The ARAG® Legal Plan

Section 1 **University of California** **Eligibility, Enrollment, Termination and Plan** **Administration Provisions** **Effective Date: January 1, 2004**

The following information applies to the University of California plan and supersedes any corresponding information that may be contained elsewhere in the document to which this insert is attached. The University establishes its own health and welfare plan eligibility, enrollment and termination criteria based on the University of California Group Insurance Regulations ("Regulations"). Portions of these Regulations are summarized below.

A. Eligibility

The following individuals are eligible to enroll in this Plan.

Subscriber

Employee:

You are eligible if you:

- (a) are appointed to work at least 50% time for twelve months or more, or
- (b) are appointed at 100% time for three months or more, or
- (c) are appointed at least 43.75% time, or
- (d) have accumulated 1,000 hours while on pay status in a twelve-month period.

If your appointment is at least 50% time, your appointment form may refer to the time period as follows: "Ending date for funding purposes only; intent of appointment is indefinite (for more than one year)."

Annuitant (including Survivor Annuitant):

Annuitant

A former University Employee receiving monthly benefits from a University-sponsored defined benefit plan.

Survivor Annuitant

A deceased Employee's or Annuitant's family member

receiving monthly benefits from a University-sponsored defined benefit plan.

You may continue University legal plan coverage as an Annuitant when you start collecting retirement or disability benefits from a University-sponsored defined benefit plan, or as a Survivor Annuitant when you start collecting survivor benefits from a University-sponsored defined benefit plan. You must also meet the following requirements:

- (a) the Effective Date of your Annuitant status is within 120 calendar days of the date employment ends (or the date of the Employee/Annuitant's death for a Survivor Annuitant); and
- (b) you elect to continue legal coverage at the time of retirement.

Eligible Dependents (Family Members)

When you enroll any Family Member, your signature on the enrollment form or the confirmation number on your electronic enrollment attests that your Family Member meets the eligibility requirements outlined below. The University and/or the Plan reserves the right to periodically request documentation to verify eligibility of Family Members including any who are required to be your tax dependent(s). Documentation could include a marriage certificate, birth certificate(s), adoption records, Federal Income Tax Return, or other official documentation.

Spouse:

Your legal spouse.

Child:

All eligible children must be under the limiting age (18 for legal wards, 23 for all others), unmarried, and may not be emancipated minors. The following categories are eligible:

- (a) Your natural or legally adopted children;
- (b) Your stepchildren (natural or legally adopted children of your spouse) if living with you, dependent on you or your spouse for at least 50% of their support and are your or your spouse's dependents for income tax purposes;

- (c) grandchildren of you or your spouse if living with you, dependent on you or your spouse for at least 50% of their support and are your or your spouse's dependents for income tax purposes;
- (d) children for whom you are the legal guardian if living with you, dependent on you for at least 50% of their support and are your dependents for income tax purposes.

Any child described above (except a legal ward) who is incapable of self-support due to a physical or mental handicap may continue to be covered past age 23 provided:

- the incapacity began before age 23, the child was enrolled in the group legal plan before age 23 and coverage is continuous,
- the child is dependent on you for at least 50% of his or her support and is your dependent for income tax purposes, and
- the child lives with you if he or she is not your or your spouse's natural or adopted child.

Application must be made to the Plan at least 31 days before the child's 23rd birthday and is subject to approval by the Plan. The Plan may periodically request proof of continued disability.

If you are a newly hired Employee with an incapacitated child, you may also apply for coverage for that child. The child must have had continuous group legal coverage since age 23, and you must apply for University coverage during your Period of Initial Eligibility.

Other Eligible Dependents (Family Members)

You may enroll a same-sex domestic partner (and the same-sex domestic partner's children/grandchildren) as set forth in the University of California Group Insurance Regulations. For information on who qualifies and how to enroll, contact your local Benefits Office or the University of California's Customer Service Center.

No Dual Coverage

Eligible individuals may be covered under only one of the following categories: as an Employee, an Annuitant, a Survivor Annuitant or a Family Member, but not under any combination of

these. If an Employee and the Employee's spouse or same-sex domestic partner are both eligible Subscribers, each may enroll separately or one may cover the other as a Family Member. If they enroll separately, neither may enroll the other as a Family Member. Eligible children may be enrolled under either parent's or same-sex domestic partner's coverage but not under both.

B. Enrollment

For information about enrolling yourself or an eligible Family Member, see the person at your location who handles benefits. If you are an Annuitant, contact the University's Customer Service Center. Enrollment transactions may be by paper form or electronic, according to current University practice. To complete the enrollment transaction, paper forms must be received by the local Accounting or Benefits office or by the University's Customer Service Center by the last business day within the applicable enrollment period; electronic transactions must be completed by midnight of the last day of the enrollment period.

During a Period of Initial Eligibility (PIE)

A PIE ends 31 days after it begins.

If you are an Employee, you may enroll yourself and any eligible Family Members during your PIE. Your PIE starts the day you become an eligible Employee.

If you are enrolled in the legal plan, you may enroll any newly eligible Family Member during his or her PIE. The Family Member's PIE starts the day your Family Member becomes eligible, as described below.

- (a) For a spouse, on the date of marriage.
- (b) For a natural child, on the child's date of birth.
- (c) For an adopted child, the earlier of:
 - (i) the date you or your Spouse has the legal right to control the child's health care, or
 - (ii) the date the child is placed in your physical custody
 If the child is not enrolled during the PIE beginning on that date, there is an additional PIE beginning on the date the adoption becomes final.

The ARAG® Legal Plan

(d) Where there is more than one eligibility requirement, the date all requirements are satisfied.

At Other Times for Employees and Annuitants

You and your eligible Family Members may also enroll during an announced group open enrollment period established by the University. If you are an Annuitant, you may enroll yourself and any eligible Family Members if you are enrolled in a UC-sponsored medical or dental plan or the military's TRICARE for Life retiree coverage.

If you have two or more Family Members enrolled in the Plan, you may add a newly eligible Child at any time. See "Effective Date."

If you are an Annuitant, you may continue coverage for yourself and your enrolled Family Members in the same plan you were enrolled in immediately before retiring. You must elect to continue enrollment for yourself and enrolled family members before the Effective Date of retirement (or the date disability or survivor benefits begin).

If you are a Survivor Annuitant, you may not enroll your legal spouse or same-sex domestic partner.

Effective Date

The following Effective Dates apply provided the appropriate enrollment transaction (paper form or electronic) has been completed within the applicable enrollment period.

If you enroll during a PIE, coverage for you and your Family Members is effective the date the PIE starts.

If you are an Annuitant continuing enrollment in conjunction with retirement, coverage for you and your Family Members is effective on the first of the month following the first full calendar month of retirement income.

The Effective Date of coverage for enrollment during an open enrollment period is the date announced by the University.

An Employee or Annuitant already enrolled in adult plus child(ren) or family coverage may add additional children, if eligible, at any time after their PIE. Retroactive coverage is limited to the later of:

- (a) the date the Child becomes eligible, or
- (b) a maximum of 60 days prior to the date your Child's enrollment transaction is completed.

Change in Coverage

In order to change from single to adult plus child(ren) coverage or two adult coverage or family coverage, or to add another Child to existing family coverage, contact the person who handles benefits at your location (or the University's Customer Service Center if you are an Annuitant).

C. Termination of Coverage

The termination of coverage provisions that are established by the University of California in accordance with its Regulations are described below. Additional Plan provisions apply and are described elsewhere in the document.

Deenrollment Due to Loss of Eligible Status

If you are an Employee and lose eligibility, your coverage and that of any enrolled Family Member stops at the end of the last month in which premiums are taken from earnings based on an eligible appointment.

If you are an Annuitant or Survivor Annuitant and your annuity terminates, your coverage and that of any enrolled Family Member stops at the end of the last month in which you are eligible for an annuity.

If your Family Member loses eligibility, you must complete the appropriate transaction to delete him or her within 60 days of the date the Family Member is no longer eligible. Coverage stops at the end of the month in which he or she no longer meets all the eligibility requirements. For information on deenrollment procedures, contact the person who handles benefits at your location (or the University's Customer Service Center if you are an Annuitant).

Deenrollment Due to Fraud

Coverage for you or your Family Members may be terminated for fraud or deception in the use of the services of the Plan, or for knowingly permitting such fraud or deception by another. Such termination shall be effective upon the mailing of written notice to the Subscriber (and to the University if notice is given by the Plan). A Family Member who commits fraud or deception will be permanently deenrolled while any other Family Member and the Subscriber will be deenrolled for 18 months. If a Subscriber commits fraud or deception, the Subscriber and any Family Members will be deenrolled for 18 months.

Leave of Absence, Layoff or Retirement

Contact your local Benefits Office for information about continuing your coverage in the event of an authorized leave of absence, layoff or retirement.

Section II

The ARAG Legal Plan

A. Benefits Under the ARAG Legal Plan Consist of Four Parts

The person must be an Insured when each service is furnished.

Part I – Telephone Legal Services

This part of the plan provides services to Insureds through a Telephone Network Attorney. There is no Attorney Fee for these services.

The preventive legal services provided by the Telephone Network Attorney are those contained in the List of Benefits that involve the Insured's legal affairs, and are not services that involve a visit to an Attorney's office or are otherwise not covered. The services described will be provided to an Insured at the discretion of the Telephone Network Attorney. The Telephone Network Attorney will not charge an Insured for these services.

Part II – Online Legal Services

This part of the plan provides Insureds the opportunity to receive services over the Internet. There is no fee for these services.

Part III – Identity Theft Services

This part of the plan provides Insureds toll-free access to Identity Theft Case Managers who will provide information on how to prevent or resolve Identity Theft issues. These are services that do not involve an office visit. There is no fee for these services.

Part IV – Reduced Fee Benefit for Non-Covered Matters

This part of the plan provides reduced fees of 25% off the Network Attorney's standard hourly fees, for services not covered in the In-Office Legal Services. Not all Network Attorneys participate on the reduced fee panel and those matters that are specifically excluded in the plan are not eligible for the reduced fees.

Part V – Reduced Contingency Fee

This part of the plan provides caps on the percentage of any settlement arrangements on contingency fee cases. Fees, for those Network Attorneys participating on this panel, are capped at 25% for initial trial/settlement and 30% for subsequent appeal proceedings.

Part VI – In-Office Legal Services

The ARAG Legal Plan makes reimbursement for Attorney Fees for most covered In-Office Legal Services. For a detailed description of the In-Office Legal Services and what the Benefits are, see Section III.

There is a maximum reimbursement amount (see "List of Benefits"). Not all charges are eligible and some charges are eligible only to a limited extent.

There is also a Conversion Plan that may apply after a person ceases to be covered under The ARAG Legal Plan (see conversion).

B. Pre-existing Conditions

Any legal matter that occurs or is initiated prior to the Effective Date of an Insured will be considered excluded and no benefits will apply. ARAG® Group defines initiated as the date the infraction occurs or document is filed, when the attorney is employed, or when the first court or administrative action occurs.

C. Freedom of Choice of an Attorney

An Insured may choose any Attorney to provide In-Office Legal Services. Except for the provisions of the Benefits and the requirement of information for claim processing, neither ARAG Group nor the University of California will interfere with the Insured's Attorney. The Attorney's obligation will be only with and to the Insured. If an insured chooses to use a non-Network Attorney the non-Network Attorney benefit schedule will apply.

D. Confidentiality

An Insured is assured full confidentiality with respect to calls and problems discussed with any Service Provider or Attorney with respect to claims submitted for In-Office Legal Services under The ARAG Legal Plan.

E. Reimbursement of Legal Fees

The Benefit amount payable for legal services furnished to an Insured is the amount of the eligible charges for those legal services, but not more than these limits.

- For Network Attorney Legal Services, see the limits determined from the Schedule of Benefits list of legal services in Section III.
- For Non-Network Attorney Legal Services, see the reimbursement amounts shown in the Schedule of Benefits in Section III.
- Only one Benefit shall be payable for all legal services arising out of a single cause of action or event resulting in the need for the legal services. ARAG Group will decide which Benefit shall be payable. The limitation of this paragraph does not apply to matrimonial matters.

The ARAG® Legal Plan

If a court awards Attorney fees to an Insured in connection with covered Benefits, ARAG® Group may require the Insured to assign all rights of recovery of the legal fees to the extent of the payment that was made by them. If an assignment is sought, an Insured must cooperate with ARAG Group.

F. Eligible Charges

A charge is an eligible charge if all these conditions are met:

- It is for a covered legal service furnished to an Insured while the plan is in effect;
- The service involves an Insured's personal legal matters and is contained in the List of Benefits; and
- The person is an Insured when the service is furnished.

G. Extension of Benefits

If coverage for you or one of your covered dependents is terminated, your legal services coverage (except Telephone Legal Services) will be expanded to cover legal services in progress prior to the date the coverage terminated until the services are completed.

H. Conversion

The Named Insured may convert participation in an advisory plan administered by ARAG Group when he or she no longer qualifies as an employee/annuitant of the policyholder or as a member of the group to which this insurance policy and group insurance contract were issued. The employee/annuitant must notify ARAG Group within thirty-one (31) days of this disqualifying event to make arrangements for premium payment.

Section III Schedule of Benefits

Note: You must have family participation in order for your eligible dependents to utilize the List of Benefits.

A. List of Benefits

The List of Benefits applies to an Insured when the Schedule of Benefits specifically states that Benefit. It includes only Benefits included in the list. However, if the law of jurisdiction where the Benefit is furnished uses legal terms that differ from those in the list below, ARAG Group will determine the equivalent Benefit from the list below.

The benefit year is a 12-month period based on a calendar year. A Benefit may be furnished for more than one insured in a Family Unit with respect to the same event or cause of action resulting in the need for that Benefit. In that case, only one Benefit will be considered to have been furnished.

(NOTE: The limits in this list show the maximum charges eligible. A Network Attorney will charge no more than the limit shown for covered in-office, legal services. If a Non-Network Attorney is used for in-office covered Benefits, the amounts payable under that Benefit may be up to these limits.)

ARAG Group will provide you with the form and information about filing the grievance with us.

ARAG Group will provide alternative benefits if you are unable to find a Network Attorney willing to perform the covered legal services or if the attorney selected by you is disqualified or otherwise unable to perform the covered legal services. Any disputes you have concerning your grounds for requesting an alternative benefit will be submitted to an impartial arbitrator whose decision will be binding on both parties.

You have the right to file a complaint with the State Bar Association about your Attorney at any time.

If you believe you may be entitled to benefits, or you are in disagreement with any determination, that has been made, you may present a claim to ARAG® Group.

You must follow the claim and review procedure carefully and completely and you must file your claim before the deadlines explained below. If you do not do so, you will give up important legal rights.

The ARAG® Legal Plan

You must file your claim for benefits with ARAG® Group within one year after you knew or reasonably should have known of the principal facts on which your claim is based. After you file your claim, you must complete the entire claim and review procedure before you can sue over your claim. It is important that you include all the facts and arguments that you want considered during the claim and review procedure.

Your claim for Plan benefits will be subject to a full and fair review. If your claim is wholly or partially denied, ARAG Group will furnish you with a written notice of this denial. This written notice must be provided to you within a reasonable period of time (generally 90 days) after the receipt of your claim by ARAG Group.

The written notice will contain the following information:

- The specific reason or reasons for the denial;
- The specific reference on the Plan provisions on which the denial is based;
- A description of any additional information or material necessary to correct your claim and an explanation of why such material or information is necessary; and
- Appropriate information as to the steps to be taken if you or your beneficiary wishes to submit your claim for review.

- **YOU MUST FILE THE CLAIM FOR REVIEW NO LATER THAN 60 DAYS AFTER YOU HAVE RECEIVED WRITTEN NOTIFICATION OF THE DENIAL OF YOUR CLAIM FOR BENEFITS.**
- You may review all pertinent documents relating to the denial of your claim and submit any issues and comments, in writing, to ARAG Group.

Your claim for review will be given a full and fair review. If your claim is denied, ARAG Group will provide you with written notice of this denial within 60 days after ARAG Group's receipt of your

written claim for review. There may be times when this 60-day period may be extended. For example, this extension may be made where there are special circumstances that are communicated to you in writing within the 60-day period. If there is an extension, a decision shall be made as soon as possible, but not later than 120 days after the receipt by ARAG Group of your claim for review.

ARAG Group's decision on your claim for review will be communicated to you in writing and will include specific references to the pertinent Plan provisions on which the decision was based.

You may, at your own expense, have an attorney or other representative act on your behalf, but ARAG Group reserves the right to require your written authorization before providing information to a third party. ARAG Group also reserves the right to delegate its authority to make decisions.

If you file your claim within the required time and complete the entire claim and review procedure and your claim is still denied, you may sue over your claim unless you have executed a release of claims that includes a release of your claim for benefits. Section VII Coordination of Benefits

The ARAG Legal Plan contains a non-profit provision coordinating it with other legal plans under which you or your covered dependents may be covered so that the total benefits will not exceed 100% of the allowable expense.

An “allowable expense” is any expense covered, at least in part, by one of the plans. “Plans” means these types of legal services benefits: (a) coverage under a governmental program or provide or required by statute, or (b) group insurance or other coverage for a group of individuals, whether insured or uninsured. This includes prepayment, group practice or individual practice coverage.

When a claim is made the primary plan pays its benefits with out regard to any other plans. The secondary plans adjust their benefits so that the total benefits available will not exceed the allowable expense. No plan pays more that it would without the coordination provision.

A plan without a coordinating provision is always the primary plan. If all plans have such a provision:

- (1) the plan covering the individual directly rather than as the dependent, is primary and the others secondary;
- (2) if a child is covered under both parents' plans, the plan of the parent have the same birthday, the plan that covered the individual longer is primary; but when the parents are separated or divorced, their plans pay in this order:
 - (a) if a court decree has established financial responsibility for the child's legal expenses, the plan of the parent with this responsibility;
 - (b) the plan of the parent with the custody of the child;
 - (c) the plan of the spouse married to the parent with custody of the child;
- (3) if neither (1) nor (2) apply, the plan covering the individual the longest is primary.

When your plan is secondary plan and its payment is reduced to consider the primary plan's benefits, a record is kept of the reduction. This amount will be used to increase your legal plan's payment on any later claims in the same calendar year – to the extent there are allowable expenses that would not otherwise be fully paid by your ARAG Legal Plan and others.
