

**ARTICLE 41**  
**PARKING**

**A. GENERAL PROVISIONS**

1. The University shall provide to career and special per diem Nurses, parking and parking-related services at each campus or the laboratory to the same extent and under the same conditions as normally provided to other non-represented University staff employees at the Nurse's location.
2. The parties understand and agree that parking spaces designated for employees may from time to time be eliminated or reassigned due to construction, special events, and/or operational needs of the University.

**B. PARKING AND TRANSPORTATION RATES**

1. The University, upon ratification by both parties, will implement the FY 2018-2019 parking and transportation rates at each location as set forth in Appendix E, effective on ratification of the Agreement. The University will make payroll deductions for Nurses with parking permits in accordance with campus/medical center/laboratory procedures.
2. For FY 2019-20, 2020-21, 2021-22, and 2022-23, the University shall limit the parking rate increases as specified in Appendix E.
