CERTIFICATE OF INSURANCE

Anthem Blue Cross Life and Health Insurance Company
21555 Oxnard Street
Woodland Hills, California 91367

This Certificate of Insurance, including any amendments and endorsements to it, is a summary of the important terms of your health plan. It replaces any older certificates issued to you for the coverages described in the Summary of Benefits. The Group Agreement, of which this certificate is a part, must be consulted to determine the exact terms and conditions of coverage. If you have special health care needs, you should read those sections of the Certificate of Insurance that apply to those needs. Your employer will provide you with a copy of the Group Agreement upon request.

Your health care coverage is insured by Anthem Blue Cross Life and Health Insurance Company (Anthem Blue Cross Life and Health). The following pages describe your health care benefits and include the limitations and all other *agreement* provisions which apply to you. The *member* is referred to as "you" or "your," and Anthem Blue Cross Life and Health as "we," "us" or "our." All italicized words have specific *agreement* definitions. These definitions can be found in the DEFINITIONS section of this certificate.

Plan Summary of Changes Effective January 1, 2009

Unless otherwise indicated, effective January 1, 2009, the following is a summary of the most important changes to this booklet. These are all clarifications only and do not represent a change in your benefits.

Calendar Year Deductibles

The text has been revised to disclose how the family deductible works as to an individual, more than one individual within a family unit, and how many individuals equal a family unit. See pages 1 and 21.

Out-of-Pocket Amounts

- 1) The text has been revised to disclose how the family out-of-pocket maximums work as to an individual, more than one individual within a family unit, and how many individuals equal a family unit. See pages 1, 20, and 21.
- 2) The provision has been further revised to clarify that the copays for services to treat *severe mental disorders* paid to UBH (United Behavioral Health) do go toward satisfaction of the out-of-pocket maximum under this Plan. See pages 1, 21, and 27.

Home Health Care

The provision now discloses that if a member is suffering from a terminal illness, the member can elect hospice care in place of home health care, and the right to revoke such election anytime. See page 29.

Hearing Aids

The provision has been revised to clarify that the benefit maximum of **\$2,000** "applies towards the purchase" of one or a pair of hearing aids, so that the *member* knows that this dollar limitation may not cover the full cost of one or a set of hearing aids. See pages 2, 22, and 36.

Prescription Drug Formulary

This provision provides that for certain drugs, prior authorization a requirement. The provision now outlines the process for routine, urgent and emergency requests. The revised Prescription Drug Formulary provision can be found on pages 46 and 47.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

January 1, 2009

The following information applies to the University of California plan and supersedes any corresponding information that may be contained elsewhere in the document to which this insert is attached. The University establishes its own medical plan eligibility, enrollment and termination criteria based on the University of California Group Insurance Regulations ("Regulations"), and any corresponding Administrative Supplements. Portions of these Regulations are summarized below.

ELIGIBILITY

The following individuals are eligible to enroll in this Plan. If the Plan is a Point-of-Service (POS) Plan, they are only eligible to enroll in the plan if they meet the Plan's geographic service area criteria. Anyone enrolled in a non-University Medicare Advantage Managed Care contract or enrolled in a non-University Medicare Part D Prescription Drug Plan will be disenrolled from this health plan (not applicable to members of the Anthem Blue Cross PPO Medicare without Prescription Drug Plan).

Subscribers

Employee: You are eligible if you are appointed to work at least 50% time for twelve months or more or are appointed at 100% time for three months or more or have accumulated 1,000* hours while on pay status in a twelve-month period. To remain eligible, you must maintain an average regular paid time** of at least 17.5 hours per week and continue in an eligible appointment. If your appointment is at least 50% time, your appointment form may refer to the time period as follows: "Ending date for funding purposes only; intent of appointment is indefinite (for more than one year)."

*Lecturers – see your benefits office for eligibility.

** Average Regular Paid Time - For any month, the average number of regular paid hours per week (excluding overtime, stipend or bonus time) worked in the preceding twelve (12) month period. Average regular paid time does not include full or partial months of zero paid hours when an employee works less than 43.75% of the regular paid hours available in the month due to furlough, leave without pay or initial employment.

Retiree: A former University Employee receiving monthly benefits from a University-sponsored defined benefit plan.

You may continue University medical plan coverage as a Retiree when you start collecting retirement or disability benefits from a University-sponsored defined benefit plan. You must also meet the following requirements:

- (a) you meet the University's service credit requirements for Retiree medical eligibility;
- (b) the effective date of your Retiree status is within 120 calendar days of the date employment ends;
and
- (c) you elect to continue medical coverage at the time of retirement.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

Survivor: A deceased Employee's or Retiree's Family Member receiving monthly benefits from a University-sponsored defined benefit plan—may be eligible to continue coverage as set forth in the University's Group Insurance Regulations. For more information, see the *UC Group Insurance Eligibility Factsheet for Retirees and Eligible Family Members*.

If you are eligible for Medicare, you must follow UC's Medicare Rules. See "Effect of Medicare on Retiree Enrollment" below.

Eligible Dependents (Family Members)

When you enroll any Family Member, your signature on the enrollment form or the confirmation number on your electronic enrollment attests that your Family Member meets the eligibility requirements outlined below. The University and/or the Plan reserves the right to periodically request documentation to verify eligibility of Family Members, including any who are required to be your tax dependent(s). Documentation could include a marriage certificate, birth certificate(s), adoption records, Federal Income Tax Return, or other official documentation.

Spouse: Your legal Spouse.

Child: All eligible children must be under the limiting age (18 for legal wards, 23 for all others, except for a child who is incapable of self-support due to a physical or mentally disabling injury, illness or condition), unmarried, and may not be emancipated minors. The following categories are eligible:

- (a) your natural or legally adopted children;
- (b) your stepchildren (natural or legally adopted children of your spouse) if living with you, dependent on you or your spouse for at least 50% of their support and are your or your spouse's dependents for income tax purposes;
- (c) grandchildren of you or your spouse if living with you, dependent on you or your spouse for at least 50% of their support and are your or your spouse's dependents for income tax purposes;
- (d) children for whom you are the legal guardian if living with you, dependent on you for at least 50% of their support and are your dependents for income tax purposes;
- (e) Children you are legally required to provide group health coverage for pursuant to an administrative or court order. (Child must also meet UC eligibility requirements.)

Any Child described above (except a legal ward) who is incapable of self-support due to a physical or mental disability may continue to be covered past age 23 provided:

- the incapacity began before age 23, the child was enrolled in a group medical plan before age 23 and coverage is continuous,
- the child is chiefly dependent upon you for support and maintenance,
- the Child is claimed as your dependent for income tax purposes or is eligible for Social Security Income or Supplemental Security Income as a disabled person or working in supported employment which may offset the Social Security or Supplemental Security Income, and
- the Child lives with you if he or she is not your or your Spouse's natural or adopted Child.

The Plan will notify the Employee that the child's coverage will end when the child reaches a University-sponsored medical plan's upper age limit at least 90 days prior to the date the child reaches that age. Application must be made to the Plan within 60 days of the date the Employee receives our request. If we do not complete our determination of the child's continuing eligibility by the date the child reaches the plan's upper age limit, the child will remain covered pending our

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

determination. The Plan may periodically request proof of continued disability, but not more than once a year after the initial certification. Incapacitated children approved for continued coverage under a University-sponsored medical plan are eligible for continued coverage under any other University-sponsored medical plan; if enrollment is transferred from one plan to another, a new application for continued coverage is not required.

If you are a newly hired Employee with an incapacitated child, you may also apply for coverage for that child. If age 23 or more, the child must have had continuous group medical coverage since age 23, and you must apply for University coverage during your Period of Initial Eligibility. The Plan may ask for proof that the child is still incapable of self-support due to a physical or mentally disabling injury, illness or condition, but, after the initial certification, not more than once a year after the initial certification.

- **Other Eligible Dependents (Family Members):** You may enroll a same sex domestic partner (and the same sex domestic partner's children/grandchildren/stepchildren) as set forth in the University of California Group Insurance Regulations. The University recognizes an opposite-sex partner as a Family Member that is eligible for coverage in UC-sponsored benefits if the Employee/Retiree or domestic partner is age 62 or older and eligible to receive Social Security benefits and both the Employee/Retiree and domestic partner are at least 18 years of age.

An adult dependent relative is no longer eligible for coverage. Only an adult dependent relative who was enrolled as an eligible dependent as of December 31, 2003 may continue coverage in UC-sponsored plans.

No Dual Coverage

Eligible individuals may be covered under only one of the following categories: as an Employee, a Retiree, a Survivor, or a Family Member, but not under any combination of these. If an Employee and the Employee's spouse or domestic partner are both eligible Subscribers, each may enroll separately or one may cover the other as a Family Member. If they enroll separately, neither may enroll the other as a Family Member. Eligible children may be enrolled under either parent's or eligible domestic partner's coverage but not under both. Additionally, a Child who is also eligible as an Employee may not have dual coverage through two University-sponsored medical plans.

More Information

For information on who qualifies and how to enroll, contact your local Benefits Office or the University of California's Customer Service Center. You may also access eligibility factsheets on the web site: <http://atyourservice.ucop.edu>.

ENROLLMENT

For information about enrolling yourself or an eligible Family Member, see the person at your location who handles benefits. If you are a Retiree, contact the University's Customer Service Center. Enrollment transactions may be completed by paper form or electronically, according to current University practice. To complete the enrollment transaction, paper forms must be received by the local Accounting or Benefits office or by the University's Customer Service Center by the last business day within the applicable enrollment period; electronic transactions must be completed by midnight of the last day of the enrollment period.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

During a Period of Initial Eligibility (PIE)

A PIE begins the day you become eligible and ends 31-days after it began. Also see At Other times for Employees and Retirees below.

If you are an Employee, you may enroll yourself and any eligible Family Members during your PIE. Your PIE starts the day you become an eligible Employee.

You may enroll any newly eligible Family Member during his or her PIE. The Family Member's PIE starts the day your Family Member becomes eligible, as described below. During this PIE you may also enroll yourself and/or any other eligible Family Member if not enrolled during your own or their own PIE. You must enroll yourself in order to enroll any eligible Family Member. Family members are only eligible for the same plan you are enrolled in.

- (a) For a Spouse, on the date of marriage.
- (b) For a Domestic Partner, on the date the domestic partnership is legally established. Also see At Other times for Employees and Retirees below.
- (c) For a natural Child, on the Child's date of birth.
- (d) For an adopted Child, the earlier of:
 - the date you or your Spouse, or your Domestic Partner, has the legal right to control the Child's health care, or
 - the date the Child is placed in your physical custody.

If the Child is not enrolled during the PIE beginning on that date, there is an additional PIE beginning on the date the adoption becomes final.

- (e) Where there is more than one eligibility requirement, the date all requirements are satisfied.

If you decline enrollment for yourself or your eligible Family Members because of other group medical plan coverage and you lose that coverage involuntarily (or if the employer stops contributing toward the other coverage for you or your Family Members), you may be able to enroll yourself and those eligible Family Members during a PIE that starts on the day the other coverage is no longer in effect.

If you are in a POS plan and you move or are transferred out of that plan's service area, or will be away from the plan's service area for more than two months, you will have a PIE to enroll yourself and your eligible Family Members in another University medical plan. Your PIE starts with the effective date of the move or the date you leave the plan's service area.

At Other Times for Employees and Retirees

Group Open Enrollment Period. You and your eligible Family Members may also enroll during a group open enrollment period established by the University.

If you are an Employee and opt out of medical coverage or fail to enroll yourself during a PIE or open enrollment period, you may enroll yourself at any other time upon completion of a 90 consecutive calendar day waiting period.

If you are an Employee or Retiree and fail to enroll your eligible Family Members during a PIE or open enrollment period, you may enroll your eligible Family Members at any other time upon completion of a 90 consecutive calendar day waiting period.

90-Day Waiting Period. The 90-day waiting period starts on the date the enrollment form is received by the local Accounting or Benefits office and ends 90 consecutive calendar days later.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

If you have one or more children enrolled in the Plan, you may add a newly eligible Child at any time. See "Effective Date".

Special Circumstances. You may enroll without waiting for the University's next open enrollment period if you are otherwise eligible under any one of the circumstances set forth below:

1. You have met all of the following requirements:
 - a. You were covered under another health plan as an individual or dependent, including coverage under a COBRA or CalCOBRA continuation, the Healthy Families Program, or no share-of-cost Medi-Cal coverage.
 - b. You stated at the time you became eligible for coverage under this *plan* that you were declining coverage under this *plan* or disenrolling because you were covered under another health plan as stated above and you were given notice that if you choose to enroll later, you would be required to complete the 90-day waiting period described above.
 - c. Your coverage under the other health plan wherein you were covered as an individual or dependent ended because you lost eligibility under the other plan or employer contributions toward coverage under the other plan terminated, your coverage under a COBRA or CalCOBRA continuation was exhausted, you lost coverage under the Healthy Families Program as a result of exceeding the program's income or age limits, or you lost no share-of-cost Medi-Cal coverage.
 - d. You properly file an application with the University during the PIE which starts on day after the other coverage ends.
2. A court has ordered coverage be provided for a spouse, domestic partner or dependent child under your employee health plan and an application is filed within the PIE which begins the date the court order is issued. (Family member must be eligible to enroll in UC-sponsored plans.)
3. You have a change in family status through either marriage or domestic partnership, or the birth, adoption, or placement for adoption, of a child:
 - a. If you are enrolling following marriage or establishment of a domestic partnership, you and your new spouse or domestic partner must enroll during the PIE. Your new spouse or domestic partner's children may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above. Coverage will be effective on the first day of the PIE following the date you file the enrollment application provided you file it during the PIE.
 - b. If you are enrolling following the birth, adoption, or placement for adoption of a child, your spouse (if you are already married) or domestic partner, who is eligible but not enrolled, may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above. Application must be made during the PIE; coverage will be effective as of the date of birth, adoption, or placement for adoption provided you enroll during the PIE.
4. You meet or exceed a lifetime limit on all benefits under another health plan. Application must be made within 31-days of the date a claim or a portion of a claim is denied due to your meeting or exceeding the lifetime limit on all benefits under the other plan. Coverage will be effective on the first day of the month following the date you file the enrollment application.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

If you are an Employee or a Retiree and there is a lifetime maximum for all benefits under this plan, and you or a Family Member reaches that maximum, you and your eligible Family Members may be eligible to enroll in another UC-sponsored medical plan. Contact the person who handles benefits at your location (or the University's Customer Service Center if you are a Retiree).

If you are a Retiree, you may continue coverage for yourself and your enrolled Family Members in the same plan (or its Medicare version) you were enrolled in immediately before retiring. You must elect to continue enrollment for yourself and enrolled Family Members before the effective date of retirement (or the date disability or survivor benefits begin).

If you are a Survivor, you may not enroll your legal Spouse or domestic partner.

Effective Date

The following effective dates apply provided the appropriate enrollment transaction (paper form or electronic) has been completed within the applicable enrollment period.

- If you enroll during a PIE, coverage for you and your Family Members is effective the date the PIE starts.
- If you are a Retiree continuing enrollment in conjunction with retirement, coverage for you and your Family Members is effective on the first of the month following the first full calendar month of retirement income.
- The effective date of coverage for enrollment during an open enrollment period is the date announced by the University.
- For enrollees who complete a 90-day waiting period, coverage is effective on the 91st consecutive calendar day after the date the enrollment transaction is completed.

An Employee or Retiree already enrolled in adult plus child(ren) or family coverage may add additional children, if eligible, at any time after their PIE. Retroactive coverage is limited to the later of:

- the date the Child becomes eligible, or
- a maximum of 60 days prior to the date your Child's enrollment transaction is completed.

Change in Coverage

In order to change from single to adult plus child(ren) coverage, or two adult coverage, or family coverage, or to add another Child to existing family coverage, contact the person who handles benefits at your location (or the University's Customer Service Center if you are a Retiree).

Effect of Medicare on Retiree Enrollment

If you are a Retiree and you and/or an enrolled Family Member is or becomes eligible for premium free Medicare Part A (Hospital Insurance) as primary coverage, then that individual must also enroll in and remain in Medicare Part B (Medical Insurance). Once Medicare coverage is established, coverage in both Part A and Part B must be continuous. This includes anyone who is entitled to Medicare benefits through their own or their spouse's employment. Individuals enrolled in both Part A and Part B are then eligible for the Medicare premium applicable to this plan.

Retirees or their Family Member(s) who become eligible for premium-free Medicare Part A on or after January 1, 2004 and do not enroll in Part B will permanently lose their UC-sponsored medical coverage.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

Retirees and their Family Members who were eligible for premium free Medicare Part A, prior to January 1, 2004, but declined to enroll in Part B of Medicare, are assessed a monthly offset fee by the University to cover increased costs. The offset fee may increase annually, but will stop when the Retirees or Family Members become covered under Part B.

Retirees or Family Members who are not eligible for premium-free Part A will not be required to enroll in Part B, they will not be assessed an offset fee, nor will they lose their UC-sponsored medical coverage. Documentation attesting to their ineligibility for Medicare Part A will be required. (Retirees/Family Members who are not entitled to Social Security and premium-free Medicare Part A will not be required to enroll in Part B.)

An exception to the above rules applies to Retirees or Family Members in the following categories that will be eligible for the non-Medicare premium applicable to this Plan and will also be eligible for the benefits of this Plan without regard to Medicare:

- a) Individuals who were eligible for premium-free Part A, but not enrolled in Medicare Part B prior to July 1, 1991.
- b) Individuals who are not eligible for premium-free Part A.

You should contact Social Security three months before your or your Family Member's 65th birthday to inquire about your eligibility and how to enroll in the Hospital (Part A) and Medical (Part B) portions of Medicare. If you qualify for disability income benefits from Social Security, contact a Social Security office for information about when you will be eligible for Medicare enrollment.

Upon Medicare eligibility, you or your Family Member must complete a University of California Medicare Declaration form, as well as submit a copy of your Medicare card. This notifies the University that you are covered by Part A and Part B of Medicare. The University's Medicare Declaration form is available through the University's Customer Service Center or from the web site: <http://atyourservice.ucop.edu>. Completed forms should be returned to University of California, Human Resources and Benefits, Health & Welfare Administration–Retiree Insurance Program, Post Office Box 24570, Oakland, CA 94623-9911.

Any individual enrolled in a University-sponsored Medicare Advantage Managed Care Contract must assign his/her Medicare benefit to that plan or lose UC-sponsored medical coverage. Anyone enrolled in a non-University Medicare Advantage Managed Care contract or enrolled in a non-University Medicare Part D Prescription Drug Plan will be disenrolled from this health plan (not applicable to members of the Anthem Blue Cross PPO Medicare Without Prescription Drug Plan).

Medicare Secondary Payer (MSP) Law

The Medicare Secondary Payer (MSP) Law affects the order in which claims are paid by Medicare and an employer group health plan. UC Retirees re-hired into positions making them eligible for UC-sponsored medical coverage, including CORE and mid-level benefits, are subject to MSP. For Employees or their Spouses who are age 65 or older and eligible for a group health plan due to employment, MSP indicates that Medicare becomes the secondary payer and the employer plan becomes the primary payer. You should carefully consider the impact on your health benefits and premiums should you decide to return to work after you retire.

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

MEDICARE PRIVATE CONTRACTING PROVISION AND PROVIDERS WHO DO NOT ACCEPT MEDICARE

Federal Legislation allows physicians or practitioners to opt out of Medicare. Medicare beneficiaries wishing to continue to obtain services **(that would otherwise be covered by Medicare)** from these physicians or practitioners will need to enter into written "private contracts" with these physicians or practitioners. These private agreements will require the beneficiary to be responsible for all payments to such medical providers. Since services provided under such "private contracts" are not covered by Medicare or this Plan, the Medicare limiting charge will not apply.

Some physicians or practitioners have **never** participated in Medicare. Their services (that would be covered by Medicare if they participated) will not be covered by Medicare or this Plan, and the Medicare limiting charge will not apply.

If you are classified as a Retiree by the University (or otherwise have Medicare as a primary coverage), are enrolled in Medicare Part B, and choose to enter into such a "private contract" arrangement as described above with one or more physicians or practitioners, or if you choose to obtain services from a provider who does not participate in Medicare, under the law you have in effect "opted out" of Medicare for the services provided by these physicians or other practitioners. In either case, no benefits will be paid by this Plan for services rendered by these physicians or practitioners with whom you have so contracted, even if you submit a claim. You will be fully liable for the payment of the services rendered. Therefore, it is important that you confirm that your provider takes Medicare prior to obtaining services for which you wish the Plan to pay.

However, even if you do sign a private contract or obtain services from a provider who does not participate in Medicare, you may still see **other** providers who have not opted out of Medicare and receive the benefits of this Plan for those services.

TERMINATION OF COVERAGE

The termination of coverage provisions that are established by the University of California in accordance with its Regulations are described below. Additional Plan provisions apply and are described elsewhere in the document.

Deenrollment Due to Loss of Eligible Status

If you are an Employee and lose eligibility, your coverage and that of any enrolled Family Member stops at the end of the last month in which premiums are taken from earnings based on an eligible appointment. If you are hospitalized or undergoing treatment of a medical condition covered by this *plan*, benefits will cease to be provided and you may have to pay for the cost of those benefits yourself. You may be entitled to continued benefits under terms which are specified elsewhere under EXTENSION OF BENEFITS and HIPAA COVERAGE AND CONVERSION. (If you apply for HIPAA COVERAGE AND CONVERSION, the benefits may not be the same as you had under this Plan.)

If you are a Retiree or Survivor and your annuity terminates, your coverage and that of any enrolled Family Member stops at the end of the last month in which you are eligible for an annuity.

If your Family Member loses eligibility, you must complete the appropriate transaction to delete him or her within 60 days of the date the Family Member is no longer eligible. Coverage stops at the end of the month in which he or she no longer meets all the eligibility requirements. For information on deenrollment procedures, contact the person who handles benefits at your location (or the University's Customer Service Center if you are a Retiree).

UNIVERSITY OF CALIFORNIA

ELIGIBILITY, ENROLLMENT, TERMINATION AND PLAN ADMINISTRATION PROVISIONS

Deenrollment Due to Fraud

Coverage for you or your Family Members may be terminated for fraud or deception in the use of the services of the Plan, or for knowingly permitting such fraud or deception by another. Such termination shall be effective upon the later of (1) the date shown on the written notice to you, or (2) the date of the mailing of written notice to the Subscriber (and to the University if notice is given by the Plan). A Family Member who commits fraud or deception will be permanently deenrolled. If a Subscriber commits fraud or deception, the Subscriber and any Family Members will be deenrolled for 12 months.

Leave of Absence, Layoff or Retirement

Contact your local Benefits Office for information about continuing your coverage in the event of an authorized leave of absence, layoff or retirement.

Optional Continuation of Coverage

If your coverage or that of a Family Member ends, you and/or your Family Member may be entitled to elect continued coverage under the terms of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended and if that continued coverage ends, specified individuals may be eligible for further continuation under California law. The terms of these continuation provisions are contained in the University of California notice "Continuation of Group Insurance Coverage", available from the University's "At Your Service" website (<http://atyourservice.ucop.edu>). The notice is also available from the person in your department who handles benefits and from the University's Customer Service Center. You may also direct questions about these provisions to your local Benefits Office or to the University's Customer Service Center if you are a Retiree.

Grace Period

There shall be a Grace Period which provides additional time to University to complete full payment of monthly premiums to Anthem following the premium Due Date. The Due Date is the date the full premium is due and payable to Anthem for a coverage month. The Grace period shall be in force 31 days following the Due Date. This Agreement shall remain in force during the Grace Period. No penalties or late fees shall be charged by Anthem to University during the Grace Period. If the University fails to pay Anthem the premiums due during the grace period, Anthem will not end coverage for covered Employee Members or Family Members until the end of the Grace Period. The Employee Members will not be required by Anthem to pay the premiums for the University nor will Members be required to pay more than their copay for any services received during the Grace Period.

If premiums due are not paid by the end of the Grace Period, the Agreement will be canceled as described above. If you are hospitalized or undergoing treatment of a medical condition covered by this Plan, benefits will cease to be provided and you may have to pay for the cost of those benefits yourself. You may be entitled to continued benefits under terms which are specified elsewhere under EXTENSION OF BENEFITS and HIPAA COVERAGE AND CONVERSION. (If you apply for HIPAA COVERAGE AND CONVERSION, the benefits may not be the same as you had under this Plan.)

TYPES OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. IF YOU HAVE SPECIAL HEALTH CARE NEEDS, YOU SHOULD CAREFULLY READ THOSE SECTIONS THAT APPLY TO THOSE NEEDS. THE MEANINGS OF WORDS AND PHRASES IN ITALICS ARE DESCRIBED IN THE SECTION OF THIS BOOKLET ENTITLED DEFINITIONS.

Participating Providers. There are two kinds of *participating providers* in this *plan*:

- **PPO Providers** are primarily *hospitals* and *physicians* who participate in a BlueCard PPO network and have agreed to provide PPO members with health care services at a discounted rate that is generally lower than the rate charged by Traditional Providers.
- **Traditional Providers** are providers who might not participate in a BlueCard PPO network, but have agreed to provide PPO members with health care services at a discounted rate.

The level of benefits we will pay under this *plan* is determined as follows:

- If your *plan* identification card (ID card) shows a PPO suitcase logo and:
 - You go to a PPO Provider, you will get the higher level of benefits of this *plan*.
 - You go to a Traditional Provider because there are no PPO Providers in your area, you will get the higher level of benefits of this *plan*.
- If your ID card does NOT have a PPO suitcase logo, you must go to a Traditional Provider to get the higher level of benefits of this *plan*.

Please call the toll-free BlueCard Provider Access number on your ID card to find a *participating provider* in your area. A directory of PPO Providers is available.

Non-Participating Providers. *Non-participating providers* are *hospitals* and *physicians* which have not agreed to participate in a Blue Cross and/or Blue Shield Plan. They have not agreed to the *negotiated rates* and other provisions.

Physicians. "Physician" means more than an M.D. Certain other practitioners are included in this term as it is used throughout the *plan*. This doesn't mean they can provide every service that a medical doctor could; it just means that we'll cover expense you incur from them when they're practicing within their specialty the same as we would if the care were provided by a medical doctor.

Other Health Care Providers. "Other Health Care Providers" are neither *physicians* nor *hospitals*. They are mostly free-standing facilities, such as skilled nursing facilities, or service organizations, such as ambulance companies. See the definition of "Other Health Care Providers" in the DEFINITIONS section for a complete list of those providers. *Other health care providers* are not participating providers.

Reproductive Health Care Services. Some *hospitals* and other providers do not provide one or more of the following services that may be covered under your *plan* contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatment; or abortion. You should obtain more information before you enroll. Call your prospective *physician* or clinic, or call us at the customer service telephone number listed on your ID card to ensure that you can obtain the health care services that you need.

Participating and Non-Participating Pharmacies. "Participating Pharmacies" agree to charge only the *prescription drug negotiated rate* to fill the *prescription*. You pay the lesser of your co-payment amount or the cost of the *drug*.

"Non-Participating Pharmacies" have not agreed to the *prescription drug negotiated rate*. The amount that will be covered as *prescription drug covered expense* is significantly lower than what these providers customarily charge.

SUMMARY OF BENEFITS

THE BENEFITS OF THIS CERTIFICATE ARE PROVIDED ONLY FOR SERVICES WHICH ARE DETERMINED TO BE MEDICALLY NECESSARY. THE FACT THAT A PHYSICIAN PRESCRIBES OR ORDERS THE SERVICE DOES NOT, IN ITSELF, MAKE IT MEDICALLY NECESSARY OR A COVERED EXPENSE.

This summary provides a brief outline of your benefits. You need to refer to the entire certificate for complete information about the benefits, conditions, limitations and exclusions of your *plan*.

The benefits provided in this certificate are subject to applicable federal and California laws. There are some states that require more generous benefits be provided to their residents even if the master policy was not issued in their state. If your state has such requirements, we will adjust your benefits to meet the minimum requirements.

Second Opinions. If you have a question about your condition or about a plan of treatment which your *physician* has recommended, you may receive a second medical opinion from another *physician*. This second opinion visit will be provided according to the benefits, limitations, and exclusions of this *plan*. If you wish to receive a second medical opinion, remember that greater benefits are provided when you choose a *participating provider*. You may also ask your *physician* to refer you to a *participating provider* to receive a second opinion.

All benefits are subject to coordination with benefits under certain other plans.

The benefits of this *plan* may be subject to the REIMBURSEMENT FOR ACTS OF THIRD PARTIES section.

IMPORTANT INFORMATION ABOUT YOUR MEDICAL BENEFITS

UTILIZATION REVIEW PROGRAM REQUIREMENTS -- Your *plan* has UTILIZATION REVIEW PROGRAM requirements. These are explained in the UTILIZATION REVIEW PROGRAM section beginning on page 55. **Your benefits may be reduced** if you do not follow the procedures outlined. If you have any questions about the UTILIZATION REVIEW PROGRAM requirements, call us at the toll-free number on your identification card.

EMERGENCY CARE -- If you are admitted to the hospital in an emergency or have experienced an emergency medical procedure, call Anthem Blue Cross Life and Health immediately using the number on your ID card or call 888-209-7975.

For an *emergency* admission or procedure, we must be notified within one working day of the admission or procedure. Failure to notify us of such care may result in your benefits being denied or reduced. Please refer to the section entitled UTILIZATION REVIEW PROGRAM, beginning on page 55, for details.

Please read the definition of "Emergency" in the DEFINITIONS section carefully. This definition will be strictly enforced.

DISPUTES/APPEALS -- The Agent for Service of Legal Process is Anthem Blue Cross Life and Health Insurance Company. Provisions describing the process for member disputes, complaints, and requests for review of denied claims can be found in the sections entitled "INDEPENDENT MEDICAL REVIEW OF DENIALS OF EXPERIMENTAL OR INVESTIGATIVE TREATMENT", "INDEPENDENT MEDICAL REVIEW OF GRIEVANCES INVOLVING A DISPUTED HEALTH CARE SERVICE" & "BINDING ARBITRATION", pages 69 through 73.

Any *participating pharmacy* can assist you in purchasing a *formulary drug*.

YOUR MEDICAL BENEFITS

HOW COVERED EXPENSE IS DETERMINED

We will pay for *covered expense* you incur under this *plan*. A charge is incurred when the service or supply giving rise to the charge is rendered or received. *Covered expense* for medical benefits is based on a maximum charge for each covered service or supply that will be accepted by us for each different type of provider. It is not necessarily the amount a provider bills for the service.

Participating Providers. The maximum *covered expense* for services provided by a *participating provider* will be the lesser of the billed charge or the *negotiated rate*. *Participating providers* have agreed not to charge you more than the *negotiated rate* for covered services. When you choose a *participating provider*, you will not be responsible for any amount in excess of the *negotiated rate*.

If you go to a *hospital* which is a *participating provider*, you should not assume all providers in that *hospital* are also *participating providers*. To receive the greater benefits afforded when covered services are provided by a *participating provider*, you should request that all your provider services be performed by *participating providers* whenever you enter a *hospital*.

Note: If an *other health care provider* is participating in a Blue Cross and/or Blue Shield Plan at the time you receive services, such provider will be considered a *participating provider* for the purposes of determining *covered expense*.

Non-Participating Providers and Other Health Care Providers. The maximum *covered expense* for services provided by a *non-participating* or *other health care provider* will always be the lesser of the billed charge or (1) for a *physician*, the *customary and reasonable charge* or (2) for other than a *physician*, the *reasonable charge*. You will be responsible for any billed charge which exceeds the *customary and reasonable charge* or the *reasonable charge*.

The maximum *covered expense* for *non-participating providers* for services and supplies provided in connection with Cancer Clinical Trials will be the lesser of the billed charge or the amount that ordinarily applies when services are provided by a *participating provider*.

Exception: If Medicare is the primary payor, *covered expense* does not include any charge:

1. By a *hospital*, in excess of the approved amount as determined by Medicare; or
2. By a *physician* or *other health care provider*, in excess of the lesser of the maximum *covered expense* stated above, or:
 - a. For providers who accept Medicare assignment, the approved amount as determined by Medicare; or

You will always be responsible for expense incurred which is not covered under this *plan*.

DEDUCTIBLES, CO-PAYMENTS, OUT-OF-POCKET AMOUNTS AND MEDICAL BENEFIT MAXIMUMS

After we subtract any applicable deductible and your Co-Payment, we will pay benefits up to the amount of *covered expense*, not to exceed the applicable Medical Benefit Maximum. The Deductible amounts, Co-Payments, Out-Of-Pocket Amounts and Medical Benefit Maximums are set forth in the SUMMARY OF BENEFITS.

DEDUCTIBLES

Each deductible under this *plan* is separate and distinct from the other. Only charges that are considered *covered expense* will apply toward satisfaction of any deductible.

Calendar Year Deductibles. Each *year*, you will be responsible for satisfying the Member's Calendar Year Deductible before we begin to pay benefits. If members of an enrolled family pay deductible expense in a *year* equal to the Family Deductible, the Calendar Year Deductible for all *family members* will be considered to have been met.

Participating Providers and Other Health Care Providers. *Covered expense* for the services of all providers will be applied to the *participating provider* and *other health care provider* Calendar Year Deductibles. When these deductibles are met, however, we will pay benefits only for the services of *participating providers* and *other health care providers*. We will not pay any benefits for *non-participating providers* unless the separate *non-participating provider* Calendar Year is met.

Non-Participating Providers. *Covered expense* for the services of all providers will be applied to the *non-participating provider* Calendar Year Deductibles. The *plan* will pay benefits for the services of *non-participating providers* only when the applicable *non-participating provider* deductible is met.

Non-Certification Deductible. Each time you are admitted to a *hospital* without properly obtaining certification, you are responsible for paying the Non-Certification Deductible. This deductible will not apply to an *emergency* admission. Certification is explained under the UTILIZATION REVIEW PROGRAM section of this booklet.

CO-PAYMENTS

After you have satisfied any applicable deductible, we will subtract your Co-Payment from the amount of *covered expense* remaining.

If your Co-Payment is a percentage, we will apply the applicable percentage to the amount of *covered expense* remaining after any deductible has been met. This will determine the dollar amount of your Co-Payment.

OUT-OF-POCKET AMOUNTS

Satisfaction of the Out-Of-Pocket Amount. If, after you have met your Calendar Year Deductible, you pay Co-Payments equal to your Out-Of-Pocket Amount during a *calendar year*, you will no longer be required to make Co-Payments for any *covered expense* you incur during the remainder of that *year*.

Participating Providers and Other Health Care Providers. Only *covered expense* for the services of a *participating provider* or *other health care provider* will be applied to the *participating provider* and *other health care provider* Out-Of-Pocket Amount. After this Out-Of-Pocket Amount has been satisfied during a *calendar year*, you will no longer be required to make any Co-Payment for the covered services provided by a *participating provider* or *other health care provider* for the remainder of that *year*.

Non-Participating Providers. Only *covered expense* for the services of a *non-participating provider* will be applied to the *non-participating provider* Out-Of-Pocket Amount. After this Out-Of-Pocket Amount has been satisfied during a *calendar year*, you will no longer be required to make any Co-Payment for the covered services provided by a *non-participating provider* for the remainder of that *year*.

Charges Which Do Not Apply Toward the Out-Of-Pocket Amount. The following expenses will not be applied toward satisfaction of an Out-Of-Pocket Amount and are always your responsibility:

- Utilization Review Program penalties that may apply;
- Expense which is incurred for non-covered services or supplies;
- Expense which is in excess of the amount of *covered expense*;
- Co-Payments made for outpatient *prescription drugs* covered under YOUR PRESCRIPTION DRUG BENEFITS section of this *plan description*; and
- Co-Payments made for services covered through **United Behavioral Health**, your mental health care benefits carrier, except those made for services to treat *severe mental disorders*.

Note: The Calendar Year Deductible **will apply** towards satisfaction of your Out-of-Pocket Amount.

MEDICAL BENEFIT MAXIMUMS

We do not make benefit payments for any *member* in excess of any of the Medical Benefit Maximums. Your Lifetime Maximum under this *plan* will be reduced by any benefits we paid to you or on your behalf under any other health plan provided by Anthem Blue Cross Life and Health, or any of its affiliates, which is sponsored by the *group*.

Under some circumstances, a *member* may need services under this *plan* for which a third party may be liable or legally responsible by reason of negligence, an intentional act or breach of any legal obligation. In that event, we will provide the benefits of this *plan* subject to the following:

1. We will automatically have a lien, to the extent of benefits provided, upon any recovery, whether by settlement, judgment or otherwise, that you receive from the third party, the third party's insurer, or the third party's guarantor. The lien will be in the amount of benefits we paid under this *plan* for the treatment of the illness, disease, injury or condition for which the third party is liable.
 - If we paid the provider other than on a capitated basis, our lien will not be more than amount we paid for those services.
 - If we paid the provider on a capitated basis, our lien will not be more than 80% of the usual and customary charges for those services in the geographic area in which they were given.
 - If you hired an attorney to gain your recovery from the third party, our lien will not be for more than one-third of the money due you under any final judgment, compromise, or settlement agreement.
 - If you did not hire an attorney, our lien will not be for more than one-half of the money due you under any final judgment, compromise or settlement agreement.
 - If a final judgment includes a special finding by a judge, jury, or arbitrator that you were partially at fault, our lien will be reduced by the same comparative fault percentage by which your recovery was reduced.
 - Our lien is subject to a pro rata reduction equal to your reasonable attorney's fees and costs in line with the common fund doctrine.
2. You must advise us in writing, within 60 days of filing a claim against the third party and take necessary action, furnish such information and assistance, and execute such papers as we may require to facilitate enforcement of our rights. You must not take action which may prejudice our rights or interests under your *plan*. Failure to give us such notice or to cooperate with us, or actions that prejudice our rights or interests will be a material breach of this *plan* and will result in your being personally responsible for reimbursing us.
3. We will be entitled to collect on our lien even if the amount you or anyone recovered for you (or your estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss you suffered.

YOUR PRESCRIPTION DRUG BENEFITS

PRESCRIPTION DRUG COVERED EXPENSE

Prescription drug covered expense is the maximum charge for each covered service or supply that we will accept for each different type of *pharmacy*. It is not necessarily the amount a *pharmacy* bills for the service.

You may avoid higher out-of-pocket expenses by choosing a *participating pharmacy*, or by utilizing the mail service program whenever possible. In addition, you may also reduce your costs by asking your *physician*, and your pharmacist, for the more cost-effective *generic* form of *prescription drugs*.

Prescription drug covered expense will always be the lesser of the billed charge or the amount shown below. Expense is incurred on the date you receive the *drug* for which the charge is made.

Type of Provider	Maximum Prescription Drug Covered Expense is:
Participating Pharmacies and Mail Service Program	Prescription Drug Negotiated Rate
Non-Participating Pharmacies	Drug Limited Fee Schedule Amount

When we receive a claim for *drugs* supplied by a *non-participating pharmacy*, we will first subtract any expense which is not covered under your *prescription drug* benefits, and then any expense exceeding the *drug limited fee schedule*. **(That is, the lesser of the billed charges or the average wholesale price.)** The remainder is the amount of *prescription drug covered expense* for that claim. **You will always be responsible for expense incurred which is not covered under this plan or which is in excess of prescription drug covered expense.**

HOW TO USE YOUR PRESCRIPTION DRUG BENEFITS

When You Go to a Participating Pharmacy. To identify you as a *member* covered for *prescription drug* benefits, you will be issued an identification card. You must present this card to *participating pharmacies* when you have a *prescription* filled. Provided you have properly identified yourself as a *member*, a *participating pharmacy* will only charge your Co-Payment.

Generic drugs will be dispensed by *participating pharmacies* when the *prescription* indicates a *generic drug*. When a *brand name drug* is specified, but a *generic drug* equivalent exists, the *generic drug* will be substituted. *Brand name drugs* will be dispensed by *participating pharmacies* when the *prescription* specifies a *brand name* and states "dispense as written" or no *generic drug* equivalent exists. For all *prescriptions*, you will be charged the lesser of the cost of the drug or the stated copayment.

Many *participating pharmacies* display an "Rx" decal with our logo in their window. For information on how to locate a *participating pharmacy* in your area, call 1-800-700-2541.

Please note that presentation of a prescription to a pharmacy or pharmacist does not constitute a claim for benefit coverage. If you present a *prescription* to a *participating pharmacy*, and the *participating pharmacy* indicates your *prescription* cannot be filled, or requires an additional Co-Payment, this is not considered an adverse claim decision. If you want the *prescription* filled, you will have to pay either the full cost, or the additional Co-Payment, for the *prescription drug*. If you

believe you are entitled to some *plan* benefits in connection with the *prescription drug*, submit a claim for reimbursement to us at the address shown below:

**Prescription Drug Program
P.O. Box 4165
Woodland Hills, CA 91365-4165**

Participating pharmacies usually have claims forms, but, if the *participating pharmacy* does not have claim forms, you may receive a claim form by calling the customer service department at 1-800-700-2541, or by visiting our web site at www.anthem.com/uc. claim forms and customer service are available by calling 1-800-700-2541. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed.

When You Go to a Non-Participating Pharmacy. If you purchase a *prescription drug* from a *non-participating pharmacy*, you will have to pay the full cost of the *drug* and submit a claim to us, at the address below:

**Prescription Drug Program
P.O. Box 4165
Woodland Hills, CA 91365-4165**

Non-participating pharmacies do not have our prescription drug claim forms. You must take a claim form with you to a *non-participating pharmacy*. The pharmacist must complete the *pharmacy's* portion of the form and sign it.

Claim forms and customer service are available by calling 1-800-700-2541. Mail your claim with the appropriate portion completed by the pharmacist to us within 90 days of the date of purchase. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed.

When You Order Your Prescription Through the Mail. You can order your *prescription* through the mail service *prescription drug* program. Not all medications are available through the mail service pharmacy.

The *prescription* must state the drug name, dosage, directions for use, quantity, the *physician's* name and phone number, the patient's name and address, and be signed by a *physician*. You must submit it with the appropriate payment for the amount of the purchase, and a properly completed order form. You need only pay the cost of your Co-Payment.

Your first mail service *prescription* must also include a completed Patient Profile questionnaire. The Patient Profile questionnaire can be obtained by calling the toll-free number below. You need only enclose the *prescription* or refill notice, and the appropriate payment for any subsequent mail service prescriptions, or call the toll-free number. PRESCRIPTION DRUG UTILIZATION REVIEW

Your *prescription drug* benefits include utilization review of *prescription drug* usage for your health and safety. Certain *drugs* may require prior authorization. If there are patterns of over-utilization or misuse of *drugs*, our medical consultant will notify your personal *physician* and your pharmacist. We reserve the right to limit benefits to prevent over-utilization of *drugs*.

PRESCRIPTION DRUG FORMULARY

We use a *prescription drug formulary* to help your *physician* make prescribing decisions. The presence of a *drug* on the *plan's prescription drug formulary* list does not guarantee that you will be prescribed that *drug* by your *physician*. These medications, which include both generic and *brand name drugs*, are listed in the *prescription drug formulary*. The *formulary* is updated quarterly to ensure that the list includes *drugs* that are safe and effective. Note: The *formulary drugs* may change from time to time.

Some *drugs* may require prior authorization. If you have a question regarding whether a particular *drug* is on our *formulary drug* list or requires prior authorization please call us at 1-800-700-2541.

Prior Authorization. Certain *drugs* require written prior authorization of benefits in order for you to receive benefits. Prior authorization criteria will be based on medical policy and the pharmacy and therapeutics established guidelines. You may need to try a *drug* other than the one originally prescribed if we determine that it should be clinically effective for you. However, if we determine through prior authorization that the *drug* originally prescribed is *medically necessary*, you will be provided the *drug* originally requested at the applicable co-payment. (If, when you first become a *member*, you are already being treated for a medical condition by a *drug* that has been appropriately prescribed and is considered safe and effective for your medical condition, we will not require you to try a *drug* other than the one you are currently taking.) If approved, *drugs* requiring prior authorization for benefits will be provided to you after you make the required co-payment.

In order for you to get a *drug* that requires prior authorization, your *physician* must make a written request to us for you to get it using an Outpatient Prescription Drug Prior Authorization of Benefits form. The form can be facsimiled or mailed to us. If your *physician* needs a copy of the form, he or she may call us at 1-800-700-2541 to request one. The form is also available on-line at www.anthem.com/uc.

- We will review it and decide if we will approve benefits within 72 hours. (As soon as we can, based on your medical condition, as *medically necessary*, we may take less than 72 hours to decide if we will approve benefits.) We will tell you and your *physician* what we have decided in writing - by fax to your *physician* and by mail to you.
- If more information is needed to make a decision, or we cannot make a decision for any reason, we will tell your *physician*, within 24 hours after we get the form, what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your *physician* what information is missing within 24 hours, we will tell your *physician* that there is a problem as soon as we know that we cannot respond within 24 hours. In either event, we will tell you and your *physician* that there is a problem – always in writing by facsimile and, when appropriate, by telephone to your *physician* and in writing by mail to you.
- As soon as we can, based on your medical condition, as *medically necessary*, but, not more than 48-hours after we have all the information we need to decide if we will approve benefits, we will tell you and your *physician* what we have decided in writing - by fax to the *physician* and by mail to you.

If the request is not for urgently needed *drugs*, after we get the Outpatient Prescription Drug Prior Authorization of Benefits form:

- Based on your medical condition, as *medically necessary*, we will review it and decide if we will approve benefits within 5 business days. We will tell you and your *physician* what we have decided in writing - by fax to your *physician*, and by mail, to you.
- If more information is needed to make a decision, we will tell your *physician* in writing within 5 business days after we get the request-what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your *physician* what information is missing within 5 business days, we will tell your *physician* that there is a problem as soon as we know that we cannot respond within 5 business days. In any event, we will tell you and your *physician* that there is a problem in writing by facsimile, and when appropriate, by telephone to your *physician*, and in writing to you by mail.
- As soon as we can, based on your medical condition, as *medically necessary*, within 5 business days after we have all the information we need to decide if we will approve benefits, we will tell you and your *physician* what we have decided in writing - by fax to your *physician* and by mail to you.

While we are reviewing the Outpatient Prescription Drug Prior Authorization of Benefits form, a 72 hour emergency supply of medication may be dispensed to you if your *physician* or pharmacist determines that it is appropriate and *medically necessary*. You may have to pay the applicable copayment shown in SUMMARY OF BENEFITS: PRESCRIPTION DRUG BENEFITS: PRESCRIPTION DRUG CO-PAYMENTS for the 72 hour supply of your *drug*. If we approve the request for the *specialty pharmacy drug* after you have received a 72 hour supply, you will receive the remainder of the 30 day supply of the drug with no additional copayment.

If you have any questions regarding whether a *drug* is on our *prescription drug formulary*, or requires prior authorization, please call us at 1-800-700-2541.

If we deny a request for prior authorization of a *drug* that is not part of our *prescription drug formulary* list, you or your prescribing *physician* may appeal our decision by calling us at 1-800-700-2541. If you are dissatisfied with the resolution of your inquiry and want to file a grievance, you may write us at Anthem Blue Cross Life and Health Insurance Company, 21555 Oxnard Street, Woodland Hills, CA 91367, and follow the formal grievance process.

(See the section "Independent Medical Review of Denials of Experimental or Investigative Treatment" (see Table of Contents) for how to ask for a review of your *drug* denial.)
13. Any expense incurred for a *drug* or medication in excess of: (a) the *drug limited fee schedule* for *drugs* dispensed by *non-participating pharmacies*; or (b) the *prescription drug negotiated rate*, for *drugs* dispensed by *participating pharmacies* or through the mail service program.
14. *Drugs* which have not been approved for general use by the Food and Drug Administration. This does not apply to *drugs* that are *medically necessary* for a covered condition.
15. Over-the-counter smoking cessation *drugs*. This does not apply to *medically necessary drugs* that you can only get with a *prescription* under state and federal law.
16. *Drugs* used primarily for cosmetic purposes (e.g., Retin-A for wrinkles). However, this will not apply to the use of this type of *drug* for *medically necessary* treatment of a medical condition other than one that is cosmetic.
17. *Drugs* used primarily for the purpose of treating infertility, unless *medically necessary* for another covered condition.
18. Anorexiants and *drugs* used for weight loss except when used to treat morbid obesity (e.g., diet pills and appetite suppressants).
19. Allergy desensitization products or allergy serum. While not covered under this *prescription drug* benefit, such *drugs* are covered as specified under the "Hospital", "Skilled Nursing Facility", and "Professional Services" provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.
20. Infusion *drugs*, except *drugs* that are self-administered subcutaneously. While not covered under this *prescription drug* benefit, infusion *drugs* are covered as specified under the "Professional Services" and "Infusion Therapy or Home Infusion Therapy" provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.

21. Herbal supplements, nutritional and dietary supplements. However, formulas prescribed by a *physician* for the treatment of phenylketonuria that are obtained from a *pharmacy* are covered as specified under PRESCRIPTION DRUG SERVICES AND SUPPLIES THAT ARE COVERED. Special food products that are not available from a *pharmacy* are covered as specified under the "Special Food Products" provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to the benefit.
22. *Prescription drugs* with a non-prescription (over-the-counter) chemical and dose equivalent except insulin. This does not apply if an over-the-counter equivalent was tried and was ineffective.

COORDINATION OF BENEFITS

If you are covered by more than one group health plan, your benefits under This Plan will be coordinated with the benefits of those Other Plans. These coordination provisions apply separately to each *member*, per *calendar year*, and are largely determined by California law. Any coverage you have for medical or dental benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Definitions" provision.

Allowable Expense is any necessary, reasonable and customary item of expense which is at least partially covered by at least one Other Plan covering the person for whom claim is made. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid.

Benefit Reserve. A Benefit Reserve, if any, for a *calendar year* is created for a *member* under This Plan when a *member* is covered by more than one plan and This Plan is not the Principal Plan based on this Coordination of Benefits (COB) provision. The Benefit Reserve is the amount saved by the plan that is not the Principal Plan for the benefit of the *member*.

The following criteria are used to create a Benefit Reserve:

1. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
2. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered only under This Plan.
3. If This Plan is the Principal Plan, the benefits under This Plan will be determined without taking into account the benefits or services of any Other Plan. When This Plan is the Principal Plan, nothing will be applied to This Plan's Benefit Reserve.

Benefit Reserves for a *member* are not carried forward from one *year* to the next. At the end of each *calendar year*, the Benefit Reserve for a *member* returns to zero and a new Benefit Reserve is created for the next *calendar year*.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;
2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trustee plans, union benefit organization plans, employer organization plans, employee benefit organization plans or self-insured employee benefit plans.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of this *plan* which provides benefits subject to this provision.

EFFECT ON BENEFITS

This provision will apply in determining a person's benefits under This Plan for any *calendar year* if the benefits under This Plan and any Other Plans, exceed the Allowable Expenses for that *calendar year*.

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
3. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.

EFFECT OF THE BENEFIT RESERVE ON PLAN BENEFITS

The Benefit Reserve provisions will apply if This Plan is not the Principal Plan and the benefits under This Plan and any Other Plan exceed the Allowable Expense for the *calendar year*.

The Benefit Reserve is determined by subtracting the amount the Principal Plan paid from the amount This Plan would have paid had it been the Principal Plan.

When This Plan is not the Principal Plan, the amounts saved, determined on a claim-by-claim basis, are recorded as a benefit reserve and are used to pay Allowable Expenses, not otherwise paid, that are incurred by the *member* during the *calendar year*.

ORDER OF BENEFITS DETERMINATION

The following rules determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision.
2. A plan which covers you as a *member* pays before a plan which covers you as a dependent. But, if you are retired and eligible for Medicare, Medicare pays (a) after the plan which covers you as a dependent of an active employee, but (b) before the plan which covers you as a retired employee.

For example: You are covered as a retired employee under this plan and eligible for Medicare (Medicare would normally pay first). You are also covered as a dependent of an active employee under another plan (in which case Medicare would pay second). In this situation, the plan which covers you as a dependent will pay first and the plan which covers you as a retired employee would pay last.

3. For a dependent *child* covered under plans of two parents, the plan of the parent whose birthday falls earlier in the *calendar year* pays before the plan of the parent whose birthday falls later in the *calendar year*. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

Exception to rule 3: For a dependent *child* of parents who are divorced or separated, the following rules will be used in place of Rule 3:

- a. If the parent with custody of that *child* for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that *child* as a dependent pays first.
- b. If the parent with custody of that *child* for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:
 - i. The plan which covers that *child* as a dependent of the parent with custody.

- ii. The plan which covers that *child* as a dependent of the stepparent (married to the parent with custody).
 - iii. The plan which covers that *child* as a dependent of the parent without custody.
 - iv. The plan which covers that *child* as a dependent of the stepparent (married to the parent without custody).
 - c. Regardless of a and b above, if there is a court decree which establishes a parent's financial responsibility for that *child's* health care coverage, a plan which covers that *child* as a dependent of that parent pays first.
4. The plan covering you as a laid-off or retired employee or as a dependent of a laid-off or retired employee pays after a plan covering you as other than a laid-off or retired employee or the dependent of such a person. But if either plan does not have a provision regarding laid-off or retired employees, provision 6 applies.
5. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays after a plan covering you as an employee, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the Other Plan do not agree under these circumstances with the Order of Benefit Determination provisions of This Plan, this rule will not apply.
6. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same effective date. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility For Timely Notice. We are not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and our liability reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy our liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, we have the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS

Members will receive the full benefits of this *plan*, except for the following:

1. *Members* who are receiving treatment for end-stage renal disease following the first 30 months such *members* are entitled to end-stage renal disease benefits under Medicare; and
2. *Members* who are entitled to Medicare benefits as disabled persons; unless the *members* have a current employment status, as determined by Medicare rules, through a *group* of 100 or more employees (according to OBRA legislation).
3. Retired employees and the spouses of retired employees who are enrolled for Medicare Part A and/or Part B.

In the above cases, *plan* benefits will be based on Medicare allowance minus Medicare payment (\$100 minus \$80 = \$20). *Plan* benefits are then applied to \$20 (80% x \$20 = \$16). In this example, the *member's* responsibility is \$4 (\$20 minus \$16).

Electronic Claims Coordination

If you are covered by Medicare, call us at our Customer Service unit at 1 (888) 209-7975 and tell us your Medicare number. We will load it to our membership system, which will permit us to electronically receive your Medicare EOB. This will allow us to generate your UC benefit without you having to submit a claim to us.

UTILIZATION REVIEW PROGRAM

Benefits are provided only for *medically necessary* and appropriate services. Utilization Review is designed to work together with you and your provider to ensure you receive appropriate medical care and avoid unexpected out of pocket expense.

No benefits are payable, however, unless your coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms and requirements of this *plan*.

Important: The Utilization Review Program requirements described in this section do not apply when coverage under this *plan* is secondary to another plan providing benefits for you or your *family members*.

The utilization review program evaluates the medical necessity and appropriateness of care and the setting in which care is provided. You and your *physician* are advised if we have determined that services can be safely provided in an outpatient setting, or if an inpatient *stay* is recommended. Services that are *medically necessary* and appropriate are certified by us and monitored so that you know when it is no longer *medically necessary* and appropriate to continue those services.

It is your responsibility to see that your *physician* starts the utilization review process before scheduling you for any service subject to the utilization review program. If you receive any such service, and do not follow the procedures set forth in this section, your benefits will be reduced as shown in the "Effect on Benefits".

UTILIZATION REVIEW REQUIREMENTS

Utilization reviews are conducted for the following services:

- All inpatient *hospital stays*.
- Organ and tissue transplants.
- Transplant travel expense.
- Home infusion therapy.
- Admissions to a *skilled nursing facility*.
- Splint therapy services or surgical treatment for disorders or conditions of the joints linking the jawbones and the skull.
- Outpatient private duty nursing care services.

Exceptions: Utilization review is not required for inpatient *hospital stays* for the following services:

- Maternity care of 48 hours or less following a normal delivery or 96 hours or less following a cesarean section; and
- Mastectomy and lymph node dissection.

The stages of utilization review are:

1. **Pre-service review** determines in advance the medical necessity and appropriateness of certain procedures or admissions and the appropriate length of stay, if applicable. Pre-service review is required for the following services:
 - Scheduled, non-emergency inpatient *hospital stays* (except inpatient *stays* for maternity care or mastectomy and lymph node dissection).
 - Organ and tissue transplants.

- Transplant travel expenses.
 - Home infusion therapy.
 - Admissions to a *skilled nursing facility*.
 - Splint therapy services or surgical treatment for disorders or conditions of the joints linking the jawbones and the skull.
 - Outpatient private duty nursing care services.
2. **Concurrent review** determines whether services are *medically necessary* and appropriate when we are notified while service is ongoing, for example, an *emergency* admission to the *hospital*.
 3. **Retrospective review** is performed to review services that have already been provided. This applies in cases when pre-service or concurrent review was not completed, or in order to evaluate and audit medical documentation subsequent to services being provided. Retrospective review may also be performed for services that continued longer than originally certified.

EFFECT ON BENEFITS

In order for the full benefits of this *plan* to be payable, the following criteria must be met:

1. The appropriate utilization reviews must be performed in accordance with this *plan*. When pre-service review is not performed as required for an inpatient *hospital stay*, the benefits to which you would have been otherwise entitled **will be subject to the Non-Certification Deductible shown in the SUMMARY OF BENEFITS**.

When pre-service review is not performed for the other services listed below, the benefits to which you would have been otherwise entitled **will be reduced by \$200 for each occurrence**. In addition, services for organ and tissue transplants are **not covered** when performed by a *non-participating provider*.

2. When pre-service review is performed and the admission, procedure or service is determined to be *medically necessary* and appropriate, benefits will be provided for the following:
 - Scheduled, non-emergency inpatient *hospital stays*.
 - Authorizations for organ and tissue transplants will be provided only if the *physicians* on the surgical team and the facility in which the transplant is to take place are approved for the transplant requested.
 - Transplant travel expense benefits if all of the following criteria are met:
 - a. It is for transplantation of liver, heart, heart-lung, lung, kidney-pancreas or bone marrow, including autologous bone marrow transplant, peripheral stem cell replacement and similar procedures, authorized by us;
 - b. The organ transplant must be performed at a transplant center approved by us; and
 - c. The transplant center is 250 miles or more from the recipient or donor's home.
 - Services of a home infusion therapy provider if the attending *physician* has submitted both a prescription and a plan of treatment before services are rendered.
 - Services provided in a *skilled nursing facility* if you require daily skilled nursing or rehabilitation, as certified by your attending *physician*.
 - Splint therapy services or surgical treatment for disorders or conditions of the joints linking the jawbones and the skull if the services are *medically necessary* and appropriate and likely to result in a significant improvement in your condition.

- Outpatient private duty nursing care services will be provided only if the following criteria are met:
 - a. The services are *medically necessary* and appropriate and can be safely provided in the *member's* home, as certified by the attending *physician*.
 - b. The attending *physician* manages and directs the *member's* medical care at home.
 - c. The attending *physician* must establish a definitive treatment plan which must be consistent with the *member's* medical needs and must list the services to be provided by the licensed nurse (R.N., L.P.N. or L.V.N.).
- 3. Services for an *inpatient hospital stay* that are not reviewed prior to or during service delivery will be reviewed retrospectively when the bill is submitted for benefit payment. If that review results in the determination that part or all of the services were not *medically necessary* and appropriate, benefits will not be paid for those services. Remaining benefits will be subject to previously noted reductions that apply when the required reviews are not obtained.

HOW TO OBTAIN UTILIZATION REVIEWS

Remember, it is always your responsibility to confirm that the review has been performed. If the review is not performed your benefits will be reduced as shown in the "Effect on Benefits".

Pre-service Reviews. Penalties will result for failure to obtain pre-service review, before receiving scheduled services, as follows:

1. For all scheduled services that are subject to utilization review, you or your *physician* must initiate the pre-service review at least five working days prior to when you are scheduled to receive services. The toll-free telephone number for pre-service reviews is printed on your identification card.
2. If you do not receive the certified service within 60 days of the certification, or if the nature of the service changes, a new pre-service review must be obtained.
3. We will certify services that are *medically necessary* and appropriate. For inpatient *hospital stays*, we will, if appropriate, certify a specific length of *stay* for approved services. You, your *physician* and the provider of the service will receive a written confirmation showing this information.

Concurrent Reviews

1. If pre-service review was not performed, you or the provider of the service must contact us for concurrent review. For an *emergency* admission or procedure, we must be notified within one working day of the admission or procedure. The toll-free number is printed on your identification card.
2. When we determine that the service is *medically necessary* and appropriate, we will, depending upon the type of treatment or procedure, certify the service for a period of time that is medically appropriate. We will also determine the medically appropriate setting.
3. If we determine that the service is not *medically necessary* and appropriate, your *physician* will be notified by telephone no later than 24 hours following our decision. We will send written notice to you and your *physician* within two business days following our decision. However, care will not be discontinued until your *physician* has been notified and a plan of care that is appropriate for your needs has been agreed upon.

Retrospective Reviews

1. Retrospective review is performed when we are not notified of the service you received, and are therefore unable to perform the appropriate review prior to your discharge from the *hospital* or completion of outpatient treatment. It is also performed when pre-service or concurrent review has been done, but services continue longer than originally certified.

It may also be performed for the evaluation and audit of medical documentation after services have been provided, whether or not pre-service or concurrent review was performed.

2. Such services which have been retroactively determined to not be *medically necessary* and appropriate will be retrospectively denied certification. If it is retroactively determined that benefits are not certifiable, the non-certification deductible will apply. (See SUMMARY OF BENEFITS.)

THE MEDICAL NECESSITY REVIEW PROCESS

We work with you and your health care providers to cover *medically necessary* and appropriate care and services. While the types of services requiring review and the timing of the reviews may vary, we are committed to ensuring that reviews are performed in a timely and professional manner. The following information explains our review process.

1. A decision on the medical necessity of a pre-service request will be made no later than 5 business days from receipt of the information reasonably necessary to make the decision, and based on the nature of your medical condition.
2. A decision on the medical necessity of a pre-service review for a condition that is an imminent and serious threat to the *member's* health including, but not limited to, the potential loss of life, limb, or other major bodily function, we will be made no later than 72 hours from receipt of the information reasonably necessary to make the decision, and based on the nature of your medical condition. (As soon as we can, based on your medical condition, as *medically necessary*, we may take less than 72 hours to decide if we will approve benefits.)
3. A decision on the medical necessity of a concurrent request will be made no later than one business day from receipt of the information reasonably necessary to make the decision, and based on the nature of your medical condition. However, care will not be discontinued until your *physician* has been notified and a plan of care that is appropriate for your needs has been agreed upon.
4. A decision on the medical necessity of a retrospective review will be made and communicated in writing no later than 30 days from receipt of the information necessary to make the decision to you and your *physician*.
5. If we do not have the information we need, we will make every attempt to obtain that information from you or your *physician*. If we are unsuccessful, and a delay is anticipated, we will notify you and your *physician* of the delay and what we need to make a decision. We will also inform you of when a decision can be expected following receipt of the needed information.
6. All pre-service, concurrent and retrospective reviews for medical necessity are screened by clinically experienced, licensed personnel (called "Review Coordinators") using pre-established criteria and our medical policy. These criteria and policies are developed and approved by practicing providers not employed by us, and are evaluated at least annually and updated as standards of practice or technology change. Requests satisfying these criteria are certified as *medically necessary*. Review Coordinators are able to approve most requests.
7. A written confirmation including the specific service determined to be *medically necessary* will be sent to you and your provider no later than 2 business days after the decision, and your provider will be initially notified by telephone within 24 hours of the decision for pre-service and concurrent reviews.

8. If the request fails to satisfy these criteria or medical policy, the request is referred to a Peer Clinical Reviewer. Peer Clinical Reviewers are health professionals clinically competent to evaluate the specific clinical aspects of the request and render an opinion specific to the medical condition, procedure and/or treatment under review. Peer Clinical Reviewers are licensed in California with the same license category as the requesting provider. When the Peer Clinical Reviewer is unable to certify the service, the requesting *physician* is contacted by telephone for a discussion of the case. In many cases, services can be certified after this discussion. If the Peer Clinical Reviewer is still unable to certify the service, your provider will be given the option of having the request reviewed by a different Peer Clinical Reviewer.
9. Only the Peer Clinical Reviewer may determine that the proposed services are not *medically necessary* and appropriate. Your *physician* will be notified by telephone within 24 hours of a decision not to certify and will be informed at that time of how to request reconsideration. Written notice will be sent to you and the requesting provider within two business days of the decision. This written notice will include:
 - an explanation of the reason for the decision,
 - reference of the criteria used in the decision to modify or not certify the request,
 - the name and phone number of the Peer Clinical Reviewer making the decision to modify or not certify the request,
 - how to request reconsideration if you or your provider disagree with the decision.
10. Reviewers may be plan employees or an independent third party we choose at our sole and absolute discretion.
11. You or your *physician* may request copies of specific criteria and/or medical policy by writing to the address shown on your plan identification card. We disclose our medical necessity review procedures to health care providers through provider manuals and newsletters.

A determination of medical necessity does not guarantee payment or coverage. The determination that services are *medically necessary* is based on the clinical information provided. Payment is based on the terms of your coverage at the time of service. These terms include certain exclusions, limitations, and other conditions. Payment of benefits could be limited for a number of reasons, including:

- The information submitted with the claim differs from that given by phone;
- The service is excluded from coverage; or
- You are not eligible for coverage when the service is actually provided.

PERSONAL CASE MANAGEMENT

The personal case management program enables us to authorize you to obtain medically appropriate care in a more economical, cost-effective and coordinated manner during prolonged periods of intensive medical care. Through a case manager, we have the right to recommend an alternative plan of treatment which may include services not covered under this *plan*. It is not your right to receive personal case management, nor do we have an obligation to provide it; we provide these services at our sole and absolute discretion.

HOW PERSONAL CASE MANAGEMENT WORKS

You may be identified for possible personal case management through the *plan's* utilization review procedures, by the attending *physician*, *hospital* staff, or our claims reports. You or your family may also call us.

Benefits for personal case management will be considered only when all of the following criteria are met:

1. You require extensive long-term treatment;
2. We anticipate that such treatment utilizing services or supplies covered under this *plan* will result in considerable cost;
3. Our cost-benefit analysis determines that the benefits payable under this *plan* for the alternative plan of treatment can be provided at a lower overall cost than the benefits you would otherwise receive under this *plan* while maintaining the same standards of care; and
4. You (or your legal guardian) and your *physician* agree, in a letter of agreement, with our recommended substitution of benefits and with the specific terms and conditions under which alternative benefits are to be provided.

Alternative Treatment Plan. If we determine that your needs could be met more efficiently, an alternative treatment plan may be recommended by your health care professionals. This may include providing benefits not otherwise covered under this *plan*. A case manager will review the medical records and discuss your treatment with the attending *physician*, you, and your family.

We make treatment recommendations only; any decision regarding treatment belongs to you and your *physician*. The *group* will not compromise your freedom to make such decisions.

EFFECT ON BENEFITS

1. Any alternative benefits are accumulated toward the Lifetime Maximum.
2. Benefits are provided for an alternative treatment plan on a case-by-case basis only. We have absolute discretion in deciding whether or not to authorize services in lieu of benefits for any *member*, which alternatives may be offered and the terms of the offer.
3. Any authorization of services in lieu of benefits in a particular case in no way commits us to do so in another case or for another *member*.
4. The personal case management program does not prevent us from strictly applying the expressed benefits, exclusions and limitations of this *plan* at any other time or for any other *member*.

Note: We reserve the right to use the services of one or more third parties in the performance of the services outlined in the letter of agreement. No other assignment of any rights or delegation of any duties by either party is valid without the prior written consent of the other party.

DISAGREEMENTS WITH MEDICAL MANAGEMENT DECISIONS

1. If you or your *physician* disagree with a decision, or question how it was reached, you or your *physician* may request reconsideration. Requests for reconsideration (either by telephone or in writing) must be directed to the reviewer making the determination. The address and the telephone number of the reviewer are included on your written notice of determination. Written requests must include medical information that supports the medical necessity of the services.
2. If you, your representative, or your *physician* acting on your behalf find the reconsidered decision still unsatisfactory, a request for an appeal of a reconsidered decision may be submitted in writing to us.
3. If the appeal decision is still unsatisfactory, your remedy may be binding arbitration. (See BINDING ARBITRATION.)

QUALITY ASSURANCE

Utilization review programs are monitored, evaluated, and improved on an ongoing basis to ensure consistency of application of screening criteria and medical policy, consistency and reliability of decisions by reviewers, and compliance with policy and procedure including but not limited to timeframes for decision making, notification and written confirmation. Our Board of Directors is responsible for medical necessity review processes through its oversight committees including the Strategic Planning Committee, Quality Management Committee, and Physician Relations Committee. Oversight includes approval of policies and procedures, review and approval of self-audit tools, procedures, and results. Monthly process audits measure the performance of reviewers and Peer Clinical Reviewers against approved written policies, procedures, and timeframes. Quarterly reports of audit results and, when needed, corrective action plans are reviewed and approved through the committee structure.

EXTENSION OF BENEFITS

If you are a *totally disabled employee* or a *totally disabled family member* and under the treatment of a *physician* on the date of discontinuance of the *agreement*, your benefits may be continued for treatment of the totally disabling condition. This extension of benefits is not available if you become covered under another group health plan that provides coverage without limitation for your disabling condition. Extension of benefits is subject to the following conditions:

1. If you are confined as an inpatient in a *hospital* or *skilled nursing facility*, you are considered totally disabled as long as the inpatient *stay* is *medically necessary*, and no written certification of the total disability is required. If you are discharged from the *hospital* or *skilled nursing facility*, you may continue your total disability benefits by submitting written certification by your *physician* of the total disability within 90 days of the date of your discharge. Thereafter, we must receive proof of your continuing total disability at least once every 90 days while benefits are extended.
2. If you are not confined as an inpatient but wish to apply for total disability benefits, you must do so by submitting written certification by your *physician* of the total disability. We must receive this certification within 90 days of the date coverage ends under this *plan*. At least once every 90 days while benefits are extended, we must receive proof that your total disability is continuing.
3. Your extension of benefits will end when any one of the following circumstances occurs:
 - a. You are no longer totally disabled.
 - b. The maximum benefits available to you under this *plan* are paid.
 - c. You become covered under another group health plan that provides benefits without limitation for your disabling condition.
 - d. A period of up to 12 months has passed since your extension began.

HIPAA COVERAGE AND CONVERSION

If your coverage for medical benefits under this *plan* ends, you may be eligible to enroll for coverage with any carrier or health plan that offers individual medical coverage. HIPAA coverage and conversion coverage are available upon request if you meet the requirements stated below. Both HIPAA coverage and conversion are available for medical benefits only. Please note that the benefits and cost of these plans will differ from your current employer's *plan*.

HIPAA Coverage

The Health Insurance Portability and Accountability Act (HIPAA) is a federal law that provides an option for individual coverage when coverage under the employer's group *plan* ends. To be eligible for HIPAA coverage, you must meet all of the following requirements:

1. You must have a minimum of 18 months of continuous health coverage, most recently under an employer-sponsored health plan, and have had coverage within the last 63 days.
2. Your most recent coverage was not terminated due to nonpayment of premiums or fraud.
3. If continuation of coverage under the employer *plan* was available under COBRA, CalCOBRA, or a similar state program including Senior COBRA, such coverage must have been elected and exhausted.
4. You must not be eligible for Medicare, Medicaid, or any group medical coverage and cannot have other medical coverage.

You must apply for HIPAA coverage within 63 days of the date your coverage under the employer's *plan* ends. Any carrier or health plan that offers individual medical coverage must make HIPAA coverage available to qualified persons without regard to health status. If you decide to enroll in HIPAA coverage, you will no longer qualify for conversion coverage.

Conversion Coverage

To apply for a conversion plan, you must submit an application to us and make the first premium payment within 63 days of the date your coverage under the employer's *plan* ends. Under certain circumstances you are not eligible for a conversion plan. They are:

1. You are not eligible if your coverage under this *plan* ends because the *plan* terminates and is replaced by another group plan within 15 days.
2. You are not eligible if your coverage under this *plan* ends because the premium is not paid when due because you (or the *subscriber* who enrolled you as a dependent) did not contribute your part, if any.
3. You are not eligible for a conversion plan if you are eligible for health coverage under another group plan when your coverage ends.
4. You are not eligible for a conversion plan if you are eligible for Medicare coverage when your coverage under this *plan* ends, whether or not you have actually enrolled in Medicare.
5. You are not eligible for a conversion plan if you are covered under an individual health plan.
6. You are not eligible for a conversion plan if you were not covered for medical benefits under the *plan* for three consecutive months immediately prior to the termination of your coverage.

The three consecutive month period of coverage requirement will be waived for *members* who have been covered under another UC plan then switch to this *plan* during an Open Enrollment and need to convert prior to being covered for three consecutive months under this *plan*.

If you decide to enroll in a conversion plan, you will no longer qualify for HIPAA coverage.

IMPORTANT: The intention of conversion coverage is not to replace the coverage you have under this *plan*, but to make available to you a specified amount of coverage for medical benefits until you can find a replacement. The conversion plan provides lesser benefits than this *plan* and the provisions and rates differ.

When coverage under your employer's group *plan* ends, you will receive more information about how to apply for HIPAA coverage or conversion, including a postcard for requesting an application and a telephone number to call if you have any questions.

CERTIFICATION OF CREDITABLE COVERAGE

In accordance with the statutory requirements of the Health Insurance Portability and Accountability Act of 1996 and Section 1357.51 of the California Health and Safety Code, we will provide certifications of periods of creditable coverage for *members* whose coverage under the *plan* terminates.

We will also provide a certificate of creditable coverage in response to your request, or to a request made on your behalf, at any time while you are covered under this *plan* and up to 24 months after your coverage under this *plan* ends. The certificate of creditable coverage documents your coverage under this *plan*. To request a certificate of creditable coverage, please call the customer service telephone number listed on your ID card.

GENERAL PROVISIONS

Providing of Care. We are not responsible for providing any type of *hospital*, medical or similar care, nor are we responsible for the quality of any such care received.

Independent Contractors. Our relationship with providers is that of an independent contractor. *Physicians*, and other health care professionals, *hospitals*, *skilled nursing facilities* and other community agencies are not our agents nor are we, or any of our employees, an employee or agent of any *hospital*, medical group or medical care provider of any type.

Non-Regulation of Providers. The benefits of this *plan* do not regulate the amounts charged by providers of medical care, except to the extent that rates for covered services are regulated with *participating providers*.

Blue Cross and/or Blue Shield Providers. When you obtain covered health care services, the amount you pay, if it is not a flat dollar amount, is usually calculated on the lower of the:

- The billed charges for your covered services, or;
- The negotiated price that the on-site Blue Cross and/or Blue Shield Licensee (“Host Blue”) passes on to us.

Often, this “negotiated price,” referred to above, will consist of a simple discount which reflects the actual price paid by the Host Blue. But sometimes it is an estimated price that factors in expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care provider or with a specified group of providers. The negotiated price may also be billed charges reduced to reflect **average** expected savings with your health care provider or with a specified group of providers. If the negotiated price reflects average expected savings, it may result in greater variation (more or less) from the actual price paid than will the estimated price. The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. Regardless of how the negotiated price is determined, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating *member* liability for covered services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state statutes mandate *member* liability calculation methods that differ from the usual BlueCard Program method noted above in the second paragraph of this section or require a surcharge, we would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

Providers available to you through the BlueCard Program have not entered into contracts with Anthem Blue Cross Life and Health. If you have any questions or complaints about the BlueCard Program, please call us at the customer service telephone number listed on your ID card.

Terms of Coverage

1. In order for you to be entitled to benefits under the *agreement*, both the *agreement* and your coverage under the *agreement* must be in effect on the date the expense giving rise to a claim for benefits is incurred.
2. The benefits to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for benefits is incurred. An expense is incurred on the date you receive the service or supply for which the charge is made.
3. The *agreement* is subject to amendment, modification or termination according to the provisions of the *agreement* without your consent or concurrence.

Protection of Coverage. We do not have the right to cancel your coverage under this *plan* while: (1) this *plan* is in effect; (2) you are eligible; and (3) your premiums are paid according to the terms of the *agreement*.

Free Choice of Provider. This *plan* in no way interferes with your right as a *member* entitled to *hospital* benefits to select a *hospital*. You may choose any *physician* who holds a valid *physician* and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the *hospital* where services are received. You may also choose any other health care professional or facility which provides care covered under this *plan*, and is properly licensed according to appropriate state and local laws. But your choice may affect the benefits payable according to this *plan*.

Continuity of Care after Termination of Provider: Subject to the terms and conditions set forth below, we will provide benefits at the *participating provider* level for covered services (subject to applicable copayments, coinsurance, deductibles and other terms) received from a provider at the time the provider's contract is terminated by a Blue Cross or Blue Shield plan (unless the provider's contract is terminated for reasons of medical disciplinary cause or reason, fraud, or other criminal activity). This does not apply to a provider who voluntarily terminates his or her contract.

You must be under the care of the *participating provider* at the time the provider's contract terminates. The terminated provider must agree in writing to provide services to you in accordance with the terms and conditions of his or her agreement with the Blue Cross or Blue Shield plan prior to termination. The provider must also agree in writing to accept the terms and reimbursement rates under his or her agreement with the Blue Cross or Blue Shield plan prior to termination. If the provider does not agree with these contractual terms and conditions, we are not required to continue the provider's services beyond the contract termination date.

We will provide such benefits for the completion of covered services by a terminated provider only for the following conditions:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of covered services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by us in consultation with you and the terminated provider and consistent with good professional practice. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of covered services shall be provided for the duration of the pregnancy.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of covered services shall be provided for the duration of the terminal illness.
5. The care of a newborn *child* between birth and age thirty-six (36) months. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.

6. Performance of a surgery or other procedure that we have authorized as part of a documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the date the provider's contract terminates.

Please contact customer service at the telephone number listed on your ID card to request continuity of care or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Continuity of care does not provide coverage for services not otherwise covered under the *plan*.

We will notify you by telephone, and the provider by telephone and fax, as to whether or not your request for continuity of care is approved. If approved, you will be financially responsible only for applicable deductibles, coinsurance, and copayments under the *plan*. Financial arrangements with terminated providers are negotiated on a case-by-case basis. We will request that the terminated provider agree to accept reimbursement and contractual requirements that apply to *participating providers*, including payment terms. If the terminated provider does not agree to accept the same reimbursement and contractual requirements, we are not required to continue that provider's services. If you disagree with our determination regarding continuity of care, you may file a complaint with us as described in the COMPLAINT NOTICE.

Medical Necessity. The benefits of this *plan* are provided only for services which are *medically necessary*. The services must be ordered by the attending *physician* for the direct care and treatment of a covered condition. They must be standard medical practice where received for the condition being treated and must be legal in the United States.

Expense in Excess of Benefits. We are not liable for any expense you incur in excess of the benefits of this *plan*.

Benefits Not Transferable. Only *members* are entitled to receive benefits under this *plan*. The right to benefits cannot be transferred.

Notice of Claim. You, or someone on your behalf, must give us written notice of a claim within 20 days after you incur *covered expense* under this plan, or as soon as reasonably possible thereafter.

Claim Forms. After we receive a written notice of claim, we will give you any forms you need to file proof of loss. If we do not give you these forms within 15 days after you have filed your notice of claim, you will not have to use these forms, and you may file proof of loss by sending us written proof of the occurrence giving rise to the claim. Such written proof must include the extent and character of the loss.

Proof of Loss. You or the provider of service must send us properly and fully completed claim forms within 90 days of the date you receive the service or supply for which a claim is made. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed. Except in the absence of legal capacity, we are not liable for the benefits of the *plan* if you do not file claims within the required time period. We will not be liable for benefits if we do not receive written proof of loss on time.

Services received and charges for the services must be itemized, and clearly and accurately described. Claim forms must be used; canceled checks or receipts are not acceptable.

Timely Payment of Claims. Any benefits due under this *plan* shall be due once we have received proper, written proof of loss, together with such reasonably necessary additional information we may require to determine our obligation.

Payment to Providers. The benefits of this *plan* will be paid directly to *participating providers* and medical transportation providers. We will pay hospitals and other providers of service directly when *emergency* services and care are provided to you or one of your *family members*. We will continue such direct payment until the *emergency* care results in stabilization. Also, we will pay other providers of service directly when you assign benefits in writing. If another party pays for your medical care and you assign benefits in writing, we will pay the benefits of this *plan* to that party. These payments will fulfill our obligation to you for those covered services.

Exception: Under certain circumstances we will pay the benefits of this *plan* directly to a provider or third party even without your assignment of benefits in writing. To receive direct payment, the provider or third party must provide us the following:

1. Proof of payment of medical services and the provider's itemized bill for such services;
2. If the *subscriber* does not reside with the patient, either a copy of the judicial order requiring the *subscriber* to provide coverage for the patient or a state approved form verifying the existence of such judicial order which would be filed with us on an annual basis;
3. If the *subscriber* does not reside with the patient, and if the provider is seeking direct reimbursement, an itemized bill with the signature of the custodian or guardian certifying that the services have been provided and supplying on an annual basis, either a copy of the judicial order requiring the *subscriber* to provide coverage for the patient or a state approved form verifying the existence of such judicial order;
4. The name and address of the person to be reimbursed, the name and policy number of the *subscriber*, the name of the patient, and other necessary information related to the coverage.

Right of Recovery. When the amount we paid exceeds our liability under this *plan*, we have the right to recover the excess amount. This amount may be recovered from you, the person to whom payment was made or any other plan.

Plan Administrator - COBRA. In no event will we be plan administrator for the purposes of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA). The term "plan administrator" refers either to the *group* or to a person or entity other than us, engaged by the *group* to perform or assist in performing administrative tasks in connection with the *group's* health plan. In providing notices and otherwise performing under the CONTINUATION OF COVERAGE section of this booklet, the *group* is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as your agent.

Workers' Compensation Insurance. The *agreement* does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Entire Contract. This certificate, including any amendments and endorsements to it, is a summary of your benefits. It replaces any older certificates issued to you for the coverages described in the Summary of Benefits. All benefits are subject in every way to the entire *agreement* which includes this certificate. The terms of the *agreement* may be changed only by a written endorsement signed by one of our authorized officers. No agent or employee has any authority to change any of the terms, or waive the provisions of, the *agreement*.

Liability for Statements. No statements made by you, unless they appear on a written form signed by you or are fraudulent, will be used to deny a claim under the *agreement*. Statements made by you will not be deemed warranties. With regard to each statement, no statement will be used by us in defense to a claim unless it appears in a written form signed by you and then only if a copy has been furnished to you. After two years following the filing of such claim, if the coverage under which such claim is filed has been in force during that time, no such statement will be used to deny such a claim, unless the statement is fraudulent.

Physical Examination. At our expense, we have the right and opportunity to examine any *member* claiming benefits when and as often as reasonably necessary while a claim is pending.

Legal Actions. No attempt to recover on the *plan* through legal or equity action may be made until at least 60 days after the written proof of loss has been furnished as required by this *plan*. No such action may be started later than three years from the time written proof of loss is required to be furnished.

Conformity with Laws. Any provision of the *agreement* which, on its effective date, is in conflict with the laws of the governing jurisdiction, is hereby amended to conform to the minimum requirements of such laws.

INDEPENDENT MEDICAL REVIEW OF DENIALS OF EXPERIMENTAL OR INVESTIGATIVE TREATMENT

If coverage for a proposed treatment is denied because we determine that the treatment is *experimental* or *investigative*, you may ask that the denial be reviewed by an external independent medical review organization contracting with the California Department of Insurance ("CDI"). Your request for this review may be submitted to the CDI. You pay no application or processing fees of any kind for this review. You have the right to provide information in support of your request for review. A decision not to participate in this review process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service. We will send you an application form and an addressed envelope for you to use to request this review with any grievance disposition letter denying coverage for this reason. You may also request an application form by calling us at the telephone number listed on your identification card or write to us at Anthem Blue Cross Life and Health Insurance Company, 21555 Oxnard Street, Woodland Hills, CA 91367. To qualify for this review, all of the following conditions must be met:

- You have a life-threatening or seriously debilitating condition, described as follows:
 - ◆ A life-threatening condition is a condition or disease where the likelihood of death is high unless the course of the disease is interrupted or a condition or disease with a potentially fatal outcome where the end point of clinical intervention is the patient's survival.
 - ◆ A seriously debilitating condition is a disease or condition that causes major, irreversible morbidity.
- Your *physician* must certify that either (a) standard treatment has not been effective in improving your condition, (b) standard treatment is not medically appropriate, or (c) there is no more beneficial standard treatment covered by this *plan* than the proposed treatment.
- The proposed treatment must either be:
 - ◆ Recommended by a *participating provider* who certifies in writing that the treatment is likely to be more beneficial than standard treatments, or
 - ◆ Requested by you or by a licensed board certified or board eligible *physician* qualified to treat your condition. The treatment requested must be likely to be more beneficial for you than standard treatments based on two documents of scientific and medical evidence from the following sources:
 - a) Peer-reviewed scientific studies published in medical journals with nationally recognized standards;
 - b) Medical literature meeting the criteria of the National Institute of Health's National Library of Medicine for indexing in Index Medicus, Excerpta Medica, Medline, and MEDLARS database Health Services Technology Assessment Research;
 - c) Medical journals recognized by the Secretary of Health and Human Services, under Section 1861(t)(2) of the Social Security Act;
 - d) The American Hospital Formulary Service-Drug Information, the American Medical Association Drug Evaluation, the American Dental Association Accepted Dental Therapeutics, and the United States Pharmacopoeia-Drug Information;
 - e) Findings, studies or research conducted by or under the auspices of federal governmental agencies and nationally recognized federal research institutes; and
 - f) Peer reviewed abstracts accepted for presentation at major medical association meetings.

In all cases, the certification must include a statement of the evidence relied upon.

You are not required to go through our grievance process for more than 30 days. If your grievance needs expedited review, you are not required to go through our grievance process for more than three days.

You must request this review within six months of the date you receive a denial notice from us in response to your grievance, or from the end of the 30 day or three day grievance period, whichever applies. This application deadline may be extended by the CDI for good cause.

Within three business days of receiving notice from the CDI of your request for review we will send the reviewing panel all relevant medical records and documents in our possession, as well as any additional information submitted by you or your *physician*. Any newly developed or discovered relevant medical records identified by us or by a *participating provider* after the initial documents are sent will be immediately forwarded to the reviewing panel. The external independent review organization will complete its review and render its opinion within 30 days of its receipt of request for review (or within seven days if your *physician* determines that the proposed treatment would be significantly less effective if not provided promptly). This timeframe may be extended by up to three days for any delay in receiving necessary records.

INDEPENDENT MEDICAL REVIEW OF GRIEVANCES INVOLVING A DISPUTED HEALTH CARE SERVICE

You may request an independent medical review ("IMR") of disputed health care services from the California Department of Insurance ("CDI") if you believe that we have improperly denied, modified, or delayed health care services. A "disputed health care service" is any health care service eligible for coverage and payment under your *plan* that has been denied, modified, or delayed by us, in whole or in part because the service is not *medically necessary*.

The IMR process is in addition to any other procedures or remedies that may be available to you. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. We must provide you with an IMR application form and an addressed envelope for you to use to request IMR with any grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service.

Eligibility: The CDI will review your application for IMR to confirm that:

1. (a) Your provider has recommended a health care service as *medically necessary*, or
(b) You have received urgent care or *emergency services* that a provider determined was *medically necessary*, or
(c) You have been seen by a *participating provider* for the diagnosis or treatment of the medical condition for which you seek independent review;
2. The disputed health care service has been denied, modified, or delayed by us, based in whole or in part on a decision that the health care service is not *medically necessary*; and
3. You have filed a grievance with us and the disputed decision is upheld or the grievance remains unresolved after 30 days. If your grievance requires expedited review you need not participate in our grievance process for more than three days. The CDI may waive the requirement that you follow our grievance process in extraordinary and compelling cases.

You must apply for IMR within six months of the date you receive a denial notice from us in response to your grievance or from the end of the 30 day or three day grievance period, whichever applies. This application deadline may be extended by the CDI for good cause.

If your case is eligible for IMR, the dispute will be submitted to a medical specialist or specialists who will make an independent determination of whether or not the care is *medically necessary*. You will receive a copy of the assessment made in your case. If the IMR determines the service is *medically necessary*, we will provide benefits for the health care service.

For non-urgent cases, the IMR organization designated by the CDI must provide its determination within 30 days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including, but not limited to, serious pain, the potential loss of life, limb, or major bodily function, or the immediate and serious deterioration of your health, the IMR organization must provide its determination within 3 days.

For more information regarding the IMR process, or to request an application form, please call us at the customer service telephone number listed on your ID card.

BINDING ARBITRATION

THIS PROVISION DOES NOT APPLY TO CLASS ACTIONS

ALL DISPUTES INCLUDING, BUT NOT LIMITED TO, DISPUTES RELATING TO THE DELIVERY OF SERVICES UNDER THE *PLAN* OR ANY OTHER ISSUES RELATED TO THE *PLAN* AND CLAIMS OF MEDICAL MALPRACTICE MUST BE RESOLVED BY BINDING ARBITRATION IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT. California Health & Safety Code section 1363.1 requires specific disclosures in this regard including the following notice: "It is understood that any dispute as to medical malpractice, that is, whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, acknowledge that they are giving up their constitutional right to have any and all disputes, including medical malpractice claims, decided in a court of law before a jury, and instead are accepting the use of arbitration." THE *MEMBER* AND ANTHEM BLUE CROSS LIFE AND HEALTH AGREE TO BE BOUND BY THIS BINDING ARBITRATION PROVISION AND ACKNOWLEDGE THAT THE RIGHT TO A JURY TRIAL IS WAIVED FOR BOTH DISPUTES RELATING TO THE DELIVERY OF SERVICES UNDER THE *PLAN* OR ANY OTHER ISSUES RELATED TO THE *PLAN* AND MEDICAL MALPRACTICE CLAIMS.

The Federal Arbitration Act will govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate will apply.

The arbitration findings will be final and binding except to the extent that state or Federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the *member* making written demand on Anthem Blue Cross Life and Health. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS") according to its applicable Rules and Procedures. If, for any reason, JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the *member* and Anthem Blue Cross Life and Health, or by order of the court, if the *member* and Anthem Blue Cross Life and Health cannot agree.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to which the parties have agreed, in which cases, Anthem Blue Cross Life and Health will assume all or a portion of the costs of the arbitration.

Please send all Binding Arbitration demands in writing to Anthem Blue Cross Life and Health Insurance Company, 21555 Oxnard Street, Woodland Hills, CA 91367 marked to the attention of the Customer Service Department listed on your identification card.
