This agreement is entered into by and between Teamsters Local 2010 and the University of California, pursuant to bargaining as agreed to in the side letter for Public Safety Dispatchers, attached to the 4/19/17-3/31/22 Collective bargaining agreement between the parties. The parties agree that the changes below apply only to the Public Safety Dispatchers, and that except for the changes in this agreement, the remainder of the CX contract continues to apply to the Dispatchers. This agreement will become effective upon notice of ratification provided by Teamsters Local 2010.

Add as Article 9.C.3

Each location at its sole non-grievable, non-arbitrable discretion may choose to offer a holiday bank.

Delete Article 9.G--MAJOR HOLIDAYS

Major holidays are designated for scheduling purposes, only. Major holidays are defined as the two (2) day holiday period for Thanksgiving, December 25, and January 1. The University will guarantee each member of the bargaining unit the opportunity to take one (1) of those two (2) day periods off regardless of the dates on which the University celebrates those holidays. Operational needs permitting, the University will endeavor to grant one (1) additional two (2) day period off. Straight time holiday pay eligibility shall be determined by the official University holiday schedule. This provision does not apply to employees who are employed to cover only weekend or only holiday schedules.

Delete Article 10.H--CHANGING AND CLEAN UP TIME

The University shall determine when clean-up time or uniform changing time is necessary for employees. When the University requires that the employee must change into or out of uniform, or must engage in special washing or cleaning procedures, the time spent in such activities shall be considered as time worked.

ADD - In the event the University implements a policy requiring employees to change at work, the Teamsters may reopen section H. of this article.

Delete Article 10.L.3.b.

Compensatory time shall be paid or scheduled by the University in accordance with departmental needs. Accumulation of compensatory time is limited to a maximum of two-hundred forty (240) hours. An employee shall be paid for hours of overtime which

exceed this limit. An employee may request to schedule the use of banked compensatory time. An employee's request for the scheduling of banked compensatory time shall be granted subject to the needs of the University and shall not be unreasonably denied.

ADD to 10.L.3.b

Each location at its sole non-grievable, non-arbitrable discretion may choose to offer compensatory time off (CTO) for their dispatchers. At UCLA, Appendix K UCLA Dispatchers CTO Side Letter remains in effect. Where CTO is offered it will be in accordance with the below paragraph.

ADD PA CTO language

COMPENSATORY TIME OFF (CTO) IN LIEU OF OVERTIME PAY

- 1. The University may offer to compensate premium overtime with compensatory time off for any employee or group of employees. Such overtime will be compensated at the rate of one and one-half (1 ½) hours of compensatory time off for each hour of overtime earned at the time and one-half rate of pay.*
- 2. Each campus choosing to offer CTO will offer a minimum Fiscal Year (July 1-June 30) accrual of 60 hours of compensatory time off. On a campus by campus basis, and at the sole discretion of the Chief of Police, departments may increase their fiscal year accrual. Once the maximum Fiscal Year accrual is reached, compensatory time will no longer accumulate, and overtime will be paid in accordance with Section L.1 of this Article.*
- 3. At the discretion of each campus, locations may, with 30 days' notice, pay out accumulated compensatory time, except for time that has been previously approved, but no more than twice per fiscal year. Employees that have approved compensatory time off requests shall not have their compensatory time paid out.*
- 4. Upon separation from employment, employees shall be paid for all accumulated compensatory time. Accumulated compensatory time earned at the time and one half rate shall be paid at the employee's current straight time rate of pay. Compensatory time off is scheduled by the University. The University may require the employees to take compensatory time off. Employees may also request use of compensatory time subject to prior approval in accordance with departmental policy. Unless otherwise approved by the Chief, requests for compensatory time off will not be approved where the time off would result in overtime or backfilling. Requests shall be granted subject to the operational needs of the University and shall not be unreasonably denied.*
- 5. CTO arrangements shall remain in full force and effect following expiration of the contract until a new successor contract is ratified or some other arrangement is agreed upon. At any time during the term of this agreement, individual locations may, upon*

reasonable notice, make changes to their minimum fiscal year accrual, subject to the minimums set forth in this agreement.
