For Retirees
WHAT’S CHANGING FOR 2023

UC will offer the same Medicare and non-Medicare plans in 2023, along with dental, vision and legal insurance coverage for retirees.

Look inside for this year’s retiree contributions and a comparison of UC’s Medicare plans. See ucal.us/oe for more about 2023 changes.

MEDICAL

UC will enhance coverage for infertility services for all non-Medicare medical plans.

• **CORE, UC Care and UC Health Savings Plan (Anthem):** Accolade Health Care Advocate will replace Anthem Health Guide for help finding network providers, getting referrals, handling claims and more

• **UC Medicare Choice (UnitedHealthcare):** Enhanced benefits for support services after discharge from a hospital or nursing home

• **Kaiser:** The HMO plan will eliminate cost-sharing for certain mental health/substance use disorder services and all Kaiser plans will enhance coverage for planning and expanding your family

OTHER BENEFITS

Enhancements to UC’s other benefits include:

• **Dental PPO:** Cone Beam CT images covered at 100%; UC pays all premium costs for retirees eligible for the full contribution

• **Legal:** Added coverage for estate planning, mediation and more

• **Vision:** $160 annual contact lens allowance, $20 copay for retinal screening and full glasses benefits the year after using benefits for contacts (and vice versa)

See page 4 of the enclosed booklet for more information and 2023 premiums; there are small premium changes for some plans.
Your open enrollment checklist:

If you want to maintain your current benefits, no action is required. Your current insurance coverage will continue, but your medical costs may change.

Review your choices at ucal.us/oe. Then make your elections on UCRAYS by Friday, November 18, at 5 p.m.

☐ **For Medicare members changing medical plans**
   To complete your enrollment, you must submit the Medicare assignment forms for your new plan in UCRAYS (most efficient) or by mail. Each person you enroll must complete their own form, due to UC by Nov. 21, 2022.

☐ **Enroll in pet, retiree vision and/or accidental death & dismemberment (AD&D) insurance**
   Please contact Nationwide (pet), Vision Service Plan (vision) or Prudential (AD&D) directly. Pet insurance and AD&D are open for enrollment year-round. See booklet for this year’s premiums and contact information.

☐ **Can’t get to a computer?**
   The UC Retirement Administration Service Center (RASC) has extended hours for Open Enrollment. Call 800-888-8267 Mon.–Fri., 7 a.m.-4:30 p.m. to speak with a representative.

☐ **UC Retirement Administration Service Center assistance for people with speech or hearing impairments**
   Please call 711 and provide the UC Retirement Administration Service Center telephone number (800-888-8267) to receive assistance.
## COMPARING UC’S MEDICARE PLANS

When you’re choosing a plan, think about your total costs, including premiums and what you’ll need to pay for your care and your prescriptions. A comparison of UC’s non-Medicare plans is on pages 6-7 of the enclosed booklet. For more details about each plan’s benefits and costs, visit ucal.us/oemedicarecompare (Medicare plans) or ucal.us/oecompare (non-Medicare plans).

For all of UC’s Medicare plans:

- Coverage includes a “Welcome to Medicare” preventive visit (within your first 12 months of Medicare) and annual wellness visit at no cost to you, and additional benefits not covered by Medicare.
- You can see any provider in an emergency.
- For covered medical services, you’ll never pay more than $1,500 a year (or $1,050 for UC High Option Supplement to Medicare). This is known as the annual out-of-pocket maximum and it does not include costs for prescription drugs.

Most employers, including UC, have experienced a trend toward higher medical premium costs due to rising health care costs and increased utilization of medical care. It is important to compare your 2023 premium costs before making a decision to stay with your current plan or make a change.

These monthly costs apply to retirees eligible to receive 100% of the UC/employer contribution toward the premium for each plan. If you are subject to graduated eligibility for retiree medical insurance and receive less than 100% of the UC contribution, your costs may be higher than those listed here. You can find your 2023 premium costs on UCRAYS during Open Enrollment.

HOW-TO...

CREATE A UC RETIREMENT AT YOUR SERVICE (UCRAYS) ACCOUNT

Go to UCRAYS at retirementatyourservice.ucop.edu and click “Register.” After you agree to the terms of use, you will be asked a few questions to confirm your identity. Create a new password for your UCRAYS account.

RETRIEVE YOUR UCRAYS PASSWORD

Enter your username and click “Forgot Password?” Enter the last 4 digits of your Social Security number and your date of birth. You can gain access with a one-time password sent to your cell phone number or by answering personalized security questions.

UPDATE YOUR CONTACT INFORMATION

Change or confirm your personal information — including your personal email and cell phone number — on UCRAYS, or by submitting form UBEN 131, available on UCnet, to the UC Retirement Administration Service Center.

UPDATE YOUR BENEFICIARIES

Make sure your benefits will go to whom you intend by keeping your beneficiary designations up to date. A death, divorce or new spouse or domestic partner may require a beneficiary change.

Go to UCRAYS to update your UCRP beneficiaries, and to myUCretirement.com to update beneficiaries for your Retirement Savings Program accounts. For your Health Savings Account, call HealthEquity at 866-212-4729.

If you are married, your spouse may have a legal interest in benefits payable at your death. A beneficiary designation may be subject to challenge if it will result in your spouse receiving less than your spouse’s share of that portion of the benefit that is considered community property.

If you or your covered family members have Medicare or will become eligible for Medicare in the next 12 months, you should understand which of UC’s plans are considered “creditable coverage” under Medicare Part D (prescription drug) rules. Please see pages 11-14 for details.
GETTING HELP

Call the plan directly if you need coverage information for a specific condition, service area or plan provider. For easy access to updates and information, register for an online account with your medical plan.

THINGS TO CONSIDER

IF YOU OR A FAMILY MEMBER ARE BECOMING ELIGIBLE FOR MEDICARE IN 2023

If you or a family member are enrolled in UC retiree health insurance and will become eligible to enroll in Medicare in 2023 with premium-free Medicare Part A, think carefully about the UC medical plan you choose during Open Enrollment. Your 2023 medical plan will determine the Medicare plan that you will age-in to when you turn 65. **UC does not allow you to change medical plans mid-year simply because you have become eligible for Medicare, so choose carefully.**

Most UC retiree medical plans have Medicare versions or corresponding Medicare partner plans. The exception is the UC Health Savings Plan, which doesn’t have a corresponding Medicare plan. If you’re enrolled in UC Health Savings Plan, you will have a 31-day Period of Initial Eligibility (PIE) opportunity when you turn age 65 to select any UC-sponsored Medicare plan in your service area.

Open Enrollment is the time to review your options for the new year. The Medicare version or partner plan of your medical plan may have different benefits, and not all primary care physicians, primary medical groups, specialists and behavioral health providers accept Medicare. Medicare plan service areas may also differ from non-Medicare plan service areas and could be split within the same county.

To learn more, call the plan directly or visit its website. The Medicare Fact Sheet and “Enrolling in Medicare” on UCnet (ucal.us/medicare) will give you more information, along with the Medicare coordination forms that are required for the age-in process. You can also call the UC Retirement Administration Service Center at 800-888-8267, Monday – Friday, 7 a.m. to 4:30 p.m., PT (extended hours during Open Enrollment period).
If you did not pay into Social Security or paid less than 40 quarters (10 years of full-time employment), you may not be eligible for Medicare and will remain in your non-Medicare plan as a retiree. However, you must send UC a Medicare denial letter before you turn age 65 to continue your UC coverage and to avoid any late penalties (currently at 419.60/month). Contact Social Security to request this letter and find out whether you may be eligible for Medicare under a spouse, former spouse or deceased spouse.

MEDICARE COORDINATOR PROGRAM FOR MEDICARE RETIREES AND SURVIVORS OUTSIDE CALIFORNIA

If you live outside California or are considering a move, and all covered members of your family are 65 or older and eligible for Medicare, UC offers the Medicare Coordinator Program, a special program for your medical benefits. In the Medicare Coordinator Program, administered by Via Benefits, UC provides you with an annual contribution to an account called a Health Reimbursement Arrangement (HRA), which you can use to pay for your individual Medicare plan premium, including Kaiser if available, as well as out-of-pocket health care costs. If you become eligible for this program, Via Benefits will notify you and explain the actions you will need to take. It is important to keep your address and other contact information current.

Read more about the Via Benefits Medicare Coordinator Program on the Open Enrollment website (ucal.us/oe) or at my.viabenefits.com/uc. Call the UC Retirement Administration Service Center (800-888-8267) if you have any questions.

FAMILY MEMBER ELIGIBILITY VERIFICATION (FMEV)

UC requires all faculty, staff and retirees who enroll new family members in their health and welfare benefit plans (including but not limited to medical, dental, vision and/or legal insurance) to provide documents to verify their family members’ eligibility for coverage.

If you add a family member to your coverage during Open Enrollment, in early 2023 you will receive a packet of materials to complete the verification process. You must respond by the deadline shown on the letter or risk disenrollment of your newly enrolled family members from UC benefits. As part of UC’s periodic review process, you may also be contacted for information to confirm the eligibility of your previously verified spouse or domestic partner, grandchildren, stepchildren and legal wards.
THINGS TO CONSIDER

UnifyHR administers the verification program for UC. More information about the verification process is available online at ucal.us/fmv.

TRANSITION-OF-CARE SUPPORT

If you choose to enroll in a new medical plan for 2023 and you or a family member has ongoing health care needs, you should understand how your plan change will affect your ability to continue with your current health care providers or proceed with planned care.

If you voluntarily change plans and your current plan is still being offered, your new plan is not required to provide transition-of-care assistance. You should verify that your providers and facilities are part of your new plan network and will be accessible to you in the new year. Your costs for continuing care with your current providers after Jan. 1 will depend on the plan you select and the providers’ network affiliation at the time services are rendered.

You should review your new plan information to understand your copays and/or coinsurance, and any prior authorization requirements. Check the websites for your current and new plans for information on how to take the right steps so you’re covered.
IMPORTANT NOTICES

IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

The summaries in this booklet explain the plans’ provisions and the policies and rules that govern them. If a conflict exists between these summaries and the plan documents, the plan documents govern. The Plan Administrator has the authority to interpret disputed provisions.

Medicare requires individuals enrolled in Medicare plans to have “creditable coverage” for prescription drugs. The required information below explains all options available.

MEDICARE PART D CREDITABLE AND NON-CREDITABLE COVERAGE UNDER UC-SPONSORED GROUP PLANS

Plans with Creditable Coverage
Kaiser Permanente Senior Advantage
UC Medicare Choice
UC Medicare PPO
UC High Option Supplement to Medicare CORE
Kaiser Permanente HMO UC Blue & Gold HMO UC Care
UC Health Savings Plan

Plan with Non-Creditable Coverage
UC Medicare PPO without Prescription Drugs

WHAT DOES CREDITABLE COVERAGE MEAN?

If you are Medicare-eligible and enrolled in 2023 in Kaiser Permanente Senior Advantage, UC Medicare Choice, UC Medicare PPO, UC High Option Supplement to Medicare, CORE, Kaiser Permanente HMO, UC Blue & Gold HMO, UC Care or UC Health Savings Plan, your prescription drug coverage is expected to pay out as much as the standard level of coverage set by the federal government under Medicare Part D. This qualifies as creditable coverage under Medicare Part D.
WHAT DOES NON-CREDITABLE COVERAGE MEAN?

If you are Medicare-eligible and enrolled in UC Medicare PPO without Prescription Drugs, the plan is NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage.

You can keep your current coverage from UC Medicare PPO Plan without Prescription Drugs. However, because this coverage is non-creditable, you must have and maintain creditable prescription drug coverage from another, non-UC source. UC may ask you to verify your enrollment.

By enrolling in a non-UC prescription drug plan, you will receive help with your drug costs, as there is no prescription drug coverage under the UC Medicare PPO without Prescription Drugs plan. If you do not enroll in a Medicare drug plan when you are first eligible, you may pay a higher premium (a penalty) for a Medicare drug plan. When you make your decision about whether to choose the UC Medicare PPO without Prescription Drugs plan, you should take into account this plan’s coverage, which does not include prescription drugs, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

If, in the future, you or a Medicare-eligible dependent terminate(s) or lose(s) Medicare Part D coverage and you go without coverage, you may be assessed a penalty. UC’s evidence of creditable coverage will prevent you from incurring penalties charged by the federal government for late enrollment in Medicare Part D for up to 63 days if you decide to re-enroll in a Medicare Part D plan.

You must enroll in Medicare Part D no more than 63 days after you or a Medicare-eligible dependent are eligible for Medicare Part D. In addition, if your Medicare Part D is terminated for any reason, you must re-enroll in a Medicare Part D plan within 63 days of the termination. In either scenario, anyone who fails to act within that time period will incur a late enrollment penalty of at least 1% per month for each month after May 15, 2006, that the person did not have creditable coverage or enrollment in Part D.

For example, if 23 months passed between the time a person terminated creditable coverage with UC and that person’s enrollment in Medicare Part D, that person’s Medicare Part D premium would always be at least 23% higher than what most other people pay. That person might also be required to pay a non-Medicare premium until UC can obtain Medicare approval of their Part D re-enrollment or wait until the following October, when the federal government conducts Open Enrollment for Medicare, in order to sign up for Medicare Part D prescription coverage.
If a person loses creditable prescription drug coverage through no fault of their own, that person may also be eligible for a Special Enrollment Period (SEP) to join a Medicare drug plan.

**WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?**

If you are eligible for UC-sponsored coverage, you can join a UC Medicare drug plan during a period of initial eligibility, UC’s annual Open Enrollment period each fall, or mid-year if you lose other creditable coverage. If you are interested in non-UC insurance and are eligible for Medicare, you can join a non-UC Medicare drug plan each year from Oct. 15 to Dec. 7 (Medicare’s Open Enrollment Period).

**WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A NON-UC COMMERCIALLY AVAILABLE MEDICARE DRUG PLAN?**

Each plan handles your decision to join a Medicare drug plan differently. UC offers one plan, the UC Medicare PPO without Prescription Drugs plan, that allows you to keep your current UC medical coverage and coordinate with Medicare for a non-UC drug plan. UC’s other plans do not. Before you make a change, contact the UC Retirement Administration Service Center at 800-888-8267 to get information on how your current plan coverage will be affected by your decision to join a commercially available Medicare drug plan. More information about Medicare plans through UC can be found in the UC Medicare Fact Sheet (see ucnet.universityofcalifornia.edu/forms/pdf/medicare-factsheet.pdf).

Detailed information about commercially available non-UC Medicare Part D Plans can be found in the “Medicare & You” handbook. You’ll get a copy of this handbook in the mail every year from Medicare. For more information about Medicare prescription drug coverage, visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help, or call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit the Social Security Administration on the web at socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**VIA BENEFITS**

Plans obtained through Via Benefits are considered individual plans, and the plans vary in offering creditable coverage and non-creditable coverage for Medicare Part D. For more information about the type of coverage offered by your plan, visit my.viabenefits.com/uc.

THE WOMEN’S HEALTH AND CANCER RIGHTS ACT ANNUAL NOTIFICATION OF RIGHTS

The Women’s Health and Cancer Rights Act of 1998 (Women’s Health Act) requires group medical plans such as those offered by UC that provide coverage for mastectomies to also provide certain related benefits or services.

Under a UC-sponsored medical plan, a plan member (employee, retiree or eligible family member) who receives a mastectomy and elects breast reconstruction in connection with the mastectomy must be eligible to receive coverage for the following: reconstruction of the breast on which the mastectomy was performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; and prostheses and treatment of physical complications of the mastectomy, including lymphedema.

Coverage will be provided in a manner determined in consultation with the patient’s physician and is subject to the same deductibles, coinsurance and copayments that apply to other medical or surgical benefits covered under the plan.

If you have questions, please contact your medical plan carrier or refer to your carrier’s plan booklet for specific coverage.

UNIVERSITY OF CALIFORNIA HEALTHCARE PLAN NOTICE OF PRIVACY PRACTICES — SELF-FUNDED PLANS

The University of California offers various health care options to its employees and retirees, and their eligible family members, through the UC Healthcare Plan. Several options are self-funded group health plans for which the university acts as its own insurer and provides funding to pay the claims; these options are referred to as “Self-Funded Plans.” The Privacy Rule of the federal Health Insurance Portability and Accountability Act of 1996, also known as HIPAA, requires the Self-Funded Plans to make a Notice of Privacy Practices available to plan members. The University of California Healthcare Plan Notice of Privacy Practices—Self-Funded
IMPORTANT NOTICES

HIPAA (HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996) NOTIFICATION FOR MEDICAL PROGRAM ELIGIBILITY

If you are declining enrollment for yourself or your eligible family members because of other medical insurance or group medical plan coverage, you may be able to enroll yourself and your eligible family members* in a UC-sponsored medical plan if you or your family members lose eligibility for that other coverage (or if the employer stops contributing toward the other coverage for you or your family members). You must request enrollment within 31 days after your or your family member’s other medical coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a newly-eligible family member as a result of marriage or domestic partnership, birth, adoption, or placement for adoption, you may be eligible to enroll your newly-eligible family member. If you are an employee you may be eligible to enroll yourself, in addition to your eligible family member(s). You must

* To be eligible for plan membership, you and your family members must meet all UC employee or retiree enrollment and eligibility requirements. As a condition of coverage, all plan members are subject to eligibility verification by the university and/or insurance carriers, as described in the participation terms and conditions.
request enrollment within 31 days after the marriage or partnership, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible family member because of coverage under Medicaid (in California, Medi-Cal) or under a state children’s health insurance program (CHIP) you may be able to enroll yourself and your eligible family members in a UC-sponsored plan if you or your family members lose eligibility for that coverage. You must request enrollment within 60 days after your coverage or your family members’ coverage ends under Medicaid or CHIP.

Also, if you are eligible for health coverage from UC but cannot afford the premiums, some states have premium assistance programs that can help pay for coverage. For details, contact the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services at www.cms.gov or 877-267-2323 ext. 61565.

IF YOU DO NOT ENROLL YOURSELF AND/ OR YOUR FAMILY MEMBER(S) IN MEDICAL COVERAGE WITHIN THE 31 DAYS WHEN FIRST ELIGIBLE, WITHIN A SPECIAL ENROLLMENT PERIOD DESCRIBED ABOVE, OR WITHIN AN OPEN ENROLLMENT PERIOD, YOU MAY BE ELIGIBLE TO ENROLL AT A LATER DATE. However, even if eligible, each affected individual will need to complete a waiting period of 90 consecutive calendar days before UC medical coverage becomes effective and employee premiums may need to be paid on an after-tax basis (retiree premiums are always paid after-tax). Otherwise, you/they can enroll during the next Open Enrollment Period.

To request special enrollment or obtain more information, employees should contact their local Benefits Office and retirees should call the UC Retirement Administration Service Center (800-888-8267).

Note: If you are enrolled in a UC medical plan you may be able to change medical plans if:

- You acquire a newly-eligible family member; or
- Your eligible family member loses other coverage.

In either case you must request enrollment within 31 days of the occurrence.

In addition to the special enrollment rights you have under HIPAA, the University’s Group Insurance Regulations (GIRs) permit you to change medical plans under certain other conditions. See UC GIRs for additional detail, available at ucnet.universityofcalifornia.edu.
PARTICIPATION TERMS AND CONDITIONS

Your Social Security number, and that of your enrolled family members, is required for purposes of benefit plan administration, for financial reporting, to verify your identity, and for legally required reporting purposes all in compliance with federal and state laws.

If you are confirmed as eligible for participation in UC-sponsored plans, you are subject to the following terms and conditions:

ARBITRATION

With the exception of benefits provided or administered by Optum Behavioral Health, UC-sponsored medical plans require resolution of disputes through arbitration.

With regard to each plan except a Kaiser Foundation Health Plan, by your written or electronic signature, IT IS UNDERSTOOD AND YOU AGREE THAT ANY DISPUTE AS TO MEDICAL MALPRACTICE – THAT IS, AS TO WHETHER ANY MEDICAL SERVICES RENDERED UNDER THE CONTRACT WERE UNNECESSARY OR UNAUTHORIZED OR WERE IMPROPERLY, NEGLIGENTLY OR INCOMPETENTLY RENDERED – WILL BE DETERMINED BY SUBMISSION TO ARBITRATION AS PROVIDED BY CALIFORNIA LAW AND NOT BY A LAWSUIT OR RESORT TO COURT PROCESS, EXCEPT AS CALIFORNIA LAW PROVIDES FOR JUDICIAL REVIEW OF ARBITRATION PROCEEDINGS. BOTH PARTIES TO THE CONTRACT, BY ENTERING INTO IT, ARE GIVING UP THEIR CONSTITUTIONAL RIGHT TO HAVE ANY SUCH DISPUTE DECIDED IN A COURT OF LAW BEFORE A JURY AND INSTEAD ARE ACCEPTING THE USE OF ARBITRATION.

With regard to enrollment in a Kaiser Foundation Health Plan (KFHP), I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure or the ERISA claims procedure regulation, and any other claims that cannot be subject to binding arbitration under governing law) any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Kaiser Foundation Health Plan, Inc., any contracted health care providers, administrators, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in KFHP, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Evidence of Coverage.
For more information about each plan’s arbitration provision please see the appropriate plan booklet or call the plan.

1. UC and UC health and welfare plan vendors comply with federal/state regulations related to the privacy of personal/confidential information including the Health Insurance Portability and Accountability Act of 1996 (HIPAA) as applicable. To fulfill the responsibilities and perform the service required under contracts with UC, health plans and associated service vendors may share UC member health information between and among each other within the limits established by HIPAA and federal/state regulations for purposes of health care operations, payment, and treatment.

2. By making an election with your written or electronic signature you are authorizing the University to take deductions from your earnings (employees)/monthly Retirement Plan income (retirees)/designated bank account (direct payment retirees) to cover your contributions toward the monthly costs (if any) for the plans you have chosen for yourself and your eligible family members. You are also authorizing UC to transmit your enrollment demographic data to the plans in which you are enrolled.

3. You are subject to all terms and conditions of the UC-sponsored plans in which you are enrolled as stated in the plan booklets and the University of California Group Insurance Regulations.

4. By enrolling individuals as your family members you are certifying that those individuals are eligible for coverage based on the definitions and rules specified in the University of California Group Insurance Regulations and described in UC health and welfare plan eligibility publications. You are also certifying under penalty of perjury that all the information you provide regarding the individuals you enroll is true to the best of your knowledge.

5. If you enroll individuals as your family members you must provide, upon request, documentation verifying that those individuals are eligible for coverage. The carrier may also require documentation verifying eligibility. Verification documentation includes, but is not limited to, marriage or birth certificates, domestic partner verification, adoption papers, tax records and the like.

6. If your enrolled family member loses eligibility for UC-sponsored coverage (for example because of divorce or loss of eligible child status) you must notify UC by disenrolling that individual. If you wish to make a permitted change in your health or flexible spending account coverage you must notify UC within 31 days of the eligibility loss event; for purposes of COBRA, eligibility loss notice must be provided to UC within 60 days of the family member’s loss of coverage. However, regardless of the timing of notice to
7. Making false statements about satisfying eligibility criteria, failing to timely notify the University of a family member’s loss of eligibility, or failing to provide verification documentation when requested may lead to disenrollment of the affected family members. Employees/retirees may also be subject to disciplinary action and disenrollment from health benefits and may be responsible for any cost of benefits provided and UC-paid premiums due to misuse of plan.

8. Under current state and federal tax laws, the value of the contribution UC makes toward the cost of health coverage provided to domestic partners and certain other family members who are not your dependents under state and federal tax rules may be considered imputed income that will be subject to income taxes, FICA (Social Security and Medicare), and any other required payroll taxes. (Coverage provided to California registered domestic partners is not subject to imputed income for California state tax purposes.)

9. If you specifically ask UC representatives to intercede on your behalf with your insurance plan, University representatives will request the minimum necessary protected health information required to assist you with your problem. If more protected health information is needed to solve your problem in compliance with state laws and federal privacy laws (including HIPAA), you may be required to sign an authorization allowing UC to provide the health plan with relevant protected health information or authorizing the health plan to release such information to the University representative.

10. Actions you take during Open Enrollment will be effective the following January 1 unless otherwise stated — provided all electronic and form transactions have been completed properly and submitted timely.

11. By enrolling in the Critical Illness, Hospital Indemnity or Accident plans you agree to and are consenting to the following: If you have other coverage with Aflac and you intend for the group coverage with UC to replace any similar existing Aflac individual policy, please be aware that it may be in your best interest to maintain your individual guaranteed-renewable policy via direct bill. You have considered all of your existing health insurance coverage with Aflac and believe this additional coverage is appropriate for your insurance needs. You further understand that you can contact Aflac at 1-800-992-3522 regarding your individual policy and for assistance in evaluating the suitability of your insurance coverage. Any false statement or misrepresentation in the application that was made with actual intent to deceive Continental American Life Insurance Company may result in loss of coverage under the certificate.
Any false statement or misrepresentation that was made in the Employee Application/Statement of Insurability shall not bar the right to recovery under the Certificate unless such statement was made with intent to deceive Continental American Life Insurance Company or unless it materially affected either the acceptance of the risk or the hazard assumed by the Company (Note: coverage sponsored by UC is guaranteed issue and no application or statement of insurability is required to enroll). California law prohibits an HIV test from being required or used by Continental American Life Insurance Company as a condition for obtaining health insurance coverage (Note: coverage sponsored by UC is guaranteed issue and no medical information is required to enroll).
PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from its Medicaid or CHIP programs. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid (Medi-Cal in California) or CHIP office or visit www.insurekidsnow.gov or dial 1-877-KIDS-NOW to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for a UC-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under UC’s plan, UC will permit you to enroll in UC’s plan, if you are not already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

If you live in California, you can contact the California Department of Health Care Services for further information on eligibility at: www.dhcs.ca.gov/Pages/myMedi-Cal.aspx or email: HIPP@dhcs.ca.gov

If you live outside of California, please visit UCnet (ucnet.universityofcalifornia.edu/compensation-and-benefits/premium-assistance.html) for a list of states that currently provide premium assistance. The list is effective as of July 31, 2022, and includes contact information for each state listed.

To see if any more states have added a premium assistance program since July 31, 2022, or for more information on special enrollment rights, you can contact:
