For Eligible Employees of

University of California and their Families

IMPORTANT NOTICE: The Program provides ACCIDENT insurance only. It does NOT provide basic hospital, basic medical, major medical or sickness coverage.
The following information applies to the University of California plan and supersedes any corresponding information that may be contained elsewhere in the document to which this insert is attached. The University establishes its own medical plan eligibility, enrollment and termination criteria based on the University of California Group Insurance Regulations ("Regulations") and any corresponding Administrative Supplements. Portions of these Regulations are summarized below.

ELIGIBILITY

The following individuals are eligible to enroll in this Plan.

**Subscriber Employee:** You are eligible if you are appointed to work at least 50% time for twelve months or more or are appointed at 100% time for three months or more or have accumulated 1,000* hours while on pay status in a twelve-month period. To remain eligible, you must maintain an average regular paid time** of at least 17.5 hours per week and continue in an eligible appointment. If your appointment is at least 50% time, your appointment form may refer to the time period as follows: "Ending date for funding purposes only; intent of appointment is indefinite (for more than one year)."

* Lecturers - see your benefits office for eligibility.

** Average Regular Paid Time - For any month, the average number of regular paid hours per week (excluding overtime, stipend or bonus time) worked in the preceding twelve (12) month period. Average regular paid time does not include full or partial months of zero paid hours when an employee works less than 43.75% of the regular paid hours available in the month due to furlough, leave without pay or initial employment.

**Retiree:** A former University Employee receiving monthly benefits from a University-sponsored defined benefit plan.

You may continue University medical plan coverage as a Retiree when you start collecting retirement or disability benefits from a University-sponsored defined benefit Plan provided that you also meet the following requirements:

(a) you meet the University’s service credit requirements for Retiree medical eligibility;
(b) the effective date of your Retiree status is within 120 calendar days of the date employment ends; and
(c) you elect to continue (or effective 1/1/05 suspend) medical coverage at the time of retirement.

A Survivor — a deceased Employee's or Retiree's Family Member receiving monthly benefits from a University-sponsored defined benefit plan—may be eligible to continue coverage as set forth in the University’s Group Insurance Regulations. For more information, see the UC Group Insurance Eligibility Factsheet for Retirees and Eligible Family Members or the Survivor and Beneficiary Handbook.
Eligible Dependents (Family Members)
When you enroll any Family Member, your signature on the enrollment form or the confirmation number on your electronic enrollment attests that your Family Member meets the eligibility requirements outlined below. The University and/or the Plan reserves the right to periodically request documentation to verify eligibility of Family Members, including any who are required to be your tax dependent(s). Documentation could include a marriage certificate, birth certificate(s), domestic partner verification, adoption records, Federal Income Tax Return, or other official documentation.

Eligible Adult:  Spouse: Your legal spouse.

Same Sex-Domestic Partner: You may enroll a same-sex domestic partner (and the same-sex domestic partner's children/grandchildren) as set forth in the University of California Group Insurance Regulations.

Opposite-Sex Domestic Partner: The University recognizes an opposite-sex domestic partner as a family member that is eligible for coverage in UC-sponsored benefits if the employee/retiree or domestic partner is age 62 or older and eligible to receive Social Security benefits and both the employee/retiree and domestic partner are at least 18 years of age.

Note: An adult dependent relative is no longer eligible for coverage. Only an adult dependent relative who was enrolled as an eligible dependent as of December 31, 2003 and continues to be ineligible for Medicare Part A may continue coverage in UC-sponsored plans.

Child: All eligible children must be under the limiting age of 26 (18 for legal wards), except for a child who is incapable of self-support due to a physical or mentally disabling injury, illness or condition. The following categories are eligible:
(a) your natural or legally adopted children;
(b) your spouse's natural or legally adopted children (your stepchildren);
(c) your eligible domestic partner's natural or legally adopted children;
(d) grandchildren of you, your spouse or your eligible domestic partner if living with you, dependent on you, your spouse or your eligible domestic partner for at least 50% of their support and are yours, your spouse's, or your eligible domestic partner's dependents for income tax purposes;
(e) children for whom you are the legal guardian if living with you, dependent on you for at least 50% of their support and are your dependents for income tax purposes.
(f) children for whom you are legally required to provide group health insurance pursuant to an administrative or court order. (Child must also meet UC eligibility requirements.)

Any child described above (except a legal ward) who is incapable of self-support due to a physical or mental disability may continue to be covered past age 26 provided:
- the plan-certified disability began before age 26, the child was enrolled in a UC group medical plan before age 26 and coverage is continuous;
- the child is chiefly dependent upon you, your spouse, or your eligible domestic partner for support and maintenance; and
- the child is claimed as yours, your spouse’s or your eligible domestic partner’s dependent for income tax purposes, or if not claimed as such dependent for income tax purposes, is eligible for Social Security Income or Supplemental Security Income as a disabled person, or working in supported employment which may offset the Social Security or Supplemental Security Income.

Application for coverage beyond age 26 due to disability must be made to the Plan sixty days prior to the date coverage is to end due to reaching limiting age. If application is received timely but Plan does not complete determination of the child’s continuing eligibility by the date the child reaches the Plan’s upper age limit, the child will remain covered pending Plan’s determination. The Plan may periodically request proof of continued disability, but not more than once a year after the initial certification. Disabled children approved for continued coverage under a University-sponsored medical plan are eligible for continued coverage under any other University-sponsored medical plan; if enrollment is transferred from one plan to another, a new application for continued coverage is not required; however, the new Plan may require proof of continued disability, but not more than once a year.

If you are a newly hired Employee with a disabled child over age 26 or if you newly acquire a disabled child over age 26 (through marriage or adoption), you may also apply for coverage for that child. The child’s disability must have begun prior to the child turning age 26. Additionally, the child must have had continuous group medical coverage since age 26, and you must apply for University coverage during your Period of Initial Eligibility. The Plan will ask for proof of continued disability, but not more than once a year after the initial certification.

Important Note: Health and welfare benefits and eligibility requirements, including dependent eligibility requirements are subject to change (e.g., for compliance with applicable laws and regulations). UC dependent eligibility requirements may change following final health care reform legislation, regulatory guidance,
Eligible individuals may be covered under only one of the following categories: as an Employee, a Retiree, a Survivor or a Family Member. If an Employee and the Employee’s spouse or domestic partner are both eligible Subscribers, each may enroll separately or one may enroll and cover the other as a Family Member. If they enroll separately, neither may enroll the other as a Family Member. Eligible children may be enrolled under either parent’s or eligible domestic partner’s coverage but not under both. Additionally, a child who is also eligible as an Employee may not have dual coverage through two University-sponsored medical plans.

For information on who qualifies and how to enroll, contact your local Benefits Office or the University of California's (UC) Customer Service Center at (800) 888-8267. You may also access eligibility factsheets on UC’s At Your Service web site: http://atyourservice.ucop.edu.

How Do I Enroll?
To become insured under the Plan you need only submit a completed University of California enrollment form, which you may obtain from your department or from your local Benefit Representative. Please return the completed form to your local Benefits or Accounting Office.

You may enroll in this Plan at any time as there is no period of initial eligibility associated with this coverage.

Each employee enrolling in the Plan will receive a certificate of insurance.

How Much Coverage May I Obtain for My Family?
Under the Family Plan your spouse/domestic partner and eligible children are automatically covered as follows: your spouse/domestic partner is insured for a Principal Sum equal to 50% of your Principal Sum and each eligible child is insured
for 20% of your Principal Sum. If you have no eligible children, your spouse/domestic partner’s Principal Sum is 60% of yours.

**What Is The Modified Family Plan?**
The Modified Family Plan covers one parent and all eligible children, at a modified premium rate. If both husband and wife/domestic partner are eligible employees of the University, only one may elect to cover their eligible children. Single parents may elect to cover themselves and their eligible children. Under the Modified Family Plan each of your eligible children is insured for an amount equal to 20% of your Principal Sum.

**To Whom Are My Benefits Paid?**
Benefits for loss of your life will be payable in accordance with the beneficiary designation on your enrollment form. If no such designation has been made, such indemnity shall be payable to the person or persons (in equal shares) in the first of the following categories in which there is a survivor:

1. Your spouse or domestic partner
2. Child or children of deceased child shall take the share of such child by representation;
3. Your parent or parents;
4. Your surviving brothers and sisters;
5. Your executors and administrators.

If you select either of the Family Plans, you will be the beneficiary of your covered dependents for loss of life. If you are not living at the date of death of your covered dependent, payment will be made (a) in the case of the death of your spouse/domestic partner, to the spouse/domestic partner’s executors or administrator; (b) in the case of the death of your child, to the first surviving class of the following classes of successive preference beneficiaries; the child’s (1) surviving parent; (2) surviving brothers and sisters; (3) executors or administrators. All other indemnities are payable to the person suffering the loss.

**When Will Coverage Be Effective?**
Your insurance will become effective as of the date the electronic enrollment is completed or the application is received in your local Benefits or Accounting Office or your first day of eligibility, whichever is later.

Insurance of an employee who is not actively at work on the normal effective date will become effective the day after the employee’s first full day actively at work, unless the employee is on an approved leave with pay for non-health reasons.

Your newborn natural child is covered from the date of birth and any minor child placed with you for adoption is covered when the child is placed in your physical custody; provided you are enrolled in one of the family plans and the child’s effective date of coverage is not earlier than your coverage effective date. New or increased coverage for any other family member who is hospitalized on the normal effective date begins on the day after the family member is discharged from the hospital.

**When Does My Coverage Terminate?**
The termination of coverage provisions that are established by the University of California in accordance with is Regulations as described below. Additional Plan provisions apply and are described elsewhere in this document.
Deenrollment Due to Loss of Eligible Status
If you are an Employee and lose eligibility, your coverage and that of any enrolled Family Member stops at the end of the last month in which you are eligible for an annuity.

If you are a Retiree or Survivor and your annuity terminates, your coverage and that of any enrolled Family Member stops at the end of the last month in which you are eligible for an annuity.

a) On the date the Master Policy is terminated.
b) On the premium due date if the University fails to pay the required premium for you except as the result of an inadvertent error.
c) On the premium due date next following the date you cease to be an eligible employee of the University for this insurance.
d) With respect to an Insured Person who is insured under the Master Policy as a dependent, on the premium due date next following the date he or she ceases to be an eligible dependent.

Coverage for a subscriber or enrolled dependent may be terminated for fraud or deception in the use of services of the Plan or for knowingly permitting such fraud or deception by another. Such termination shall be effective upon mailing of written notice by the Plan to the subscriber and the University. Termination of coverage of a dependent for fraud shall not cancel the enrollment of other family members. Termination of coverage for subscriber shall cancel automatically the enrollment of all of the subscriber’s dependents.

When You Retire
You and your family members may not continue the UC-sponsored Employee AD&D coverage when you retire. You and your spouse/domestic partner, however, may purchase AD&D coverage through the UC-sponsored Voluntary Accident Insurance Program available to UC retirees. Contact the insurance carrier for more information.

May I Convert My Insurance?
If you leave your employment with the University of California for any reason you may convert within 31 days of termination to an individual form of Accidental Death & Dismemberment coverage at the individual premium rate in use at time of the conversion. No medical certification will be required to obtain the conversion policy. Coverage cannot exceed the amount purchased under the Group Plan (not less than $10,000 nor more than $500,000). Covered dependents can also convert with the same restrictions as above. Coverage will be effective either the date the application for the converted policy is received or the date coverage under the group contract ends, whichever is later.

Action Which May Affect Coverage
The following provisions apply unless the employee or family member converts to an individual plan.

LEAVE WITHOUT PAY. You may continue coverage for up to 2 years of an approved leave without pay or during an approved military leave of up to 31 days by making direct payment of premiums to your local accounting office. If you do not continue coverage during a leave without pay, you must re-enroll by the end of the month following your return to work in order to renew your coverage.
LEAVE WITH PAY. You may continue coverage for up to 2 years as long as earnings cover required deductions.

FURLOUGH/LAYOFF. You may continue coverage for up to 4 calendar months by making direct payment of premium.

INSUFFICIENT EARNINGS. If premium cannot be taken from the first check following two consecutive months of missed premiums, coverage lapses retroactively to the first day of the first month for which a premium was missed.
