- A.** This Memorandum of Understanding, hereinafter referred to as the “Agreement”, is entered into by and between The Regents of the University of California, a corporation hereinafter referred to as the “University”, or “UC”, or “management”, and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW) and its Local Union 5810, AFL-CIO, hereinafter referred to as the “UAW” or the “union”.
- B.** The University recognizes the UAW, as the exclusive representative for the purposes of collective bargaining with respect to wages, hours and terms and conditions of employment for all Postdoctoral Scholars in the classifications listed below. This recognition is in accordance with the Settlement Agreement made between the parties on October 27, 2008, the Public Employment Relations Board’s (PERB’s) October 30, 2008 certification that UAW evidenced majority support sufficient to meet the requirements of PERB regulation 50130(b), and the University’s Recognition Letter of November 3, 2008, in PERB case SF-RR-914-H.
- C.** Further, on August 1, 2016, the UAW filed a unit modification petition and proof of support with Public Employment Relations Board to add the Lawrence Berkeley Laboratory Postdoctoral Scholars to the established Postdoctoral Scholar bargaining unit (Case No SF-UM-769-H). On August 26, 2016, the University notified PERB that it did not object to the unit modification petition. On September 9, 2016, the parties signed a stipulation and on September 12, 2016, PERB issued a unit modification order.
- D.** These recognitions exclude Postdoctoral Scholars in the titles listed below who are defined by HEERA as managerial, supervisory and/or confidential or whose principal place of employment is outside of the State of California at a worksite with 100 or fewer employees.

ARTICLE 2 APPOINTMENTS

A. GENERAL PROVISIONS

1. Appointment Criteria

Postdoctoral Scholar appointments are intended to provide a full-time program of advanced academic preparation and research.

- a. Appointment as a Postdoctoral Scholar requires a doctoral degree (e.g., Ph.D., M.D.) or the foreign equivalent.
 - b. Individuals pursuing clinical fellowships and residencies in the health sciences are excluded from appointment to these titles.
2. It is within the University's sole discretion to appoint, reappoint or not reappoint a Postdoctoral Scholar and to determine the duration of such appointments.
3. The total duration of an individual's postdoctoral service may not exceed five years, including postdoctoral service or other postdoctoral-equivalent mentored research training opportunities at other institutions. Under unusual circumstances, the University may grant exception to this limit not to exceed a sixth year.

B. TERMS OF SERVICE

1. Postdoctoral Scholar appointments are temporary and have fixed end dates. Nothing shall preclude the University from appointing or reappointing Postdoctoral Scholars for durations longer than the minima required in this Article.

2. Postdoctoral Scholar – Employee (Title Code 3252)

- a. The initial appointment of a Postdoctoral Scholar at the University shall be for a minimum of two (2) years.

1) **Release**

- a) The University has the sole discretion to release a Postdoctoral Scholar on their first anniversary date. The University shall provide at least thirty (30) calendar days written notice of the release before the first anniversary date.
- b) The notice must be issued by the first anniversary date. If the notice is not provided at least thirty (30) calendar days before the first anniversary date, the release shall be effective thirty (30) calendar days from the date the notice is provided.

- c) The University shall provide a copy of the written release notice to the UAW within three (3) working days of providing the notice to the Postdoctoral Scholar.
- d) Notwithstanding this subsection, the University retains its rights under Article 5 - Discipline and Dismissal and Article 11 – Layoff.

2) **Future UC Employment as a Postdoctoral Scholar**

A Postdoctoral Scholar who was released under B.2.a.1 above shall be eligible to obtain a new appointment at the University.

- a) If the Postdoctoral Scholar is separated from service for three (3) months or less, the provisions for reappointment in section B. 2. c below apply.
- b) If the Postdoctoral Scholar is separated from service for more than three (3) months, and is appointed to another Postdoctoral Scholar appointment at the University, the Postdoctoral Scholar will receive a new two-year initial appointment under the provisions of section B.2.a.1. above.

3) In order to be appointed for a two-year appointment, a Postdoctoral Scholar must have eligibility as referenced in Section A.3.

b. Reappointment of a Postdoctoral Scholar from any title into the title Postdoctoral Scholar–Employee shall be for a minimum of one (1) year; however, reappointment may be for less than one (1) year under the following circumstances and noted in the reappointment letter:

- 1) Less than one (1) year of programmatic work; or
- 2) Exhausted eligibility as a Postdoctoral Scholar as referenced in section A.3; or
- 3) Work authorization limitations

3. Postdoctoral Scholar–Fellow (Title Code 3253) and Postdoctoral Scholar–Paid Direct (Title Code 3254)

- b. The University may supplement Postdoctoral Scholar–Fellows and Postdoctoral Scholar–Paid Directs. If the University provides a supplement to meet the experience scale minimum or to provide an additional

supplement above the minimum, the appointment shall be treated in accordance with paragraph 3.a. above.

4. Interim Postdoctoral Scholar – Employee (Title code 3256)

When the University appoints a Postdoctoral Scholar in the Interim Postdoctoral Scholar-Employee title as defined in Article 26, Titles and Classifications, Section B.5., the appointment shall be for a minimum of three (3) months at 100% time and a maximum of one (1) year. Should an Interim Postdoctoral Scholar-Employee (TC 3256) be appointed as a Postdoctoral Scholar - Employee (TC 3252) at the conclusion of the interim appointment, their hire date shall remain the original date of appointment into the interim title.

C. SPECIAL APPOINTMENT PROVISIONS

1. At the request of the Postdoctoral Scholar, the University may agree to bridge the Postdoctoral Scholar's appointment. For example, the Postdoctoral Scholar may request an appointment for a short duration to carry them over from the Postdoctoral Scholar appointment to another anticipated appointment, or training grant, provided the Postdoctoral Scholar is still within the provisions of Section A. 3. above.
2. The University is only obligated to one (1) two-year appointment unless the circumstances listed in Section B.2.b. apply. For example, a Postdoctoral Scholar with an initial appointment of two (2) years who is subsequently reappointed shall not be automatically entitled to a two (2) year reappointment.

**ARTICLE 3
BENEFITS**

A. GENERAL CONDITIONS

1. Postdoctoral Scholars are eligible to participate in the Postdoctoral Scholar Benefit Plans which include medical, dental, vision, life, AD&D, short term disability, voluntary long-term disability, Health FSA and Dependent Care FSA (FSA plans effective January 1, 2023 for Title Codes 3252, 3255, 3256 only).
2. Postdoctoral Scholar Employees (Title Code 3252) are required to contribute to the University of California Defined Contribution Plan (DCP) as Safe Harbor participants, and may make voluntary contributions to any of the University of California Retirement Savings Program plans.
3. The University shall continue the current Postdoctoral Scholar Benefit plans, premiums, assessments and fees listed in this Article with modification only as enumerated in this Article or Appendix A, unless aspects of the plan design are changed by the plan carrier. The University shall consult with the union and secure agreement on changes to the plan design.
4. As a condition of appointment, Postdoctoral Scholars must have adequate health insurance coverage for the duration of their appointment.
5. Postdoctoral Scholars are automatically enrolled in the Life, AD&D, and Short Term Disability programs. The University provides these coverages at no cost to Postdoctoral Scholars. In addition, the University shall pay the Workers Compensation Assessment and the Benefit Broker Fee for all Postdoctoral Scholars.

B. HEALTH BENEFITS

1. The Postdoctoral Scholar Health and Welfare Plans provide an annual open enrollment period during which eligible Postdoctoral Scholars may elect to change specific plan or coverage options. Open enrollment provides an opportunity for Postdoctoral Scholars to choose among plans due to changes in circumstances of the Postdoctoral Scholars or changes in the coverage and costs of available plans, which may change from year to year.
2. The costs to plans for which the University does not contribute are to be paid by Postdoctoral Scholars. It is the Postdoctoral Scholar's responsibility to ensure timely payment of health benefit premiums. The University is not responsible for benefits cancellation due to premium non-payment.
3. Postdoctoral Scholars shall continue to have access, if any, to campus health facilities under the same terms provided to other campus employees.
4. Effective January 2024, Postdoctoral Scholars shall contribute a portion of the premium as follows:

	HMO	PPO
Coverage Level	Postdoctoral Scholar	Postdoctoral Scholar
Postdoctoral Scholar	2%	4%
Postdoctoral Scholar + Partner	2%	4%
Postdoctoral Scholar + Child(ren)	2%	4%
Postdoctoral Scholar Family	2%	4%

5. The University will provide written notice in the appointment letter (included in Appendix A to the appointment letter) for Postdoctoral Scholar Fellows (Title Code 3253) with individual fellowship grants that the University may deduct the cost of health benefits from the grant(s). Similarly, the University will provide written notice in the appointment letter (included in Appendix A to the appointment letter) for Postdoctoral Scholar Paid Directs (Title Code 3254), that the University may deduct health benefits costs from funding provided to the University, or the University may bill the Postdoctoral Scholar if health benefit funding is provided to the Postdoctoral Scholar directly.

6. The University will also provide written notice to Postdoctoral Scholar Fellows (Title Code 3253) of its intent to deduct the cost of health benefits from the grant(s) or to Postdoctoral Scholar Paid Directs (Title Code 3254) of its intent to deduct health benefits costs from funding provided to the University or its intent to charge the Postdoctoral Scholar, consistent with the health benefits allowance set forth in the grant(s), and the basis for such action. The University will provide such notice to a Postdoctoral Scholar Fellow (Title Code 3253) no later than the date of the deduction. The University will provide such notice to a Postdoctoral Scholar Paid Direct (Title Code 3254) no later than the date of the deduction, or no later than thirty (30) days prior to charging for health benefit costs. As part of the above, Postdoctoral Scholars shall be given notice of their right to request and receive a copy of the budget for their fellowship from their Principal Investigator and/or Research Administrator. Nothing in this paragraph prohibits the University from taking retroactive deductions.

C. RETIREMENT BENEFITS

1. Postdoctoral Scholar Employees (Title Code 3252), as Safe Harbor participants contribute 7.5% of gross salary to the University of California Defined Contribution Plan in lieu of Social Security taxes, and are not eligible for membership in the University of California Retirement Plan (UCRP). In addition, Postdoctoral Scholars pay Medicare taxes. Postdoctoral Scholars may elect to make voluntary contributions to any of the Retirement Savings Program plans.

2. PRIOR UCRP SERVICE

Postdoctoral Scholars who held UCRP-eligible positions without a break in service immediately prior to Postdoctoral Scholar – Employee (Title Code 3252) appointments retain eligibility to participate in UCRP in accordance with UCRP Plan Documents and Regulations.

3. When the University increases contributions to the UCRP, Postdoctoral Scholars shall contribute to the UCRP at the same time and in the same amount as other eligible represented academic employees.

D. DEATH BENEFIT

Upon the death of a Postdoctoral Scholar who has completed at least six continuous months on pay status at 50 percent time or more without a break in service prior to death, a sum equal to the salary of the deceased for one month shall be paid to the person or persons in the first of the following categories in which there is a survivor: legal spouse or domestic partner; child or children; parent or parents; or siblings.

If there is no survivor in any of the foregoing categories, the benefit will be paid to the estate, or if there is no estate, to the beneficiary designated in the deceased's University-paid life insurance policy. This benefit is in addition to salary or other monies due the Postdoctoral Scholar.

E. ENUMERATION OF UNIVERSITY BENEFITS

1. For informational purposes only, a brief outline of benefit programs in effect on the date the Agreement is signed is found in Appendix A. The UAW and the University understand and agree that the descriptions contained in Appendix A do not completely describe the coverage or eligibility requirements for each plan, the details of which have been independently communicated to UAW.
2. For details on specific eligibility for each program, see the applicable documents, agreements, regulations, or contracts. Postdoctoral Scholars may obtain detailed information by contacting Gallagher Benefit Services at <https://healthnet.com/psbp> <https://e2mb.aig.com/uc/>.

F. EFFECT OF ABSENCES FROM WORK ON BENEFITS

1. **Temporary Layoff/Temporary Reduction In Time** - Health plan contributions by the University will be provided for unit Postdoctoral Scholars, in accordance with Section A, above, when the Postdoctoral Scholar is affected by the following conditions lasting up to 4 months: a temporary reduction in time below the hours

required to be eligible for health benefits; or a furlough. For health benefits to remain in force, Postdoctoral Scholars on temporary layoff or furlough must comply with the terms of the applicable benefit documents, rules and/or regulations.

2. **Military Leave** - An eligible Postdoctoral Scholar on military leave with pay for emergency National Guard duty or Military Reserve Training Leave shall receive those benefits related to employment that are granted in the University's Military Leave policy and its related documents.
3. **Leaves Of Absence Without Pay**
 - a. Approved leave without pay shall not be considered a break in service and, except as provided in Section 3.c, below, shall not determine eligibility for benefits except that the regulations of the retirement systems determine the effects of such leave without pay on retirement benefits.
 - b. Except as provided in Section 3.c, below, an eligible Postdoctoral Scholar on approved leave without pay may, in accordance with the benefit documents, rules and regulations, elect to continue University-sponsored benefits for the period of time specified in the benefit documents, rules and regulations.
 - c. A Postdoctoral Scholar on an approved Family Medical Leave shall be entitled, if eligible, to continue participation in health benefit coverage (medical, dental, and vision) as if on pay status for a period of up to twelve (12) workweeks in any twelve (12)-month period. However, a Postdoctoral Scholar who exhausts their entitlement to health benefit coverage while on an approved Pregnancy Disability Leave that runs concurrently with federal Family and Medical Leave, shall not be entitled to an additional twelve (12) workweeks of health benefit coverage under the California Family Rights Act. Other group insurance coverage and retirement benefits shall be continued in accordance with the provisions of the applicable group insurance and retirement system regulations.

6. **Sharing of Information:**

The Union and the University agree that they will each provide each other relevant and necessary information related to the University's decisions about benefits offerings and costs. The University will share information with the Union to allow the Union the opportunity to ensure the proper calculation of premiums and the application of relevant health care regulations. Both parties understand and agree that some of this material contains information that is not available to the public and therefore the parties agree to enter into appropriate confidentiality agreements covering this information. With regard to proprietary information, the parties agree that each will contact the third party whose information it is and ask that, subject to a confidentiality agreement, the proprietary information be shared with the Union or the University. Both the Union and the University retain the right to refuse to provide certain relevant and necessary information based on defenses available under HEERA.

Among the information the parties agree to share are:

**ARTICLE 4
COMPENSATION**

A. GENERAL PROVISIONS

2. The provisions of this Article shall not apply to any Postdoctoral Scholar appointed on a grant (e.g., Einstein Fellows, Hubble Fellows) that restricts that Postdoctoral Scholar's remuneration to only the pay received by the grant.
3. When extramural agencies establish stipends at a rate less than the University-established salary/stipend minimum, and the campus elects to proceed with the appointment of a Postdoctoral Scholar, the campus shall provide additional funding to increase the salary/stipend level of the Postdoctoral Scholar to the established minimum. The supervisor shall arrange the additional funding prior to the start date of an appointment.
4. If the University provides a supplement to a Postdoctoral Scholar such that the Postdoctoral Scholar's total salary exceeds the Postdoctoral Scholar's base salary/stipend rate, continuance or discontinuance of the supplement is at the sole discretion of the University, unless the supplement is necessary to meet the salary/stipend requirements of this article.
5. When the requirements of the sponsoring agency exceed the requirements of this Agreement, with the exception of the provisions of §A.2. above, the requirements of the sponsoring agency shall control all salary increases and adjustments to the individual Postdoctoral Scholar's salary.

A. GENERAL PROVISIONS

1. The University may discipline or dismiss a Postdoctoral Scholar for just cause.
2. Disciplinary or dismissal actions for just cause must comply with all applicable provisions of this article. Such disciplinary action may take the following forms:
 - a. **Letter of warning** is a written communication that informs the Postdoctoral Scholar of the nature of the inadequate performance or misconduct; the requirements for continuation in the training program; and the probable consequence of continued inadequate performance or misconduct.
 - b. **Suspension** is a University required cessation from work activities for a specified period of time, and includes loss of pay, access to University property and parking and library privileges.  - d. Counseling memoranda and/or written records of discussion, in and of themselves, are not discipline nor are they grievable.
3. At any stage of the discipline or dismissal process, a Postdoctoral Scholar may represent himself, or may be represented, except by a manager, supervisor or confidential employee.
4. The University may take other disciplinary action consistent with extramural funding agency requirements.

B. INVESTIGATORY LEAVE

1. The University may place a Postdoctoral Scholar on investigatory leave with pay without prior written notice in order to review or investigate allegations of misconduct or dereliction of duty, which warrant immediately relieving the Postdoctoral Scholar from all work duties and/or require removing the Postdoctoral Scholar from the premises and securing University resources.
2. Investigatory leave shall not be considered a form of corrective action.
3. The University shall provide the Postdoctoral Scholar and the Union with written confirmation of the terms and reasons for the investigatory leave immediately but no later than one (1) working day after the leave is effective.

C. NOTICE OF INTENT

1. The University shall provide a Postdoctoral Scholar with a written Notice of Intent before initiating the actions of suspension without pay, reduction in salary or stipend, dismissal, or other actions consistent with the requirements of extramural fellowship agencies. No Notice of Intent is required for a written warning. The notice of intent may be delivered to the Postdoctoral Scholar either in person, or by placing the notice in the U.S. Mail, first class postage paid, addressed to the Postdoctoral Scholar at their last known address. Whether delivery is made in person or by mail, the notice of intent shall contain a statement of delivery or mailing indicating the date on which the notice of intent was personally delivered or deposited in the U.S. mail. Such date of personal delivery or deposit in the U.S. mail, shall be presumed to be the date of issuance of the notice of intent. The University shall send a copy of the notice of intent to the UAW.
2. The Notice shall state:
 - a. the intended action and the proposed effective date;
 - b. the reason(s) for the intended action, including a description of the inadequate performance or misconduct and any warnings that have been given;

3. In instances where the University is providing the Postdoctoral Scholar with a Notice of Intent to Dismiss, the notice shall also include all documents relied upon by the University in the dismissal action.

D. RESPONSE TO WRITTEN NOTICE OF INTENT

A Postdoctoral Scholar who receives a written Notice of Intent shall be entitled to respond, either orally or in writing, within fifteen (15) calendar days of the date of issuance of the Notice of Intent. A Postdoctoral Scholar's representative may respond to the Notice of Intent on behalf of the Postdoctoral Scholar. The University shall review any timely responses received.

E. NOTICE OF ACTION

If the University determines to institute the discipline or dismissal after reviewing a timely response, if any, the University shall issue a written Notice of Action to the Postdoctoral Scholar.

3. Selection of the Arbitrator/Pre-Arbitration Conference

- a. The UAW representative shall contact the designated University official at the Office of the President within thirty (30) calendar days of the appeal to arbitration in order to select an arbitrator from the panel set forth in Appendix F. The arbitrator shall be selected within forty-five (45) calendar days from the date of the appeal. Failure to contact the designated University official within the established time frame shall constitute a withdrawal of the appeal to arbitration.
- b. If the parties cannot agree to an arbitrator from the panel, the parties shall alternately strike one name each from the list of statewide panel members. Unless the parties agree otherwise, the party selecting first shall be determined by the flip of a coin. The remaining name shall be designated as the arbitrator.

- e. If the arbitrability issues are not resolved, the parties shall set the dates for the briefing schedule, inform the arbitrator of the process for resolving arbitrability, and request provisional dates for a hearing on the merits should a hearing be needed. Such hearing shall take place after the arbitrator's decision on arbitrability, and shall be scheduled to allow at least 4 weeks between when the arbitrator's decision on arbitrability is due and the arbitrator's cancellation deadline.
- f. If arbitrability is resolved, but the merits are not settled, the matter shall go forward to a hearing.

4. **Mediation (optional step)**

The parties may mutually agree to engage in grievance mediation and request a state mediator in order to resolve cases prior to a hearing. Mediation shall occur at least four (4) weeks before the arbitrator's cancellation deadline, unless another timeline is mutually agreed to. However, if the parties agree to engage in grievance mediation, nothing in this paragraph shall supplant the grievance process timelines from continuing, unless mutually agreed by the parties. If a settlement is reached in grievance mediation, the settlement shall be in writing and signed by the parties. Such agreement shall not be precedent-setting.

5. **Bifurcation**

a. The University shall be precluded from raising arbitrability claims if it has not done so by the Step 3 response, unless such issues arise after the Step 3 response is issued. Arbitrability claims must include facts and arguments to substantiate such claims.

1) The arbitration process shall be bifurcated where the University and Union do not resolve properly made arbitrability claims at the pre-arbitration conference.

2) Any party requesting a hearing on the issue of arbitrability, must do so within seven (7) business days of selecting an arbitrator. If such a request is not made within seven (7) business days of choosing an arbitrator, the issue of arbitrability shall be resolved by briefs, not hearing.

3) Written Brief

4) If the University fails to meet the timeline, it is precluded from making arbitrability claims, and the grievance shall proceed to a

hearing on the merits.

5) If the Union fails to submit a response brief, the arbitrator shall issue a ruling based on the record from the University's brief.

6) Hearing on Arbitrability

Where a party timely requests a hearing on arbitrability, such hearing shall be held. If a hearing on arbitrability has been timely requested, the moving party shall contact the arbitrator within five (5) calendar days of making such a request to request two (2) dates (or sets of dates) for a separate hearing on arbitrability and a hearing on the merits which shall take place after the arbitrator's decision on arbitrability. Such hearing shall be scheduled to allow at least four (4) weeks between when the arbitrator's decision on arbitrability is due and the arbitrator's cancellation deadline. If the moving party does not request two (2) dates (or sets of dates) for separate hearings within five (5) days of requesting a hearing on arbitrability, the issue of arbitrability shall be resolved by briefs, instead of a hearing.

7) If the arbitrator finds the grievance to be not arbitrable, the substantive facts of the case need not be heard and the grievance shall be denied. If the arbitrator finds in favor of arbitrability, the hearing shall proceed to the substantive issues raised.

6. **International Grievants Who Are Dismissed**

- b. By mutual agreement, the parties may allow the grievant to testify and attend the arbitration hearing virtually.
- c. If the arbitrator makes the determination that the grievant was not dismissed for just cause, the University shall reimburse for actual travel costs incurred, for the grievant only, to appear at the hearing. Such reimbursement shall be limited to a travel visa and airfare, in accordance with University Travel Policy.

7. **Procedural/Evidentiary Issues At Hearing**

During the hearing the parties shall have the opportunity to examine and cross-examine witnesses under oath and to submit relevant evidence. If the grievant cannot testify in person, the grievant may testify through electronic means. Issues and allegations shall not be introduced at the hearing unless they were introduced prior to or during Step 3 of the grievance procedure.

- b. Upon request by either party but not upon their own motion, the arbitrator shall have the authority to subpoena relevant documents and/or witnesses.
- c. The arbitration hearing shall be closed to anyone other than the participants in the hearing unless the parties mutually agree otherwise in writing.

The arbitrator shall consider the evidence presented and render a written decision within thirty (30) calendar days of the close of the record of the hearing. The arbitrator's decision shall set forth the findings of fact, reasoning, and conclusions on issues submitted by the parties. The arbitrator's authority shall be limited to determining whether the University has violated arbitrable provisions of this contract and to ordering corresponding remedies. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this contract nor shall the arbitrator have the authority to review any academic judgment. To the extent that the University's action is based upon academic judgment, the arbitrator shall have no authority or jurisdiction to substitute their judgment for that of the University and its agents.

- a. If the grievance is sustained in whole or in part, the remedy shall not exceed restoring to the grievant the pay, benefits and/or contractual rights lost less any compensation from any source including but not limited to Workers' Compensation, Unemployment Compensation or other employment. The decision and award of the arbitrator shall be final and binding upon the parties to the contract and the Postdoctoral Scholars. The University will not be liable for back wages or other monetary reimbursement for:
 - 1) any period of time during which an extension of the time limits has been granted at the request of the UAW;

2) any period of time greater than thirty (30) calendar days prior to the date the grievance was filed pursuant to this article.

b. The arbitrator's fees and the costs of transcripts requested by the arbitrator or both parties shall be equally born by the parties. Costs for transcripts requested by only one party, shall be born by the requesting party. The party that cancels or postpones an arbitration will be liable for any cancellation/postponement fees charged by the arbitrator and/or court reporter.

9. Extension of Time Limits

Time limits set forth in this article may be extended only by mutual agreement of the parties in writing.

10. Pay Status

Postdoctoral Scholar witnesses will be in a without-loss-of-pay-status for travel to and from the arbitration hearing, for time actually giving testimony or waiting to give testimony, at the hearing. Total release time for the grievant, employee representative and witness(es) for travel to/from the hearing and for participation in the hearing shall not exceed either their normally scheduled hours of work for the day(s) of the hearing or their actual participation in the hearing. Participants shall travel to/from the hearing via the most expeditious method of transportation available.

c. No more than one (1) Postdoctoral Scholar representative shall be in without-loss-of-pay-status for an arbitration hearing.

11. Arbitrator Panel

The parties agree that there will be a statewide standing panel of twenty-one (21) arbitrators to hear arbitration cases scheduled for hearing pursuant to the provision of this article. Such panels are listed in Appendix F.

C. NONDISCRIMINATION ACKNOWLEDGMENT AND WAIVER

1. If the UAW appeals a grievance to arbitration that contains allegations of a violation of Nondiscrimination but does not allege violation of another Article that is arbitrable, the Union's notice must include an Acknowledgment and Waiver Form signed by the affected Postdoctoral Scholar. The Acknowledgment and Waiver Form shall reflect:
 - a. that the Postdoctoral Scholar(s) has/have elected to pursue arbitration as the exclusive forum for the claim and
 - b. that the Postdoctoral Scholar understands the procedural and substantive differences between arbitration and the other remedial forum or forums in which the dispute might have been resolved, including the differences in the scope of remedies available in arbitration as compared to such other forums.
2. The timeline to appeal to arbitration set forth in this Article will be extended by thirty (30) calendar days for such grievance to enable the Postdoctoral Scholar to make an informed choice.

ARTICLE 7 HEALTH AND SAFETY

A. GENERAL CONDITIONS

1. The University and the UAW acknowledge that promoting and maintaining a safe and healthy workplace is the responsibility of both parties.
2. The University shall make reasonable attempts to furnish and maintain safe working conditions in the workplace and equipment required to carry out assigned duties. The University shall manage its operations in compliance with established campus/medical center/laboratory health and safety policies and procedures. Nothing shall preclude the University from establishing safety standards above minimum safety requirements.
3. All Postdoctoral Scholars have an obligation and responsibility to complete and sign off on all required safety training and retraining within campus guidelines. List(s) of required training classes shall be provided to the Postdoctoral Scholars at the time of hiring. Non-compliance may result in discipline up to and including the termination of appointment.
4. The University shall not retaliate against any Postdoctoral Scholar for identifying, and/or expressing concerns about safety-related issues.
5. Safety-related issues include but are not limited to: chemical and biological hazards, emergency response, ergonomic risks, radiation, lasers, magnetic fields, nano-particle exposure, and fall hazards.

7. In the event a Postdoctoral Scholar alleges that the physical workplace has caused mental or emotional reactions to the work environment, or that they have developed physical reactions arising from mental or emotional reactions to or perceptions of the work environment, the University's sole obligation under this Article is to review the allegations and mitigate the physical hazards, if any, in accordance with the provisions of this Article.
8. The following provisions apply to situations when a Cal-OSHA inspector conducts a compliance investigation at a laboratory or work area. The parties acknowledge that Cal-OSHA has the right to inspect University facilities unannounced.
 - a. When the Cal-OSHA inspector arrives to inspect a worksite in which Postdoctoral Scholars are located, Union representative has a right to be present at the opening conference and to accompany the inspector during the walkaround inspection.
 - b. When a Postdoctoral Scholar in a laboratory or work area, is aware of a Cal-OSHA compliance inspection related to a Postdoctoral Scholar in that laboratory or work area, the supervisor will not unreasonably deny an authorized Postdoctoral Scholar representative's request to accompany the Cal-OSHA Inspector on the walkaround. No more than one Postdoctoral Scholar need be granted participation in walkaround.

- c. A Cal-OSHA inspector may talk with the Postdoctoral Scholars who they deem necessary in the conduct of a Cal-OSHA investigation.
9. The parties agree to the following provisions in an effort to address the Union's ability to join an Inspector during compliance reviews and walkarounds.
 - a. The parties agree that the Union will provide the University with a list of Union representatives that the University may contact. The University will attempt to contact the representatives on the list as soon as practicable following Cal-OSHA's announcement of an inspection.
 - b. In the case of an unannounced Cal-OSHA inspection, the Union Representative(s) must respond to the University's contact effort in time to participate in the inspection.
10. Within a reasonable time following a written request by the Union, the University EH&S Office will provide the UAW with copies of EH&S inspection reports related to work sites of Postdoctoral Scholars. The University may charge the Union for the reasonable costs associated with the provision of such materials if providing the materials is burdensome.

B. HEALTH AND SAFETY TRAINING

1. On an ongoing basis, the University shall provide training and information about the University's health and safety programs. Postdoctoral Scholars shall take all required training based on the requirements of the Laboratory/workplace. Training includes information about:
 - a. the health and safety protocols and emergency procedures associated with the Postdoctoral Scholars research and, where applicable, known specific hazards associated with the Postdoctoral Scholar's research,

 - c. the procedures available to Postdoctoral Scholars to abate or report any unsafe or unhealthy working conditions.
2. The University will provide relevant training/information for reasonably foreseeable hazards that are related to exploratory research, and for tasks/procedures known to have associated safety risks.
3. The University shall document training that is provided to Postdoctoral Scholars.

C. ASSIGNMENTS

1. The normal course of a Postdoctoral Scholar's research may include activities, substances, or procedures that may be considered hazardous.
2. In the event a Postdoctoral Scholar believes they have been assigned research that is

hazardous, or research that requires additional training and/or equipment, the Postdoctoral Scholar shall immediately inform their supervisor of the components of the assignment that they believe to be hazardous or dangerous. The University shall ensure the additional training is available and equipment is provided prior to the Postdoctoral Scholar engaging in those tasks and/or assignments. The Postdoctoral Scholar shall adhere to training and retraining requirements, as stated in §A and B above. Nothing in this provision shall limit the Postdoctoral Scholar's option to EH&S.

- a. In attempting to resolve the Postdoctoral Scholar's claim, the supervisor may provide necessary training/instruction, protective equipment or hazard abatement, or may make workplace task performance and/or task assignment changes to remediate the Postdoctoral Scholar's concerns.
 - b. At any time after the supervisor has been informed of the hazardous assignment, the supervisor or the Postdoctoral Scholar may contact a University EH&S professional for participation in task evaluation.
3. A Postdoctoral Scholar who has complied with the procedures in §2., above, has the right to refuse hazardous tasks, while the University is investigating or remedying their concern.
4. If the supervisor does not provide the training/instruction or does not make assignment changes, they shall have the Postdoctoral Scholar's claim assessed by a University EH&S professional person responsible for the assessment of health and safety conditions before the Postdoctoral Scholar is required to continue with the task. If, in the assessment of the University EH&S professional, the assignment requires additional training/instruction or other remedies, the supervisor shall follow campus/medical center procedures to remedy the situation prior to assigning the work to the Postdoctoral Scholar. Once the University makes the modifications that remedy the situation as required by the University EH&S professional, the Postdoctoral Scholar may be required to perform the work.
5. If, in the assessment of the University EH&S professional, the assignment is within the scope of the Postdoctoral Scholar's training and knowledge or that the University's safety policies and procedures are met, the supervisor may require the Postdoctoral Scholar to perform the assignment. Alternatively, the supervisor may assign the affected Postdoctoral Scholar to other available work consistent with the work usually performed by the Postdoctoral Scholar or may assign another qualified Postdoctoral Scholar to perform the assignment.

D. LABOR MANAGEMENT COMMITTEE

1. Specific and/or general campus/medical center health and safety concerns may be raised by contacting the campus EH&S Office at any time.

Campuses with fewer than 400 Postdoctoral Scholars shall provide release time for one Postdoctoral Scholar at the campus or major portion thereof to attend the meeting. A University EH&S professional will attend the Labor/Management meeting.

E. INFORMATION AND TESTS

- 1. The University will maintain the material safety data sheet (MSDS) and other safe operating procedure (SOP) documents received from the vendor, unless the latest version of the MSDS is already available. The University shall maintain such information, in paper or electronic form. The University shall supply the safety lenses and frames selected by the University.

G. COMPLIANCE

The University and the UAW agree that the University's choice of response to achieve compliance with this article or the specifics of any arbitrator's award may be contingent upon the availability of funds. When the University states that it cannot implement a workplace change to comply with an arbitrator's award due to the unavailability of funds, the University may choose to reassign the Postdoctoral Scholar, relocate the research activity and/or curtail the research and/or assignment. If the Union believes the University's alternate remedy violates the agreement, it may immediately appeal to the arbitrator who shall retain jurisdiction to review the alternate remedy.

ARTICLE 8 HOLIDAYS

A. UNIVERSITY HOLIDAYS

The University shall observe the following days as administrative holidays:

- January 1st (New Year's Day)
- Third Monday in January (Martin Luther King, Jr. Day)
- Third Monday in February, or announced equivalent (President's Day)
- Last Friday in March or announced equivalent (Cesar Chavez Day)
- Last Monday in May (Memorial Day Observance)
- June 19, or announced equivalent, (Juneteenth Federal Holiday)
- Fourth of July (Independence Day)
- First Monday in September (Labor Day)

- Friday following Thanksgiving Day (or announced equivalent)
- December 24, or announced equivalent (Christmas Eve)
- December 25 (Christmas Day)
- December 31, or announced equivalent (New Year's Eve)

Official holidays are those holidays as set forth annually in the campus calendar. Unless the University designates an alternate day, when a holiday falls on a Saturday, the preceding Friday is observed as the holiday; and when a holiday falls on Sunday, the following Monday is observed as the holiday.

B. COMPENSATION FOR HOLIDAYS WORKED

When operational needs require, the supervisor may schedule Postdoctoral Scholars to work on University holidays. In such instance(s), Postdoctoral Scholars shall receive an alternate day off for each holiday worked. The Postdoctoral Scholar may request specific dates to be used as alternate days off. The supervisor shall not unreasonably deny such requests.

C. RELIGIOUS OBSERVANCE

A Postdoctoral Scholar may observe special or religious holidays by using Personal Time Off, as described in Article 17 or by working an alternate day, if the University determines that work schedules permit. The supervisor shall not unreasonably deny such requests.

ARTICLE 9
INDIVIDUAL DEVELOPMENT PLANS

A. Individual Development Plan

1. An individual development plan (IDP) provides a planning process that identifies the Postdoctoral Scholar's general individual research goals, professional development and career objectives. It may also serve as a link to the academic supervisor's research goal, and thus serves as a communication tool between a Postdoctoral Scholar and their academic supervisor. In addition to the Postdoctoral Scholar's academic supervisor, the Postdoctoral Scholar may consult with additional mentors in the development of an IDP.
2. When a grant, fellowship or program funding a Postdoctoral Scholar requires the development of an IDP, the Postdoctoral Scholar shall develop an IDP.
3. Notwithstanding A.2 above, Postdoctoral Scholars may elect to develop an IDP. The Postdoctoral Scholar shall follow the process outlined below:
 - a. When developing an IDP the Postdoctoral Scholar may discuss their research goals, general professional development needs, and career objectives with the supervisor and any additional mentor(s).
 - b. In the event a Postdoctoral Scholar desires a written IDP, they will normally conduct a self-assessment and discuss opportunities with their academic supervisor and any additional career mentor(s). The Postdoctoral Scholar may then submit a written draft of the IDP to the academic supervisor for discussion.
 - c. The academic supervisor will share their knowledge about available development opportunities with the Postdoctoral Scholar, will review the IDP and provide advice about possible revisions as needed.
 - d. When implementing the plan, if the Postdoctoral Scholar believes the plan requires revision, they will follow the process outlined in this section. Goals may change based on evolving research needs.
 - e. The Postdoctoral Scholar and the academic supervisor may engage in ongoing discussions regarding the IDP.

B. The contents of Individual Development Plans are not grievable.

**ARTICLE 10
LABOR-MANAGEMENT MEETINGS**

A. LABOR-MANAGEMENT MEETINGS

1. The University and UAW shall engage in University-wide Labor-Management meetings for the purpose of reviewing and devising ways to address on-going need of Postdoctoral Scholars for the mutual benefit of Postdoctoral Scholars and the University, and to make recommendations to appropriate University officials. The parties agree to meet, following the written request of either party, on a quarterly basis. The parties may agree to additional meetings.
2. Each party shall designate a person to serve as co-chair for the meetings. The co-chairs shall work together to schedule the meeting times and locations, shall specify the agenda, and agree on the information and individuals necessary to conduct an informed meeting. Each party's co-chair will communicate any cost and/or burden associated with providing the requested information as soon as such cost/burden is known.
3. Agenda items not specified at least seven (7) calendar days prior to the scheduled date of the meeting, need not be responded to at the meeting. Appropriate agenda items for Labor-Management meetings include:
 - a. administration of the Agreement;
 - b. dissemination of general information of interest to the parties;
 - c. health and safety matters regarding bargaining unit employees;
 - d. health care benefits matters of interest to the parties;
 - e. professional development issues;
 - f. leaves of absence;
 - g. issues of interest to international Postdoctoral Scholars;
 - h. childcare issues; and
 - i. extramural funding agencies guidelines pertaining to issues such as leaves applicable to Postdoctoral Scholars.

B. RELEASE TIME

1. The UAW may designate up to four (4) Postdoctoral Scholars to attend each scheduled one-day Labor-Management meeting. The University shall not unreasonably deny these Postdoctoral Scholars release from work provided:
 - a. the designated Postdoctoral Scholars provide at least seven (7) calendar days notice of the need to be absent from the worksite;
 - b. the designated Postdoctoral Scholars work with their supervisor to ensure completion of research requirements.
2. The parties may agree to allow additional Postdoctoral Scholars to attend the meetings, provided the Postdoctoral Scholars comply with the provisions in §B.1., above.
3. Any travel and subsistence incurred by the employee(s) attending the meeting(s) shall be the responsibility of the Postdoctoral Scholars or UAW.

ARTICLE 11
LAYOFF

- A.** The University shall have sole discretion to determine when layoffs shall occur. Layoff is defined as an involuntary separation, or a reduction in percent effort or duration of appointment for a Postdoctoral Scholar prior to the established appointment end date as a result of appropriate funding becoming unavailable.

- B.** In the event of layoff, the University shall provide as much written notice as practicable to the Postdoctoral Scholar, but no less than thirty (30) calendar days in advance of the effective date of the layoff.

 - 1. In the event thirty (30) calendar days' notice cannot be provided, the University shall provide the laid off Postdoctoral Scholar pay in lieu of notice for the portion of the thirty (30) calendar days for which notice was not provided.
 - 2. The University shall provide a copy of the layoff notice to the UAW within three (3) business days of providing the layoff notice to the Postdoctoral Scholar.

- C.** In the event the funding is restored or the termination of the research project is reversed within the time that the current appointment period would have been in place, the Postdoctoral Scholar shall have their appointment restored when the funding/work is restored.

- D.** In order to mitigate the effects of a layoff, the University will provide advice to the Postdoctoral Scholar in finding an alternate Postdoctoral Scholar appointment for which they are qualified.

- E.** A Postdoctoral Scholar who is subject to layoff may request that the University supply a written statement concerning the unavailability of appropriate funding that is the reason for the layoff.

A. GENERAL PROVISIONS

Subject to the provisions of this Article, leaves of absence may be with or without pay, may be for medical purposes and/or non-medical reasons, and are subject to the approval of the University. Approved leaves do not continue beyond the predetermined end date of the Postdoctoral Scholar's appointment.

1. Definitions

- a. Non-medical leaves of absence, with or without pay, include: certain Family and Medical Leaves (leave to care for a family member with a serious health condition, Parental Leave, Military Caregiver Leave, and Qualifying Exigency Leave), leave for jury duty, military leave, leave for professional meetings, Personal Leave, and leave for service to Governmental agencies.
- b. Medical Leaves with or without pay, include Pregnancy Disability Leave, Family and Medical Leave taken for the Postdoctoral Scholar's own serious health condition and Disability Leave.
- c. FMLA is the federal Family and Medical Leave Act of 1993.
- d. CFRA is the California Family Rights Act of 1995.
- e. For the purposes of this Article, a day means a scheduled work day.

2. Disability Insurance Coverage

- a. **Short Term Disability:** The plan shall pay a weekly benefit equal to 70% of the Postdoctoral Scholar's weekly earnings, up to the maximum allowed by the PSBP Short Term Disability Plan.
- b. **Voluntary Long Term Disability:** Postdoctoral Scholars may supplement short term disability coverage by purchasing long term disability insurance.
- c. **For Postdoctoral Scholars Eligible for Family and Medical Leave (FML)**
 - 1) Postdoctoral Scholars who have a certified disability during the period of their appointment receive Short-Term Disability payments for up to six months as a result of being enrolled in the UC Postdoctoral Scholar Benefits Plan Short-Term Disability Program.
 - 2) During the period of disability, the Postdoctoral Scholar receives medical plan coverage but no vision or dental. However, Postdoctoral Scholar eligible for FML shall receive vision and dental coverage during FML in accordance with §B.8.

- 3) If a Postdoctoral Scholar who is eligible for FML takes such a leave for their own serious health condition (as defined in §B.1.c below), the absence from work shall be deducted from the Postdoctoral Scholar's FML entitlement.

a. For Postdoctoral Scholars Not Eligible for FML

- 1) Postdoctoral Scholars who have a certified disability during the period of their appointment receive Short-Term Disability payments for up to six months as a result of being enrolled in the UC Postdoctoral Scholar Benefits Plan Short-Term Disability Program.
- 2) During the period of disability, the Postdoctoral Scholar receives medical plan coverage, but no vision or dental.

3. Benefit Eligibility While On Leave Without Pay

- a. **Special Health Benefit Eligibility For FML** – An eligible Postdoctoral Scholar shall have University-provided health benefits continued for the period of the FML in accordance with §B.8 of this Article.
 - b. **Other Benefit Eligibility** - An eligible Postdoctoral Scholar on approved leave without pay may elect to continue University-sponsored insurance coverages (as determined by plan documents or regulation(s)) for the period of the leave by remitting the entire premium amount due for the period of the approved leave, in accordance with the provisions of the applicable plan(s).
4. An approved leave without pay is not considered a break in service.
 5. **Requests For Leave** - Except as provided under §B.3, FML Notification, §J.8. Military Caregiver Leave, §K.1.g. Qualifying Exigency Leave, and §L.1.c. Military Spouse/Domestic Partner Leave, requests for leaves of absence and extensions, with or without pay, shall be submitted in writing to the University. Such requests shall be submitted sufficiently in advance of the requested leave date to provide the University time to assess the operational impact of granting the request. All requests for leaves of absence shall contain the requested beginning and end date of the leave, and any additional information as required.
 6. **Duration** - The start date of the leave, the terms of the leave and the date of return from the leave are determined when the leave is granted. The University shall provide the Postdoctoral Scholar with written confirmation of such dates in accordance with the provisions of this Article.

7. Return To Work

- a. A Postdoctoral Scholar who has been granted an approved leave with or without pay shall be reinstated to the same or similar position to which the Postdoctoral Scholar was appointed if the return date is during the term of the appointment. If the position held has been abolished or affected by layoff during the leave, the Postdoctoral Scholar shall be afforded the same considerations that would have been afforded had that Postdoctoral Scholar been on pay status when the position was abolished or affected by layoff. The exceptions to this section are return to work from Pregnancy Disability Leave, FML Leave and Military Leave.
- b. Failure to provide a required medical release to return to work, as set forth in §B.5., may result in the delay of reinstatement until the Postdoctoral Scholar submits the required medical release certification.

B. FAMILY AND MEDICAL LEAVE (FML)

If a Postdoctoral Scholar is eligible for FML, the University shall abide by the Act.

The provisions of this §B., and the terminology used in §B.1., apply only to Postdoctoral Scholars who are eligible for FML under FMLA and/or CFRA. Postdoctoral Scholars who do not meet FMLA and/or CFRA eligibility requirements may receive leave for purposes described in this section by applying for a Personal Leave of Absence, in accordance with §E. The same notification and certification requirements apply to Personal Leaves requested for the purposes described in this §B.

1. Definitions

- a. Family and Medical Leave (FML) is defined as a qualifying leave taken for any of the following six (6) reasons:
 - 1) Leave due to the Postdoctoral Scholar's own serious health condition.
 - 2) Leave taken by the Postdoctoral Scholar to care for a family member, as defined in §B.1.b. below, with a serious health condition.
 - 3) **Parental Leave**, which is leave to bond with the Postdoctoral Scholar's newborn or newly placed child, as described in §B.7. below.
 - 4) **Pregnancy Disability Leave**, as described in §D. below, when the Postdoctoral Scholar is also eligible for leave under the FMLA.
 - 5) **Military Caregiver Leave**, as discussed in greater detail below in §J below.
 - 6) **Qualifying Exigency Leave**, as discussed in greater detail below in §K below.
- b. **A Family Member** for the purposes of FML taken to care for a family member with a serious health condition is the Postdoctoral Scholar's parent, child, spouse, domestic partner, grandparent, grandchild or sibling. Child means the Postdoctoral Scholar's biological child, adopted child, foster child, stepchild, legal ward, or a child for whom the Postdoctoral Scholar stands in loco parentis, who is under 18 years of age or incapable of self-care because of a mental or physical disability. Parent includes the Postdoctoral Scholar's biological parent, foster parent, adoptive parent, stepparent, parent-in-law, legal guardian, or an individual who stood in loco parentis to the Postdoctoral Scholar when the Postdoctoral Scholar was a child.
- c. **A Serious Health Condition For The Purposes Of FML** taken to care for a family member is an illness, injury, impairment, or physical or mental condition that involves either inpatient care (as defined in B.1.d.1. below) or continuing treatment (as defined in B.1.d.3. below) and that warrants the participation of the Postdoctoral Scholar to provide supervision or care (which may include psychological care or comfort) during the period of treatment or incapacity (as defined in B.1.d.2. below).
- d. **The Postdoctoral Scholar's Own Serious Health Condition** is an illness, injury, impairment, or physical or mental condition that renders the Postdoctoral Scholar unable to perform any one or all of the essential functions of the Postdoctoral Scholar's position and involves either inpatient care or continuing treatment.
 - 1) **Inpatient care** means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits them to the facility with the expectation that they will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - 2) **Incapacity** means the inability to work, attend school, or perform other regularly daily activities due to a serious health condition, its treatment, or the recovery that it requires.

3) Continuing treatment means ongoing treatment or supervision by a health care provider.

- e. A **Health Care Provider** is an individual who is a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State or other jurisdiction in which the doctor practices, or who is duly licensed as a podiatrist, dentist, clinical psychologist, optometrist, chiropractor (limited to the treatment of the spine to correct a subluxation as demonstrated by x-ray to exist), physician assistant, nurse practitioner or nurse mid-wife performing within the scope of their duties, or Christian Science practitioner or any health care provider that the Postdoctoral Scholar's health plan carrier recognizes for purposes of payment.
- f. **1,250 Hours Of Actual Service** means time actually spent at work and does not include any paid time off or Sick Leave, nor does it include time paid for holidays not worked. For Postdoctoral Scholars granted military leave, all hours that would have been worked had the Postdoctoral Scholar not been ordered to military duty shall be used to calculate the 1,250 actual hours of work requirement.

2. Eligibility Criteria and Duration

- a. Except as set forth in this section, Postdoctoral Scholars who have at least twelve (12) cumulative months of University service and have at least 1,250 hours of actual service during the twelve (12) month period immediately preceding the commencement of the leave, are eligible for and shall be granted up to a total of twelve (12) workweeks of FML in the calendar year. For Military Caregiver Leaves, the maximum entitlement is twenty-six (26) workweeks in a single 12-month period, as defined in §J.3.g. below. For Pregnancy Disability Leave, the maximum entitlement is four (4) months per pregnancy. A Postdoctoral Scholar who has been employed at the University of California for one year or more at 60% or more will be presumed to have the 1,250 hours, unless the University demonstrates that the Postdoctoral Scholar does not have the requisite 1,250 hours. For the purposes of this Article and Section only, all prior University service, including service with the UC-managed Department of Energy Laboratories, shall be used to calculate the twelve (12) month service requirement.
- b. FML is unpaid leave, except as otherwise provided in this Article.
 - 1) Except as set forth below, time off used for FML purposes, including Work Incurred Injury and Illness leave that qualifies as FML, shall be deducted from the Postdoctoral Scholar's twelve (12) workweek FML maximum entitlement. For Military Caregiver Leave, the maximum entitlement is twenty-six (26) workweeks in a single 12-month leave period, as defined in §J.3.g. below. For Pregnancy Disability Leave, the maximum entitlement is four (4) months per pregnancy.
 - 2) FML shall not exceed twelve (12) workweeks in any calendar year, except in the case of Military Caregiver Leave, Pregnancy Disability Leave, or combined leaves for Pregnancy Disability Leave and Parental Leave.
 - 3) If the Postdoctoral Scholar has exhausted their entitlement to FML, or is otherwise ineligible for FML, the University may approve a leave to cover the absence from work for verifiable medical reasons as referenced in §E.

3. FML Notification

- a. If the Postdoctoral Scholar learns of the event giving rise to the need for FML more than thirty (30) calendar days in advance of the leave's anticipated initiation date, the Postdoctoral Scholar shall give the University at least thirty (30) calendar days' notice of the need for leave. A Postdoctoral Scholar who fails to give thirty (30) days' notice for a foreseeable leave with no reasonable basis for the delay may have the FML delayed until thirty (30) days after the date on which the Postdoctoral Scholar provides notice.
 - 1) If the need for FML is foreseeable due to the planned medical treatment of the Postdoctoral Scholar or that of their family member, the Postdoctoral Scholar shall

make reasonable efforts to schedule the treatment so as to not unduly disrupt the University's operations.

- 2) If the need for FML is unforeseeable or actually occurs prior to the anticipated date of foreseeable leave, the Postdoctoral Scholar shall provide the University with as much notice as possible.
- b. The University shall determine whether the Postdoctoral Scholar meets the eligibility requirements to qualify for FML and shall, within five days of that determination, notify the Postdoctoral Scholar whether the Postdoctoral Scholar is eligible for FML. The designation notice shall include the start date of the leave, the anticipated return date from the leave, and other terms of the leave. If the leave is being denied, the designation will so indicate.
- c. Extensions to the FML, up to the applicable aggregate maximum for the calendar year may be granted in accordance with §B.4.e.

4. Certification

a. For FML taken due to the Postdoctoral Scholar's Own Serious Health Condition

When FML is requested for the Postdoctoral Scholar's own serious health condition, the University may, at its discretion, require that Postdoctoral Scholar's request for leave be supported by written certification issued by the Postdoctoral Scholar's health care provider. When certification is required by the University, such requirement shall be made to the Postdoctoral Scholar in writing. Certification may be provided by the Postdoctoral Scholar on a form given to the Postdoctoral Scholar by the University and shall be provided within fifteen (15) calendar days following the University's request. Regardless of the format in which it is provided, the certification shall include:

- 1) certification that the Postdoctoral Scholar has a serious health condition as defined in §B.1.d., above, and
- 2) a statement as to whether the Postdoctoral Scholar is unable to perform one or more of the essential assigned functions of their position due to the serious health condition and
- 3) the date on which the Postdoctoral Scholar's serious health condition began, if known, the probable duration of the condition, and the Postdoctoral Scholar's probable date of return, and
- 4) whether it will be medically necessary for the Postdoctoral Scholar to take leave intermittently or to work on a reduced work schedule, and if so, the probable frequency and duration of the Postdoctoral Scholar's need for leave.

b. For FML taken to care for the Postdoctoral Scholar's Family Member - When a Postdoctoral Scholar requests FML to care for a family member with a serious health condition, the University may, at its discretion, require that a Postdoctoral Scholar's request for leave be supported by written certification issued by the family member's health care provider. When certification is required by the University, such requirement shall be made to the Postdoctoral Scholar in writing. Certification may be provided by the Postdoctoral Scholar on a form given to the Postdoctoral Scholar by the University and shall be provided within fifteen (15) calendar days following the University's request. Regardless of the format in which it is provided, the certification shall include:

- 1) certification that the Postdoctoral Scholar's family member has a serious health condition as defined in §B.1.c., above, and
- 2) a statement that the family member's serious health condition warrants the participation of the Postdoctoral Scholar to provide supervision or care (which may include psychological care or comfort) during the period of treatment or incapacity, and
- 3) whether it is medically necessary for the Postdoctoral Scholar to take leave intermittently or on a reduced work schedule to care for the family member and the probable frequency and duration of the Postdoctoral Scholar's need for leave to provide such care.

c. Confirmation of Family Relationship – The University may require a Postdoctoral Scholar requesting FML to care for a family member with a serious health condition or

requesting FML as Parental Leave, Military Caregiver Leave, or Qualifying Exigency Leave to provide a declaration confirming the familial relationship. The University may, at its sole discretion, delay or deny a request for leave, or discontinue a leave which is in progress, if the Postdoctoral Scholar fails to provide this declaration within fifteen (15) calendar days of the University's request.

- d. **Questioned Medical Opinions** – If the University has a good faith, objective reason to doubt the validity of the Postdoctoral Scholar's certification for their own serious health condition, the University may require that the Postdoctoral Scholar obtain a second medical opinion from a second health care provider selected by the University.
 - 1) Should the second medical opinion differ from the opinion of the Postdoctoral Scholar's own health care provider, the University may require a third medical opinion from a third health care provider, jointly agreed to by the Postdoctoral Scholar and the University.
 - 2) The University shall bear the cost of the second and third opinions, and the third opinion shall be final and binding.
 - 3) The second medical opinion shall be in the same format as the original certification. No medical records may be required to be released to the University, although a limited release of the medical records between the two health care providers may be necessary. Upon request, the University will provide a copy of the second and, if applicable, third medical opinion to the Postdoctoral Scholar at no cost.
- e. **Additional Certification and/or Recertification** – If additional leave is requested or should the circumstances of the leave change, the University may require that the Postdoctoral Scholar obtain recertification. Such requests for subsequent certification and/or recertification may be either verbal or in writing.
 - 1) If the University requires certification and/or re-certification the Postdoctoral Scholar shall return the certification within fifteen (15) calendar days of the University's request, where practicable.
 - 2) The University may deny or delay a request for an extension or change in the leave until the Postdoctoral Scholar provides the required certification.
- f. **Failure to Provide a Complete and Sufficient Certification and/or Recertification** – If the Postdoctoral Scholar fails to provide a complete and sufficient certification and/or recertification, the University shall provide the Postdoctoral Scholar fifteen (15) calendar days to perfect the certification and/or recertification.
 - 1) Failure to perfect an incomplete or insufficient certification and/or recertification within the requested time may result in delay of the leave or discontinuance of the leave until the Postdoctoral Scholar provides the required certification and/or recertification.
 - 2) If the Postdoctoral Scholar fails to provide a complete and sufficient certification and/or recertification, the leave is not considered FML and will be denied in accordance with the provisions of §B.3.b. However, the University may grant a Personal Leave to the Postdoctoral Scholar at its discretion.

5. Return from FML Taken For Own Serious Health Condition

- a. The Postdoctoral Scholar shall provide reasonable notice to their department of their anticipated return to work.
- b. A Postdoctoral Scholar who has been granted FML for their own serious health condition may be required to provide a written medical release to return to work prior to returning to work.
- c. The Postdoctoral Scholar who has been medically released to perform the essential assigned functions of their job, with or without reasonable accommodation, shall be returned to the same position or an equivalent position.
- d. Failure to provide a medical release to return to work may result in the delay of reinstatement until the Postdoctoral Scholar submits a required medical release certification.

- 6. Duration** - Although the use of FML need not be consecutive, in no event shall a Postdoctoral Scholar's aggregate use of FML exceed a total of twelve (12) workweeks within a calendar year, except as provided above in §B.2.a.
- a. Hourly Conversion for Part-time or Alternately Scheduled Postdoctoral Scholars** - For Postdoctoral Scholars who work part-time, the number of FML hours to which the Postdoctoral Scholar is eligible shall be adjusted in accordance with the percentage of their appointment and with their normal weekly work schedule.
 - b. Postdoctoral Scholar Requests for Reduced Work Schedule/Intermittent Leave** - When medically necessary and supported by medical certification, the University shall grant an eligible Postdoctoral Scholar's request for a reduced work schedule or intermittent leave including absences of less than one (1) day. When granted, the University will count only the time actually spent on leave pursuant to the intermittent or reduced work schedule against the Postdoctoral Scholar's FML entitlement.
- 7. Parental Leave** - Parental Leave must be initiated and concluded within one (1) year (twelve (12) month period) of the event of the birth or placement of the child. The birth or placement of one (1) or more children at the same time constitutes a single event of birth or placement. The University shall grant a Parental Leave subject to the limitations described below.
- a.** If requested and taken immediately following a Pregnancy Disability Leave, a Postdoctoral Scholar eligible for FML under the FMLA/CFRA at the beginning of the Pregnancy Disability leave shall be granted the unused portion of FMLA/CFRA leave for Parental Leave purposes, up to a maximum of twelve (12) workweeks pursuant to statute in a calendar year. The amount available for use is determined by the amount of time that the FMLA/CFRA eligible Postdoctoral Scholar has previously used in the calendar year under each statute with the time running concurrently under both statutes in most situations.
 - b.** The University provides twelve (12) unpaid workweeks of Parental Leave for birth or placement of child. The Postdoctoral Scholar may use Personal Time Off, and/or Postdoctoral Paid Family Leave (PPFL) benefit to remain on pay status during this period.
 - c.** A Postdoctoral Scholar may only use one type of paid leave option at a time.
 - d. Requests for Parental Leave**
 - 1)** The Postdoctoral Scholar shall request Parental Leave sufficiently in advance of the expected birth date of the child or placement date of an adopted or foster care child to allow the University to plan for the absence of the Postdoctoral Scholar, but the Postdoctoral Scholar shall not be required to provide more than thirty (30) days advance notice. The anticipated date of return from Parental Leave shall be set at the time such leave commences, or if requested in conjunction with a FML taken as Pregnancy Disability Leave, shall be set at the time such Pregnancy Disability Leave commences. In the event Pregnancy Disability Leave is extended beyond the anticipated date by the Postdoctoral Scholar's health care provider, then the Postdoctoral Scholar is expected to communicate with the University about their new anticipated date of return. Parental Leave, when taken for the adoption of a child or placement of a child with the Postdoctoral Scholar, could commence prior to the date of placement to take care of matters related to the adoption or placement of the child.
 - e. Duration** – Parental Leave, alone, shall not exceed twelve (12) workweeks within a calendar year as defined in §B.2.b.2. and B.7., above. However, when Parental Leave is combined with FML taken as Pregnancy Disability Leave, the total amount of FML shall not exceed seven (7) months in a calendar year.
 - 1)** The University shall grant a Parental Leave of less than two (2) workweeks duration on any two (2) occasions during a calendar year.
 - 2)** The University may require that any additional Parental Leave requested during this same time period be for a minimum duration of two (2) workweeks, unless otherwise required by law.
 - 3)** In addition to §B.7.e.2. above, at the request of the Postdoctoral Scholar, the supervisor shall approve a parental leave on a reduced schedule or an intermittent

leave of any interval and duration unless there is a reason for denial based on exceptional circumstances related to research.

- 4) Postdoctoral Scholars who have exhausted their entitlement to leave under FMLA/CFRA may also take Personal Leave §E. below, for a total combined FML Parental Leave under FMLA/CFRA and Personal Leave (with or without pay) of up to one (1) year.

8. **Continuation of Health Benefits while on FML** - An eligible Postdoctoral Scholar who is on an approved FML (when FML is taken for their own serious health condition, to care for a family member with serious health condition, as Parental Leave, or as Qualifying Exigency Leave), with or without pay, shall be entitled to continue participation in health plan coverage (medical, dental, and vision) as if the Postdoctoral Scholar were on pay status for the period of the leave, up to twelve (12) workweeks in a calendar year. If FML is taken as Military Caregiver Leave, the Postdoctoral Scholar will be entitled to such benefits continuation for up to twenty-six (26) workweeks in a single 12-month leave period, as defined in §J.3.g. A Postdoctoral Scholar on an approved Pregnancy Disability Leave shall be entitled to such benefits continuation for up to four months per pregnancy in the twelve (12) month period that begins on the date that the Pregnancy Disability Leave begins, regardless of whether the Postdoctoral Scholar is eligible to have any portion of this leave counted as FML under the FMLA. Other group insurance coverage shall be administered in accordance with the provisions of the applicable group insurance regulations.
9. **Return to Work** - When a Postdoctoral Scholar has been granted an approved FML for any reason other than Pregnancy Disability Leave and returns within twelve (12) workweeks of the initiation of the leave (or within twenty-six (26) workweeks if FML is taken as Military Caregiver Leave), the Postdoctoral Scholar shall be reinstated to the same or an equivalent position upon expiration of the leave. For reinstatement immediately after Pregnancy Disability Leave, see §D.5. below. Postdoctoral Scholars who return to work at the conclusion of their combined Pregnancy Disability Leave and Parental Leave shall be reinstated to their same or an equivalent position. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the Postdoctoral Scholar shall be afforded the same considerations which would have been afforded had the Postdoctoral Scholar been on pay status when the position was abolished or affected by layoff. Return to work provisions do not apply to Postdoctoral Scholars if return is sought after the expiration of their appointment.

C. USE OF PAID LEAVE

1. Sick Leave and Personal Time Off

- a. FML is unpaid except for the use of Sick Leave and/or the use of Personal Time Off as provided in this Article:
- b. A Postdoctoral Scholar on FML for their own serious health condition:
 - 1) if eligible for University disability benefits, shall use Sick Leave in accordance with the University's disability plan requirements;
 - 2) if not eligible for University disability benefits, may elect to use Sick Leave instead of taking FML without pay; or
 - 3) if on leave due to a work-incurred injury or illness, a Postdoctoral 3) Scholar may use Sick Leave as provided in Article 34 - Work Incurred Injury or Illness.
- 4) A Postdoctoral Scholar on leave for their own serious health condition may use Personal Time Off prior to taking FML without pay.

2. **Postdoctoral Paid Family Leave (PPFL)**

- a. The leave is available for the following reasons:
 - 1) To care for a family member with a serious health condition; or
 - 2) To bond with a new born or adopted child;

- 3) To provide Military Caregiver Leave (as addressed below in §J); or
- 4) To take Qualifying Exigency Leave (as addressed below in §K).
- b. PPFL is for a maximum of eight (8) workweeks of paid leave per calendar year.
 - 1) When a Postdoctoral Scholar is eligible for FML for one of the reasons in this section, any PPFL shall run concurrently with FML.
 - 2) When a Postdoctoral Scholar is not eligible for FML, PPFL shall be taken as a Personal Leave consistent with §E.4.b.
- c. PPFL is paid at 100% time. If the Postdoctoral Scholar has an appointment of less than 100%, the paid family care paid leave option shall be prorated on the percentage of effort in effect during the leave.
- d. PPFL ends when either a) the paid leave is exhausted; or, b) at the appointment end date, whichever comes first. The leave will not continue beyond the end date of the Postdoctoral Scholar's appointment.
- e. Prior to taking unpaid leave, a Postdoctoral Scholar may also use Sick Leave in accordance with Article 23, Section D when taking leave to care for a family member with a serious health condition or when taking Military Caregiver Leave. A Postdoctoral Scholar may take Personal Time Off when taking leave to care for a family member with a serious health condition, when taking Military Caregiver Leave, or when taking Qualifying Exigency Leave.

D. PREGNANCY DISABILITY LEAVE

1. **Duration** - A Postdoctoral Scholar is entitled to, and the University shall grant, up to four (4) months of Pregnancy Disability Leave for disability related to pregnancy, childbirth, and related medical condition. Pregnancy Disability Leave may also be used for prenatal care. If the Postdoctoral Scholar is eligible for FML under the FMLA, pursuant to §B, above, such leave shall be deducted from a Postdoctoral Scholar's FMLA entitlement.
 - a. If the disability related to pregnancy, childbirth or related medical condition continues beyond four (4) months, a medical disability leave of absence may be granted in accordance with §B.2.b.3., above, for a total medical absence not to exceed six (6) months unless further leave is required by law.
 - b. Additionally, the Postdoctoral Scholar may be eligible for Parental Leave pursuant to §B.7., above, and Personal Leave of Absence, pursuant to §E., below, to bond with the Postdoctoral Scholar's newborn child.
2. **Pregnancy Disability Leave** may consist of leave with or without pay. However, a Postdoctoral Scholar shall be required to use available Sick Leave in accordance with the University's Disability Plan.
 - a. If Sick Leave is exhausted, the Postdoctoral Scholar may elect to use Personal Time Off prior to taking leave without pay.
 - b. The Postdoctoral Scholar is eligible to receive Short-Term Disability coverage during this leave in accordance with the provisions of that benefit.
 - c. The Postdoctoral Scholar may choose to use Personal Time Off following the Short-Term Disability benefit. The Postdoctoral Scholar's health benefits continue during time on pay status.
3. **As an Alternative to or in Addition to Pregnancy Disability Leave**, when requested by the pregnant Postdoctoral Scholar and medically advisable according to the health care provider, the University will provide (1) reasonable accommodation, (2) modified job duties, or (3) temporary transfer to a less strenuous or hazardous position. If the reasonable accommodation, modification of job duties, or temporary transfer does not involve a reduction in hours worked, it will not be counted against a Postdoctoral Scholar's entitlement of up to four (4) months of Pregnancy Disability Leave. At the conclusion of the Pregnancy Disability Leave (or earlier upon the Postdoctoral Scholar's request if that request is consistent with the advice of the health care provider), the Postdoctoral Scholar will be returned to the original position and/or duties in accordance with §D.5. below.

4. **Reduced Work Schedule** - When medically advisable and supported by medical certification, the University shall grant a Postdoctoral Scholar Pregnancy Disability Leave on a reduced work schedule or on an intermittent basis including absences of less than one (1) day. Only the time actually spent on the intermittent or reduced leave schedule shall be counted towards the Postdoctoral Scholar's entitlement of up to four (4) months of pregnancy disability leave.
5. **Return to Work** - A Postdoctoral Scholar who has been granted Pregnancy Disability Leave or a reasonable accommodation, modification of job duties, or temporary transfer shall be reinstated to the same position from which the leave was taken provided that the Postdoctoral Scholar returns to work immediately upon termination of the Pregnancy Disability Leave and provided that the aggregate duration of all leaves granted for a given pregnancy does not exceed four (4) months. If the same job has been abolished or affected by layoff, the Postdoctoral Scholar shall be reinstated to a comparable position. If a comparable position is not available on the Postdoctoral Scholar's scheduled date of return but a comparable position or positions become available within sixty (60) days thereafter, the University shall notify the employee of the position(s). If the Postdoctoral Scholar is reinstated within that sixty-day (60-day) period, the period between the Postdoctoral Scholar's originally scheduled date of reinstatement and the Postdoctoral Scholar's actual reinstatement shall not be counted for purposes of any employee pay or benefits. The date of reinstatement is generally determined when the leave is granted but may be adjusted, as necessary, given the length of time the Postdoctoral Scholar is actually disabled. Return to work provisions do not apply to Postdoctoral Scholars if return is sought after the expiration of their appointment.
6. **Continuation of Health Benefits** - A Postdoctoral Scholar on an approved Pregnancy Disability Leave shall be entitled, to continue participation in health plan coverage (medical, dental, and vision) as if on pay status for up to four (4) months per pregnancy in the twelve (12) month period that begins on the date that the Pregnancy Disability Leave begins, regardless of whether the Postdoctoral Scholar is eligible to have any portion of this leave counted as FMLA under the FMLA. Other group insurance coverage shall be continued in accordance with the provisions of the applicable group insurance regulations.

E. PERSONAL LEAVE OF ABSENCE WITH AND WITHOUT PAY

1. General Conditions

The University may grant a Postdoctoral Scholar an unpaid Personal Leave of Absence at its sole discretion. Such leave shall not continue beyond the end of the Postdoctoral Scholar's appointment and shall not exceed the period of certified need. Personal Leave without Pay shall not be considered a break in service and shall not determine eligibility for benefits. The University shall not unreasonably deny a request for a Personal Leave when a Postdoctoral Scholar in their first year of appointment requests leave.

2. For a Postdoctoral Scholar's own serious health condition

A Postdoctoral Scholar in their first year of appointment may receive up to twelve (12) workweeks of unpaid leave for the Postdoctoral Scholar's own serious health condition, unless further leave is required by law. The definition of a serious health condition in §B.1.d above also applies in this section.

3. To care for a family member

A Postdoctoral Scholar in their first year of appointment may receive up to twelve (12) workweeks of unpaid leave to care for the Postdoctoral Scholar's child, parent, spouse, domestic partner, grandparent, grandchild or sibling with a serious health condition. The definition of a serious health condition in §B.1.c. above also applies in this section. The Postdoctoral Scholar may use Personal Time Off and/or Sick Leave to remain in pay status during this period. The University shall not unreasonably deny requests for this leave.

4. To bond with a newly born or newly placed child

- a. **Description and Eligibility** – A Postdoctoral Scholar may be eligible for a full-time or part-time Personal Leave without pay for up to one (1) year to care for a newborn or newly

placed child. The child may be the Postdoctoral Scholar's child or their spouse or domestic partner's child. A Postdoctoral Scholar who elects part-time leave under this section shall have their appointment temporarily reduced for the duration of the leave. The University shall not unreasonably deny requests for this leave.

- b. Postdoctoral Paid Family Leave (PPFL)** – In accordance with §B.7., The University shall provide a maximum of eight (8) workweeks of PPFL per birth/placement to use for this purpose. At the request of the Postdoctoral Scholar, the supervisor shall approve the use of the PPFL to provide for a reduced schedule or an intermittent leave of any interval(s) of days unless there is a reason for denial based on exceptional circumstances related to research.
 - c. Interaction with Parental Leave** – A Postdoctoral Scholar who is taking FML as Parental Leave, as described above in §B.7, shall have up to twelve (12) workweeks of that leave run concurrently with Personal Leave under this section.
 - d. Effect on Benefits** – A Postdoctoral Scholar on a Personal Leave which does not qualify as FML under the FMLA/CFRA is responsible for the continuation of benefits during any unpaid portion of the Personal Leave. Details are available from the campus Benefits Office.
5. Campuses may provide additional benefits that supplement or enhance these benefits.
 6. Personal Leaves of Absence must be requested and approved in advance, when practicable. The University may require proof of the need for such leave.

F. BEREAVEMENT LEAVE

1. The University will grant a Postdoctoral Scholar's request to use up to five (5) days of Sick Leave or Personal Time Off due to the death of a family member as defined in §F.2., below. If Sick Leave or Personal Time Off is not available, the Postdoctoral Scholar shall be on unpaid leave. The University will not unreasonably deny bereavement leave of more than five (5) days.
2. Family member (including step-family member) for the purpose of bereavement leave is defined as one's mother, father, sister, brother, parent-in-law, spouse, domestic partner, parent of domestic partner, grandparent, grandchild, child, son/daughter-in-law, adopted or foster child (including children of a domestic partner or legal ward who is under 18 years). Parent includes a biological, foster, or adoptive parent, step-parent, legal guardian, or an individual who stood in loco parentis to the Postdoctoral Scholar when the Postdoctoral Scholar was a child.

G. JURY DUTY

1. A Postdoctoral Scholar shall be eligible for a paid jury duty leave. The Postdoctoral Scholar shall provide the University with a copy of the summons to serve on jury duty prior to the date(s) on which such service is expected. The University will not provide paid jury duty leave absent advance notice and verification of service.

H. MILITARY LEAVE

1. The University shall provide military leave for Postdoctoral Scholars who are called to active U.S. military service or state military service according to applicable University military leave policy or as otherwise required by applicable law.

I. OTHER LEAVES

1. Other leaves, including but not limited to leave for service to government agencies and leave to attend professional meetings may be granted with or without pay at the University's sole discretion or if required by applicable law.

J. MILITARY CAREGIVER LEAVE

- 1. Military Caregiver Leave** is an additional type of FML available to eligible Postdoctoral Scholars. A Postdoctoral Scholar may take Military Caregiver Leave to care for a family member or “next of kin” who is a “covered servicemember” undergoing medical treatment, recuperation or therapy for a serious injury or illness.
2. An eligible Postdoctoral Scholar is entitled to up to twenty-six (26) workweeks of Military Caregiver Leave during a single 12-month leave period. The Postdoctoral Scholar must be a spouse, domestic partner, parent, son, daughter or next of kin of the covered servicemember to be eligible for this type of leave.

3. Definitions

- a. “Covered servicemember” means:
 - 1) A current member of the United States Armed Forces (including a member of the National Guard or Reserves) who, because of a “serious injury or illness,” is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list; or
 - 2) A “covered veteran” who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness. A “covered veteran” is an individual who was a member of the Armed Forces (including a member of the National Guard or Reserves), and was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible Postdoctoral Scholar takes Military Caregiver Leave to care for the covered veteran.
- b. “Outpatient status” means the status of a servicemember assigned to (1) a military medical treatment facility as an outpatient; or (2) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- c. “Serious injury or illness” means (a) for a current member of the Armed Forces (including a member of the National Guard or Reserves), an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the covered servicemember’s active duty and was aggravated in the line of duty on active duty in the Armed Forces and that may render the covered servicemember medically unfit to perform the duties of their office, grade, rank, or rating; and (b) for a covered veteran, an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran.
- d. “Parent of a covered servicemember” means a covered servicemember’s biological, adopted, or foster parent, stepparent, or any other individual who stood in loco parentis to the covered servicemember when the covered servicemember was a child. The term does not include parents “in-law.”
- e. “Son or daughter of a covered servicemember” means the covered servicemember’s biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis when that person was a child, and who is of any age.
- f. “Next of kin” means either (a) the nearest blood relative of the covered servicemember (other than the covered servicemember’s spouse, domestic partner, parent, son or daughter) or (b) the person who the covered servicemember has designated in writing as their nearest blood relative for purposes of Military Caregiver Leave.
- g. “Single 12-month leave period” means the period beginning on the first day the Postdoctoral Scholar takes leave to care for the covered servicemember and ends 12 months after that date. (This leave period differs from the calendar year definition of the leave year used for determining eligibility for other types of FML at the University.)

4. **Eligibility** - A Postdoctoral Scholar who is a spouse, domestic partner, son, daughter, parent or next of kin of a covered servicemember is eligible for Military Caregiver Leave if the Postdoctoral Scholar meets the eligibility requirements for FML set forth in §B.2.a.
5. **Counting Leave**
 - a. Leave is applied on a per-covered servicemember, per-injury basis. Eligible Postdoctoral Scholars may take more than one period of twenty-six (26) workweeks of leave if the leave is to care for a different covered servicemember or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty-six (26) workweeks of leave may be taken within any "single 12-month period."
 - b. If an eligible Postdoctoral Scholar does not use all of their twenty-six (26) workweeks of leave entitlement to care for a covered servicemember during this single 12-month leave period, the remaining part of the twenty-six (26) workweeks entitlement to care for the covered servicemember for that serious injury or illness is forfeited.
 - c. As with most other types of FML, Military Caregiver Leave may also be taken on an intermittent or reduced schedule basis. If the need for intermittent or reduced schedule leave is foreseeable based on the planned medical treatment of the covered servicemember, the Postdoctoral Scholar may be required to transfer temporarily, during the period that the intermittent or reduced leave schedule is required, to an available alternative position for which the Postdoctoral Scholar is qualified and which better accommodates recurring periods of leave than does the Postdoctoral Scholar's regular position.
6. **Documentation and Certification** - Postdoctoral Scholars may be required to provide a certification completed by an authorized health care provider of the covered servicemember that provides information necessary to establish entitlement to Military Caregiver Leave. In addition, Postdoctoral Scholars may be required to provide certain information (or have the covered servicemember provide that information) establishing that the servicemember is a covered servicemember for purposes of Military Caregiver Leave, their relationship with the Postdoctoral Scholar, and an estimate of the leave needed to provide the care.
7. **Substitution of Paid Leave** - Military Caregiver Leave is unpaid leave, except a Postdoctoral Scholar may use Sick Leave in accordance with Article 23 – Sick Leave and shall use Personal Time Off prior to taking leave without pay.
8. **Advance Notice** - Whenever possible, a Postdoctoral Scholar shall provide at least 30 days advance notice. If 30 days' notice is not practicable, notice shall be given as soon as practicable. Failure to comply with this notice requirement may result in postponement of leave.
9. **Reinstatement** - Reinstatement shall be to the same position from which the leave is taken or, at the department's discretion, to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment provided that the Postdoctoral Scholar returns to work immediately following termination of the leave. If the Postdoctoral Scholar would have been laid off or terminated had the Postdoctoral Scholar remained on pay status during the leave period, the Postdoctoral Scholar shall be afforded the same considerations afforded to other Postdoctoral Scholars who are laid off or terminated pursuant to the provisions of Article 11 – Layoff. Reinstatement provisions do not apply to Postdoctoral Scholars if return is sought after the expiration of their appointment.
10. **Continuation of Health Benefits** - A Postdoctoral Scholar on an approved Military Caregiver Leave shall be entitled to continue participation in health plan coverage (medical, dental, and optical) as if on pay status during the leave.

K. QUALIFYING EXIGENCY LEAVE

Qualifying Exigency Leave is an additional type of FML available to eligible Postdoctoral Scholars. An eligible Postdoctoral Scholar who is the spouse, domestic partner, son, daughter or parent of a military member may take Qualifying Exigency Leave to attend to any “qualifying exigency” while the military member is on “covered active duty or call to covered active duty status” (or has been notified of an impending call or order to covered active duty).

1. Definitions

- a. “Covered active duty or call to covered active duty status” means (1) in the case of a member of the Regular Armed Forces, duty during the deployment to a foreign country or (2) in the case of a member of the Armed Forces Reserve, duty during the deployment to a foreign country under a Federal call or order to active duty in support of a contingency operation as defined by the FMLA.
- b. “Qualifying exigency” is defined as any one of the following, provided that the activity relates to the military member’s covered active duty or call to covered active duty status:
 - 1) Short notice deployment to address issues that arise due to a military member being notified of an impending call to covered active duty seven (7) or fewer calendar days prior to the date of deployment;
 - 2) Military events and activities, including official ceremonies;
 - 3) Childcare and school activities for a child of the military member who is either under age 18 or incapable of self-care;
 - 4) Financial and legal arrangements to address the military member’s absence or to act as the military member’s representative for purposes of obtaining, arranging, or appealing military service benefits while the military member is on covered active duty or call to covered active duty status and for the ninety (90) days after the termination of the military member’s covered active duty status;
 - 5) Counseling (provided by someone other than a health care provider) for the Postdoctoral Scholar, for the military member, or for a child of the military member who is either under age 18 or incapable of self-care;
 - 6) Rest and recuperation (up to fifteen (15) days of leave for each instance) to spend time with a military member who is on short-term, temporary rest and recuperation leave during deployment;
 - 7) Post-deployment activities to attend ceremonies sponsored by the military for a period of ninety (90) days following termination of the military member’s covered active duty and to address issues that arise from the death of a military member while on covered active duty status;
 - 8) Parental care for the parent of the military member when the parent is incapable of self-care;
 - 9) Additional activities related to the military member’s covered active duty or call to covered active duty status when the University and the Postdoctoral Scholar agree that such activity qualifies as an exigency and agree to both the timing and duration of the leave.
- c. **Eligibility** - A Postdoctoral Scholar who is the spouse, domestic partner, son, daughter, or parent of a military member is eligible for Qualifying Exigency Leave if the Postdoctoral Scholar meets the eligibility requirements for FML set forth in §B.2.a. above.
- d. **Counting Leave** - Eligible Postdoctoral Scholars are entitled to up to twelve (12) workweeks of Qualifying Exigency leave during a calendar year. As with most other types of FML, Qualifying Exigency Leave may be taken on an intermittent or reduced schedule basis.
- e. **Documentation and Certification** - Postdoctoral Scholars may be required to provide a copy of the military member’s active duty orders. Postdoctoral Scholars may also be required to provide certification of: (1) the reasons for requesting Qualifying Exigency Leave, (2) the beginning and end dates of the qualifying exigency, and (3) other relevant information.

- f. **Substitution of Paid Leave** – Qualifying Exigency Leave is unpaid leave, except that a Postdoctoral Scholar may use Personal Time Off prior to taking leave without pay.
- g. **Notice** - The Postdoctoral Scholar shall provide notice of the need for leave as soon as practicable.
- h. **Reinstatement** - Reinstatement shall be to the same position from which the leave was taken or, at the department's discretion, to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment provided that the Postdoctoral Scholar returns to work immediately following termination of the leave. If the Postdoctoral Scholar would have been laid off or terminated had the Postdoctoral Scholar remained on pay status during the leave period, the Postdoctoral Scholar shall be afforded the same considerations afforded to other Postdoctoral Scholars who are laid off or terminated pursuant to the provisions of Article 11 – Layoff. Reinstatement provisions do not apply to Postdoctoral Scholars if return is sought after the expiration of their appointment.
- i. **Continuation of Health Benefits** - A Postdoctoral Scholar on an approved Qualifying Exigency Leave shall be entitled to continue participation in health plan coverage (medical, dental, and optical) as if on pay status for a period of up to twelve (12) workweeks in a calendar year.

L. **MILITARY SPOUSE/DOMESTIC PARTNER LEAVE**

A Postdoctoral Scholar who is a spouse or domestic partner of a member of the Armed Forces, National Guard, or Reserves may take this leave during a “qualified leave period” when the Postdoctoral Scholar’s spouse or domestic partner is on leave from a period of military conflict. “Qualified leave period” means the period during which the “qualified member” is on leave from deployment during a period of military conflict. An eligible Postdoctoral Scholar shall be entitled to up to a maximum of ten (10) days of unpaid leave during a qualified leave period.

1. **Eligibility** - To be eligible, a Postdoctoral Scholar must satisfy all of the following criteria:
 - a. Be a spouse or domestic partner of a “qualified member” (defined below),
 - b. Perform services for the University for an average of 20 or more hours per week,
 - c. Provide the University with notice of the Postdoctoral Scholar’s intention to take the leave within two (2) business days of receiving official notice that the qualified member will be on leave from deployment, and
 - d. Submit written documentation certifying that the qualified member will be on leave from deployment during the time that leave is being requested by the Postdoctoral Scholar.
2. **Definitions**
 - a. “Qualified member” means a person who is any of the following:
 - 1) A member of the Armed Forces of the United States who has been deployed during a period of military conflict to an area designated as a combat theater or combat zone by the President of the United States, or
 - 2) A member of the National Guard who has been deployed during a period of military conflict, or
 - 3) A member of the Reserves who has been deployed during a period of military conflict.
 - b. “Period of military conflict” means either of the following:
 - 1) A period of war declared by the United States Congress, or
 - 2) A period of deployment for which a member of a reserve component is ordered to active duty, as defined in California Military & Veterans Code section 395.10.
3. **Substitution of Paid Leave** - This leave is unpaid leave, except that a Postdoctoral Scholar shall use Personal Time Off prior to taking leave without pay.

M. **COORDINATION OF PAYMENT WITH DISABILITY PLAN**

The University will provide the same assistance to Postdoctoral Scholars that it provides to other UC employees to obtain disability benefits.

N. ADDITIONAL LEAVES OF ABSENCE

Postdoctoral Scholars may be eligible for additional paid leaves provided by the funding source for which they qualify during their appointments. The University shall not unreasonably deny requests for additional leaves of absence. Additional unpaid leaves shall be in accordance with §E above.

- c. If Alternative Resolution is unsuccessful, the Title IX / EEO Officer may initiate a formal investigation.
- d. Attempts at Alternative Resolution at the informal level do not extend the thirty (30) calendar day time limit to file a grievance. However, should a grievance be filed, the parties may agree in writing that the grievance be held in abeyance while alternative resolution is being considered or ongoing.

2. Interim Measures for Complainant(s)

When the appropriate administrative officer has determined that a Complainant has established a prima facie case of harassment and/or discrimination based on a protected category, the University shall implement interim measures when necessary. Such measures shall allow the Postdoctoral Scholar to continue training in an environment free from harassment and/or discrimination based on a protected category.
- b. Interim measures available to Postdoctoral Scholars may include, but are not limited to: change to a different workstation, schedule, work location, unit, department, or position for which the Postdoctoral Scholar is qualified provided that, in the case of a Complainant, the change is voluntary and equitable; training and education of the Respondent; no contact remedies.

3. Grievance Procedure

- a. If a grievance is filed in accordance with Article 6 that includes an alleged violation of this Article, the University shall forward the allegation(s) to the Title IX / EEO Officer for review. If the Title IX / EEO Officer determines an investigation is warranted, the Union and the University may agree in writing that the grievance, or a portion thereof, be held in abeyance while the investigation is ongoing.
- b. If the Union and the University agree in writing to put the grievance in abeyance, the University shall issue the Step 2 decision within fifteen (15) days from the end of abeyance and the grievance procedure shall continue per Article 6.
- c. When the University issues the report, the abeyance shall automatically terminate, and a Step 2 written response to the grievance shall be issued within fifteen (15) calendar days of the date on which the report of findings was issued.
- d. If the Union and the University do not agree in writing to put the grievance in abeyance, the grievance shall continue pursuant to Article 6 – Grievance and Arbitration Procedures.
- e. For sexual harassment cases only, in accordance with the UC SVSH Policy:
 - 1) The Title IX Officer, in coordination with the campus Case Management Team, shall make an immediate assessment concerning the health and safety of the individual and the campus community, may implement interim measures, in accordance with section C.2. above, and provide to the Complainant a written explanation of rights and reporting options (including the right to make reports to the police), and available campus and community resources. The local Labor Relations Office shall forward a copy of the written explanation and rights document to the Union.
 - 2) As soon as practicable after the local Labor Relations Office receives the grievance, the Title IX Officer will make an initial assessment to determine whether (i) the allegation(s) constitute a prima facie case of an act of prohibited behavior; and (ii) such conduct has a sufficient nexus to the University for it to intervene. It is the intent of the University to make this initial assessment no later than five (5) business days after the Title IX Officer receives the grievance.
 - 3) In the event that a formal investigation is conducted, the investigation shall be completed promptly, within 60 business days of its initiation, unless extended by the Title IX Officer for good cause followed by written notice to the Complainant and Respondent of the reason for the extension and the projected new timeline for issuance of the report of findings. PERSONAL TIME OFF**

A. GENERAL CONDITIONS

1. Eligibility for pay status during time off is determined by the funding agency. Unless the extramural funding agency agreements contain provisions to the contrary, "Postdoctoral Scholars – Fellow" and "Postdoctoral Scholars – Paid Direct" are eligible to take time off in accordance with these provisions.
2. Postdoctoral Scholars with a 100%, 12-month appointment are eligible to use up to twenty-four (24) work days of Personal Time Off with pay at any time within each 12-month appointment period.
3. Personal Time Off not used within the 12-month period is not carried over into a subsequent appointment year. Personal Time Off not used when the Postdoctoral Scholar's appointment concludes, including when a Postdoctoral Scholar leaves the appointment prior to the established appointment end date, remains with the University.
4. Use of Personal Time Off is recorded in one-day increments. Approved absences of less than a day do not require the use of Personal Time Off. For the purposes of this Article, a "day" means a workday. Postdoctoral Scholars on reduced schedule are charged a full day of Personal Time Off when absent for their entire reduced time "day".

B. POSTDOCTORAL SCHOLARS WITH APPOINTMENTS OF LESS THAN TWELVE MONTHS

Appointees with a less than 12-month appointment are eligible for Personal Time Off in proportion to the appointment period; for example, a Postdoctoral Scholar with a six-month appointment is eligible for up to twelve (12) days of Personal Time Off.

C. REQUESTING AND USING TIME OFF

1. Use of time off provisions contained in this article requires the advance approval of the University.
 - a. A Postdoctoral Scholar shall submit requests for Personal Time Off to their supervisor in accordance with the provisions of §C.2., below. When making such requests, Postdoctoral Scholars should attempt to request time off to minimize the effect on their research and progress.
 - b. The University may deny requests for Personal Time Off based on operational needs, in accordance with the provisions of §C.2. and 3., below.
 - c. The University shall not unreasonably deny a Postdoctoral Scholar's request for Personal Time Off.
2. Postdoctoral Scholars are expected to communicate with the supervisor to request Personal Time Off as soon as the need for the time off becomes known. The request must include the information needed by the supervisor to assess the operational impact of the leave.
3. If the supervisor requires that the Postdoctoral Scholar's request be made in writing, or if the Postdoctoral Scholar submits the request in writing, the supervisor's response will be made in writing. The supervisor should respond to the request for Personal Time Off as soon as practicable.

A. GENERAL PROVISIONS

A personnel file is the repository of information (including reports, documents, correspondence, and other materials pertaining to a Postdoctoral Scholar's appointment with the University).

1. **Access to Personnel Files** - The University shall identify the location(s) where a Postdoctoral Scholar or their designated representative, may obtain access to the Postdoctoral Scholar personnel file(s). The University shall designate a contact who will identify the location and process for accessing the file.

B. POSTDOCTORAL SCHOLAR AND/OR REPRESENTATIVE REVIEW OF PERSONNEL FILE(S)

A Postdoctoral Scholar shall, upon written request to the University, have the opportunity to review their personnel file(s) in the presence of a representative of the University, within five (5) working days after the University received the request.

1. A Postdoctoral Scholar shall be granted a reasonable amount of time in without-loss-of-straight-time pay status to review their personnel file(s). When granting such requests, the immediate supervisor shall take into account the frequency of such requests and the amount of time the Postdoctoral Scholar is or will be engaged in such activity and the impact on operational requirements.

2. An individual of the Postdoctoral Scholar's choice may accompany the Postdoctoral Scholar when the Postdoctoral Scholar is reviewing their personnel file(s).
3. Alternatively, an individual Postdoctoral Scholar may authorize a designated representative to review the Postdoctoral Scholar's personnel file(s) on the Postdoctoral Scholar's behalf. Such written authorization shall be valid for the period designated by the individual but not to exceed the duration of the Postdoctoral Scholar's appointment, or if no time period is designated, for a period of one (1) year from the date of the signature of the authorization. The designated representative shall present the signed and dated authorization when requesting access to a Postdoctoral Scholar's personnel file.

D. DUPLICATION COSTS

Postdoctoral Scholars and/or their representatives shall receive, without cost, a first copy of documents, or extracts thereof, that are located in their personnel file. However, Postdoctoral Scholars and/or their representatives may be charged ten cents (10¢) per page for additional copies of documents in the Postdoctoral Scholar's personnel file.

**ARTICLE 19
POSTING**

Each campus will continue its current practices regarding the posting of available Postdoctoral Scholar – Employee opportunities. Nothing will preclude a campus from expanding its current practices.

**ARTICLE 20
PROFESSIONAL DEVELOPMENT**

- A.** The University and the UAW agree that the nature of a Postdoctoral Scholar appointment is a non-career academic mentored research training position of a limited duration. As such, the parties agree that adequate opportunities for professional development are essential and that a reasonable portion of paid work time will be allocated to professional development activities.
- B.** The University will continue to provide access to professional development and/or career counseling programs available to Postdoctoral Scholars at each campus. Such programs may include, but not be limited to, writing workshops, international scholar workshops, and transitioning to academic and professional careers.
- C.** The University will continue to provide the same types of campus professional development lectures/workshops specific to the needs of Postdoctoral Scholars that were in effect as of the ratification of this agreement.
- D.** Nothing will preclude the University from enhancing the professional development and/or career counseling programs, or the professional development lectures/workshops provided to Postdoctoral Scholars.
- E.** The planning of the Postdoctoral Scholar's professional development and career goals should be described in an Individual Development Plan (IDP) under the provisions of Article 9, including but not limited to attending conferences, career fairs, and workshops. When funding is available for professional development activities, the University shall cover expenses including but not limited to registration fees, travel expenses, and other costs, provided the activities are outlined in an IDP and approved by the supervisor. For postdoctoral scholar fellows (3253) and paid directs (3254) who have extramural fund allowances, these funds may be used before University resources, at the University's discretion.

ARTICLE 21 PROGRESS ASSESSMENTS

A. PROGRESS ASSESSMENTS

1. A Progress Assessment is an evaluation of the Postdoctoral Scholar's progress and accomplishment in research and professional development.
2. Within a reasonable time after the beginning of each appointment, the academic supervisor, or in limited circumstances their appropriate academic designee, will communicate the academic supervisor's research and progress expectations for the coming year. These expectations may include those components in an Individual Development Plan (IDP) that are directly related to the research assignment for that year.
3. A Postdoctoral Scholar may request that the goals and expectations on which they will be assessed be provided to them in writing. In such circumstances:
 - a. The Postdoctoral Scholar shall submit a written draft of the discussed goals and expectations as provided in § A.2. above, to the academic supervisor for review.
 - b. The academic supervisor will provide the Postdoctoral Scholar with the final goals and expectations upon which the Postdoctoral Scholar's progress will be based.
4. **Periodic Reviews** - The academic supervisor and the Postdoctoral Scholar shall periodically engage in informal oral Progress Assessments during their appointment. In these assessments, the academic supervisor and the Postdoctoral Scholar generally discuss the Postdoctoral Scholar's recent research progress and overall research objectives. The structure of the Progress Assessment may vary with the discipline.
5. **Annual Review** - The academic supervisor shall provide the Postdoctoral Scholar with at least one written review per 12-month period. This Annual Review is a comprehensive assessment of the Postdoctoral Scholar's research progress and achievements, and their professional development during the previous year. The academic supervisor may utilize an independently developed or a pre-established form when conducting the Annual Review.

B. GRIEVABILITY

The contents of Progress Assessments and Annual Reviews are not grievable. However, if a Postdoctoral Scholar believes the assessment or the review contains factually incorrect statements, they may grieve those factual inaccuracies. In the event the Postdoctoral Scholar disagrees with the substantive aspects of the evaluation, they may file an addendum to their personnel file and/or discuss it with the Department Chair, Unit Director, Training Program Director, or Equivalent.

**ARTICLE 22
REASONABLE ACCOMMODATION**

A. GENERAL PROVISIONS

In a manner that is consistent with applicable law, the University shall provide reasonable accommodation to qualified Postdoctoral Scholars who are disabled or become disabled and need assistance to perform the essential functions of their jobs. This section shall not be construed as a guarantee of a specific form of accommodation. The interactive process shall be used to determine what, if any, reasonable accommodation will be made and to monitor the continuing effectiveness of the accommodation.

B. MEDICAL DOCUMENTATION

When requested by the University, the Postdoctoral Scholar is responsible for providing the University with medical documentation identifying work restrictions and how such restrictions limit the Postdoctoral Scholar's ability to perform the essential functions of the job. The University may require that a Postdoctoral Scholar be examined by an appropriate University-appointed licensed health care provider. In such a case, the University shall pay the costs of the University-appointed health care provider.

C. THE INTERACTIVE PROCESS

1. When a Postdoctoral Scholar requests reasonable accommodation for a disability or the University has reason to believe that a reasonable accommodation is needed, the parties will engage in the interactive process, which is an ongoing dialogue between the Postdoctoral Scholar and appropriate University representatives (e.g., supervisor, departmental administrator, Principal Investigator, department or unit head, or vocational rehabilitation counselor) about possible options for reasonably accommodating the Postdoctoral Scholar's disability. Options for reasonable accommodation may include, but are not limited to: assistive devices; modification of existing facilities; restructuring the job to eliminate non-essential job functions; and leaves of absence. Both the University and the Postdoctoral Scholar are expected to participate in the interactive process in good faith, which includes engaging in timely communications regarding possible reasonable accommodation. The Postdoctoral Scholar may elect to have the Union represent them in this process.
2. During the interactive process, the University considers information related to: the essential functions of the job; the Postdoctoral Scholar's functional limitations; possible accommodations; the reasonableness of possible accommodations; and issues related to the implementation of a reasonable accommodation. This information will be used by the University to determine what, if any, reasonable accommodation will be made. While the University will consider the Postdoctoral

Scholar's suggestions regarding which accommodation(s) to implement, the University will determine which accommodation(s) will be implemented.

- a. The University will consider reasonable accommodations that would enable the Postdoctoral Scholar to continue (or resume) performing the essential functions of their assigned position for the duration of the appointment, which may include a temporary alternate assignment.
- b. If the Postdoctoral Scholar cannot be reasonably accommodated in accordance with 2.a. above, the Postdoctoral Scholar will be provided with a leave of absence as a reasonable accommodation as defined in paragraphs c, d and e below.
- c. In addition to any leave to which the employee may be entitled as Family and Medical Leave and/or Pregnancy Disability Leave, the Postdoctoral Scholar will be provided with unpaid leave time of no more than ninety (90) days as a reasonable accommodation, unless otherwise required by law.
- d. The Postdoctoral Scholar may use any accrued sick days or paid time off to be compensated during this period of otherwise unpaid leave.
- e. In no circumstances shall leave be granted beyond the expiration of the Postdoctoral Scholar's current appointment.

3. Temporary Work Adjustment

- a. If the Interactive Process is initiated in accordance with Section C above, the supervisor/department administrator, in consultation with the disability management team, may assist in a temporary work adjustment until the Interactive Process is completed.
- b. Such workplace adjustment may be the ultimate reasonable accommodation as determined by the Interactive Process.

D. The University is not obligated to implement an accommodation that would present an undue hardship.

ARTICLE 23 SICK LEAVE

A. ELIGIBILITY

1. Postdoctoral Scholars are eligible for sick leave without loss of compensation of up to twelve days per twelve-month appointment period. All twelve (12) workdays are available for use on the first day of appointment in accordance with the provisions of §C., below.
2. The University shall carry forward unused sick leave to subsequent eligible appointments at the University of California.
3. A Postdoctoral Scholar who is reemployed after a separation from employment of less than fifteen (15) calendar days shall have all sick leave from prior service reinstated. If the separation from employment lasted more than fifteen (15) calendar days but less than six (6) months, not more than ten (10) workdays of sick leave shall be reinstated. If the separation lasted for six (6) months (180 days) or more, sick leave shall not be reinstated. A Postdoctoral Scholar who is reemployed from layoff status shall have all sick leave reinstated.

B. POSTDOCTORAL SCHOLARS WITH APPOINTMENTS OF LESS THAN TWELVE MONTHS

Appointees with a less than 12-month appointment are eligible for sick leave in proportion to the appointment period; for example, a Postdoctoral Scholar with a six-month appointment is eligible for up to six (6) days of sick leave.

C. USE OF SICK LEAVE

1. Use of Sick Leave is recorded in one-day increments. Approved absences of less than one full day do not require the use of sick leave.
2. For the purposes of this Article, a “day” means a “workday”. Postdoctoral Scholars who are on a reduced schedule are docked a full day of sick leave when absent for their entire reduced time “day” on which they are absent.
3. Sick leave shall be used in keeping with normally approved purposes, including the Postdoctoral Scholar’s personal illness for medical appointments, childbearing, and disability. Sick leave may also be used for medical appointments for a family member, to attend to the illness of a family member, as defined below; or bereavement due to the death of a Postdoctoral Scholar’s family member as defined in §E., below.
4. Sick leave may also be used when the Postdoctoral Scholar is taking Family and Medical Leave (a) due to the Postdoctoral Scholar’s own serious health condition, (b) to care for a family member with a serious health condition, or (c) as Military Caregiver Leave. The definition of family member that applies to Family and Medical Leave taken to care for a family member with a serious health condition is set forth in §B.1.b. in Article 12 – Leaves of Absence. For Family and Medical Leave taken as Military Caregiver Leave, the covered service member may be the Postdoctoral Scholar’s spouse, domestic partner, parent,

son, daughter, or next of kin, as those terms are defined in §J.3. in Article 12 – Leaves of Absence.

5. If a Postdoctoral Scholar uses sick leave to attend to the illness of an ill child, parent, spouse, domestic partner, grandchild, grandparent, or sibling, as those terms are defined in §E.1., below, the first six (6) days in which sick leave is used for this purpose per calendar year shall be designated as Kin Care.

D. DOCUMENTATION

The University may require that a Postdoctoral Scholar submit satisfactory documentation of personal or family illness. Such requirement shall be communicated to the Postdoctoral Scholar in advance of their return to work.

E. DEFINITION OF FAMILY MEMBERS FOR SICK LEAVE

Family member (including step-family member) for the purpose of sick leave and bereavement leave is defined as one's mother, father, sister, brother, parent-in-law, spouse, domestic partner, parent of domestic partner, grandparent, grandchild, child, son/daughter-in-law, adopted or foster child (including children of a domestic partner or legal ward who is under 18 years old). Parent includes a biological, foster or adoptive parent, step-parent or legal guardian, or an individual who stood in loco parentis while the Postdoctoral Scholar was a child. Child includes a biological, adopted, foster, step, legal ward, or a child for whom the Scholar stands in loco parentis, provided the child is either under the age of 18 years old or incapable of self-care because of a mental or physical disability.

**ARTICLE 24
SUCCESSORSHIP**

- A.** If a University campus at which Postdoctoral Scholars are appointed is to be sold or transferred, the University agrees to provide notice to the UAW and to meet and confer regarding the impact on Postdoctoral Scholars.

- B.** If The Regents of the University of California is replaced by a different governing body, the terms and conditions of this Agreement will continue in full force and effect for its duration.

**ARTICLE 25
TIME AND EFFORT COMMITMENT**

A. GENERAL PROVISIONS

1. Postdoctoral Scholars are full-time FLSA-exempt professional appointees. Postdoctoral Scholars are appointed with the expectation that they will have a full time involvement in scholarly pursuits, except as provided in §B. and C. below.
2. The workweek for full-time exempt appointees is normally at least forty (40) hours, with the emphasis placed on meeting the responsibilities assigned to the position, on making progress toward their professional goals, and on demonstrating their research and creative capabilities, rather than on working a specified number of hours. Required work schedules must be reasonable, and related to the research needs. In recognition of the professional exempt status of Postdoctoral Scholars, assigned work schedules provide the flexibility to meet research goals and to occasionally allow a schedule of less than forty (40) hours in a week.
3. Full-time Postdoctoral Scholars do not receive overtime compensation or compensatory time off.
4. Prior to requesting an exception, in accordance with §B. below, Postdoctoral Scholars shall review alternative options under other articles of the contract, including: Article 2 – Appointments, Article 12 – Leaves, Article 17 – Personal Time Off, Article 22 – Reasonable Accommodation, and Article 23 – Sick Leave.

B. EXCEPTIONS TO FULL-TIME APPOINTMENTS

1. Upon written request of the appointee and written concurrence of the supervisor, the University may grant an exception to the full time appointment expectation when the appointee is unable to make a full-time commitment for reasons of health, family responsibilities, or employment external to the University. Such a request must take into account extramural funding agency requirements, if any. An exception to full time may be granted for a range of one month to up to the end of the appointment.
2. When a Postdoctoral Scholar simultaneously holds a University teaching appointment or other University position, the percent time of the Postdoctoral Scholar appointment normally will be reduced so that the sum of the percent times of the two appointments equals one-hundred percent (100%).
3. When the University reduces an appointment as described in §B.1., above, the supervisor and Postdoctoral Scholar shall sign a written agreement specifying the reduction in hours of work and concomitant responsibilities.
4. The full-time work expectation in §A.1. and B.2., will be prorated for Postdoctoral Scholars with less than a full-time appointment as provided in §C.

C. NON-EXEMPT POSTDOCTORAL SCHOLARS

For Postdoctoral Scholars who have an approved exception to full time appointment as provided in §B., above, and who fall below the FLSA salary level test, the following terms shall apply:

1. The University shall place part-time Postdoctoral Scholars who become non-exempt into the following title code: Postdoc – Employee NEX (3255).
2. A workweek is a period of time consisting of seven consecutive days. A standard workweek is from Sunday morning (12:01 a.m.) to midnight the following Saturday.
3. Postdoctoral Scholars are non-exempt hourly and are expected to work hours commensurate with their appointment percentage. The minimum hourly rates for each experience level are listed in Appendix J – Table 23N.
4. Postdoctoral Scholars with salaries above the minimum hourly rate for their experience level shall have an hourly rate determined by dividing their annual rate by 2,088 (the number of working hours in a year).
5. Postdoctoral Scholars must track the total number of hours they work on a daily basis and provide the total number of hours they worked each day by the end of each pay period utilizing local time-keeping practices. Postdoctoral Scholars shall be paid on a biweekly pay cycle.
6. Overtime is actual time worked which exceeds forty (40) hours in a workweek and must be reported. Postdoctoral Scholars who work more than forty (40) hours in any given week must have advance written authorization from their supervisor.
7. Postdoctoral Scholars who work more than forty (40) hours in a week shall only be eligible for compensatory time off earned at the rate of time and one half (1 ½ X) for hours actually worked in excess of forty (40) hours in a week.

9. Travel Time
 - a. Travel time between home and the workplace is not time worked.
 - b. The Postdoctoral Scholar's supervisor will assign regular work hours for any workweek during which travel will occur for the purpose of identifying and tracking compensable travel time. The travel during the Postdoctoral Scholar's assigned regular working hours is considered time worked.

ARTICLE 26
TITLES AND CLASSIFICATIONS

A. GENERAL PROVISIONS

1. A Postdoctoral Scholar is an individual who has received a doctoral degree (or equivalent) and is engaged in a temporary and defined period of mentored advanced training to enhance the professional skills and research independence needed to pursue their chosen career path.
2. Postdoctoral Scholars train under the direction and supervision of faculty mentors in preparation for academic or research careers.
3. In addition to pursuing advanced preparation in research, Postdoctoral Scholars may be approved to engage in other activities to enhance teaching and other professional skills. If formal teaching duties are assigned, a Postdoctoral Scholar will be assigned both a Postdoctoral Scholar title and an appropriate teaching title.
4. Ordinarily, Postdoctoral Scholars are not permitted to serve as principal investigators on extramurally sponsored contracts or grant applications. Because the University recognizes that proposal preparation is an important aspect of most postdoctoral training, campuses may permit Postdoctoral Scholars to serve as principal investigators on such applications that are restricted to Postdoctoral Scholars, or in other circumstances approved by the University. Applications for Principal Investigator status shall be carefully considered.
5. The provisions of this section are not grievable.

B. BARGAINING UNIT CLASSIFICATIONS

A brief description of the titles and classification in this unit is set forth below. The parties understand and acknowledge that these descriptions are intended to be general. The University may concurrently appoint Postdoctoral Scholars to more than one Postdoctoral Scholar title.

1. **Postdoctoral Scholar – Employee (3252):** An appointment is made in the title “Postdoctoral Scholar – Employee” when
 - a. the agency funding the salary requires or permits the appointee to be an employee of the University, or
 - b. whenever General Funds, Opportunity Funds or other University discretionary funds are used to support the position.
2. **Postdoctoral Scholar – Fellow (3253):** An appointment is made in the title “Postdoctoral Scholar – Fellow” when the Postdoctoral Scholar has been awarded a fellowship or traineeship for postdoctoral study by an extramural

agency and the fellowship or traineeship stipend is paid through a University account.

3. **Postdoctoral Scholar – Paid Direct (3254):** An appointment is made in the title “Postdoctoral Scholar – Paid Direct” when the Postdoctoral Scholar has been awarded a fellowship or traineeship for postdoctoral study by an extramural agency and the agency pays the fellowship or traineeship directly to the Postdoctoral Scholar, rather than through the University. Such appointments shall have a “without-salary” status.
4. **Postdoctoral Scholar – Employee NEX (3255):** An appointment is made in the title “Postdoctoral Scholar – Employee NEX” when:
 - a. the agency funding the salary requires or permits the appointee to be an employee of the University, or
 - b. whenever General Funds, Opportunity Funds or other University discretionary funds are used to support the position, and
 - c. based on the percentage appointment of the Postdoctoral Scholar, the prorated salary per week does not meet the FLSA salary level test.
5. **Interim Postdoctoral Scholar – Employee (3256):** An appointment is made in the title “Interim Postdoctoral Scholar – Employee” when UC graduate students who recently obtained their PhD degree or equivalent who need a short-term appointment to complete an existing project from their graduate educational programs before moving on to other employment. While Postdocs may be appointed more than once to TC 3256, no one shall be appointed in TC 3256 for more than a cumulative total of 12 months in one or multiple appointments.

C. NEW CLASSIFICATIONS

1. When the University creates a new Postdoctoral Scholar classification and title, the University shall mail a notice to the Union of the bargaining unit assignment, if any, of such classification. The Union shall have sixty (60) calendar days after mailing of such notice to contest the University's assignment of the newly created classification/title to a bargaining unit, or to an employee grouping which has not been assigned to a bargaining unit. Postdoctoral Scholars shall not be assigned to the newly established classification until the bargaining unit assignment is either agreed to or resolved by PERB.
 - a. If the Union contests the bargaining unit assignment of the newly created classification/title within the sixty (60) calendar day notice period, the University and the Union shall meet and confer in an effort to reach agreement on the bargaining unit assignment for the classification. If the parties are unable to reach agreement regarding the bargaining unit assignment of the title/classification, the dispute shall be submitted to PERB for resolution.

- b. If the Union does not contest the bargaining unit assignment of the newly created position within the sixty (60) calendar day notice period, the unit assignment of the new classification shall be deemed agreeable to the parties and Postdoctoral Scholars shall be assigned to the newly created classification.
2. If the new classification/title is in the bargaining unit, the University and the Union shall meet and confer regarding the salary range and ancillary pay practices for that new classification.

D. OUT-OF-UNIT MOVEMENT

1. In the event the University initiates the movement of a person in a Postdoctoral Scholar title to a University title that is not in the bargaining unit during the Postdoctoral Scholar appointment, the University shall notify the Union in writing.
 - a. If the Union contests the removal of the individual(s) from the bargaining unit within fifteen (15) calendar days after receiving the University's notice, the University shall submit the matter to PERB for resolution. The University will not remove Postdoctoral Scholars from the bargaining unit until UC and the UAW reach agreement, or the matter is resolved by PERB.

If the Union contests the removal of the title(s) from the bargaining unit within sixty (60) calendar days of receiving the University's notice, the University shall submit the matter to PERB for resolution. The University will not remove Postdoctoral Scholar titles from the bargaining unit until UC and the UAW reach agreement, or the matter is resolved by PERB.

1. A Postdoctoral Scholar unable to perform the normal duties of their job due to a work-incurred illness or injury compensable under the California Workers' Compensation Act may be granted leave for the duration of a verified disability but not to exceed twelve (12) months or the end date of the appointment, whichever comes earlier.
2. Work-Incurred Injury or Illness Leave runs concurrently with Family Medical Leave.
3. An approved leave of absence for work-incurred illnesses or injuries shall not be considered a break in service.
4. Postdoctoral Scholars who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act are eligible to use sick leave and personal time off as provided below. When sick leave is exhausted and when Postdoctoral Scholars are still unable to work because of such illness or injury, Postdoctoral Scholar may be placed on a leave without pay as provided below.
5. A Postdoctoral Scholar shall notify their supervisor of the need for leave for a work-incurred injury or illness, or any extension of such leave, as soon as practicable after the need for such leave or extension is known. This notification shall include written medical certification of the need for such leave or extension, and the anticipated return to work date.
6. Leave for a work-incurred injury does not continue beyond the Postdoctoral Scholar's established appointment period.

B. EXTENSIONS OF WORK-INCURRED INJURY OR ILLNESS LEAVE

1. In the event a Postdoctoral Scholar requires an extension to their work-incurred injury or illness leave, the Postdoctoral Scholar shall provide the University with a statement from their licensed health care practitioner of the need for the extension and the anticipated return to work date.
2. Such a statement must be provided ten (10) calendar days prior to the date the Postdoctoral Scholar was previously scheduled to return to work.

C. RETURN FROM WORK-INCURRED INJURY OR ILLNESS LEAVE

1. Prior to returning to work, a Postdoctoral Scholar granted a work-incurred injury or illness leave must provide the University with a statement from their licensed health care practitioner of the Postdoctoral Scholar's ability to return to work. When possible, a Postdoctoral Scholar granted a work-incurred injury or illness leave must provide the University with ten (10) calendar days notice of their ability to return to work. If a return to work specifies restrictions, the University will consider what accommodation, if any, will reasonably be made.
2. If the position held has been abolished during the leave, the Postdoctoral Scholar shall be afforded the same considerations which would have been afforded had that Postdoctoral Scholar been on pay status when the position was abolished.

D. SHORT TERM DISABILITY LEAVE AND PERSONAL TIME OFF TO SUPPLEMENT WORKERS COMPENSATION

1. A Postdoctoral Scholar shall be permitted to use sick leave and personal time off to supplement temporary disability payments received under the California Workers' Compensation Act.
2. Sick leave and personal time off payments shall be the difference between the amount payable to the Postdoctoral Scholar under the Workers' Compensation Act and the Postdoctoral Scholar's regular salary. The additional payment made to a Postdoctoral Scholar to provide the Postdoctoral Scholar with full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act.
3. A Postdoctoral Scholar who receives advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore proportionate sick leave and personal time off credit as appropriate.

E. EFFECT ON PAY STATUS

A Postdoctoral Scholar who is receiving temporary disability payments and supplemental sick leave, or personal time off as described in Section D. above is considered on regular pay status for purposes of application of provisions of this Agreement.

F. SEPARATION

A Postdoctoral Scholar shall not use personal time off or sick leave to supplement Workers' Compensation payments beyond a predetermined date of separation or leave without pay.

G. LIGHT DUTY

Subject to operational considerations and budgetary constraints, the University will endeavor, on a case-by-case basis, to modify duties consistent with documented medical restrictions, for a Postdoctoral Scholar who has experienced work related injuries. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances. Nothing in this provision waives the employer's duties and/or the Postdoctoral Scholar's rights to reasonable accommodations under FEHA and the Americans with Disabilities Act of 1990.

ARTICLE 35
WORKSPACE AND MATERIALS

Postdoctoral Scholars shall have access to required facilities, equipment and materials. Such access shall not be unreasonably denied.

 - l. Making inappropriate threats to block a person's academic advancement, opportunities, or continued employment at the University,
 - m. Sabotaging or undermining a person's work performance.

2. Reports of violations of this Article shall be made to the campus designated office(s) (listed in Appendix O). UAW Membership Election Form

Dear <<Name>>

Your University of California position is represented by the UAW. In accordance with the collective bargaining agreement, the University is sending you the UAW Membership Election Form (MEF).

You may select or decline union membership on the MEF. Membership is voluntary and not a condition of employment. Please note, the University neither encourages nor discourages union membership.

To access the Form, click the "View Documents" button below. This will take you to DocuSign, a secure online signature tool, where you can complete and sign the Form. DocuSign enables you to provide an electronic signature on the necessary form, you will not need to print any document. When you submit, a copy will be sent directly to UAW.

If you have already received this form, please disregard this notice.

UAW Membership Election & Dues Deduction Authorization Form

Welcome to your Union (UAW and its Locals 2865 and 5810)!

This is the form by which every Academic Worker in a unit represented by the UAW – Academic Student Employees, Student Researchers, Postdoctoral Scholars, and Academic Researchers – voluntarily accepts or declines Union membership.

By forming a Union at the University of California, Academic Workers have won:

- Guaranteed annual pay increases to reflect experience and the cost of living
- Enforceable protections against bullying, harassment and discrimination
- High-quality, low-cost healthcare, guaranteed paid family leave
- And many more rights and protections

These rights and protections are only possible because a majority of Academic Workers are dues-paying members of the Union. Membership builds our collective power to improve and enforce our rights and gives you the right to participate in the Union.

Count me in the majority! I accept membership in the UAW and its designated Local that represents me with respect to my working conditions at UC. I agree to pay a one-time \$10 initiation fee and monthly dues, currently 1.44% of my gross pay. I authorize UC to deduct the initiation fee and monthly membership dues from my pay and remit them to the Union. Unless revoked, this authorization is to remain in effect for all periods of time in which I am a UAW member and receiving a paycheck for work performed in a UAW-represented unit.
