A. GENERAL PROVISIONS

Subject to the provisions of this Article, leaves of absence may be with or without pay, may be for medical purposes and/or non-medical reasons, and are subject to the approval of the University.

1. If state or federal law requires that the University offer any leave in a manner that is more generous to employees than is currently provided in this Article, the University will comply with the law.

2. Unit 18 faculty shall be advised in writing of the reason(s) for the denial of a leave request, and the reasons shall not be capricious or unreasonable.
3. No **Unit 18 faculty** member shall be denied reappointment, promotion, continuing status or a continuing appointment, or merit increases as a result of application for, or receipt of, requested leaves.

4. No **Unit 18 faculty** shall have their duties unreasonably modified upon return from leave. Whenever possible, the **University** agrees to consult with the **Unit 18 faculty** and assist the departmental chair in the determination of the **Unit 18 faculty**'s assignment upon return from leave.

5. **Unit 18 faculty** on approved leave may defer their merit review in accordance with Article 22.

6. For **unit 18 faculty** on a protected leave of absence, review deadlines shall continue in accordance with Articles 7b through 7d, with the exception of deferrals pursuant to Articles 7b through 7d.

   b. At the request of a Pre-Six **Unit 18 faculty** who has been granted Pregnancy Disability Leave and/or Parental Bonding Leave for one partial quarter or semester, the partial quarter or semester need not be counted towards eligibility for excellence review as defined in Article 7b.A.3. The Pre-Six **Unit 18 faculty** shall submit the written request to the University within ten (10) calendar days of returning from the Pregnancy Disability Leave and/or Parental Bonding Leave.

7. No leave will be granted for any period beyond the ending date of the **Unit 18 faculty**'s current appointment service period.

8. A paid leave of absence shall not be granted at a percentage time greater than that of the **Unit 18 faculty**'s appointment.

9. **Unit 18 faculty** on approved leaves of absence without pay may elect to continue University provided benefits in accordance with the University's benefits regulations. For benefits continuation during FML, see Section B**. For benefits continuation during leaves other than Family and Medical Leave (FML), as defined in Section B**, **Unit 18 faculty** who so elect understand that they are responsible for the entire premium payment in order to continue their UC benefits and must make arrangements with the University, prior to the commencement of the leave.

10. If the eligible **Unit 18 faculty** is on leave without pay for more than half of the calendar month, sick leave, vacation, seniority credit, and/or retirement service credit do not accrue in that month.

11. An eligible fiscal-year **Unit 18 faculty** who is on leave without pay for a work-incurred injury or illness, or disability and is receiving temporary disability payments accrues sick leave on the same basis as if regularly employed, but such accrued sick leave is credited to the **Unit 18 faculty** only upon return to work.
12. The University, at its sole discretion, may place an **Unit 18 faculty** on administrative leave with pay. The University will communicate the reason for the administrative leave to the **Unit 18 faculty** as soon as feasible. If the administrative leave lasts longer than twenty-one (21) calendar days, a written explanation of the intent, reason for, and expected duration of the leave will be provided no later than the twenty-first day.

13. The University shall not retaliate against **Unit 18 faculty** as a result of their requesting or being granted leave under this Article.

14. The University will provide the same assistance to **Unit 18 faculty** that it provides to other UC academic appointees with regard to obtaining disability benefits.

15. **Definitions**

   a. Non-medical leaves of absence, with or without pay, may include: Family and Medical Leave ("FML") taken for certain purposes (to care for the **Unit 18 faculty**'s family member with a serious health condition, Parental Bonding Leave, Military Caregiver Leave, and Qualifying Exigency Leave), as well as military leave, leave for jury duty, voting, blood donations, administrative or legal proceedings, emergencies, and professional development, including attending professional meetings and programs. (See Article 9, Section __ for professional leaves.)

   b. Medical leaves, with or without pay, may include: FML taken for certain purposes (leave taken for the **Unit 18 faculty**'s own serious health condition and Pregnancy Disability Leave), Paid Medical Leave, and Other Leaves/Personal Leave taken for medical reasons.

   c. FMLA is the federal Family and Medical Leave Act of 1993.

   d. CFRA is the California Family Rights Act, which is part of the California Fair Employment & Housing Act.

   e. PDLL is the California Pregnancy Disability Leave Law, which is part of the California Fair Employment & Housing Act.

16. **Requests for Leave**

   Except as provided in Section B.6., which addresses the Notification required for FML, requests for leaves of absence and extensions, with or without pay, shall be submitted in writing to the University. Such requests shall be submitted sufficiently in advance of the requested leave date to provide the University time to assess the operational impact of granting the request. All requests for leaves of absence shall
contain the requested beginning date, end date, and estimated duration of the leave, and any additional information as required.

17. **Duration**

The duration, terms of the leave and the date of return are determined when the leave is granted, and shall be communicated to the Unit 18 faculty, in accordance with the provisions of this Article. Except as provided under Section B., Family and Medical Leave (FML), written confirmation shall be provided when the University determines such confirmation is appropriate. Except as provided for elsewhere in this Article, the total aggregate of leaves of absence taken in any combination, granted under this Article, generally shall not exceed one year.

18. **Return to Work**

   a. Except as provided in Section B., Family and Medical Leave (FML), and Section C., Pregnancy Disability Leave, a Unit 18 faculty who has been granted an approved leave with or without pay shall be reinstated to the same or a similar position to which the Unit 18 faculty was appointed if the return date is during the term of the appointment service period. If the position held has been abolished or affected by layoff during the leave, the Unit 18 faculty shall be afforded the same considerations that would have been afforded had that Unit 18 faculty been actively working rather than on leave when the position was abolished or affected by layoff. These reinstatement rights do not apply if reinstatement is sought after the expiration of the Unit 18 faculty’s appointment service period.

   b. An Unit 18 faculty who has exhausted their original leave entitlement and who has been granted additional leave under another section of this Article shall be reinstated in accordance with the provisions of the section under which the additional leave was granted.

   c. Return to work after FML and Pregnancy Disability Leave is described in full in Sections B.10. and C.5.

**B. FAMILY AND MEDICAL LEAVE (FML)**

1. An Unit 18 faculty who is eligible for Family and Medical Leave (FML) and has not exhausted their FML entitlement for the leave year, as discussed below, may take FML for any of the following six reasons, as described in greater detail below:

   a. Due to the Unit 18 faculty’s own serious health condition (see Section B.11.)

   b. To care for a family member with a serious health condition (see Section B.12.)

   c. As Pregnancy Disability Leave (see Section B.13.)
d. As Parental Bonding Leave (see Section B.14.)

e. As Military Caregiver Leave (see Section B.15.)

f. As Qualifying Exigency Leave (see Section B.16.)

FML is unpaid leave, except as otherwise provided in this Article. See Section B.8 below.

2. **Definitions specific to FML**

   a. Child means a biological child, adopted child, foster child, stepchild, legal ward, or child for whom the **Unit 18 faculty** stands in loco parentis; provided that the child is either under 18 years of age or incapable of self-care because of a mental or physical disability.

   b. Parent means a biological parent, foster parent, adoptive parent, stepparent, legal guardian or individual who stood in loco parentis to the **Unit 18 faculty** when the **Unit 18 faculty** was a child. "Parent" does not include the **Unit 18 faculty**’s grandparents or mother-in-law or father-in-law unless they stood in loco parentis to the **Unit 18 faculty** when the **Unit 18 faculty** was a child.

   c. Spouse means a partner in marriage.

   d. Domestic partner is an individual who would qualify as a domestic partner under the definition of that term set forth in the University’s Academic Personnel Manual at APM - 110.

   e. Serious health condition is an illness, injury (including on-the-job injuries), impairment, or physical or mental condition that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.

      1) Inpatient care means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits the person with the expectation that the person will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.

      2) Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
3) Continuing treatment means ongoing medical treatment or supervision by a health care provider, as defined below.

f. Health Care Provider is an individual who is a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices; a podiatrist, dentist, clinical psychologist, optometrist, chiropractor (limited to the treatment of the spine to correct a subluxation as demonstrated by x-ray to exist), physician assistant, nurse practitioner or nurse mid-wife performing within the scope of their duties as defined under State Law; a Christian Science practitioner; or any health care provider that the Unit 18 faculty’s health plan carrier recognizes for purposes of payment.

3. Eligibility Criteria for FML

a. Unit 18 faculty who have at least twelve (12) cumulative months of University service (all prior University service, including service with the UC managed Department of Energy Laboratories, shall be used to calculate the twelve-month service requirement) and have at least 1,250 hours of actual service (as defined below) during the twelve-month period immediately preceding the commencement of the leave are eligible for FML under the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) if leave is requested for an FML-qualifying reason, except as otherwise provided in this Article. If the Unit 18 faculty is taking FML as Pregnancy Disability Leave, the foregoing eligibility requirements do not apply.

b. "1,250 Hours of Actual Service" means time actually spent at work and does not include any paid time off, such as sick leave. However, for Unit 18 faculty’s granted military leave, all hours that would have been worked had the Unit 18 faculty not been ordered to military duty shall be used to calculate the 1,250 actual hours of work requirement.

4. Duration of Leave

FML shall not exceed twelve (12) workweeks in any calendar year except when it is used for Pregnancy Disability Leave, Military Caregiver Leave, or a combined Pregnancy Disability Leave and Parental Bonding Leave. If the Unit 18 faculty is taking FML as Pregnancy Disability Leave, the Unit 18 faculty shall be eligible for leave for the period of actual disability up to four (4) months per pregnancy. If the Unit 18 faculty taking FML for Military Caregiver Leave, the Unit 18 faculty shall be eligible for up to 26 workweeks of leave in a single 12-month leave period.

While the use of FML need not be consecutive, in no event shall an Unit 18 faculty’s use of FML exceed a total of twelve (12) workweeks within a calendar year (or 26 workweeks in the single 12-month leave period if the Unit 18 faculty is taking FML as Military Caregiver Leave, four (4) months per pregnancy if the Unit 18 faculty is taking FML as Pregnancy Disability Leave, or four (4) months plus twelve (12)
workweeks if the Unit 18 faculty is taking a combined Pregnancy Disability Leave and Parental Bonding Leave).

a. For Unit 18 faculty who work part-time, the number of FML hours for which the Unit 18 faculty is eligible shall be adjusted in accordance with the Unit 18 faculty’s normal weekly work schedule. An Unit 18 faculty whose schedule varies from week to week is eligible for a pro-rated amount of FML based on the Unit 18 faculty’s hours worked over the twelve (12) months immediately preceding the leave.

b. Any leave taken by an eligible Unit 18 faculty that qualifies as FML (including leave for a Work-Incurred Injury or Illness) will be designated as such by the University and will be counted against the Unit 18 faculty’s FML leave entitlement whether the leave is paid or unpaid. Such deductions will be made in increments that correspond to the amount of FML time actually taken by the Unit 18 faculty (which could be weeks, days, hours, and/or partial hours).

c. If the Unit 18 faculty has exhausted their entitlement to FML or is otherwise ineligible for FML, the Unit 18 faculty may still be eligible for a leave to cover the absence from work for verifiable medical reasons as referenced in Section D, Paid Medical Leave/Sick Leave and/or Section O, Other Leaves/Personal Leave. Such leaves may be paid or unpaid.

5. Forms in Which FML May Be Taken

FML generally may be taken as a block leave or, in certain circumstances discussed below, on an intermittent or reduced schedule basis.

a. Unit 18 faculty Requests for FML on an Intermittent or Reduced Schedule Basis

When medically necessary and supported by medical certification, the University shall grant an eligible Unit 18 faculty request for FML for the Unit 18 faculty’s serious health condition, to care for a family member with a serious health condition, or as Military Caregiver Leave on an intermittent or reduced schedule basis, including absences of less than one (1) day. When granted, the University will count only the time actually spent on the intermittent leave or reduced work schedule toward the Unit 18 faculty’s FML entitlement for the applicable year.

An Unit 18 faculty may take FML for Qualifying Exigency Leave on an intermittent or reduced schedule basis.

For requests to take FML as Pregnancy Disability Leave on an intermittent or reduced schedule basis, see Section C. below.

For requests to take FML as Parental Bonding Leave on an intermittent or reduced schedule basis, see Section B.14.e. below.
b. Temporary Transfer to Accommodate Intermittent Leave or Reduced Work Schedule

When the Unit 18 faculty requests FML on an intermittent or a reduced schedule basis due to planned medical treatment for the Unit 18 faculty’s serious health condition, the serious health condition of a family member, or the serious injury or illness of the covered Unit 18 faculty the University may, at its sole, non-grievable discretion, require the Unit 18 faculty to transfer temporarily to an available alternate position for which the Unit 18 faculty is qualified and which better accommodates the Unit 18 faculty’s recurring need for leave. Such alternative position shall have equivalent pay and terms and conditions of employment, but does not need to have equivalent duties. When the Unit 18 faculty no longer needs the intermittent or reduced schedule leave (or earlier, at the University’s option), the employee will be reinstated in accordance with Section B.10.

6. Notification

a. Whenever practicable, if the Unit 18 faculty learns of the event giving rise to the need for FML more than thirty (30) calendar days in advance of the leave’s anticipated initiation date, the Unit 18 faculty shall give the University at least thirty (30) calendar days’ notice of the need for leave. A Unit 18 faculty who fails to give thirty (30) calendar days’ notice for a foreseeable leave, with no reasonable basis for the delay may have the FML leave delayed until thirty (30) days after the date on which the Unit 18 faculty provides notice.

1) If the need for leave is foreseeable due to the planned medical treatment of the Unit 18 faculty (due to the Unit 18 faculty’s serious health condition or pregnancy disability) or the planned medical treatment of the Unit 18 faculty’s family member with a serious health condition, the Unit 18 faculty shall make reasonable efforts to schedule the treatment so as to not unduly disrupt the University’s operations, subject to the approval of the health care provider.

2) If the need for leave is unforeseeable or actually occurs prior to the anticipated date of foreseeable leave, the Unit 18 faculty shall provide the University with as much notice as practicable and, at a minimum, notify the University within five (5) calendar days’ notice for a foreseeable leave, with no reasonable basis for the delay may have the FML leave delayed until thirty (30) days after the date on which the Unit 18 faculty provides notice.

b. The University shall determine whether the Unit 18 faculty meets the eligibility requirements and qualifies for an FML leave and shall, within five (5) days of that determination, notify the Unit 18 faculty, in writing, whether the leave is designated or provisionally designated as FML leave. The start date of the leave, the terms of the leave and the date of return are determined when the leave is granted. If the leave is being denied, the designation notice will so indicate.

c. Extensions to an FML leave may be granted in accordance with this Section, up to the aggregate maximum of twelve (12) workweeks in a calendar year (or 26
workweeks in a single 12-month leave period if FML is being taken as Military Caregiver Leave or four (4) months per pregnancy if FML is taken as Pregnancy Disability Leave or four (4) months plus twelve (12) workweeks for a combined Pregnancy Disability Leave and Parental Bonding Leave. If an Unit 18 faculty’s need for leave continues after their FML entitlement has been exhausted, the Unit 18 faculty may request a Personal Leave in accordance with Section O or, if the FML was for a medical reason, may request a Paid Medical Leave in accordance with Section D.

7. Certification and Other Supporting Documentation

a. Certification When FML Is Taken for the Unit 18 faculty’s Own Serious Health Condition

When FML is requested for the Unit 18 faculty’s own serious health condition, the University may, at its discretion, require that an Unit 18 faculty’s request for leave be supported by written certification issued by the Unit 18 faculty’s health care provider. When certification is required by the University, such requirement shall be submitted to the Unit 18 faculty in writing. Certification may be provided by the Unit 18 faculty on a form given to the Unit 18 faculty by the University and shall, regardless of the format in which it is provided, include:

1) a certification that the Unit 18 faculty has a serious health condition as defined in Section B.2.e. above, and

2) a statement as to whether the Unit 18 faculty is unable to perform any one or more of the essential assigned functions of their position, and

3) the date, if known, on which the Unit 18 faculty’s serious health condition began, the probable duration of the condition and the Unit 18 faculty’s probable date of return, and

4) whether it will be medically necessary for the Unit 18 faculty to take leave intermittently or to work on a reduced schedule and, if so, the probable duration of such schedule, and,

5) if the condition will result in periodic episodes of incapacity, an estimate of the duration and frequency of episodes of incapacity.

b. Certification When FML Is Taken to Care for the Unit 18 faculty’s Family Member

When a leave of absence is requested so that the Unit 18 faculty may care for a family member with a serious health condition, the University may, at its discretion, require that an Unit 18 faculty’s request for leave be supported by written certification issued by the family member’s health care provider. When certification is required by the University, such requirement shall be submitted to the Unit 18 faculty in writing. Certification may be provided by the Unit 18 faculty on a form
given to the **Unit 18 faculty** by the University and shall, regardless of the format in which it is provided, include:

1) certification that the **Unit 18 faculty**’s family member has a serious health condition as defined in Section B.2.e. above, and

2) a statement that the family member’s serious health condition warrants the participation of the **Unit 18 faculty** to provide supervision or care (which includes psychological care or comfort) during the period of the family member’s treatment or incapacity, and

3) whether the **Unit 18 faculty**’s family member will need supervision or care over a continuous period of time, intermittently, or on a reduced schedule basis; the leave schedule the **Unit 18 faculty** will need in order to provide that supervision or care; and the probable duration the **Unit 18 faculty** will need for leave.

c. Certification When FML Is Taken as Pregnancy Disability Leave

When FML is taken as Pregnancy Disability Leave, the **Unit 18 faculty** may be required to provide certification in accordance with Section C.4. below.

d. Certification When FML Is Taken for Military Caregiver Leave

When Military Caregiver Leave is requested, the **Unit 18 faculty** may be required to provide a certification completed by an authorized health care provider of the covered servicemember that provides information sufficient to establish entitlement to Military Caregiver Leave, including information establishing that the servicemember is a covered servicemember for purposes of Military Caregiver Leave and that the servicemember has a covered relationship with the **Unit 18 faculty**, as well as an estimate of the leave needed to provide the care. When the covered servicemember is a covered veteran, the **Unit 18 faculty** may be required to provide information establishing the servicemember’s veteran status, the date of separation from the Armed Forces, and that separation was other than dishonorable.

e. Certification When FML Is Taken for Qualifying Exigency Leave

When Qualifying Exigency Leave is requested, an **Unit 18 faculty** may be required to provide a copy of the military member’s active duty orders. **Unit 18 faculty**s may also be required to provide certification of: 1) the reasons for requesting Qualified Exigency Leave, 2) the beginning and end dates of the qualifying exigency, and 3) other relevant information.

f. Confirmation of Family Relationship
The University may, at its sole non-grievable discretion, require that an **Unit 18 faculty** complete a Declaration of Relationship form to certify the **Unit 18 faculty**’s relationship with the child when the **Unit 18 faculty** is requesting FML as Parental Bonding Leave or to certify the **Unit 18 faculty**’s relationship with the family member when the **Unit 18 faculty** is requesting FML to care for a family member with a serious health condition. The University may, at its sole discretion, delay or deny a request for FML, or discontinue an FML leave in progress, if the **Unit 18 faculty** fails to provide a completed Declaration of Relationship form within fifteen (15) calendar days of the University’s request.

g. Questioned Medical Certifications

1) Should the University have a good faith, objective reason to doubt the validity of the **Unit 18 faculty**’s certification for the **Unit 18 faculty**’s own serious health condition, the University may, at its sole non-grievable discretion, require that the **Unit 18 faculty** obtain a second medical opinion from a second health care provider selected by the University.

2) Should the second medical opinion differ from the opinion of the **Unit 18 faculty**’s own health care provider, the University may, at its sole non-grievable discretion, require a third medical opinion from a third health care provider, jointly selected by the **Unit 18 faculty** and the University. The University shall bear the cost of the second and third opinions and the third opinion shall be final.

3) The second medical opinion shall be in the same format as the original certification. No medical records may be required to be released to the University, although a limited release of the medical records between the two health care providers may be necessary. The University will provide a copy of the second and, if applicable, third medical opinion to the **Unit 18 faculty** at no cost to them.

h. Additional Certification and/or Recertification

If additional FML is requested beyond the period supported by the certification previously provided or the circumstances of the leave have changed, the University may, at its sole non-grievable discretion, require the **Unit 18 faculty** to obtain recertification. Such requests for subsequent certification and/or recertification shall be in writing. If certification and/or recertification is required, the **Unit 18 faculty** shall return the certification within fifteen (15) calendar days of the University’s request, where practicable.

i. Failure to Provide the Requested Certification and/or Recertification

For FML taken as Pregnancy Disability, see Section C.4.d. below.
i) A Unit 18 faculty’s failure to provide the certification and/or recertification for a foreseeable leave other than Pregnancy Disability Leaves within the requested time may result in delay of the leave until the required certification is received. A Unit 18 faculty’s failure to provide certification for an unforeseeable leave other than Pregnancy Disability Leave within the requested time period may result in discontinuance of the leave until the required certification is provided. If the Unit 18 faculty fails to provide the required certification or recertification within a reasonable time as requested, FML will be denied in accordance with section B.6.b. If the leave has begun, the leave may, at the University’s discretion, be discontinued; however, any leave taken is not FML.

ii) If the Unit 18 faculty fails to provide a complete and sufficient certification and/or recertification, the Unit 18 faculty shall be given fifteen (15) calendar days to perfect the certification/recertification. Failure to perfect an incomplete certification and/or recertification within the requested time period may result in delay of the leave or discontinuance of the leave until the required certification and/or recertification is provided. If the Unit 18 faculty fails to provide a complete and sufficient certification and/or recertification and the leave has not begun, the request for FML will be denied in accordance with section B.6.b. If the leave has begun, the leave may, at the University’s discretion, be discontinued; however, any leave taken is not FML. However, the University may grant a Personal Leave of Absence to the Unit 18 faculty at its discretion.

8. Use of Accrued Paid Leave

FML is unpaid except when the Unit 18 faculty uses one of options for paid leave for Pregnancy Disability Leave in Section C.2, is granted Paid Medical Leave under Section D, or uses accrued sick leave and/or the use of accrued vacation (for those Fiscal Year Unit 18 faculty who accrue sick leave and vacation leave) as set forth below:

a. An Unit 18 faculty on FML for the Unit 18 faculty’s own serious health condition:

1) If eligible for University disability benefits, the Unit 18 faculty shall use accrued sick leave or Paid Medical Leave in accordance with section D below and in accordance with the University’s Disability Plan requirements;

2) If not eligible for University disability benefits and not on FML due to a work-incurred injury or illness, the Unit 18 faculty may elect to use accrued sick leave or Paid Medical Leave in accordance with section D below instead of taking FML without pay;

3) If on FML due to a work-incurred injury or illness, the Unit 18 faculty may use accrued sick leave or Paid Medical Leave in accordance with Section D instead of taking FML without pay;
4) In any of the above circumstances, the **Unit 18 faculty** may elect to use accrued vacation time instead of taking FML without pay.

b. A **Unit 18 faculty** on FML to care for a family member with a serious health condition or taking FML as Military Caregiver Leave may use accrued sick leave and/or accrued vacation leave instead of taking FML without pay.

c. A **Unit 18 faculty** on FML for Pregnancy Disability Leave shall use accrued leave as set forth in Section C.2.

d. A **Unit 18 faculty** taking FML as Parental Bonding Leave may elect to use accrued vacation time instead of taking FML without pay.

e. A **Unit 18 faculty** taking FML as Qualifying Exigency Leave may elect to use accrued vacation time instead of taking FML without pay.

9. **Continuation of Health Benefits**

An eligible **Unit 18 faculty** on an approved FML shall be entitled to continue participation in health plan coverage (medical, dental, and vision) as if on pay status as follows:

a. When the **Unit 18 faculty** is on FML that runs concurrently under the FMLA and the CFRA: Continued coverage for up to twelve (12) workweeks in a calendar year.

b. When the **Unit 18 faculty** is on FML as Military Caregiver Leave under the FMLA: Continued coverage for up to twenty-six (26) workweeks in a single twelve month period. For purposes of Military Caregiver Leave, the “single twelve month period” is the period beginning on the first day the **Unit 18 faculty** takes the leave and ending twelve (12) months after that date.

c. When the **Unit 18 faculty** is on FML as Qualifying Exigency Leave under the FMLA: Continued coverage for a period of up to twelve (12) workweeks in a calendar year.

d. When the **Unit 18 faculty** is on a Pregnancy Disability Leave under the California Pregnancy Disability Leave Law (PDLL), regardless of whether any of the leave runs concurrently under the FMLA: Continued coverage for up to four (4) months in a twelve month period per pregnancy. If any of the Pregnancy Disability Leave runs concurrently under the FMLA, the continued coverage provided for that portion of the leave will count towards the **Unit 18 faculty** ’s FMLA benefits coverage entitlement to up to twelve (12) workweeks of such coverage in a calendar year.

e. When the **Unit 18 faculty** is on FML under the CFRA that does not run concurrently under the FMLA (e.g., Parental Bonding Leave after a **Unit 18 faculty**
’s FMLA entitlement has been exhausted): Continued coverage for up to twelve (12) workweeks in a calendar year.

10. Return from FML

a. Required Notice and Documentation

1) The Unit 18 faculty shall provide reasonable notice to their employing department of the anticipated return to work.

2) A Unit 18 faculty returning from FML for the Unit 18 faculty’s own serious health condition must provide a written medical release to return to work prior to returning to work. For returns after Pregnancy Disability Leave, see Section C.5. below.

3) An Unit 18 faculty who has been medically released to perform the essential assigned functions of their job shall be reinstated in accordance with the provisions of Section B.10.b. below.

4) Failure to provide a medical release to return to work may result in the delay of reinstatement until the Unit 18 faculty submits the required medical release certification.

b. Reinstatement Rights

When an Unit 18 faculty has been granted an approved FML for any purpose other than Pregnancy Disability Leave and returns within twelve (12) workweeks of the initiation of the leave (or within 26 workweeks if the FML was taken for Military Caregiver Leave), the Unit 18 faculty shall be reinstated to the same or an equivalent position upon expiration of the leave. For a Unit 18 faculty’s return to work rights after Pregnancy Disability Leave, see Section C.5. below. If the Unit 18 faculty would have been laid off or terminated had the Unit 18 faculty been actively working during the leave period, the Unit 18 faculty shall be afforded the considerations afforded to other Unit 18 faculty who are laid off or terminated pursuant to the provisions of this Memorandum of Understanding. No Unit 18 faculty with a predetermined appointment service period end date shall be granted a leave of absence beyond the appointment service period end date or predetermined date of separation. As stated in Section B.10.a.2., above, an Unit 18 faculty who has been granted an FML for the Unit 18 faculty’s own serious health condition must provide a written medical release to return to work prior to returning to work. Reinstatement rights do not apply to Unit 18 faculty’s if reinstatement is sought after the ending date of their current appointment.

11. FML for Unit 18 faculty’s Serious Health Condition

FML for the Unit 18 faculty’s own serious health condition is leave taken when the Unit 18 faculty’s own “serious health condition,” as defined in Section B.2.e. above,
renders the Unit 18 faculty unable to perform any one or more of the essential functions of the Unit 18 faculty’s position.

12. FML to Care for Unit 18 faculty’s Family Member with a Serious Health Condition

Accrued vacation shall be used at a time or times in keeping with the program of work being conducted by the Unit 18 faculty, and approved by the designated University official.

   d. Regularly scheduled days off and the University administrative holidays shall not be charged against vacation time.

   e. Except when a campus allows the use of anticipated vacation in times of holiday closures, an Unit 18 faculty may not anticipate vacation, that is, vacation is limited to the vacation time actually accrued by the date set for the Unit 18 faculty’s vacation.
f. Records showing accrual and usage of vacation leave credit will be maintained for the Unit 18 faculty.

K. VOTING

A Unit 18 faculty shall be granted leave with pay, up to a maximum of two (2) hours, for voting in a statewide primary or general election if the Unit 18 faculty is scheduled to work eight (8) hours or more on that day and does not have time to vote outside of working hours.

L. BLOOD DONATIONS

A Unit 18 faculty may be granted leave with pay, up to a maximum of two (2) hours, for donating blood during regularly scheduled hours of work.

M. WITNESS LEAVE

Witness Leave is leave with pay for time spent attending administrative or legal proceedings on behalf of the University or appearing as a subpoenaed witness in an administrative or legal proceeding. Leave shall be granted for the actual time spent in proceedings and in related travel not to exceed the Unit 18 faculty’s normal workday and work week. Leave with pay will not be granted when a Unit 18 faculty is a plaintiff or defendant in a proceeding unrelated to University employment, is called or subpoenaed as a paid expert witness not on behalf of the University or is called or subpoenaed because of duties for another employer. All Unit 18 faculty are eligible to apply for leaves in accordance with other leaves with or without pay.

O. OTHER LEAVES/PERSONAL LEAVES

1. Other leaves/Personal Leaves may be granted with or without pay at the University’s sole discretion or if required by applicable law. Such leaves may include unpaid leave where the Unit 18 faculty member either does not qualify for, or has exhausted, a leave provided in this Article.

2. Unit 18 faculty who wish to take a leave of absence shall submit a timely request for leave to the appropriate University administrator with sufficient specific information to allow the University to make a decision. The application shall identify the period of the leave and whether the leave requested is with or without pay.

3. Such leaves shall normally not exceed one calendar year. In exceptional circumstances, such leaves may be extended at the sole discretion of the University.
4. **Personal Leaves taken for Family Care or Baby Bonding shall be considered Qualified Personal Leaves for the purpose of Unit 18 Pay for Family Care and Bonding under Section Q.**

   a. A personal leave for family care or bonding and taken under the Unit 18 Pay for Family Care and Bonding program shall not be unreasonably denied.

   b. A Unit 18 faculty member who has been granted a personal leave for Family Care or Bonding shall be reinstated to the same or a similar position to which the Unit 18 faculty member was appointed if the return date is during the term of the appointment service period. If the position held has been abolished or affected by layoff during the leave, the Unit 18 faculty member shall be afforded the same considerations that would have been afforded had that Unit 18 faculty member been actively working rather than on leave when the position was abolished or affected by layoff. These reinstatement rights do not apply if reinstatement is sought after the expiration of the Unit 18 faculty member’s appointment service period.

P. ACTIVE SERVICE-MODIFIED DUTIES – FAMILY ACCOMMODATIONS FOR CHILDBEARING AND CHILDBEARING

1. **Definition:** Active service-modified duties is a period during which normal duties may be reduced so that a Unit 18 faculty can prepare for and/or care for a newborn child or a child under age five (5) newly placed for adoption or foster care. During a period of active service modified duties, the Unit 18 faculty is on active service and is expected to perform some portion of his or her normal duties. A period of active service-modified duties is not a leave of absence.

2. **Eligibility:**

   a. To be eligible for active service-modified duties, a Unit 18 faculty must be responsible for 50 percent or more of the care of a child. The child may be the Unit 18 faculty’s child or that of a spouse or domestic partner. A Unit 18 faculty is eligible for a period of active service-modified duties for each event of birth or placement. The birth or placement of one or more children at the same time constitutes a single event of birth or placement. Eligibility for a period of active service-modified duties shall normally extend from 3 months prior to 12 months following the birth or placement.

   b. A Unit 18 faculty who is a birth mother and who has a full-time appointment for at least one full academic year (three quarters or two semesters) or for the entire fiscal year (four quarters) is eligible for a total period of active service-modified duties of three quarters (or two semesters), which includes any time taken for paid pregnancy disability leave (up to 6 weeks), to enable the
to recover fully from the effects of pregnancy and childbirth and to prepare for and/or care for the newborn child. If the Unit 18 faculty gives birth during the summer or an off-duty term, the Unit 18 faculty is eligible for a total period of active service-modified duties of two three quarters (or two semesters).

c. An eligible Unit 18 faculty who is not the birth mother and who has a full-time appointment for at least one full academic year (three quarters or two semesters) or for the entire fiscal year (four quarters) is eligible for active service-modified duties of one quarter (or one semester).

3. Submission of Request: A Unit 18 faculty shall submit a written request to the department chair or unit head of the need for a period of active service-modified duties. The request must include a written statement by the Unit 18 faculty certifying that the is responsible for 50 percent or more of the care of a newborn child or a child under age five (5) newly placed for adoption or foster care. The department chair and/or equivalent will discuss the proposed modifications with the Unit 18 faculty. The determination of the modified duties, such as assignment of additional resources, is at the sole non-grievable discretion of the University.

1. The University will not grant any active service-modified duties beyond the end date of a Unit 18 faculty’s term appointment service period.

Q. Unit 18 PAY FOR FAMILY CARE AND BONDING

Section Q shall be in effect and replace the Pay for Family Care and Bonding Side Letter following its expiration on June 30, 2022.

1. GENERAL

a. In order to support the need of Unit 18 Faculty to take care of their family members, the Unit 18 Pay for Family Care and Bonding (PFCB) Section is an income replacement option for up to four (4) workweeks per calendar year that will be available to Unit 18 Faculty who are on an approved leave [Family and Medical Leave (FML) or Qualified Personal Leave] as set forth below.

b. Although Article 12 - Leaves of Absence and Active Service Modified Duties states that FML is unpaid except for those situations where the Article authorizes and/or requires the use of specified paid leave accruals during FML, this Agreement modifies the Article to give Unit 18 Faculty the option to be paid during FML or Qualified Personal Leave using the Unit 18 PFCB in accordance with the terms below.

c. In order to be eligible for PFCB, a Unit 18 faculty member must
be on active pay status and on an approved leave (FML or Qualified Personal Leave) taken for one of the qualifying reasons below, and the Unit 18 faculty member must be taking that leave in a block of a minimum of one workweek.

d. Family and Medical Leaves that qualify for the PFCB option are those leaves taken under the FMLA and/or CFRA for parental bonding, to care for a family member with a serious health condition, for Military Caregiver Leave, or for Qualifying Exigency Leave. Article 12 - Leaves of Absence and Active Service Modified Duties outlines the eligibility requirements for Family and Medical Leave. PFCB is not an option available during any other type of leave.

e. Qualified Personal Leave is leave time that qualifies for the PFCB option for parental bonding, to care for a family member with a serious health condition, for Military Caregiver Leave, or for Qualifying Exigency Leave where a Unit 18 faculty member does not qualify for leave under FML.

f. If a Unit 18 faculty member elects to use PFCB for a particular qualifying block leave rather than using paid leave accruals, if available, other available pay options, or taking the leave without pay, the Unit 18 faculty member must continue to use PFCB until they either exhaust their full four (4) workweeks of PFCB for the calendar year, the qualifying block leave ends, or their service period ends. If their leave ends before they have used the full four workweeks of PFCB for the calendar year, the remainder is available to use during a qualifying block leave later in the calendar year, provided they have an active Unit 18 appointment during that time period.

g. For a Unit 18 faculty member holding an appointment with a definite end date, neither a FML nor a qualified personal leave may be approved beyond the end date of their service period; therefore, the PFCB option is not available beyond the end date of that service period.

h. A Unit 18 faculty member may not use any paid leave accruals (e.g., vacation, sick leave, as applicable), or any other available pay option while receiving PFCB.
2. **PFCB CALCULATION**
   
   The PFCB option provides pay calculated at 100 percent (100%) of an Unit 18 faculty member’s eligible earnings in the bargaining unit.

3. **ELIGIBLE EARNINGS**

   Eligible earnings include a Unit 18’s base salary payable through the University. Base salary includes on-scale and above-scale, where applicable. Eligible earnings do not include pay that is received in addition to the Unit 18 faculty member’s regular appointment such as “by agreement” payments, honoraria, compensation for extension teaching, summer session teaching, and any other compensation received that exceeds 100% of the base salary of the full-time equivalent of the Unit 18 faculty member’s eligible appointment(s). However, if the only appointment is for extension or summer session teaching or is a “by agreement” appointment, and the Unit 18 faculty member meets all other PFCB eligibility criteria, those earnings are considered eligible earnings. PFCB is based on the salary rate in effect during the leave.

4. **PAY AND BENEFIT CONSIDERATIONS**
   a. **Accruals and Service Credit**
      
      Because a Unit 18 faculty member is paid 100 percent of eligible earnings when receiving PFCB, vacation and sick leave accruals, employment service credit, and retirement service credit are calculated as if the Unit 18 faculty member is on pay status for 100 percent of their normal work effort.

   b. **Taxability and Deductions**
      
      PFCB is considered taxable wages. A Unit 18 faculty member’s normal deductions are taken from PFCB.

   c. **Benefits**
      
      Health and welfare benefits deductions will be taken from PFCB in accordance with the Unit 18 faculty member’s benefit elections. Receiving PFCB does not, in itself, affect benefits status or eligibility. However, benefits regulations affecting return to pay status after a leave without pay will apply if the Unit 18 faculty member returns to pay status by receiving PFCB.

R. **GRIEVABILITY AND ARBITRABILITY**
1. The provisions of this Article are subject to Article 32 — Grievance Procedure.

2. Only sections A.2, A.3, A.4, and A.10, and the procedural issues of this article, are subject to Article 33 — Arbitration.
