Medical Benefit Summary Notes

Member Deductible

The *calendar year deductible per individual* is shown on the SUMMARY OF BENEFITS. Each *year*, you will be responsible for satisfying the *member calendar year deductible* amount before the *plan* begins to pay *benefits*. The family deductible is non-embedded meaning the cost shares of all *family members* apply to one shared family *deductible*. The *individual deductible* only applies to *individuals* enrolled under single coverage. If *members* of an enrolled family pay *deductible* expense in a *year* equal to the family *deductible*, the *calendar year deductible* for all *family members* will be considered to have been met.

Member Out-of-Pocket Maximum

1. The per *individual* and per family Out-of-Pocket Maximum responsibility each *calendar year* for *covered services* rendered by an *Anthem Prudent Buyer Providers and Other Healthcare Providers* is shown on the SUMMARY OF BENEFITS.
2. The per *individual* and per family Out-of-Pocket Maximum responsibility each *calendar year* for *covered services* rendered by *Out-of-Network Providers* is shown on the SUMMARY OF BENEFITS.

After a *member* has made the total out-of-pocket payments for covered medical and prescription drug services and supplies during a *calendar year*, the *member* will no longer be required to pay a *copayment* for the remainder of that *year*, but will remain responsible for costs in excess of the *maximum allowed amount*. The family Out-of-Pocket Maximum is non-embedded meaning the cost shares of all *family members* apply to one shared family Out-of-Pocket Maximum. The *individual* Out-of-Pocket Maximum only applies to individuals enrolled under single coverage.

Note: Expenses and *copayments* you make for non-covered services or supplies or which is in excess of the maximum allowable amount provided by an *Out-of-Network provider* will not be applied to your Out-of-Pocket Maximum.

Copayments

The *member copayment* amounts for *covered services* are shown in the SUMMARY OF BENEFITS. The SUMMARY OF BENEFITS also contains information on benefit and *copayment* maximums and restrictions. In addition to your *copayment*, you will be required to pay any amount in excess of the *maximum allowed amount* for the services of *Other Health Care Provider* or *Out-of-Network Provider*.

- Your *copayment* for the following services for *Out-of-Network Providers* will be the same as for *Anthem Prudent Buyer Providers* if services are authorized. You may be responsible for charges which exceed the *maximum allowed amount*. See UTILIZATION REVIEW PROGRAM.
 - a. Home health care
 - b. Infusion/Injection therapy
 - c. *Hospice*
 - d. *Skilled nursing facility*
- *Skilled nursing facility* day limit does not apply to *mental health conditions and substance abuse*.

Medical Benefit Maximum. The *plan* will pay for *covered services* and supplies, up to the maximum amounts, or for the maximum number of days or visits as shown on the SUMMARY OF BENEFITS. The *plan* will not make benefit payments for any *member* in excess of any of the Medical Benefit Maximums.

Complete *benefit* descriptions may be found in the Medical Care That Is Covered section. Plan exclusions and limitations may be found in the Medical Care That Is NOT Covered section.

INTRODUCTION

Your *employer* has agreed to be subject to the terms and conditions of Anthem's provider agreements which may include pre-service review and utilization management requirements, coordination of *benefits*, timely filing limits, and other requirements to administer the *benefits* under this *plan*.

The *benefits* of this *plan* are provided only for those services that are considered to be *medically necessary*. The fact that a *physician* prescribes or orders a service does not, in itself, mean that the services is *medically necessary* or that the service is covered under this *plan*. Consult this *benefit booklet* or contact the Anthem Health Guide toll free at (844) 437-0486, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) if you have any questions regarding whether services are covered.

This *plan* contains many important terms (such as “*medically necessary*” and “*maximum allowed amount*”) that are defined in the DEFINITIONS section starting at page 95. When reading through this booklet, consult the DEFINITIONS section to be sure that you understand the meaning of these italicized words.

This *plan* is designed to reduce the cost of health care to you, the *member*. In order to reduce your costs, much greater responsibility is placed on you.

If you have questions about your *benefits*, contact the *claims administrator* before *hospital* or medical services are received.

You should read your *benefit booklet* carefully. Your booklet tells you which services are covered by your health *plan* and which are excluded. It also lists your *copayment* and *deductible* responsibilities.

When you need health care, present your ID card to your *physician*, *hospital*, or other licensed healthcare provider. Your ID card has your participant and group numbers on it. Be sure to include these numbers on all claims you submit to the *claims administrator*.

In order to receive the highest level of *benefits*, you should assure that your *provider* is an *In-Network Provider*.

You are responsible for following the provisions as described in the UTILIZATION REVIEW section of this booklet, including:

1. You or your *physician* must obtain the *claims administrator's* approval at least 5 working days before *hospital* or *skilled nursing facility* admissions for all non-emergency inpatient *hospital* or *skilled nursing facility* services.
2. You or your *physician* must notify the *claims administrator* within 24 hours or by the end of the first business day following *emergency* admissions, or as soon as it is reasonably possible to do so.
3. You or your *physician* must obtain prior authorization in order to determine if contemplated services are covered. See “Types of Reviews” in the UTILIZATION REVIEW section for a listing of services requiring prior authorization.

Failure to meet these responsibilities may result in your incurring a substantial financial liability. Some services may not be covered unless prior review and other requirements are met.

Note: The *claims administrator* will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating *provider* will be notified of the decision within 24 hours followed by written notice to the *provider* and *member* within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of a *member* or when the *member* is experiencing severe pain, the *claims administrator* will respond as soon as possible to accommodate the *member's* condition not to exceed 72 hours from receipt of the request.

Mental Health Parity and Addiction Equity Act. The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or visit limits) on mental health and substance abuse *benefits* with day or visit limits on medical and surgical *benefits*. In general, group health plans offering mental health and substance abuse *benefits* cannot set day/visit limits on mental health or substance abuse *benefits* that are lower than any such day or visit limits for medical and surgical *benefits*.

A plan that does not impose day or visit limits on medical and surgical *benefits* may not impose such day or visit limits on mental health and substance abuse *benefits* offered under the plan.

The Mental Health Parity and Addiction Equity Act also provides for parity in the application of non-quantitative treatment limitations (NQTL). An example of a non-quantitative treatment limitation is a precertification requirement.

Also, the *plan* may not impose deductibles, *copayments* and out of pocket expenses on mental health and substance abuse *benefits* that are more restrictive than deductibles, *copayments* and out of pocket expenses applicable to other medical and surgical *benefits*.

Medical Necessity criteria and other plan documents showing comparative criteria, as well as the processes, strategies, evidentiary standards, and other factors used to apply an NQTL are available upon request.

Second Opinions. If you have a question about your condition or about a plan of treatment which your *physician* has recommended, you may receive a second medical opinion from another *physician*. This second opinion visit will be provided according to the *benefits*, limitations, and exclusions of this *plan*. If you wish to receive a second medical opinion, remember that greater *benefits* are provided when you choose an *Anthem Prudent Buyer Provider*. You may also ask your *physician* to refer you to an *Anthem Prudent Buyer Provider* to receive a second opinion.

Triage or Screening Services. If you have questions about a particular health condition or if you need someone to help you determine whether or not care is needed, triage or screening services are available to you by telephone. Triage or screening services are the evaluation of your health by a *physician* or a nurse who is trained to screen for the purpose of determining the urgency of your need for care. Please contact the 24/7 NurseLine at the telephone number listed on your identification card 24 hours a day, 7 days a week.

After Hours Care. After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. You should call your *physician* for instructions on how to receive medical care after their normal business hours, on weekends and holidays, or to receive non-*emergency* care and non-urgent care within the service area for a condition that is not life threatening but that requires prompt medical attention. If you have an *emergency*, call 911 or go to the nearest emergency room.

All benefits are subject to coordination with benefits.

The *benefits* of this *plan* are subject to the SUBROGATION AND REIMBURSEMENT section.

TYPES OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. THE MEANINGS OF WORDS AND PHRASES IN ITALICS ARE DESCRIBED IN THE SECTION OF THIS BOOKLET ENTITLED DEFINITIONS.

Introduction

Your *plan* is a PPO plan. The *plan* has two sets of *benefits*: In-Network and Out-of-Network. If you choose an *In-Network Provider* as described below, you will pay less in out-of-pocket costs, such as *copayments* and *deductibles*. If you use an *Out-of-Network Provider*, you will have to pay more out-of-pocket costs. Cost sharing for services with *copayments* is the lesser of the *copayment* amount or the *maximum allowed amount*.

Anthem Prudent Buyer Providers in California. The *claims administrator* has made available to *members* a network of various types of *In-Network Providers*. *Anthem Prudent Buyer Providers* are called 'participating' because they have agreed to participate in the *claims administrator's* preferred *provider* organization program (PPO), called the Prudent Buyer Plan. *Anthem Prudent Buyer Providers* have agreed to a rate they will accept as reimbursement for *covered services*. The amount of *benefits* payable under this *plan* will be different for *Out-of-Network Providers* than for *Anthem Prudent Buyer Providers*. See the definition of "*Anthem Prudent Buyer Providers*" in the DEFINITIONS section starting at page 95, for a complete list of the types of *providers* which may be participating providers.

A directory of Anthem Prudent Buyer Providers is available upon request. The directories list *In-Network Providers* in your area, including health care facilities such as *hospitals* and *skilled nursing facilities*, *physicians*, laboratories, and diagnostic x-ray and imaging providers. You may call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) and request for a directory to be sent to you. You may also search for an *Anthem Prudent Buyer Providers* using the "Find a Doctor" function on the *claims administrator's* website at www.anthem.com/ca/uc. The listings include the credentials of *Anthem Prudent Buyer Providers* such as specialty designations and board certification.

If you need details about a *provider's* license or training, or help choosing a *physician* who is right for you, call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

How to Access Primary and Specialty Care Services

Your health *plan* covers care provided by primary care *physicians* and specialty care providers. To see a primary care *physician*, simply visit any *Anthem Prudent Buyer Provider physician* who is a general or family practitioner, internist or pediatrician. Your health *plan* also covers care provided by any *Anthem Prudent Buyer Provider specialty care provider* you choose (certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy) see "Physician," below). Referrals are never needed to visit any *Anthem Prudent Buyer Provider specialty care provider* including a behavioral health care provider.

To make an appointment call your *physician's* office:

- Tell them you are a Prudent Buyer Plan *member*.
- Have your Member ID card handy. They may ask you for your group number, Member ID number, or office visit *copayment*.
- Tell them the reason for your visit.

When you go for your appointment, bring your Member ID card.

After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. Call your *physician* for instructions on how to receive medical care after their normal business hours, on weekends and holidays. This includes information about how to receive non-emergency care and non-

urgent care within the service area for a condition that is not life threatening, but that requires prompt medical attention. If you have an *emergency*, call 911 or go to the nearest emergency room.

In-Network Providers Outside of California

The Blue Cross and Blue Shield Association, of which the *claims administrator* is a member, has a program (called the "BlueCard Program") which allows *our members* to have the reciprocal use of *In-Network Providers* contracted under other states' Blue Cross and/or Blue Shield Licensees (the Blue Cross and/or Blue Shield Plan).

If you are outside of the California service areas, please call the toll free BlueCard Provider Access number on your ID card to find an *In-Network Provider* in the area you are in visit the website <http://provider.bcbs.com/>. A directory of PPO Providers for outside of California is available upon request.

Certain categories of *providers* defined in this *benefit booklet* as *In-Network Providers* may not be available in the Blue Cross and/or Blue Shield Plan in the service area where you receive services. See Medical Benefit Summary Notes section and "Maximum Allowed Amount" in the YOUR MEDICAL BENEFITS section for additional information on how health care services you obtain from such *providers* are covered.

Out-of-Network Providers. *Out-of-network providers* are *providers* which have not agreed to participate in the Prudent Buyer Plan network or the Blue Cross and/or Blue Shield Plan. They have not agreed to the reimbursement rates and other provisions of a Prudent Buyer Plan contract nor the Blue Cross and/or Blue Shield Plan.

The *claims administrator* has processes to review claims before and after payment to detect fraud, waste, abuse and other inappropriate activity. *Members* seeking services from *Out-of-Network Providers* could be *balance billed* by the *Out-of-Network Providers* for those services that are determined to be not payable as a result of these review processes and meets the criteria set forth in any applicable state regulations adopted pursuant to state law. A claim may also be determined to be not payable due to a provider's failure to submit medical records with the claims that are under review in these processes.

Physicians. "*Physician*" means more than an M.D. Certain other practitioners are included in this term as it is used throughout the *plan*. This doesn't mean they can provide every service that a medical doctor could; it just means that the *plan* will cover expense you incur from them when they're practicing within their specialty the same as if the care were provided by a medical doctor. As with the other terms, be sure to read the definition of "*Physician*" to determine which providers' services will be covered. Only *providers* listed in the definition are covered as *physicians*. Please note also that certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy). Providers for whom referral is required are indicated in the definition of "*physician*" by an asterisk (*).

Other Health Care Providers. "Other Health Care Providers" are neither *physicians* nor *hospitals*. They are mostly free-standing facilities or service organizations, such as a certified registered nurse anesthetist or a blood bank. See the definition of "Other Health Care Providers" in the DEFINITIONS section starting at page 95, for a complete list of those providers. *Other Health Care Providers* are not part of the Prudent Buyer Plan *provider* network or the Blue Cross and/or Blue Shield Plan.

Reproductive Health Care Services. Some *hospitals* and other *providers* do not provide one or more of the following services that may be covered under your *plan* and that you or your *family member* might need: family planning; contraceptive services, including *emergency* contraception; sterilization, including tubal ligation at the time of labor and delivery; *infertility* treatments; or abortion. You should obtain more information before you enroll. Call your prospective *physician* or clinic, or call Anthem Health Guide toll free at (844) 437-0486, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) to ensure that you can obtain the health care services that you need.

Centers of Medical Excellence and Blue Distinction Centers. The *claims administrator* is providing access to *Centers of Medical Excellence (CME)* networks and *Blue Distinction Centers for Specialty Care (BDCSC)*. The facilities included in each of these networks are selected to provide the following specified medical services:

- **Transplant Facilities.** Transplant facilities have been organized to provide services for the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Subject to any applicable *copayments* or deductibles, *CME* and *BDCSC* have agreed to a rate they will accept as payment in full for *covered services*. **These procedures are covered only when performed at a *CME* or *BDCSC*.**
- **Bariatric Facilities.** *Hospital* facilities have been organized to provide services for bariatric surgical procedures, such as gastric bypass and other surgical procedures for weight loss programs. **These procedures are covered only when performed at a *BDCSC*.**

An *Anthem Prudent Buyer Provider* in the Prudent Buyer Plan or the Blue Cross and/or Blue Shield Plan network is not necessarily a *CME* or *BDCSC* facility. For additional information, please call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

YOUR MEDICAL BENEFITS

Maximum Allowed Amount

General

This section describes the term *maximum allowed amount* as used in this *benefit booklet*, and what the term means to you when obtaining *covered services* under this *plan*. The *maximum allowed amount* is the total reimbursement payable under your *plan* for *covered services* you receive from *Anthem Prudent Buyer Providers* and *Out-of-Network Providers*. It is the *plan's* payment towards the services billed by your *provider* combined with any *deductible* or *copayment* owed by you. In some cases, you may be required to pay the entire *maximum allowed amount*. For instance, if you have not met your *calendar year deductible* under this *plan*, then you could be responsible for paying the entire *maximum allowed amount* for *covered services*. In addition, if these services are received from an *Out-of-Network Provider*, you may be billed by the *provider* for the difference between its charges and the *maximum allowed amount*. In many situations, this difference could be significant.

Below are two examples, which illustrate how the *maximum allowed amount* works. These examples are for illustration purposes only.

Example: The *plan* has a *member copayment* of 20% for *Anthem Prudent Buyer Provider* services after the *calendar year deductible* has been met.

- The *member* receives services from a participating surgeon. The charge is \$2,000. The *maximum allowed amount* under the *plan* for the surgery is \$1,000. The *member's copayment* responsibility when a participating surgeon is used is 20% of \$1,000, or \$200. This is what the *member* pays. The *plan* pays 80% of \$1,000, or \$800. The participating surgeon accepts the total of \$1,000 as payment for the surgery regardless of the charges.

Example: The *plan* has a *member copayment* of 50% for *Out-of-Network Provider* services after the *calendar year deductible* has been met.

- The *member* receives services from an out-of-network surgeon. The charge is \$2,000. The *maximum allowed amount* under the *plan* for the surgery is \$1,000. The *member's copayment* responsibility when an out-of-network surgeon is used is 50% of \$1,000, or \$500. The *plan* pays the remaining 50% of \$1,000, or \$500. In addition, the out-of-network surgeon could bill the *member* the difference between \$2,000 and \$1,000. So the *member's* total out-of-pocket charge would be \$500 plus an additional \$1,000, for a total of \$1,500.

When you receive *covered services*, the *claims administrator* will, to the extent applicable, apply claim processing rules to the claim submitted. The *claims administrator* uses these rules to evaluate the claim information and determine the accuracy and appropriateness of the procedure and diagnosis codes included in the submitted claim. Applying these rules may affect the *maximum allowed amount* if the *claims administrator* determines that the procedure and/or diagnosis codes used were inconsistent with procedure coding rules and/or reimbursement policies. For example, if your *provider* submits a claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed, the *maximum allowed amount* will be based on the single procedure code.

Provider Network Status

The *maximum allowed amount* may vary depending upon whether the *provider* is an *Anthem Prudent Buyer Provider*, an *Out-of-Network Provider* or *Other Health Care Provider*.

Anthem Prudent Buyer Providers. For *covered services* performed by an *Anthem Prudent Buyer Provider*, the *maximum allowed amount* for this *plan* will be the rate the *Anthem Prudent Buyer Provider* has agreed with the *claims administrator* to accept as reimbursement for the *covered services*. Because *Anthem Prudent Buyer Providers* have agreed to accept the *maximum allowed amount* as payment in full for those *covered services*, they should not send you a bill or collect for amounts above the *maximum allowed amount*. However, you may receive a bill or be asked to pay all or a portion of the *maximum allowed amount* to the extent you have not met your *calendar year deductible* or have a *copayment*. Please call Anthem Health

Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) for help in finding an *Anthem Prudent Buyer Provider* or visit www.anthem.com/ca/uc.

If you go to a *hospital* which is an *Anthem Prudent Buyer Provider*, you should not assume all *providers* in that *hospital* are also *Anthem Prudent Buyer Providers*. To receive the greater *benefits* afforded when *covered services* are provided by an *Anthem Prudent Buyer Provider*, you should request that all your *provider services* (such as services by an anesthesiologist) be performed by *Anthem Prudent Buyer Providers* whenever you enter a *hospital*.

If you are planning to have outpatient surgery, you should first find out if the facility where the surgery is to be performed is an *ambulatory surgical center*. An *ambulatory surgical center* is licensed as a separate facility even though it may be located on the same grounds as a *hospital* (although this is not always the case). If the center is licensed separately, you should find out if the facility is an *Anthem Prudent Buyer Provider* before undergoing the surgery.

Note: If an *Other Health Care Provider* is participating in a Blue Cross and/or Blue Shield Plan at the time you receive services, such *provider* will be considered an *Anthem Prudent Buyer Provider* for the purposes of determining the *maximum allowed amount*.

If a *provider* defined in this *benefit booklet* as an *Anthem Prudent Buyer Provider* is of a type not represented in the local Blue Cross and/or Blue Shield Plan at the time you receive services, such *provider* will be considered an *Out-of-Network Provider* for the purposes of determining the *maximum allowed amount*.

Out-of-Network Providers and Other Health Care Providers.*

Providers who are not in the Prudent Buyer network are *Out-of-Network Providers* or *Other Health Care Providers*, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. For *covered services* you receive from an *Out-of-Network Provider* or *Other Health Care Provider* the *maximum allowed amount* will be based on the applicable *Out-of-Network Provider* rate or fee schedule for this *plan*, an amount negotiated by the *claims administrator* or a third party vendor which has been agreed to by the *Out-of-Network Provider*, an amount derived from the total charges billed by the *Out-of-Network Provider*, or an amount based on information provided by a third party vendor, or an amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the *maximum allowed amount* upon the level or method of reimbursement used by CMS, the *claims administrator* will update such information, which is unadjusted for geographic locality, no less than annually.

Providers who are not contracted for this product, but are contracted for other products, are also considered *Out-of-Network Providers*. For this *plan*, the *maximum allowed amount* for services from these *providers* will be one of the methods shown above unless the provider's contract specifies a different amount.

For *covered services* rendered outside the Anthem Blue Cross service area by *Out-of-Network Providers*, claims may be priced using the local Blue Cross Blue Shield plan's *Out-of-Network Provider* fee schedule / rate or the pricing arrangements required by applicable state or federal law. In certain situations, the *maximum allowed amount* for out of area claims may be based on billed charges, the pricing we would use if the healthcare services had been obtained within the Anthem Blue Cross service area, or a special negotiated price.

Unlike an *Anthem Prudent Buyer Provider*, *Out-of-Network Providers* and *Other Health Care Providers* may send you a bill and collect for the amount of the *Out-of-Network Provider's* or *Other Health Care Provider's* charge that exceeds the *maximum allowed amount* under this *plan*. You may be responsible for paying the difference between the *maximum allowed amount* and the amount the *Out-of-Network Provider* or *Other Health Care Provider* charges. This amount can be significant. Choosing an *Anthem Prudent Buyer Provider* will likely result in lower out of pocket costs to you. Please call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) for help in finding an *Anthem Prudent Buyer Provider* or visit the website www.anthem.com/ca/uc. Member Services is also available to assist you in determining this *plan's maximum allowed amount* for a particular *covered service* from an *Out-of-Network Provider* or *Other Health Care Provider*.

Please see the "Inter-Plan Arrangements" provision in the section entitled GENERAL PROVISIONS for additional information.

***Exceptions:**

- **Clinical Trials of Cancer and Other Life Threatening Conditions Benefits.** The *maximum allowed amount* for services and supplies provided in connection with clinical trials will be the lesser of the billed charge or the amount that ordinarily applies when services are provided by an *Anthem Prudent Buyer Provider*.
- **If Medicare is the primary payor, the *maximum allowed amount* does not include any charge:**
 1. By a *hospital*, in excess of the approved amount as determined by Medicare; or
 2. By a *physician* who is an *Anthem Prudent Buyer Provider* who accepts Medicare assignment, in excess of the approved amount as determined by Medicare; or
 3. By a *physician* who is an *Out-of-Network Provider* or *Other Health Care Provider* who accepts Medicare assignment, in excess of the lesser of *maximum allowed amount* stated above, or the approved amount as determined by Medicare; or
 4. By a *physician* or *Other Health Care Provider* who does not accept Medicare assignment, in excess of the lesser of the *maximum allowed amount* stated above, or the limiting charge as determined by Medicare.

You will always be responsible for expense incurred which is not covered under this *plan*.

Member Cost Share

For certain *covered services*, and depending on your plan design, you may be required to pay all or a part of the *maximum allowed amount* as your cost share amount (*deductibles* or *copayments*). Your cost share amount and the Out-Of-Pocket Amounts may be different depending on whether you received *covered services* from an *Anthem Prudent Buyer Provider* or *Out-of-Network Provider*. Specifically, you may be required to pay higher cost-sharing amounts or may have limits on your *benefits* when using *Out-of-Network Providers*. Please see the SUMMARY OF BENEFITS section for your cost share responsibilities and limitations, or call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) to learn how this *plan's benefits* or cost share amount may vary by the type of *provider* you use.

The *claims administrator* will not provide any reimbursement for non-*covered services*. You may be responsible for the total amount billed by your *provider* for non-*covered services*, regardless of whether such services are performed by an *Anthem Prudent Buyer Provider* or *Out-of-Network Provider*. Non-*covered services* include services specifically excluded from coverage by the terms of your *plan* and services received after *benefits* have been exhausted. *Benefits* may be exhausted by exceeding, for example, Medical Benefit Maximums or day/visit limits.

In some instances you may only be asked to pay the lower *Anthem Prudent Buyer Provider* cost share percentage when you use an *Out-of-Network Provider*. For example, if you go to an in-network *hospital* or facility and receive *covered services* from an *Out-of-Network Provider* such as a radiologist, anesthesiologist or pathologist providing services at the *hospital* or facility, you will pay the *Anthem Prudent Buyer Provider* cost share percentage of the *maximum allowed amount* for those *covered services*. However, you also may be liable for the difference between the *maximum allowed amount* and the *Out-of-Network Provider's* charge.

Authorized Referrals

In some circumstances the *claims administrator* may authorize *Anthem Prudent Buyer Provider* cost share amounts (*deductibles* or *copayments*) to apply to a claim for a *covered service* you receive from an *Out-of-Network Provider*. In such circumstance, you or your *physician* must contact the *claims administrator* in advance of obtaining the *covered service*. It is your responsibility to ensure that the *claims administrator* has been contacted. If the *claims administrator* authorizes an *Anthem Prudent Buyer Provider* cost share amount to apply to a *covered service* received from an *Out-of-Network Provider*, you also may still be liable for the difference between the *maximum allowed amount* and the *Out-of-Network Provider's* charge. If you receive prior authorization for an *Out-of-Network Provider* due to network adequacy issues, **you** will not be responsible for the difference between the *Out-of-Network Provider's* charge and the *maximum allowed*

amount. Please call Anthem Health Guide toll-free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) for *authorized referral* information or to request authorization.

Deductibles, Copayments, Out-of-Pocket Amounts and Medical Benefit Maximums

After any applicable *deductible* and your *copayment* are subtracted, the *plan* will pay *benefits* up to the *maximum allowed amount*, not to exceed any applicable Medical Benefit Maximum. The *deductible* amounts, *copayments*, Out-Of-Pocket Amounts and Medical Benefit Maximums are set forth in the SUMMARY OF BENEFITS.

Deductibles

Each *deductible* under this *plan* is separate and distinct from the other. Only the covered charges that make up the *maximum allowed amount* will apply toward the satisfaction of any *deductible* except as specifically indicated in this booklet.

Calendar Year Deductible. Each year, you will be responsible for satisfying the *member's calendar year deductible* before *benefits* are paid. The family deductible is non-embedded meaning the cost shares of all *family members* apply to one shared family *deductible*. The *individual deductible* only applies to *individuals* enrolled under single coverage. If *members* of an enrolled family pay deductible expense in a year equal to the family *deductible*, the *calendar year deductible* for all *family members* will be considered to have been met

Anthem Preferred Providers and Other Health Care Providers. Only covered charges up to the *maximum allowed amount* for the services of *Anthem Preferred Providers* and *Other Health Care Providers* will be applied to the *Anthem Preferred Provider* and *Other Health Care Provider calendar year deductibles*. When these *deductibles* are met, the *plan* will pay *benefits* only for the services of *Anthem Preferred Providers* and *Other Health Care Providers*. The *plan* will not pay any *benefits* for *Out-of-Network Providers* unless the separate *Out-of-Network Provider calendar year deductibles* (as applicable) are met.

Out-of-Network Providers. Only covered charges up to the *maximum allowed amount* for the services of all *providers* will be applied to the *Out-of-Network Provider calendar year deductibles*. The *plan* will pay *benefits* for the services of *Out-of-Network Providers* only when the applicable *Out-of-Network Provider deductibles* are met.

Prior Plan Calendar Year Deductibles. If you were covered under the *prior plan* any amount paid during the same *calendar year* toward your *calendar year deductible* under the *prior plan*, will be applied toward your *calendar year deductible* under this *plan*; provided that, such payments were for charges that would be covered under this *plan*.

Copayments

After you have satisfied any applicable deductible, your *copayment* will be subtracted from the remaining *maximum allowed amount*.

Depending on the type of service rendered, your *copayment* will either be a percentage or a set-dollar copayment. If your *copayment* is a percentage, the *plan* will apply the applicable percentage to the *maximum allowed amount* remaining after any *deductible* has been met. If your *copayment* is a set-dollar copayment, the *plan* will apply the applicable set-dollar copayment, such as an office visit or emergency room visit.

Anthem Prudent Buyer Provider and Out-of-Network Provider Out-of-Pocket-Amounts

Satisfaction of the Anthem Prudent Buyer Provider Out-Of-Pocket Amount. If, after you have met your *calendar year deductibles* and you pay *copayments* equal to your Out-of-Pocket Amount per *member* during a *calendar year*, you will no longer be required to make *copayments* for any additional *covered services* or supplies during the remainder of that year, except as specifically stated below under Charges Which Do Not Apply Toward the Out-of-Pocket Amount.

The family Out-of-Pocket Maximum is non-embedded meaning the cost shares of all *family members* apply to one shared family Out-of-Pocket Maximum. The *individual* Out-of-Pocket Maximum only applies to individuals enrolled under single coverage. If enrolled *members* of a family pay *copayments* in a year equal to the Out-of-Pocket Amount per family, the Out-of-Pocket Amount for all *family members* will be considered to have been met. Once the family Out-of-Pocket Amount is satisfied, no *family member* will be required to

make *copayments* for any additional *covered services* or supplies during the remainder of that *year*, except as specifically stated under Charges Which Do Not Apply Toward the Out-of-Pocket Amount below. However, any expense previously applied to the Out-of-Pocket Amount per *member* in the same *year* will not be credited for any other *family member*.

Anthem Prudent Buyer Provider and Other Health Care Providers. Only covered charges up to the *maximum allowed amount* for the services of an *Anthem Prudent Buyer Provider* or *Other Health Care Provider* will be applied to the *Anthem Prudent Buyer Provider* and *Other Health Care Provider* Out-of-Pocket Amount.

After this Out-of-Pocket Amount per *member* or family has been satisfied during a *calendar year*, you will no longer be required to make any *copayment* for the *covered services* provided by an *Anthem Prudent Buyer Provider* and *Other Health Care Provider* for the remainder of that *year*. You will continue to be required to make *copayments* for the *covered services* of an *Out-of-Network Provider* until the *Out-of-Network Provider* Out-of-Pocket Amount has been met.

Out-of-Network Providers. Only covered charges up to the *maximum allowed amount* for the services of all *providers* will be applied to the *Out-of-Network Provider* Out-of-Pocket Amount. After this Out-of-Pocket Amount per *member* has been satisfied during a *calendar year*, you will no longer be required to make any *copayment* for the *covered services* provided by an *Out-of-Network Provider* for the remainder of that *year*.

Note: Any covered expense applied to any deductible or *copayments* for prescription drugs will apply towards your Out-of-Pocket Amount (for additional information contact **Optum** at 885-489-0651 or www.optumrx.com).

Charges Which Do Not Apply Toward the Out-Of-Pocket Amount. The following charges will not be applied toward satisfaction of an Out-Of-Pocket Amount:

- Charges for services or supplies not covered under this *plan*.
- Charges which exceed the *maximum allowed amount*.
- Charges which exceed the *prescription drug maximum allowed amount*.

Medical Benefit Maximums

The *plan* does not make benefit payments for any *member* in excess of any of the Medical Benefit Maximums.

Prior Plan Maximum Benefits. If you were covered under the *prior plan*, any *benefits* paid to you under the *prior plan* will reduce any maximum amounts you are eligible for under this *plan* which apply to the same benefit.

Crediting Prior Plan Coverage

If you were covered by the *plan administrator's prior plan* immediately before the *plan administrator* signs up with the *claims administrator*, with no lapse in coverage, then you will get credit for any accrued *calendar year deductible* and, if applicable and approved by the *claims administrator*, out-of-pocket amounts under the *prior plan*. This does not apply to *individuals* who were not covered by the *prior plan* on the day before the *plan administrator's* coverage with the *claims administrator* began, or who join the *plan administrator* later.

If the *plan administrator* moves from one of the *claims administrator's* plans to another, (for example, changes its coverage from HMO to PPO), and you were covered by the other product immediately before enrolling in this product with no break in coverage, then you may get credit for any accrued *calendar year deductible* and out-of-pocket amounts, if applicable and approved by the *claims administrator*. Any maximums, when applicable, will be carried over and charged against the Medical Benefit Maximums under this *plan*.

If the *plan administrator* offers more than one of the *claims administrator's* products, and you change from one product to another with no break in coverage, you will get credit for any accrued *calendar year deductible* and, if applicable, out-of-pocket amounts and any maximums will be carried over and charged against Medical Benefit Maximums under this *plan*.

If the *plan administrator* offers coverage through other products or carriers in addition to the *claims administrator's*, and you change products or carriers to enroll in this product with no break in coverage, you will get credit for any accrued *calendar year deductible*, out-of-pocket amount, and any Medical Benefit Maximums under this *plan*.

This Section Does Not Apply To You If:

- The *plan administrator* moves to this *plan* at the beginning of a *calendar year*;
- You change from one of the *claims administrator's* individual policies to the *plan administrator's* plan;
- You change *employers*; or
- You are a new *member* of the *plan administrator* who joins after the *plan administrator's* initial enrollment with the *claims administrator*.

Conditions of Coverage

The following conditions of coverage must be met for expense *incurred* for services or supplies to be covered under this *plan*.

1. You must incur this expense while you are covered under this *plan*. Expense is *incurred* on the date you receive the service or supply for which the charge is made.
2. The expense must be for a medical service or supply furnished to you as a result of illness or injury or pregnancy, unless a specific exception is made.
3. The expense must be for a medical service or supply included in Medical Care That Is Covered. Additional limits on covered charges are included under specific *benefits* and in the SUMMARY OF BENEFITS.
4. The expense must not be for a medical service or supply listed in Medical Care That Is NOT Covered. If the service or supply is partially excluded, then only that portion which is not excluded will be covered under this *plan*.

5. The expense must not exceed any of the maximum *benefits* or limitations of this *plan*.
6. Any services received must be those which are regularly provided and billed by the provider. In addition, those services must be consistent with the illness, injury, degree of disability and your medical needs. *Benefits* are provided only for the number of days required to treat your illness or injury.
7. All services and supplies must be ordered by a *physician*.

Medical Care That Is Covered

Subject to the Medical Benefit Maximums in the SUMMARY OF BENEFITS, the requirements set forth under Conditions of Coverage and the exclusions or limitations listed under Medical Care That Is NOT Covered, the *plan* will provide *benefits* for the following services and supplies:

Acupuncture Benefits. The services of a *physician* for acupuncture treatment to treat a disease, illness or injury, including a patient history visit, physical examination, treatment planning and treatment evaluation, electroacupuncture, cupping and moxibustion. The *plan* will pay for up to 24 visits (combined with “Chiropractic Benefits”) during a *calendar year*.

If your *plan* has a *calendar year deductible*, the number of visits will start counting toward the maximum when services are first provided even if the *calendar year deductible* has not been met.

Advanced Imaging Procedure Benefits. Imaging procedures, including, but not limited to, Magnetic Resonance Imaging (MRI), Computerized Tomography (CT scans), Positron Emission Tomography (PET scan), Magnetic Resonance Spectroscopy (MRS scan), Magnetic Resonance Angiogram (MRA scan), Echocardiography and nuclear cardiac imaging are subject to pre-service review to determine whether *medically necessary*. You may call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) to find out if an imaging procedure requires pre-service review. See UTILIZATION REVIEW PROGRAM for details.

Advanced imaging procedures, when performed by an *Out-of-Network Provider*, will have a maximum payment of **\$210** per visit.

Allergy Testing and Treatment Benefits. Allergy testing and treatment, including serum and serum injections.

Ambulance Benefits. Ambulance services are covered when you are transported by a state licensed vehicle that is designed, equipped, and used to transport the sick and injured and is staffed by Emergency Medical Technicians (EMTs), paramedics, or other licensed or certified medical professionals. Ambulance services are covered when one or more of the following criteria are met:

- For ground ambulance, you are transported:
 - From your home, or from the scene of an accident or medical *emergency*, to a *hospital*,
 - Between *hospitals*, including when you are required to move from a *hospital* that does not contract with the *claims administrator* to one that does, or
 - Between a *hospital* and a *skilled nursing facility* or other approved facility.
- For air or water ambulance, you are transported:
 - From the scene of an accident or medical *emergency* to a *hospital*,
 - Between *hospitals*, including when you are required to move from a *hospital* that does not contract with the *claims administrator* to one that does, or
 - Between a *hospital* and another approved facility.

All non-emergency ambulance services (ground, air or water) are subject to medical necessity reviews. Emergency ground ambulance services do not require pre-service review. Pre-service review is required for air ambulance in a non-medical *emergency*. When using an air ambulance in a non-emergency situation, the *claims administrator* reserves the right to select the air ambulance provider. If you do not use the air ambulance the *claims administrator* selects in a non-emergency situation, no coverage will be provided by the *plan* and *members* will be responsible for the entire cost of transport.

You must be taken to the nearest facility that can provide care for your condition. In certain cases, coverage may be approved for transportation to a facility that is not the nearest facility.

Coverage includes *medically necessary* treatment of an illness or injury by medical professionals from an ambulance service, even if you are not transported to a *hospital*. Ambulance services are not covered when

another type of transportation can be used without endangering your health. Ambulance services for your convenience or the convenience of your *family members* or *physician* are not a *covered service*.

Other non-covered ambulance services include, but are not limited to, trips to:

- A *physician's* office or clinic;
- A morgue or funeral home.

If provided through the 911 emergency response system*, ambulance services are covered if you reasonably believed that a medical *emergency* existed even if you are not transported to a *hospital*.

Important information about air ambulance coverage. Coverage is only provided for air ambulance services when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger your health and your medical condition requires a more rapid transport to a *hospital* than the ground ambulance can provide, this *plan* will cover the air ambulance. Air ambulance will also be covered if you are in a location that a ground or water ambulance cannot reach.

Air ambulance will not be covered if you are taken to a *hospital* that is not an acute care *hospital* (such as a *skilled nursing facility*), or if you are taken to a *physician's* office or to your home.

Hospital to hospital transport: If you are being transported from one *hospital* to another, air ambulance will only be covered if using a ground ambulance would endanger your health and if the *hospital* that first treats you cannot give you the medical services you need. Certain specialized services are not available at all *hospitals*. For example, burn care, cardiac care, trauma care, and critical care are only available at certain *hospitals*. For services to be covered, you must be taken to the closest *hospital* that can treat you. Coverage is not provided for air ambulance transfers because you, your family, or your *physician* prefers a specific *hospital* or *physician*.

* If you have an *emergency* medical condition that requires an *emergency* response, please call the "911" emergency response system if you are in an area where the system is established and operating.

Ambulatory Surgery Center Benefits. Services and supplies provided by an *ambulatory surgical center* in connection with outpatient surgery.

For the services of an *Out-of-Network Provider* facility only, the *plan's* maximum payment is limited to **\$210** per visit each time you have outpatient surgery at an *ambulatory surgical center*.

Ambulatory surgical center services are subject to pre-service review to determine whether *medically necessary*. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

Bariatric Surgery Benefits. Services and supplies in connection with *medically necessary* surgery for weight loss, only for morbid obesity and only when performed at a designated *BDCSC* facility. See UTILIZATION REVIEW PROGRAM for details.

You must obtain pre-service review for all bariatric surgical procedures. **Charges for services provided for or in connection with a bariatric surgical procedure performed at a facility other than a *BDCSC* will not be covered.**

Bariatric Travel Expense Benefits. Certain travel expenses *incurred* in connection with an approved, specified bariatric surgery, performed at a designated *BDCSC* that is fifty (50) miles or more from the *member's* place of residence, are covered, provided the expenses are authorized by the *claims administrator* in advance. The fifty (50) mile radius around the *BDCSC* will be determined by the *bariatric BDCSC coverage area* (See DEFINITIONS). The *plan's* maximum payment will not exceed **\$5,000** per surgery for the following travel expenses *incurred* by the *member* and/or one companion:

- Transportation for the *member* and/or one companion to and from the *BDCSC*.
- Lodging, limited to one room, double occupancy.
- Other reasonable expenses. Tobacco, alcohol, drug expenses, and meals are excluded from coverage.

Details regarding reimbursement can be obtained by calling Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific). A travel reimbursement form will be provided for submission of legible copies of all applicable receipts in order to obtain reimbursement.

This coverage is provided according to the terms and conditions of this *plan* that apply to all other medical conditions.

Chemotherapy Benefits. This includes the treatment of disease using chemical or antineoplastic agents and the cost of such agents in a professional or facility setting.

Chiropractic Benefits. *Chiropractic services* for manual manipulation of the spine to correct subluxation demonstrated by *physician-read x-ray*. The *plan* will pay for up to 24 visits (combined with “Acupuncture Benefits”) during a *calendar year*.

If your *plan* has a *calendar year deductible*, the number of visits will start counting toward the maximum when services are first provided even if the *calendar year deductible* has not been met.

Clinical Trial of Cancer and Other Life Threatening Conditions Benefits. Coverage is provided for routine patient costs you receive as a participant in an approved clinical trial. The services must be those that are listed as covered by this *plan* for *members* who are not enrolled in a clinical trial.

Routine patient care costs include items, services, and drugs provided to you in connection with an approved clinical trial that would otherwise be covered by the *plan*.

An “approved clinical trial” is a phase I, phase II, phase III, or phase IV clinical trial that studies the prevention, detection, or treatment of cancer or another life-threatening disease or condition, from which death is likely unless the disease or condition is treated. Coverage is limited to the following clinical trials:

1. Federally funded trials approved or funded by one or more of the following:
 - a. The National Institutes of Health,
 - b. The Centers for Disease Control and Prevention,
 - c. The Agency for Health Care Research and Quality,

Any of the following departments if the study or investigation has been reviewed and approved through a system of peer review that the Secretary of Health and Human Services determines (1) to be comparable to the system of peer review of investigations and studies used by the National Institutes of Health, and (2) assures unbiased review of the highest scientific standards by qualified *individuals* who have no interest in the outcome of the review:
 - i. The Department of Veterans Affairs,
 - ii. The Department of Defense, or
 - iii. The Department of Energy.
2. Studies or investigations done as part of an investigational new drug application reviewed by the Food and Drug Administration.
 3. Studies or investigations done for drug trials that are exempt from the investigational new drug application.

Participation in the clinical trial must be recommended by your *physician* after determining participation has a meaningful potential to benefit you. All requests for clinical trials services, including requests that are not part of approved clinical trials, will be reviewed according to the *plan's* Clinical Coverage Guidelines, related policies and procedures.

Routine patient costs do not include the costs associated with any of the following:

1. The investigational item, device, or service.
2. Any item or service provided solely to satisfy data collection and analysis needs and that is not used in the clinical management of the patient.
3. Any service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

The *claims administrator* will make the final determination as to whether the dental treatment could have been safely rendered in another setting due to the nature of the procedure or your medical condition. *Hospital stays* for the purpose of administering general anesthesia are not considered necessary and are not covered except as specified in #2, below.
2. **General Anesthesia.** General anesthesia and associated facility charges when your clinical status or underlying medical condition requires that dental procedures be rendered in a *hospital* or *ambulatory surgical center*. Important: If you decide to receive dental services that are not covered under this *plan*, an *Anthem Prudent Buyer Provider* who is a dentist may charge you his or her usual and customary rate for those services. Prior to providing you with dental services that are not a covered benefit, the dentist should provide a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about the dental services that are covered under this *plan*, please call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific). Details regarding reimbursement can be obtained by calling the Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific). A travel reimbursement form will be provided for submission of legible copies of all applicable receipts in order to obtain reimbursement.

- When the person getting the organ is a *member* under this *plan*, but the person donating the organ is not, *benefits* under this *plan* are limited to *benefits* not available to the donor from any other source. This includes, but is not limited to, other insurance, grants, foundations, and government programs.
- If a *member* covered under this *plan* is donating the organ to someone who is **not** a *member*, *benefits* are not available under this *plan*.

The *maximum allowed amount* for a donor, including donor testing and donor search, is limited to expense *incurred* for *medically necessary* medical services only. The *maximum allowed amount* for services incident to obtaining the transplanted material from a living donor or a human organ transplant bank will be covered. Such charges, including complications from the donor procedure for up to six weeks from the date of procurement, are covered. Services for treatment of a condition that is not directly related to, or a direct result of, the transplant are not covered.

An unrelated donor search may be required when the patient has a disease for which a transplant is needed and a suitable donor within the family is not available. The *plan's* payment for unrelated donor searches from an authorized, licensed registry for bone marrow/stem cell transplants will not exceed **\$30,000** per transplant.

Covered services are subject to any applicable *deductibles*, *copayments* and medical *benefit* maximums set forth in the SUMMARY OF BENEFITS. The *maximum allowed amount* does not include charges for services received without first obtaining the *claims administrator's* prior authorization or which are provided at a facility other than a transplant center approved by the *claims administrator*. See UTILIZATION REVIEW PROGRAM for details.

To maximize your *benefits*, you should call the Transplant Department as soon as you think you may need a transplant to talk about your benefit options. You must do this before you have an evaluation or work-up for a transplant. The *claims administrator* will help you maximize your *benefits* by giving you coverage information, including details on what is covered and if any clinical coverage guidelines, medical policies, *Centers of Medical Excellence (CME)* or *Blue Distinction Centers for Specialty Care (BDCSC)* rules, or exclusions apply. Call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) and ask for the transplant coordinator.

You or your *physician* must call the Transplant Department for pre-service review prior to the transplant, whether it is performed in an inpatient or outpatient setting. Prior authorization is required before *benefits* for a transplant will be provided. Your *physician* must certify, and the *claims administrator* must agree, that the transplant is *medically necessary*. Your *physician* should send a written request for prior authorization to the *claims administrator* as soon as possible to start this process. Not getting prior authorization will result in a denial of *benefits*.

Please note that your *physician* may ask for approval for HLA (human leukocyte antigen) testing, donor searches, or collection and storage of stem cells prior to the final decision as to what transplant procedure will be needed. In these cases, the HLA testing and donor search charges will be covered as routine diagnostic tests. The collection and storage request will be reviewed for medical necessity and may be approved. However, such an approval for HLA testing, donor search, or collection and storage is NOT an approval for the later transplant. A separate medical necessity decision will be needed for the transplant itself.

Specified Transplant Benefits

You must obtain the *claims administrator's* prior authorization for all services including, but not limited to, preoperative tests and postoperative care related to the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Specified transplants must be performed at *Centers of Medical Excellence (CME)* or *Blue Distinction Centers for Specialty Care (BDCSC)*. **Charges for services provided for or in connection with a specified transplant performed at a facility other than a CME or BDCSC will not be considered covered.** Call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) if your *physician* recommends a specified transplant for your medical care. A case manager transplant coordinator will assist in facilitating your access to a *CME* or *BDCSC*. See UTILIZATION REVIEW PROGRAM for details.

The behavioral health treatment services covered by this *plan* for the treatment of Pervasive Developmental Disorder or autism are limited to those professional services and treatment programs, including Applied Behavior Analysis and evidence-based behavior intervention programs, that develop or restore, to the maximum extent practicable, the functioning of an *individual* with Pervasive Developmental Disorder or autism and that meet all of the following requirements:

The treatment plan must be made available to the *claims administrator* upon request.

SUBROGATION AND REIMBURSEMENT

These provisions apply when the *plan* pays benefits as a result of injuries or illnesses you sustained and you have a right to a Recovery or have received a Recovery from any source. A "Recovery" includes, but is not limited to, monies received from any person or party, any person's or party's liability insurance, uninsured/underinsured motorist proceeds, worker's compensation insurance or fund, "no-fault" insurance and/or automobile medical payments coverage, whether by lawsuit, settlement or otherwise. Regardless of how you or your representative or any agreements characterize the money you receive as a Recovery, it shall be subject to these provisions.

Subrogation

The *plan* has the right to recover payments it makes on your behalf from any party responsible for compensating you for your illnesses or injuries. The following apply:

- The *plan* has first priority from any Recovery for the full amount of benefits it has paid regardless of whether you are fully compensated, and regardless of whether the payments you receive make you whole for your losses, illnesses and/or injuries.
- You and your legal representative must do whatever is necessary to enable the *plan* to exercise the *plan's* rights and do nothing to prejudice those rights.
- In the event that you or your legal representative fails to do whatever is necessary to enable the *plan* to exercise its subrogation rights, the *plan* shall be entitled to deduct the amount the *plan* paid from any future benefits under the *plan*.
- The *plan* has the right to take whatever legal action it sees fit against any person, party or entity to recover the benefits paid under the *plan*.
- To the extent that the total assets from which a Recovery is available are insufficient to satisfy in full the *plan's* subrogation claim and any claim held by you, the *plan's* subrogation claim shall be first satisfied before any part of a Recovery is applied to your claim, your attorney fees, other expenses or costs.
- The *plan* is not responsible for any attorney fees, attorney liens, other expenses or costs you incur. The "common fund" doctrine does not apply to any funds recovered by any attorney you hire regardless of whether funds recovered are used to repay benefits paid by the *plan*.

Reimbursement

If you obtain a Recovery and the *plan* has not been repaid for the benefits the *plan* paid on your behalf, the *plan* shall have a right to be repaid from the Recovery in the amount of the benefits paid on your behalf and the following provisions will apply:

- You must reimburse the *plan* from any Recovery to the extent of benefits the *plan* paid on your behalf regardless of whether the payments you receive make you whole for your losses, illnesses and/or injuries.
- Notwithstanding any allocation or designation of your Recovery (e.g., pain and suffering) made in a settlement agreement or court order, the *plan* shall have a right of full recovery, in first priority, against any Recovery. Further, the *plan's* rights will not be reduced due to your negligence.
- You and your legal representative must hold in trust for the *plan* the proceeds of the gross Recovery (*i.e.*, the total amount of your Recovery before attorney fees, other expenses or costs) to be paid to the *plan* immediately upon your receipt of the Recovery. You and your legal representative acknowledge that the portion of the Recovery to which the *plan's* equitable lien applies is a *plan* asset.

- Any Recovery you obtain must not be dissipated or disbursed until such time as the *plan* has been repaid in accordance with these provisions.
- You must reimburse the *plan*, in first priority and without any set-off or reduction for attorney fees, other expenses or costs. The "common fund" doctrine does not apply to any funds recovered by any attorney you hire regardless of whether funds recovered are used to repay benefits paid by the *plan*.
- If you fail to repay the *plan*, the *plan* shall be entitled to deduct any of the unsatisfied portion of the amount of benefits the *plan* has paid or the amount of your Recovery whichever is less, from any future benefit under the *plan* if:
 1. The amount the *plan* paid on your behalf is not repaid or otherwise recovered by the *plan*; or
 2. You fail to cooperate.
- In the event that you fail to disclose the amount of your settlement to the *plan*, the *plan* shall be entitled to deduct the amount of the *plan*'s lien from any future benefit under the *plan*.
- The *plan* shall also be entitled to recover any of the unsatisfied portion of the amount the *plan* has paid or the amount of your Recovery, whichever is less, directly from the *providers* to whom the *plan* has made payments on your behalf. In such a circumstance, it may then be your obligation to pay the *provider* the full billed amount, and the *plan* will not have any obligation to pay the *provider* or reimburse you.
- The *plan* is entitled to reimbursement from any Recovery, in first priority, even if the Recovery does not fully satisfy the judgment, settlement or underlying claim for damages or fully compensate you or make you whole.

Your Duties

- You must promptly notify the *plan* of how, when and where an accident or incident resulting in personal injury or illness to you occurred and all information regarding the parties involved and any other information requested by the *plan*.
- You must cooperate with the *plan* in the investigation, settlement and protection of the *plan*'s rights. In the event that you or your legal representative fails to do whatever is necessary to enable the *plan* to exercise its subrogation or reimbursement rights, the *plan* shall be entitled to deduct the amount the *plan* paid from any future benefits under the *plan*.
- You must not do anything to prejudice the *plan*'s rights.
- You must send the *plan* copies of all police reports, notices or other papers received in connection with the accident or incident resulting in personal injury or illness to you.
- You must promptly notify the *plan* if you retain an attorney or if a lawsuit is filed on your behalf.
- You must immediately notify the *plan* if a trial is commenced, if a settlement occurs or if potentially dispositive motions are filed in a case.

The *plan* has sole discretion to interpret the terms of the Subrogation and Reimbursement provision of this *plan* in its entirety and reserves the right to make changes as it deems necessary.

If the covered person is a minor, any amount recovered by the minor, the minor's trustee, guardian, parent, or other representative, shall be subject to this provision. Likewise, if the covered person's relatives, heirs, and/or assignees make any Recovery because of injuries sustained by the covered person, that Recovery shall be subject to this provision.

The *plan* is entitled to recover its attorney's fees and costs *incurred* in enforcing this provision.

The *plan* shall be secondary in coverage to any medical payments provision, no-fault automobile insurance policy or personal injury protection policy regardless of any election made by you to the contrary. The *plan* shall also be secondary to any excess insurance policy, including, but not limited to, school and/or athletic policies.

COORDINATION OF BENEFITS

If you are covered by more than one group medical plan, your benefits under *this plan* (referred to as "This Plan" under this section) will be coordinated with the benefits of those Other Plans, as shown below. These coordination provisions apply separately to each *member*, per *calendar year*, and are largely determined by California law. Any coverage you have for medical or dental benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Definitions" provision.

Allowable Expense is any necessary, reasonable and customary item of expense which is at least partially covered by any plan covering the person for whom claim is made. When a plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering the person for whom a claim is made is not Allowable Expense.

The following are not Allowable Expense:

1. Use of a private *hospital* room is not an Allowable Expense unless the patient's *stay* in a private *hospital* room is *medically necessary* in terms of generally accepted medical practice, or one of the plans routinely provides coverage for *hospital* private rooms.
2. If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.
3. If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.
4. If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.
5. The amount of any benefit reduction by the Principal Plan because you did not comply with the plan's provisions is not an Allowable Expense. Examples of these types of provisions include second surgical opinions, utilization review requirements, and network *provider* arrangements.
6. If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan's deductible.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;
2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trustee plans, union benefit organization plans, *employer* organization plans, employee benefit organization plans or self-insured employee benefit plans.
4. Medicare. This does not include Medicare when, by law, its benefits are secondary to those of any private insurance program or other non-governmental program.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of this *plan* which provides benefits subject to this provision.

EFFECT ON BENEFITS

This provision will apply in determining a person's benefits under This Plan for any calendar year if the benefits under This Plan and any Other Plans, exceed the Allowable Expenses for that calendar year.

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
3. The *benefits* of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.

ORDER OF BENEFITS DETERMINATION

The first of the following rules which applies will determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision. This would include Medicare in all cases, except when the law requires that This Plan pays before Medicare.
2. A plan which covers you as a *member* pays before a plan which covers you as a *dependent*. But, if you are retired and eligible for Medicare, Medicare pays (a) after the plan which covers you as a *dependent* of an active *employee*, but (b) before the plan which covers you as a retired *employee*.

For example: You are covered as a retired *employee* under This Plan and entitled to Medicare (Medicare would normally pay first). You are also covered as a *dependent* of an active *employee* under another *plan* (in which case Medicare would pay second). In this situation, the plan which covers you as a *dependent* will pay first, Medicare will pay second, and the plan which covers you as a retired *employee* would pay last.

3. For a *dependent* child covered under plans of two parents, the plan of the parent whose birthday falls earlier in the *calendar year* pays before the plan of the parent whose birthday falls later in the *calendar year*. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

Exception to rule 3: For a *dependent* child of parents who are divorced or separated, the following rules will be used in place of Rule 3:

- a. If the parent with custody of that child for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that child as a *dependent* pays first.
- b. If the parent with custody of that child for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:
 - i. The plan which covers that child as a *dependent* of the parent with custody.
 - ii. The plan which covers that child as a *dependent* of the stepparent (married to the parent with custody).
 - iii. The plan which covers that child as a *dependent* of the parent without custody.
 - iv. The plan which covers that child as a *dependent* of the stepparent (married to the parent without custody).
- c. Regardless of a and b above, if there is a court decree which establishes a parent's financial responsibility for that child's health care coverage, a plan which covers that child as a *dependent* of that parent pays first.

4. The plan covering you as a laid-off or retired *employee* or as a *dependent* of a laid-off or retired *employee* pays after a plan covering you as other than a laid-off or retired *employee* or the *dependent* of such a person. But if either plan does not have a provision regarding laid-off or retired *employees*, provision 6 applies.
5. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays after a plan covering you as an employee, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the Other Plan do not agree under these circumstances with the Order of Benefit Determination provisions of This Plan, this rule will not apply.
6. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same effective date. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility For Timely Notice. The *plan administrator* is not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and *our* liability reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy *our* liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, the *claims administrator* has the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS

If you are entitled to Medicare, you will receive the full *benefits* of this *plan*, except as listed below:

1. You are receiving treatment for end-stage renal disease following the first 30 months you are entitled to end-stage renal disease benefits under Medicare; or
2. You are entitled to Medicare benefits as a disabled person, unless you have a current employment status as determined by Medicare rules through a group of 100 or more employees (according to federal OBRA legislation).

In cases where exceptions 1 or 2 apply, payment will be determined according to the provisions in the section entitled COORDINATION OF BENEFITS and the provision "Coordinating Benefits With Medicare", below.

Coordinating Benefits With Medicare. Benefits will not be provided under this *plan* that duplicate any *benefits* to which you would be entitled under Medicare. This exclusion applies to all parts of Medicare in which you can enroll without paying additional premium. If you are required to pay additional premium for any part of Medicare, this exclusion will apply to that part of Medicare only if you are enrolled in that part.

If you are entitled to Medicare, your Medicare coverage will not affect the services covered under this *plan* except as follows:

1. Medicare must provide benefits first to any services covered both by Medicare and under this *plan*.
2. For services you receive that are covered both by Medicare and under this *plan*, coverage under this *plan* will apply only to Medicare *deductibles* and other charges for *covered services* over and above what Medicare pays.
3. For any given claim, the combination of benefits provided by Medicare and the *benefits* provided under this *plan* will not exceed the *maximum allowed amount* for the *covered services*.

The *claims administrator* will apply any charges paid by Medicare for services covered under this *plan* toward your *plan deductible*, if any.

UTILIZATION REVIEW PROGRAM

Your *plan* includes the process of utilization review to decide when services are *medically necessary*, *experimental*, or *investigative* as those terms are defined in this booklet. Utilization review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed. A service must be *medically necessary* to be a *covered service*. When level of care, setting or place of service is part of the review, services that can be safely given to you in a lower level of care or lower cost setting / place of care, will not be *medically necessary* if they are given in a higher level of care, or higher cost setting / place of care.

Certain services must be reviewed to determine medical necessity in order for you to get *benefits*. Utilization review criteria will be based on many sources including medical policy and clinical guidelines. The *claims administrator* may decide that a service that was asked for is not *medically necessary* if you have not tried other treatments that are more cost-effective.

If you have any questions about the information in this section, you may call Anthem Health Guide number at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

Coverage for or payment of the service or treatment reviewed is not guaranteed. For benefits to be covered, on the date you get service:

1. You must be eligible for *benefits*;
2. The service or supply must be a *covered service* under your *plan*;
3. The service cannot be subject to an exclusion under your *plan* (please see Medical Care That Is NOT Covered for more information); and
4. You must not have exceeded any applicable limits under your *plan*.

TYPES OF REVIEWS

- **Pre-service Review** – A review of a service, treatment or admission for a coverage determination which is done before the service or treatment begins or admission date.
 - **Precertification** – A required pre-service review for a *benefit* coverage determination for a service or treatment. Certain services require precertification in order for you to get *benefits*. The *benefit* coverage review will include a review to decide whether the service meets the definition of medical necessity or is *experimental* / *investigative* as those terms are defined in this booklet.

For admissions following an *emergency*, you, your authorized representative or *physician* must tell the *plan* within 24 hours or as soon as it is possible within a reasonable period of time.

For childbirth admissions, precertification is not needed for the first 48 hours for a vaginal delivery or 96 hours for a cesarean section. Admissions longer than 48/96 hours require precertification.

For inpatient *hospital stays* for mastectomy surgery, including the length of *hospital stays* associated with mastectomy, precertification is not needed.
- **Continued Stay / Concurrent Review** – A utilization review of a service, treatment or admission for a *benefit* coverage determination which must be done during an ongoing *stay* in a facility or course of treatment.
 - Both pre-service and continued *stay* / concurrent reviews may be considered urgent when, in the view of the treating *provider* or any *physician* with knowledge of your medical condition, without such care or treatment, your life or health or your ability to regain maximum function could be seriously threatened or you could be subjected to severe pain that cannot be adequately managed without such care or treatment. Urgent reviews are conducted under a shorter timeframe than standard reviews.
- **Post-service Review** – A review of a service, treatment or admission for a *benefit* coverage that is conducted after the service has been provided. Post-service reviews are performed when a service,

treatment or admission did not need a precertification, or when a needed precertification was not obtained. Post-service reviews are done for a service, treatment or admission in which we have a related clinical coverage guideline and are typically initiated by the *plan*.

Services for which precertification is required (i.e., services that need to be reviewed by the *plan* to determine whether they are *medically necessary*) include, but are not limited to, the following:

- Scheduled, non-emergency inpatient *hospital stays* and *residential treatment center* admissions, including detoxification and rehabilitation.

Exceptions: Pre-service review is not required for inpatient *hospital stays* for the following services:

- ◆ Maternity care of 48 hours or less following a normal delivery or 96 hours or less following a cesarean section, and
 - ◆ Mastectomy and lymph node dissection.
- Specific non-emergency outpatient services, including diagnostic treatment and other services.
 - Specific outpatient surgeries performed in an outpatient facility or a doctor's office.
 - Transplant services, including transplant travel expense. The following criteria must be met for certain transplants, as follows:
 - ◆ For bone, skin or cornea transplants, if the *physicians* on the surgical team and the facility in which the transplant is to take place are approved for the transplant requested.
 - ◆ For transplantation of heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney or bone marrow/stem cell and similar procedures, if the *providers* of the related preoperative and postoperative services are approved and the transplant will be performed at a *Centers of Medical Excellence (CME)* or a *Blue Distinction Centers for Specialty Care (BDCSC)* facility.
 - Air ambulance in a non-medical *emergency*.
 - Specific durable medical equipment.
 - Infusion therapy / injectable therapy, if the attending *physician* has submitted both a prescription and a plan of treatment before services are rendered.
 - Home health care. The following criteria must be met:
 - ◆ The services can be safely provided in your home, as certified by your attending *physician*;
 - ◆ Your attending *physician* manages and directs your medical care at home; and
 - ◆ Your attending *physician* has established a definitive treatment plan which must be consistent with your medical needs and lists the services to be provided by the *home health agency*.
 - Admissions to a *skilled nursing facility* if you require daily skilled nursing or rehabilitation, as certified by your attending *physician*.
 - Bariatric surgical services, such as gastric bypass and other surgical procedures for weight loss, including bariatric travel expense, if:
 - ◆ The services are to be performed for the treatment of morbid obesity;
 - ◆ The *physicians* on the surgical team and the facility in which the surgical procedure is to take place are approved for the surgical procedure requested; and
 - ◆ The bariatric surgical procedure will be performed at a *BDCSC* facility.

- Advanced imaging procedures, including but not limited to: Magnetic Resonance Imaging (MRI), Computerized Tomography (CT scan), Positron Emission Tomography (PET scan), Magnetic Resonance Spectroscopy (MRS scan), Magnetic Resonance Angiogram (MRA scan), Echocardiography, and Nuclear Cardiac Imaging. You may call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) to find out if an imaging procedure requires pre-service review.
- Behavioral health treatment for pervasive developmental disorder or autism, as specified in the section BENEFITS FOR PERVASIVE DEVELOPMENTAL DISORDER OR AUTISM.
- Partial hospitalization, *intensive outpatient programs*, transcranial magnetic stimulation (TMS).
- Transgender services, including transgender travel expense, as specified under the “Transgender Benefits” provision of YOUR MEDICAL BENEFITS - Medical Care That Is Covered. You must be diagnosed with gender identity disorder or gender dysphoria by a *physician*.

For a list of current procedures requiring precertification, please call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

WHO IS RESPONSIBLE FOR PRECERTIFICATION?

Typically, *Anthem Prudent Buyer Providers* know which services need precertification and will get any precertification when needed. Your *physician* and other *Anthem Prudent Buyer Providers* have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering provider, *hospital* or attending *physician* (“requesting provider”) will get in touch with the *plan* to ask for a precertification. However, you may request a precertification or you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older. The table below outlines who is responsible for precertification and under what circumstances.

HOW DECISIONS ARE MADE

Decisions are based on multiple sources, such as medical policy, clinical guidelines, and other applicable policies and procedures to help make medical necessity determinations. Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. The *claims administrator* reserves the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning your request. To ask for this information, please call Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

If you are not satisfied with the *claims administrator's* decision under this section of your *benefits*, please refer to the "YOUR RIGHT TO APPEALS" section to see what rights may be available to you.

DECISION AND NOTICE REQUIREMENTS

The *claims administrator* will review requests for medical necessity according to the timeframes listed below. The timeframes and requirements listed are based on state and federal laws. Where state laws are stricter than federal laws, the *plan* will follow state laws. If you live in and/or get services in a state other than the state where your *plan* was issued, other state-specific requirements may apply. You may call the phone number on the back of your identification card for more details.

Request Category	Timeframe Requirement for Decision
Urgent Pre-Service Review	72 hours from the receipt of the request
Non-Urgent Pre-Service Review	5 business days from the receipt of the request
Continued Stay / Concurrent Review when hospitalized at the time of the request and no previous authorization exists	72 hours from the receipt of the request
Urgent Continued Stay / Concurrent Review when request is received at least 24 hours before the end of the previous authorization	24 hours from the receipt of the request
Urgent Continued Stay / Concurrent Review when request is received less than 24 hours before the end of the previous authorization	72 hours from the receipt of the request
Non-Urgent Continued Stay / Concurrent Review	5 business days from the receipt of the request
Post-Service Review	30 calendar days from the receipt of the request

If more information is needed to make a decision, the *claims administrator* will tell the requesting *physician* of the specific information needed to finish the review. If the *plan* does not get the specific information it needs by the required timeframe identified in the written notice, the *claims administrator* will make a decision based upon the information received.

The *claims administrator* will notify you and your *physician* of a decision as required by state and federal law. Notice may be given by one or more of the following methods: verbal, written and/or electronic.

For a copy of the medical necessity review process, please contact Anthem Health Guide toll free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

Revoking or modifying a Precertification Review decision. The *claims administrator* will determine **in advance** whether certain services (including procedures and admissions) are *medically necessary* and are the appropriate length of *stay*, if applicable. These review decisions may be revoked or modified prior to the service being rendered for reasons including but not limited to the following:

- Your coverage under this *plan* ends;
- The *agreement* with the *group* terminates;
- You reach a *benefit* maximum that applies to the service in question;
- Your *benefits* under the *plan* change so that the service is no longer covered or is covered in a different way.

HEALTH PLAN INDIVIDUAL CASE MANAGEMENT

The health plan individual case management program enables the *claims administrator* to authorize you to obtain medically appropriate care in a more economical, cost-effective and coordinated manner during prolonged periods of intensive medical care. Through a case manager, the *claims administrator* has the right to recommend an alternative plan of treatment which may include services not covered under this *plan*. It is not your right to receive individual case management, nor does the *claims administrator* have an obligation to provide it; the *claims administrator* provides these services at their sole and absolute discretion.

How Health Plan Individual Case Management Works

The health plan individual case management program (Case Management) helps coordinate services for *members* with health care needs due to serious, complex, and/or chronic health conditions. The programs coordinate *benefits* and educate *members* who agree to take part in the Case Management program to help meet their health-related needs.

The Case Management programs are confidential and voluntary, and are made available at no extra cost to you. These programs are provided by, or on behalf of and at the request of, your health plan case management staff. These Case Management programs are separate from any *covered services* you are receiving.

If you meet program criteria and agree to take part, then *claims administrator* will help you meet your identified health care needs. This is reached through contact and team work with you and /or your chosen authorized representative, treating *physicians*, and other providers.

In addition, the *claims administrator* may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.

Alternative Treatment Plan. In certain cases of severe or chronic illness or injury, the *plan* may provide *benefits* for alternate care that is not listed as a *covered service*. The *claims administrator* may also extend services beyond the *benefit* maximums of this *plan*. A decision will be made case-by-case, if in the *claims administrator's* discretion the alternate or extended *benefit* is in the best interest of the *member* and the *plan* or your authorized representative agree to the alternate or extended *benefit* in writing. A decision to provide extended *benefits* or approve alternate care in one case does not obligate the *plan* to provide the same *benefits* again to you or to any other *member*. The *claims administrator* reserves the right, at any time, to alter or stop providing extended *benefits* or approving alternate care. In such case, the *claims administrator* will notify you or your authorized representative in writing.

Exceptions to the Utilization Review Program

From time to time, the *claims administrator* may waive, enhance, modify, or discontinue certain medical management processes (including utilization management, case management, and disease management) if, in their discretion, such a change furthers the provision of cost effective, value based and quality services. In addition, the *claims administrator* may select certain qualifying health care *providers* to participate in a program or a *provider* arrangement that exempts them from certain procedural or medical management processes that would otherwise apply. The *claims administrator* may also exempt claims from medical review if certain conditions apply.

If the *claims administrator* exempts a process, health care provider, or claim from the standards that would otherwise apply, the *claims administrator* is in no way obligated to do so in the future, or to do so for any *other health care provider*, claim, or *member*. The *claims administrator* may stop or modify any such exemption with or without advance notice.

The *claims administrator* also may identify certain *providers* to review for potential fraud, waste, abuse or other inappropriate activity if the claims data suggests there may be inappropriate billing practices. If a *provider* is selected under this program, then the *claims administrator* may use one or more clinical utilization management guidelines in the review of claims submitted by this provider, even if those guidelines are not used for all *providers* delivering services to this *plan's members*.

You may determine whether a health care *provider* participates in certain programs by checking the *claims administrator's* online *provider* directory on the website at www.anthemcom/ca/uc or by calling Anthem Health Guide toll-free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

CONTINUATION OF COVERAGE

Most *employers* who employ 20 or more people on a typical business day are subject to The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If the *employer* who provides coverage under the *plan* is subject to the federal law which governs this provision (Title X of P. L. 99-272), you may be entitled to continuation of coverage. Check with your *plan administrator* for details.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will appear in capital letters. When you see these capitalized words, you should refer to this "Definitions" provision.

Initial Enrollment Period is the period of time following the original Qualifying Event, as indicated in the "Terms of COBRA Continuation" provisions below.

Qualified Beneficiary means: (a) a person enrolled for this COBRA continuation coverage who, on the day before the Qualifying Event, was covered under this *plan* as either a or *dependent*; and (b) a child who is born to or placed for adoption with the *member* during the COBRA continuation period. Qualified Beneficiary does not include any person who was not enrolled during the Initial Enrollment Period, including any *dependents* acquired during the COBRA continuation period, with the exception of newborns and adoptees as specified above.

Qualifying Event means any one of the following circumstances which would otherwise result in the termination of your coverage under the *plan*. The events will be referred to throughout this section by number.

1. **For Members and Dependents:**

- a. The *member's* termination of employment, for any reason other than gross misconduct; or
- b. Loss of coverage under an *employer's* health plan due to a reduction in the *member's* work hours.

2. **For Retired Employees and their Dependents.** Cancellation or a substantial reduction of retiree *benefits* under the *plan* due to the *plan's* filing for Chapter 11 bankruptcy, provided that:

- a. The *plan* expressly includes coverage for retirees; and
- b. Such cancellation or reduction of *benefits* occurs within one *year* before or after the *plan's* filing for bankruptcy.

3. **For Dependents:**

- a. The death of the *member*;
- b. The *spouse's* divorce or legal separation from the *member*;
- c. The end of a *domestic partner's* partnership with the *member*;
- d. The end of a child's status as a *dependent* child, as defined by the *plan*; or
- e. The *member's* entitlement to Medicare.

ELIGIBILITY FOR COBRA CONTINUATION

A *member* or *dependent* may choose to continue coverage under the *plan* if his or her coverage would otherwise end due to a Qualifying Event.

TERMS OF COBRA CONTINUATION

Notice. The *plan administrator* will notify either the *member* or *dependent* of the right to continue coverage under COBRA, as provided below:

1. For Qualifying Events 1, or 2, the *plan administrator* will notify the *member* of the right to continue coverage.
2. For Qualifying Events 3(a) or 3(e) above, a *dependent* will be notified of the COBRA continuation right.
3. You must inform the *plan administrator* within 60 days of Qualifying Events 3(b), 3(c), or 3(d) above, if you wish to continue coverage. The *plan administrator*, in turn, will promptly give you official notice of the COBRA continuation right.

If you choose to continue coverage you must notify the *plan administrator* within 60 days of the date you receive notice of your COBRA continuation right. The COBRA continuation coverage may be chosen for all *dependents* within a family, or only for selected *dependent*.

If you fail to elect the COBRA continuation during the Initial Enrollment Period, you may not elect the COBRA continuation at a later date.

Notice of continued coverage, along with the initial required monthly contribution, must be delivered to *us* within 45 days after you elect COBRA continuation coverage.

Additional Dependents. A *spouse*, *domestic partner* or child acquired during the COBRA continuation period is eligible to be enrolled as a *dependent*. The standard enrollment provisions of the *plan* apply to enrollees during the COBRA continuation period.

Cost of Coverage. The *plan administrator* may require that you pay the entire cost of your COBRA continuation coverage. This cost, called the "required monthly contribution", must be remitted to the *plan administrator* each month during the COBRA continuation period in order to maintain the coverage in force.

Besides applying to the *member*, the *member's* rate will also apply to:

1. A *spouse* whose COBRA continuation began due to divorce, separation or death of the *member*;
2. A *domestic partner* whose COBRA continuation began due to the end of the domestic partnership or death of the *member*;
3. A child, if neither the *member* nor the *spouse* has enrolled for this COBRA continuation coverage (if more than one child is so enrolled, the required monthly contribution will be the two-party or three-party rate depending on the number of children enrolled); and
4. A child whose COBRA continuation began due to the person no longer meeting the *dependent* child definition.

Subsequent Qualifying Events. Once covered under the COBRA continuation, it's possible for a second Qualifying Event to occur. If that happens, a *member* or *dependent*, who is a Qualified Beneficiary, may be entitled to an extended COBRA continuation period. This period will in no event continue beyond 36 months from the date of the first qualifying event.

For example, a child may have been originally eligible for this COBRA continuation due to termination of the *member's* employment, and enrolled for this COBRA continuation as a Qualified Beneficiary. If, during the COBRA continuation period, the child reaches the upper age limit of the *plan*, the child is eligible for an extended continuation period which would end no later than 36 months from the date of the original Qualifying Event (the termination of employment).

When COBRA Continuation Coverage Begins. When COBRA continuation coverage is elected during the Initial Enrollment Period and the required monthly contribution is paid, coverage is reinstated back to the date of the original Qualifying Event, so that no break in coverage occurs.

For *dependents* properly enrolled during the COBRA continuation, coverage begins according to the enrollment provisions of the *plan*.

When the COBRA Continuation Ends. This COBRA continuation will end on the earliest of:

1. The end of 18 months from the Qualifying Event, if the Qualifying Event was termination of employment or reduction in work hours;*
2. The end of 36 months from the Qualifying Event, if the Qualifying Event was the death of the *member*, divorce or legal separation, the end of a domestic partnership, or the end of *dependent* child status;*
3. The end of 36 months from the date the *member* became entitled to Medicare, if the Qualifying Event was the *member's* entitlement to Medicare. If entitlement to Medicare does not result in coverage terminating and Qualifying Event 1 occurs within 18 months after Medicare entitlement, coverage for Qualified Beneficiaries other than the *member* will end 36 months from the date the *member* became entitled to Medicare;
4. The date the *plan* terminates;
5. The end of the period for which required monthly contributions are last paid;
6. The date, following the election of COBRA, the *member* first becomes covered under any other group health plan; or
7. The date, following the election of COBRA, the *member* first becomes entitled to Medicare. However, entitlement to Medicare will not preclude a person from continuing coverage which the person became eligible for due to Qualifying Event 2.

Subject to the *plan* remaining in effect, a retired *employee* whose COBRA continuation coverage began due to Qualifying Event 2 may be covered for the remainder of his or her life; that person's covered *dependents* may continue coverage for 36 months after the *member's* death. However, coverage could terminate prior to such time for either *member* or *dependent* in accordance with items 4, 5 or 6 above.

Other Coverage Options Besides COBRA Continuation Coverage. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options. Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

EXTENSION OF CONTINUATION DURING TOTAL DISABILITY

If at the time of termination of employment or reduction in hours, or at any time during the first 60 days of the COBRA continuation, a Qualified Beneficiary is determined to be disabled for Social Security purposes, all covered *members* may be entitled to up to 29 months of continuation coverage after the original Qualifying Event.

Eligibility for Extension. To continue coverage for up to 29 months from the date of the original Qualifying Event, the disabled *member* must:

1. Satisfy the legal requirements for being totally and permanently disabled under the Social Security Act; and
2. Be determined and certified to be so disabled by the Social Security Administration.

Notice. The *member* must furnish the *plan administrator* with proof of the Social Security Administration's determination of disability during the first 18 months of the COBRA continuation period and no later than 60 days after the later of the following events:

1. The date of the Social Security Administration's determination of the disability;
2. The date on which the original Qualifying Event occurs;
3. The date on which the Qualified Beneficiary loses coverage; or
4. The date on which the Qualified Beneficiary is informed of the obligation to provide the disability notice.

Cost of Coverage. For the 19th through 29th months that the total disability continues, the cost for the extended continuation coverage must be remitted to *us*. This cost (called the "required monthly contribution") shall be subject to the following conditions:

1. If the disabled *member* continues coverage during this extension, this charge shall be **150%** of the applicable rate for the length of time the disabled *member* remains covered, depending upon the number of covered *dependents*. If the disabled *member* does not continue coverage during this extension, this charge shall remain at **102%** of the applicable rate.
2. The cost for extended continuation coverage must be remitted to *us* each month during the period of extended continuation coverage. We must receive timely payment of the required monthly contribution in order to maintain the extended continuation coverage in force.
3. You may be required to pay the entire cost of the extended continuation coverage.

If a second Qualifying Event occurs during this extended continuation, the total COBRA continuation may continue for up to 36 months from the date of the first Qualifying Event. The required monthly contribution shall then be **150%** of the applicable rate for the 19th through 36th months if the disabled *member* remains covered. The charge will be **102%** of the applicable rate for any periods of time the disabled *member* is not covered following the 18th month.

When The Extension Ends. This extension will end at the earlier of:

1. The end of the month following a period of 30 days after the Social Security Administration's final determination that you are no longer totally disabled;
2. The end of 29 months from the Qualifying Event*;
3. The date the *plan* terminates;
4. The end of the period for which required monthly contributions are last paid;
5. The date, following the election of COBRA, the *member* first becomes covered under any other group health plan; or
6. The date, following the election of COBRA, the *member* first becomes entitled to Medicare. However, entitlement to Medicare will not preclude a person from continuing coverage which the person became eligible for due to Qualifying Event 2.

You must inform the *plan administrator* within 30 days of a final determination by the Social Security Administration that you are no longer totally disabled.

GENERAL PROVISIONS

Providing of Care. We are not responsible for providing any type of *hospital*, medical or similar care, nor are we responsible for the quality of any such care received.

Independent Contractors. The *claims administrator's* relationship with *providers* is that of an independent contractor. *Physicians*, and other health care professionals, *hospitals*, *skilled nursing facilities* and other community agencies are not the *claims administrator's* agents nor are they, or any of their *employees*, an *employee* or agent of any *hospital*, medical group or medical care *provider* of any type.

Non-Regulation of Providers. The *benefits* of this *plan* do not regulate the amounts charged by *providers* of medical care, except to the extent that the rates for *covered services* are regulated with *Anthem Prudent Buyer Providers*.

Inter-Plan Arrangements

Out-of-Area Services

Overview. We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements". These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the geographic area we serve (the "Anthem Blue Cross Service Area"), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of the Anthem Blue Cross Service Area, you will receive it from one of two kinds of providers. Most *providers* ("participating providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some *providers* ("non-participating providers") do not contract with the Host Blue. We explain below how we pay both kinds of providers.

Inter-Plan Arrangements Eligibility – Claim Types

Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are prescription drugs that you obtain from a pharmacy and most dental or vision *benefits*.

A. BlueCard® Program

Under the BlueCard® Program, when you receive *covered services* within the geographic area served by a Host Blue, we will still fulfill *our* contractual obligations. But, the Host Blue is responsible for: (a) contracting with its providers; and (b) handling its interactions with those providers.

When you receive *covered services* outside the Anthem Blue Cross Service Area and the claim is processed through the BlueCard Program, the amount you pay is calculated based on the lower of:

- The billed charges for *covered services*; or
- The negotiated price that the Host Blue makes available to *the claims administrator*.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the provider. Sometimes, it is an estimated price that takes into account special arrangements with that provider. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we used for your claim because they will not be applied after a claim has already been paid.

B. Negotiated (non-BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, Anthem Blue Cross may process your claims for *covered services* through Negotiated Arrangements for National Accounts.

The amount you pay for *covered services* under this arrangement will be calculated based on the lower of either billed charges for *covered services* or the negotiated price (refer to the description of negotiated price under Section A. BlueCard Program) made available to Anthem Blue Cross by the Host Blue.

C. Special Cases: Value-Based Programs

BlueCard® Program

If you receive *covered services* under a Value-Based Program inside a Host Blue's Service Area, you will not be responsible for paying any of the *provider* Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Anthem Blue Cross through average pricing or fee schedule adjustments. Additional information is available upon request.

Value-Based Programs: Negotiated (non-BlueCard Program) Arrangements

If Anthem Blue Cross has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the group on your behalf, Anthem Blue Cross will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

E. Non-participating Providers Outside Our Service Area

1. Allowed Amounts and Member Liability Calculation

When *covered services* are provided outside of Anthem Blue Cross's Service Area by non-participating providers, we may determine *benefits* and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount you pay for such services as a *deductible* or *copayment* will be based on that allowed amount. Also, you may be responsible for the difference between the amount that the non-participating *provider* bills and the payment we will make for the *covered services* as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network *emergency services*.

2. Exceptions

In certain situations, we may use other pricing methods, such as billed charges or the pricing we would use if the healthcare services had been obtained within the Anthem Blue Cross Service Area, or a special negotiated price to determine the amount we will pay for services provided by non-participating providers. In these situations, you may be liable for the difference between the amount that the non-participating *provider* bills and the payment we make for the *covered services* as set forth in this paragraph.

Terms of Coverage

1. In order for you to be entitled to *benefits* under the *plan*, both the *plan* and your coverage under the *plan* must be in effect on the date the expense giving rise to a claim for *benefits* is *incurred*.
2. The *benefits* to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for *benefits* is *incurred*. An expense is *incurred* on the date you receive the service or supply for which the charge is made.
3. The *plan* is subject to amendment, modification or termination according to the provisions of the *plan* without your consent or concurrence.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Protection of Coverage. The *plan administrator* does not have the right to cancel your coverage under this *plan* while: (1) this *plan* is in effect; (2) you are eligible; and (3) your required monthly contributions are paid according to the terms of the *plan*.

Free Choice of Provider. This *plan* in no way interferes with your right as a *member* entitled to *hospital benefits* to select a *hospital*. You may choose any *physician* who holds a valid *physician* and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the *hospital* where services are received. You may also choose any other health care professional or facility which provides care covered under this *plan*, and is properly licensed according to appropriate state and local laws. However, your choice may affect the *benefits* payable according to this *plan*.

Provider Reimbursement. *Physicians* and other professional *providers* are paid on a fee-for-service basis, according to an agreed schedule. A participating *physician* may, after notice from the *claims administrator*, be subject to a reduced negotiated rate in the event the participating *physician* fails to make routine referrals to *Anthem Prudent Buyer Providers*, except as otherwise allowed (such as for *emergency services*).

Hospitals and other health care facilities may be paid either a fixed fee or on a discounted fee-for-service basis.

Other forms of payment arrangement are Payment Innovation Programs. These programs may include financial incentives to help improve quality of care and promote the delivery of health care services in a cost-efficient manner. The programs may vary in methodology and subject area of focus and may be modified by the *plan administrator* from time to time, but they will be generally designed to tie a certain portion of an *Anthem Prudent Buyer Provider's* total compensation to pre-defined quality, cost, efficiency or service standards or metrics. In some instances, *Anthem Prudent Buyer Provider* may be required to make payment to the *plan* under the program as a consequence of failing to meet these pre-defined standards. The programs are not intended to affect the *member's* access to health care. The program payments are not made as payment for specific *covered services* provided to the *member*, but instead, are based on the *Anthem Prudent Buyer Provider's* achievement of these pre-defined standards. The *member* is not responsible for any *copayment* amounts related to payments made by the *plan* or to the *plan* under the programs and the member does not share in any payments made by *Anthem Prudent Buyer Providers* to the *plan* under the programs.

Availability of Care. If there is an epidemic or public disaster and you cannot obtain care for *covered services*, we refund the unearned part of the required monthly contribution paid. A written request for that refund and satisfactory proof of the need for care must be sent to us within 31 days. This payment fulfills our obligation under this *plan*.

Medical Necessity. The *benefits* of this *plan* are provided only for services which the *claims administrator* determines to be *medically necessary*. The services must be ordered by the attending *physician* for the direct care and treatment of a covered condition. They must be standard medical practice where received for the condition being treated and must be legal in the United States. The process used to authorize or deny health care services under this *plan* is available to you upon request.

Expense in Excess of Benefits. We are not liable for any expense you incur in excess of the *benefits* of this *plan*.

Benefits Not Transferable. Only the *member* is entitled to receive *benefits* under this *plan*. The right to *benefits* cannot be transferred.

Notice of Claim. You must send the *claims administrator* properly and fully completed claim forms within 90 days of the date you receive the service or supply for which a claim is made. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed. The *plan administrator* is not liable for the *benefits* of the *plan* if you do not file claims within the required time period. The *plan administrator* will not be liable for *benefits* if the *claims administrator* does not receive written proof of loss on time.

Services received and charges for the services must be itemized, and clearly and accurately described. Claim forms must be used; canceled checks or receipts are not acceptable.

To obtain a claim form you or someone on your behalf may call Anthem Health Guide toll-free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) or go to the website at www.anthem.com/ca/uc and download and print one.

Payment to Providers. The *benefits* of this *plan* will be paid directly to *contracting hospitals*, *Anthem Prudent Buyer Providers* and medical transportation providers. If you or one of your *dependents* receives services from *non-contracting hospitals* or *Out-of-Network Providers*, payment may be made directly to the *member* and you will be responsible for payment to the provider. Any assignment of *benefits*, even if assignment includes the provider's right to receive payment, is void unless an *authorized referral* has been approved by the *claims administrator*. The *plan* will pay *non-contracting hospitals* and other *providers* of service directly when *emergency services* and care are provided to you or one of your *dependents*. The *plan* will continue such direct payment until the *emergency* care results in stabilization. If you are a MediCal beneficiary and you assign *benefits* in writing to the State Department of Health Services, the *benefits* of this *plan* will be paid to the State Department of Health Services. These payments will fulfill the *plan's* obligation to you for those *covered services*.

Care Coordination. The *plan* pays *Anthem Prudent Buyer Providers* in various ways to provide *covered services* to you. For example, sometimes *Anthem Prudent Buyer Providers* are paid a separate amount for each *covered service* they provide. The *plan* may also pay one amount for all *covered services* related to treatment of a medical condition. Other times, a periodic, fixed pre-determined amount may be paid to cover the costs of *covered services*. In addition, the *plan* may pay *Anthem Prudent Buyer Providers* financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner, or compensate *Anthem Prudent Buyer Providers* for coordination of your care. In some instances, *Anthem Prudent Buyer Providers* may be required to make payment to the *plan* because they did not meet certain standards. You do not share in any payments made by *Anthem Prudent Buyer Providers* to the *plan* under these programs.

Right of Recovery. Whenever payment has been made in error, the *claims administrator* will have the right to recover such payment from you or, if applicable, the provider, in accordance with applicable laws and regulations. In the event the *claims administrator* recovers a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, the *claims administrator* will only recover such payment from the *provider* within 365 days of the date the payment was made on a claim submitted by the provider. The *claims administrator* reserves the right to deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if the *claims administrator* pays your healthcare *provider* amounts that are your responsibility, such as *deductibles* or *copayments* the *claims administrator* may collect such amounts directly from you. You agree that the *claims administrator* has the right to recover such amounts from you.

The *claims administrator* has oversight responsibility for compliance with *provider* and vendor and subcontractor contracts. The *claims administrator* may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

The *claims administrator* has established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. The *claims administrator* will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. The *claims administrator* may not provide you with notice of overpayments made by the *plan* or you if the recovery method makes providing such notice administratively burdensome.

Plan Administrator - COBRA. In no event will the *claims administrator* be plan administrator for the purposes of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA). The term "*plan administrator*" refers to Regents of The University of California or to a person or entity other than the *claims administrator*, engaged by to perform or assist in performing administrative tasks in connection with the *plan*. In providing notices and otherwise performing under the CONTINUATION OF COVERAGE section of this *benefit booklet*, the *plan administrator* is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as your agent.

Workers' Compensation Insurance. The *plan* does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Prepayment Fees. The *plan administrator* may require that you contribute all or part of the costs of the required monthly contributions. Please consult your *plan administrator* for details.

Financial Arrangements with Providers. The *claims administrator* or an affiliate has contracts with certain health care *providers* and suppliers (hereafter referred to together as "Providers" in this section) for the provision of and payment for health care services rendered to its members and members entitled to health care benefits under individual certificates and group policies or contracts to which *claims administrator* or an affiliate is a party, including all persons covered under the *plan*.

Under the above-referenced contracts between Providers and *claims administrator* or an affiliate, the negotiated rates paid for certain medical services provided to persons covered under the *plan* may differ from the rates paid for persons covered by other types of products or programs offered by the *claims administrator* or an affiliate for the same medical services. In negotiating the terms of the *plan*, the *plan administrator* was aware that the *claims administrator* or its affiliates offer several types of products and programs. The *members* and *plan administrator* are entitled to receive the *benefits* of only those discounts, payments, settlements, incentives, adjustments and/or allowances specifically set forth in the *plan*.

Also, under arrangements with some Providers certain discounts, payments, rebates, settlements, incentives, adjustments and/or allowances, including, but not limited to, pharmacy rebates, may be based on aggregate payments made by the *claims administrator* or an affiliate in respect to all health care services rendered to all persons who have coverage through a program provided or administered by the *claims administrator* or an affiliate. They are not attributed to specific claims or plans and do not inure to the benefit of any covered individual or group, but may be considered by the *claims administrator* or an affiliate in determining its fees or subscription charges or premiums.

3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of *covered services* shall be provided for the duration of the pregnancy.

Voluntary Clinical Quality Programs. The *claims administrator* may offer additional opportunities to assist you in obtaining certain covered preventive or other care (e.g., well child check-ups or certain laboratory screening tests) that you have not received in the recommended timeframe. These opportunities are called voluntary clinical quality programs. They are designed to encourage you to get certain care when you need it and are separate from *covered services* under your *plan*. These programs are not guaranteed and could be discontinued at any time. The *claims administrator* will give you the choice and if you choose to participate in one of these programs, and obtain the recommended care within the program's timeframe, you may receive incentives such as gift cards or retailer coupons, which we encourage you to use for health and wellness related activities or items. Under other clinical quality programs, you may receive a home test kit that allows you to collect the specimen for certain covered laboratory tests at home and mail it to the laboratory for processing. You may also be offered a home visit appointment to collect such specimens and complete biometric screenings. You may need to pay any cost shares that normally apply to such covered laboratory tests (e.g., those applicable to the laboratory processing fee) but will not need to pay for the home test kit or the home visit. If you have any questions about whether receipt of a gift card or retailer coupon results in taxable income to you, we recommend that you consult your tax advisor.

Voluntary Wellness Incentive Programs. The *claims administrator* may offer health or fitness related program options for purchase by the *plan administrator* to help you achieve your best health. These programs are not *covered services* under your plan, but are separate components, which are not guaranteed under this *plan* and could be discontinued at any time. If the *plan administrator* has selected one of these options to make available to all *employees*, you may receive incentives such as gift cards by participating in or completing such voluntary wellness promotion programs as health assessments, weight management or tobacco cessation coaching. Under other options the *plan administrator* may select, you may receive such incentives by achieving specified standards based on health factors under wellness programs that comply with applicable law. If you think you might be unable to meet the standard, you might qualify for an opportunity to earn the same reward by different means. You may contact Anthem Health Guide toll-free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific) and the *claims administrator* will work with you (and, if you wish, your *physician*) to find a wellness program with the same reward that is right for you in light of your health status. If you receive a gift card as a wellness reward and use it for purposes other than for qualified medical expenses, this may result in taxable income to you. For additional guidance, please consult your tax advisor.

Program Incentives. The *plan administrator* may offer incentives from time to time at its discretion in order to introduce you to new programs and services available under this *plan*. The purpose of these incentives include, but is not limited to, making you aware of cost effective *benefit* options or services, helping you achieve your best health, and encouraging you to update member-related information. These incentives may be offered in various forms such as retailer coupons, gift cards and health-related merchandise. Acceptance of these incentives is voluntary as long as the *plan* offers the incentives program. The *plan administrator* may discontinue an incentive for a particular new service or program at any time. If you have any questions about whether receipt of an incentive or retailer coupon results in taxable income to you, please consult your tax advisor.

BINDING ARBITRATION

A dispute regarding a claim for *benefits*, including prescription drug benefits administered as a *covered service*, must proceed first through the claims process described in YOUR RIGHT TO APPEALS section before any further legal action can be taken with respect to that claim. Otherwise any dispute or claim, of whatever nature, including a claim for *benefits* that has completed the internal appeals process, that arises out of, in connection with, or in relation to this *plan*, or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limit of the small claims court. Any dispute regarding a claim for damages within the jurisdictional limits of the small claims court will be resolved in such court.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The *member* and the *plan administrator* agree to be bound by this Binding Arbitration provision and acknowledge that they are each giving up their right to a trial by court or jury.

The *member* and the *plan administrator* agree to give up the right to participate in class arbitration against each other. Even if applicable law permits class actions or class arbitrations, the *member* waives any right to pursue, on a class basis, any such controversy or claim against the *plan administrator* and the *plan administrator* waives any right to pursue on a class basis any such controversy or claim against the *member*.

The arbitration findings will be final and binding except to the extent that state or Federal law provides for the judicial review of arbitration proceedings.

The arbitration is begun by the *member* making written demand on the *plan administrator*. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS") according to its applicable Rules and Procedures. If, for any reason, JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by mutual agreement of the *member* and the *plan administrator*, or by order of the court, if the *member* and the *plan administrator* cannot agree that has completed the internal appeals process.

denial or rescission. You will have the opportunity to submit written comments, documents, records, and other information supporting your claim. The *claims administrator's* review of your claim will take into account all information you submit, regardless of whether it was submitted or considered in the initial benefit determination.

- The *claims administrator* shall offer a single mandatory level of appeal and an additional voluntary second level of appeal which may be a panel review, independent review, or other process consistent with the entity reviewing the appeal. The time frame allowed for the *claims administrator* to complete its review is *dependent* upon the type of review involved (e.g. pre-service, concurrent, post-service, urgent, etc.).

For Out of State Appeals You have to file Provider appeals with the Host Plan. This means Providers must file appeals with the same plan to which the claim was filed.

How Your Appeal will be Decided

When the *claims administrator* considers your appeal, the *claims administrator* will not rely upon the initial benefit determination or, for voluntary second-level appeals, to the earlier appeal determination. The review will be conducted by an appropriate reviewer who did not make the initial determination and who does not work for the person who made the initial determination. A voluntary second-level review will be conducted by an appropriate reviewer who did not make the initial determination or the first-level appeal determination and who does not work for the person who made the initial determination or first-level appeal determination.

If the denial was based in whole or in part on a medical judgment, including whether the treatment is *experimental*, investigational, or not *medically necessary*, the reviewer will consult with a health care professional who has the appropriate training and experience in the medical field involved in making the judgment. This health care professional will not be one who was consulted in making an earlier determination or who works for one who was consulted in making an earlier determination.

Notification of the Outcome of the Appeal

If you appeal a claim involving urgent/concurrent care, the *claims administrator* will notify you of the outcome of the appeal as soon as possible, but not later than 72 hours after receipt of your request for appeal.

If you appeal any other pre-service claim, the *claims administrator* will notify you of the outcome of the appeal within 30 days after receipt of your request for appeal.

If you appeal a post-service claim, the *claims administrator* will notify you of the outcome of the appeal within 60 days after receipt of your request for appeal.

Appeal Denial

- If your appeal is denied, that denial will be considered an adverse benefit determination. The notification from the *claims administrator* will include all of the information set forth in the above subsection entitled "Notice of Adverse Benefit Determination".

Voluntary Second Level Appeals

If you are dissatisfied with the *plan's* mandatory first level appeal decision, a voluntary second level appeal may be available. If you would like to initiate a second level appeal, please write to the address listed above. Voluntary appeals must be submitted within 60 calendar days of the denial of the first level appeal. You are not required to complete a voluntary second level appeal prior to submitting a request for an independent External Review.

External Review

If the outcome of the mandatory first level appeal is adverse to you and it was based on medical judgment, or if it pertained to a rescission of coverage, you may be eligible for an independent External Review pursuant to federal law.

You must submit your request for External Review to the *claims administrator* within four (4) months of the notice of your final internal adverse determination.

A request for an External Review must be in writing unless the *claims administrator* determines that it is not reasonable to require a written statement. You do not have to re-send the information that you submitted for internal appeal. However, you are encouraged to submit any additional information that you think is important for review.

For pre-service claims involving urgent/concurrent care, you may proceed with an Expedited External Review without filing an internal appeal or while simultaneously pursuing an expedited appeal through the *claims administrator's* internal appeal process. You or your authorized representative may request it orally or in writing. All necessary information, including the *claims administrator's* decision, can be sent between the *claims administrator* and you by telephone, facsimile or other similar method. To proceed with an Expedited External Review, you or your authorized representative must contact the *claims administrator* at the phone number listed on your ID card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;
- the *provider's* name;
- the service or supply for which approval of *benefits* was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for External Review should be submitted in writing unless the *claims administrator* determines that it is not reasonable to require a written statement. Such requests should be submitted by you or your authorized representative to:

Anthem Blue Cross Life and Health Insurance Company
 ATTN: Appeals
 P.O. Box 4310, Woodland Hills, CA 91365-4310

You must include Your Member Identification Number when submitting an appeal.

This is not an additional step that you must take in order to fulfill your appeal procedure obligations described above. Your decision to seek External Review will not affect your rights to any other *benefits* under this health care *plan*. There is no charge for you to initiate an independent External Review.

Requirement to file an Appeal before taking further legal action

No legal action of any kind related to a *benefit* decision may be filed by you in any other forum, unless it is commenced within three years of the *plan's* final decision on the claim or other request for *benefits*. If the *plan* decides an appeal is untimely, the *plan's* latest decision on the merits of the underlying claim or benefit request is the final decision date. You must exhaust the *plan's* internal Appeals Procedure but not including any voluntary level of appeal, before taking other legal action of any kind against the *plan*.

The *claims administrator* reserves the right to modify the policies, procedures and timeframes in this section upon further clarification from Department of Health and Human Services and Department of Labor.

STATEMENT OF RIGHTS UNDER THE NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict *benefits* for any *hospital* length of *stay* in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However the plan or issuer may pay for a shorter *stay* if the attending *physician* (e.g., your *physician*, nurse midwife, or *physician* assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of *benefits* or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) *stay* is treated in a manner less favorable to the mother or newborn than any earlier portion of the *stay*.

In addition, a plan or issuer may not, under federal law, require that a *physician* or *other health care provider* obtain authorization for prescribing a length of *stay* of up to 48 hours (or 96 hours). However, to use certain *providers* or facilities, or to reduce your out-of-pocket costs, you may be required to obtain pre-certification.

For information on pre-certification, please call Anthem Health Guide toll-free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).

If you have any questions about this coverage, please call Anthem Health Guide toll-free at **(844) 437-0486**, Monday through Friday, 5:00 a.m. to 8:00 p.m. (Pacific).
