union send you. If you have questions, visit their website, or contact the office listed in their communications.

## **PLEASE READ BELOW AND SIGN PAGE 2**

### **By completing this enrollment application, I agree to the following:**

The UC Medicare Prescription Drug Plan is a Medicare drug plan and has a contract with the Federal government. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare Part A and Part B coverage.

It is my responsibility to inform the UC Medicare Prescription Drug Plan of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare Prescription Drug Plan at any time. If I am currently in another Medicare Prescription Drug Plan, my enrollment in the UC Medicare Prescription Drug Plan will end that enrollment. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes if an enrollment period is available (for example, during your former employer group/union's open enrollment period or during the Medicare Annual Enrollment Period, from October 15 through December 7), unless I qualify for certain special circumstances.

The UC Medicare Prescription Drug Plan serves a specific service area. If I move out of the area that the UC Medicare Prescription Drug Plan serves, I need to notify the plan so I can disenroll and find a new plan in my new area. I understand that I must use network pharmacies, except in an emergency when I cannot reasonably use UC Medicare Prescription Drug Plan network pharmacies. Once I am a member of the UC Medicare Prescription Drug Plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from UC Medicare Prescription Drug Plan when I get it to know which rules I must follow to get coverage.

I understand that if I leave this plan and don't have or get other Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug Plan options, medical assistance through the State Medicaid program and the Medicare Savings Program.

### **Release of information**

By joining this Medicare Prescription Drug Plan, I acknowledge that the University of California and UC Medicare Prescription Drug Plan will release my information to Medicare or other plans as is necessary for treatment, payment and healthcare operations. I also acknowledge that the University of California and UC Medicare Prescription Drug Plan will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under State law where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under State law to complete this enrollment, and 2) documentation of this authority has been filed with the University of California and is available upon request by Medicare.
