ARTICLE 10: PROFESSIONAL LICENSE & EXAM FEES

A. Residents shall be provided an annual minimum reimbursable amount in accordance with the following schedule for eligible fees including initial California medical licenses fees and renewal, and USMLE Step 3 or Comlex 3 fees. In order to be approved to receive any portion of the reimbursable amount, the Resident must provide documentation of the incurred eligible expense along with the request for reimbursement. Any reimbursement in addition to the amounts below is at the sole discretion of the University.

1. Academic Year 2016-2017  $750.00
2. Academic Year 2017-2018  $1000.00
3. Academic Year 2018-2019  $1000.00

B. For the purpose of this agreement, an academic year begins on July 1 and ends on June 30. In order for the initial California license fee to be eligible for reimbursement, the license must be received on or before June 1st of the PGY2 year for American medical graduates and June 1st of the PGY3 year for international medical graduates.

C. USMLE Step 3 or Comlex 3 are eligible if the Resident completes their internship or preliminary year at UC Irvine and continues training at UC Irvine to the following consecutive post graduate year of training. Any resident that completes their internship or preliminary year of training at a hospital other than UC Irvine does not qualify for this benefit.
