Your benefits at a glance

For represented employees eligible for membership in the UC Retirement Plan 2013 Tier

UNIVERSITY OF CALIFORNIA
Getting Started

Starting a new job involves a lot of choices. This quick-reference guide is designed to help you understand the many benefits available, and how to get started choosing the ones that are right for you.

1. Getting Started

This guide will take you through the steps to enroll in your UC-sponsored benefits and help you make the right benefit choices for you and your family. You’ll want to have *A Complete Guide to Your UC Health and Welfare Benefits and the UCRP Summary Plan Description for 2013 Tier Members*, which are included in your Welcome Kit, available as a reference.

The summaries in this quick-reference guide explain the plans’ provisions and the policies and rules that govern them. If a conflict exists between these summaries and the plan documents, the plan documents govern. The Plan Administrator has the authority to interpret disputed provisions.

As a union-represented employee, your benefits are governed by your union’s contract with UC and may be different than the benefits outlined in other publications. Please see section 7 (“Collective Bargaining”) for more information.

SO LET’S GET STARTED...

Attend your local new employee orientation to help you get started.

Gather your family members’ Social Security numbers and birthdates; you’ll need them for benefits enrollment.

Depending on your location, you’ll use UCPath or At Your Service Online (AYSO) to enroll in and manage your health and welfare benefits. Either way, you’ll need a UC Retirement At Your Service (UCRAYS) account to manage your UC Retirement Plan (UCRP) benefits and designate beneficiaries.

Go to ucal.us/accounts to learn about the benefits accounts for your location.

If you don’t have access to a computer, contact your local Benefits Office for help with your benefits enrollment.

Tip:
Remember, you have 31 days from your date of hire to enroll in your health benefits. Faculty have a second 31-day period of eligibility that begins on their first day on campus.

SET UP YOUR BENEFITS ACCOUNTS

UCPath
1. Go to ucnetwork.universityofcalifornia.edu, select your location from the drop-down, and then click on “UCPath.”
2. Sign in by using your network username and password.

AYSO
1. Go to ucnetwork.universityofcalifornia.edu, select your location from the drop-down, and then click on “AYS Online.”
2. Select “New to UC and have a temporary password?”
3. Enter your Social Security number. Your temporary password is your birthdate in the format mmddyyyy, with no dashes or slashes; for example, if your date of birth is June 17, 1981, your temporary password is 06171981.
4. Select “Sign In” and create your permanent password. It must contain 6 to 30 alphanumeric characters (e.g., 123abc) and may contain any of these special characters: ! @ $ ^ ( ) _ + = - } { \ \ ] [ : ' ; > , . /
5. After you’ve agreed to the password authorization, create your username. Security enhancements require that you sign in to AYSO from now on with a username that is not your Social Security number.
6. Create a security word that a customer service or benefits representative can use to help identify you when you call for information.
1. Getting Started

VERIFY YOUR FAMILY MEMBERS’ ELIGIBILITY

If you enroll family members in medical, dental and/or vision plans, you must provide documents to verify their eligibility for coverage. Watch for the Family Member Eligibility Verification packet in the mail.

More Information:
ucal.us/fmv

Please note that this is a summary of your benefits only; additional requirements, limitations and exclusions may apply. Refer to applicable plan documents and regulations for details. The applicable policy issued by the carrier and the University of California Group Insurance Regulations and other applicable UC policies will take precedence if there is a difference between the provisions therein and those of this document.

Tips:

Name your beneficiaries.
Don’t forget to name beneficiaries for your UC Retirement Plan (UCRP) benefits, life insurance and accidental death and dismemberment benefits. You can name the same or a different beneficiary for each plan, and you can name more than one beneficiary for any plan. Just select “My Beneficiaries” on UCRAYS and follow the instructions. For UC’s voluntary Retirement Savings Program plans, you’ll name beneficiaries on myUCretirement.com.

Confirm your choices.
About 10 days after you have enrolled, check your personal account to verify coverage for you and your family members. It’s your responsibility to promptly notify your Benefits or Payroll Office of any errors in your enrollment. The month after you enroll, review your earnings statement to be sure it reflects the correct benefit choices. Report discrepancies to your Benefits Office immediately.

Keep your records up to date.
Keep your address, email address and phone number up to date on all of your benefits accounts so UC can properly administer your benefits and keep you informed of changes to your benefits.

Are you in a domestic partnership?
If you are a UCRP member, enrolling your domestic partner in health benefits and successfully completing the eligibility verification process will establish your partner as your survivor for UCRP benefits, subject to additional eligibility requirements. See “Benefits for Domestic Partners” on UCnet for details.

ENROLL IN HEALTH AND WELFARE BENEFITS

You’re eligible for Full, Mid-Level or Core benefits depending on the type of appointment you have. For details about your eligibility, see page 5 in A Complete Guide to Your UC Health and Welfare Benefits.

To enroll online, sign in to your AYSO or UCPath account. You don’t have to do it all at once—you are free to sign in anytime during your first 31 days of employment to complete your enrollment choices. That includes weekends and holidays.

If you don’t take any action during this 31-day period of eligibility, you and your dependents will not be enrolled in UC-sponsored coverage. In most cases, you won’t be able to change benefit plans or enroll family members until the next Open Enrollment period. You will also face more stringent requirements to enroll in some UC-sponsored insurance programs, including voluntary disability and supplemental life insurance.

7. After you provide your preferred email address and personal phone number, answer any 4 of the 11 challenge questions. You can answer your challenge questions to access your personal information if you forget your password.

UCRAYS

1. If you have an AYSO username, you can use that to log in to UCRAYS. If not, you’ll need to create a new account.

2. After agreeing to UC’s privacy statement and terms of use, enter—for your first login only—your Social Security number and date of birth.

3. As a security feature, you’ll be asked a few questions based on personal information that only you are likely to know. (Note that these are not the same as your AYSO challenge questions.)

4. Create a new password for your UCRAYS account.

5. If you’re using a computer or smartphone that is secure, register your trusted device. This can reduce the steps in the login process.

6. Add your cell phone number and personal email address, if they’re not already on file.

Now you’re ready to enroll in health and other benefit plans.
2. Medical, Dental, Vision and Supplemental Health

Your health is important to us, and we offer a wide range of health benefits to help take care of you and your family.

**MEDICAL PLANS**

UC offers you a wide choice of medical plans. Some have lower premiums; others provide more flexibility in the doctors and hospitals you can use. All of the plans offer comprehensive benefits including medical and behavioral health office visits, hospital services and prescription drug coverage.

If you want to compare premiums, you can find that information online at: ucal.us/medicalpremiums

Your medical plan premiums are deducted from your pay before taxes are calculated, so you save on taxes.

**More Information:**
Online: ucal.us/medicalplans

**DENTAL PLANS**

If you're eligible for Full benefits, you have a choice of two dental plans: Delta Dental PPO and DeltaCare USA, which is similar to a medical HMO, with a network of dentists. UC pays the full cost of either plan for you and your family.

Check out the DeltaCare USA network of dentists before choosing between the two plans, since the network is limited in some areas of California.

**More Information:**
Online: ucal.us/dental

**VISION SERVICE PLAN**

If you’re eligible for Full benefits, UC pays the full cost of vision insurance premiums for you and your family. The plan covers exams, lenses, frames (every other year) and contact lenses.

**More Information:**
Online: ucal.us/vision

**SUPPLEMENTAL HEALTH PLANS**

UC offers three supplemental insurance options – Accident, Critical Illness and Hospital Indemnity plans that pay cash benefits if you experience a covered accident, illness or hospital stay.

UC’s Supplemental Health Plans are not a substitute for medical or disability coverage, but they can complement your coverage with extra protection against the unexpected.

You pay the premiums for the plan(s) you choose through after-tax payroll deductions.

**More Information:**
Online: ucal.us/supplementalhealth

**Tip:**
For most plans, you’re covered on your first day at work, but it can take 30 to 60 days after you enroll for the plan to have a record of your enrollment. So if you need immediate services, check with your plan first to see if it has a record of your enrollment. If it doesn’t, ask a representative to contact your local Benefits Office or the person in your department who handles benefits to help you get services.
Disability and Life Insurance

To help you prepare for the unexpected, UC offers insurance plans to provide a financial safety net for you and your family.

3. Disability and Life Insurance

**DISABILITY INSURANCE**

Disability insurance replaces some of your wages if you have an illness or injury that prevents you from working for an extended period of time, including for pregnancy and childbirth.

Unlike most employers in California, UC does not participate in State Disability Insurance (SDI). Instead, UC offers its own Basic and Voluntary Disability insurance plans to those eligible for Full, Mid-Level or Core benefits. You’re automatically enrolled in Basic Disability, at no cost to you. Basic Disability will replace 55 percent of your eligible earnings, to a maximum benefit of $800 per month, for up to six months. The six month benefit period includes a 14-day waiting period before you begin receiving benefits, and you must use up to 22 days of sick leave, if available.

For greater financial protection, you may choose to enroll in Voluntary Short-Term Disability, Voluntary Long-Term Disability or both. The voluntary plans provide up to 60 percent of your eligible earnings, to a maximum benefit of $15,000 per month. Voluntary Disability income is generally not taxable, since you pay the premiums with after-tax dollars.

The start date and duration of your benefits depends on the level of coverage you choose:

- **Short-Term only**—You’ll be covered, but only for up to six months. The six month benefit period includes a 14-day waiting period before you begin receiving benefits, and you must use up to 22 days of sick leave, if available.
- **Long-Term only**—You’ll be covered after six months, until your Social Security normal retirement age for most conditions.
- **Short and Long-Term**—You’ll be covered until your Social Security normal retirement age for most conditions. There is a 14-day waiting period, and you must use up to 22 days of sick leave if you have them before benefits begin. Choosing both Voluntary Short and Long-Term Disability provides the most comprehensive coverage for all types of disability leaves.

Premium costs depend on your monthly salary, age, retirement plan and the level of coverage you choose (short-term, long-term or both). See Your Guide to UC Disability Benefits for more information about your options, including exclusions and limitations.

**Tip:**

Be sure you understand the Basic and Voluntary Disability benefits and the sick leave policies and/or paid medical leave policies that apply to you before making a decision about enrolling in Voluntary Short-Term Disability, Long-Term Disability or both.

If you decide not to enroll in these plans during your first 31 days, you can apply for coverage later by submitting evidence of insurability (including a statement of health) to the insurance company. The insurance company may or may not approve your enrollment based on the application.
3. Disability and Life Insurance

**LIFE INSURANCE**

UC provides Basic Life insurance equal to your base pay, up to $50,000, if you are eligible for Full benefits. If you have Mid-level or Core benefits, your life insurance is $5,000. UC provides these plans at no cost to you.

Faculty and staff with Full or Mid-level benefits may also enroll in Supplemental Life insurance and cover their dependents in Dependent Life insurance. You pay monthly premiums for the supplemental plans.

**ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE**

To help protect you and your family from the financial impact of an accident, UC offers Accidental Death & Dismemberment (AD&D) insurance. There are several levels of coverage for you and your family. You can enroll in, increase or decrease your AD&D coverage at any time. The rate chart for premiums is online at:

Legal and Flexible Spending Accounts

In addition to good health and retirement benefits, UC also offers you access to legal services, tax-savings plans and other benefits—at reduced prices.

**LEGAL PLAN**

The ARAG Legal Plan covers routine legal services like drawing up a will, adoption or divorce proceedings and criminal misdemeanors. You pay premiums for the Legal plan.

More information:
Online: ucal.us/legal

**FLEXIBLE SPENDING ACCOUNTS**

Flexible spending accounts, or FSAs, allow you to pay for eligible expenses on a pretax basis. You determine an amount to be deducted from your paycheck before taxes are calculated and placed in an FSA. You pay for eligible expenses from the account and save on taxes since you have lower taxable income. UC offers separate flexible spending accounts for health and dependent care expenses.

**PET INSURANCE**

Nationwide offers preferred pricing on pet insurance for UC faculty, staff and retirees. Premiums vary depending on where you live and what kind of pet you have (for example, a dog, cat, bird or small mammal). You can enroll in pet insurance with Nationwide at any time, and your coverage will be effective approximately 14 days after your application is approved. You’ll pay your premiums directly to Nationwide, and your policy renews automatically each year until you choose to discontinue it.

If you do not make your travel arrangements through Connexxus, you will need to register online for business travel insurance. Personal travel insurance is also available for protection when not traveling on university business.

**Tip:**

Retirement Benefits

Preparing for a successful retirement is one of the biggest financial responsibilities you’ll face. All eligible new employees are offered primary—or required—retirement benefits, with costs shared by you and UC. UC also offers voluntary savings opportunities and a range of resources to help you make informed retirement decisions.
UC RETIREMENT PLAN

The UC Retirement Plan (UCRP) is a defined benefit plan in which lifetime monthly pension payments are based on your average salary, age and years of UCRP service credit at the time you retire. To be eligible to receive pension benefits, you must be a member of the plan and have a minimum of five years of service credit at retirement. When you retire, you may choose to take a reduced monthly benefit in order to provide a benefit for another person of your choosing, such as a spouse or domestic partner.

You contribute 7 percent of your salary to the plan on a pretax basis and UC contributes 8 percent. Some union-represented employees entitled to modified benefits contribute 9 percent.

RETIREE HEALTH & WELFARE BENEFITS

Health benefits for retired UC employees are one of the rewards UC currently offers long-serving eligible employees. Under the UCRP 2013 Tier, employees who work for UC for 10 full years or more may be eligible to continue some UC-sponsored health benefits.

These benefits, which include medical, dental, vision, legal and accidental death and dismemberment (AD&D), are separate from the UC Retirement Plan (UCRP) and are not a vested benefit.

That means these benefits are not guaranteed and that UC’s contributions to the cost of the benefits may change or be discontinued at any time. Retiree health and welfare benefits are subject to collective bargaining for current employees who are represented by a union.

Currently, UC contributes to the cost of medical and dental insurance for eligible retirees. For vision, legal and AD&D, retirees who enroll pay the full premiums.

Eligibility
To be eligible for these benefits, employees must:
- Be a member of the UC Retirement Plan
- Have a retirement date that is within 120 days of the date they end UC employment
- Be enrolled in or eligible to enroll in Full UC employee benefits at the time of separation
- Continue health coverage until retiree health benefits become effective

Retirees must also meet UC service credit requirements, based on the date they became a member of UCRP, to be eligible.
