ARTICLE 16: EMPLOYEE LIST & ORIENTATION

A. The University shall provide the union with an electronic list of incoming residents and a list of residents who have completed residency training or fellowship each academic year on or before August 1st. The list shall include names, UCI email address, department and post graduate year.

B. The union shall be provided the use of one information table at new employee orientation including both intern and PGY2 and above orientations. During new employee orientation the union shall be granted 15 minutes to give a presentation on the union, the benefits of union membership and the collective bargaining agreement. In addition, the union can present at departmental orientations if agreed to by the individual department(s). During new employee orientation, the union may provide the following materials including: copy of the collective bargaining agreement, union membership card and a list of chapter leaders with contact information.
