## Notes:

- Calendar Year Out-of-Pocket Maximums includes deductible, coinsurance and prescription drug.
- An additional \$250 copay applies if prior authorization is not obtained for Inpatient or Skilled Nursing Facility services by an Out-of-Network provider.
- Inpatient Hospital services by an Out-of-Network provider are subject to a maximum plan payment of \$300 per day except for services for Mental/Behavioral Health and Substance Abuse.
- Outpatient Hospital services by an Out-of-Network provider are subject to a maximum plan payment of \$175 per visit.
- If you use an Out-of-Network provider, you are responsible for any difference between the covered expense and the actual Out-of-Network providers charge.
- All services subject to a coinsurance are also subject to the annual deductible unless otherwise noted.
- UC Select and Anthem Preferred out-of-pocket maximums cross accumulate. However, out of network deductible and out of pocket maximum do not accumulate towards UC Select and Anthem Preferred.
- Calendar Year Out-of-Pocket Limit for Outpatient/Inpatient Mental/Behavioral Health and Substance Abuse services by Anthem Preferred Providers will be \$6,100 individual/ \$9,700 family.
- Preventive Care services include physical exam, preventive screenings (including screenings for cancer, HPV, diabetes, cholesterol, blood pressure, hearing and vision, immunization, health education, intervention services, HIV testing) and additional preventive care for women provided for in the guidance supported by Health Resources and Service Administration.
- For UC Select office visits, the copay applies to the actual office visit and additional cost shares may apply for other services performed in the office (i.e., X-ray, lab, outpatient surgery), after any applicable deductible.
- If you are directly admitted to a hospital, your emergency room facility copay is waived.
- Services from Out-of-Network providers for home health care and hospice services are not covered unless prior authorized. When these or skilled nursing facility services are prior authorized, the member's copayment or coinsurance may be calculated at the Anthem Preferred level, based upon the agreed rate between Anthem Blue Cross and the agency.
- Certain services are subject to the utilization review program. Before scheduling services, the member must make sure utilization review is obtained. If utilization review is not obtained, benefits may be reduced or not paid, according to the plan. Details are included in the Benefit Booklet.
- Visit limits start accruing regardless if deductible is met or not.
- All services with calendar/plan year limits are combined for both in and out of network.
- Transplants covered only when performed at Centers of Medical Excellence of Blue Distinction Centers.
- Bariatric Surgery covered only when performed at Blue Distinction Center for Specialty Care for Bariatric Surgery.
- Skilled Nursing Facility day limit does not apply to mental health and substance abuse.
- Freestanding Lab and Radiology Center is defined as services received in a non-hospital based facility.
- Coordination of Benefits: The benefits of this plan may be reduced if the member has any other group health or dental coverage so that the services received from all group coverage do not exceed 100% of the covered expense.
