Article 37: WORK RULES

1. Rules regarding Resident work environment are governed by the Resident and Administrative Policies as well as GME Policies (collectively known as ‘Policies’). To the extent the Policies are requirements of ACGME, they shall control. In the event that the Resident and Administrative Policies or the GME Policies and this Agreement conflict, this Agreement shall control.

2. Should the University desire to change any provision in the Policies that falls within the scope of representation, the University shall provide notice of the proposed change to the union. At the written request of the Union, the University shall meet and discuss the proposed change.

3. Work rules do not include University of California system-wide policies. The Union agrees and understands that such policies are applicable to Residents.
