Benefit Booklet

This Benefit Booklet provides a complete explanation of your Benefits, limitations and other Plan provisions that apply to you. Your Plan is a Preferred Provider Medical Plan. Be sure you understand the Benefits offered under this Plan before receiving services.

Benefits of this Plan are available only for Covered Services and supplies furnished during the term the Plan is in effect and while the Individual claiming Benefits is actually covered by this Plan.

Benefits may be modified during the term of this Plan as specifically provided under the terms of the Plan or upon renewal. If Benefits are modified, the revised Benefits (including any reduction in Benefits or the elimination of Benefits) apply for the Covered Services or supplies furnished on or after the Effective Date of modification. There is no vested right to receive the Benefits of this Plan.

Many words used in this Benefit Booklet have special meanings (e.g., Covered Services and Medically Necessary). These words are capitalized and are defined in the "DEFINITIONS" section. See these definitions for the best understanding of what is being stated. Throughout this Benefit Booklet you may also see references to "we," "us," "our," "you," and "your." The words "we," "us," and "our" refers to Anthem, the Claims Administrator. The Plan Administrator is the University of California Executive Steering Committee on Health Benefits Programs, which has delegated certain duties to Anthem Blue Cross Life and Health Insurance Company (Anthem). This booklet explains the plan's provisions and the policies and rules that govern them. The Plan Administrator has the authority to interpret disputed provisions. The words "you" and "your" mean the Member, Employee and each covered Dependent. **All capitalized words in this benefit booklet are in the DEFINITIONS section starting at page 89.**

Please read this Benefit Booklet carefully so that you understand all the Benefits your Plan offers. Keep this Benefit Booklet handy in case you have any questions about your coverage. This booklet, the University of California Group Insurance Regulations (Medical-related portions), and applicable fact sheets, constitute both the Plan document and summary for the Plan.

Prescription Drug Benefits are provided separately, visit www.UChhealthplans.com for details.

Important: The Regents of the University of California is the Employer and may change or terminate the Plan by action of the Plan Administrator. Anthem Blue Cross Life and Health Insurance Company (Anthem) has been appointed the Claims Administrator. On behalf of Anthem Blue Cross Life and Health Insurance Company, Anthem Blue Cross processes and reviews the claims submitted under this Plan. This is not an insured benefit plan. The Benefits described in this Benefit Booklet or any rider or amendments are funded by, and paid out of the assets of, the Employer who is responsible for their payment and employee contributions. Anthem Blue Cross Life and Health Insurance Company provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Anthem Blue Cross Life and Health Insurance Company is an independent licensee of the Blue Cross Association.

Medical Benefit Summary Notes

Member Deductible

The Calendar Year Deductible per Individual is shown on the SUMMARY OF BENEFITS. Each year, you will be responsible for satisfying the Member Calendar Year Deductible amount before the Plan begins to pay Benefits. The family Deductible is non-embedded meaning the cost shares of all Family Members apply to one shared family Deductible. The Individual Deductible only applies to Individuals enrolled under single coverage. If Members of an enrolled family pay Deductible expense in a year equal to the family Deductible, the Calendar Year Deductible for all Family Members will be considered to have been met. For additional information about Deductibles please see the “Deductibles, Copayments, Out-of-Pocket Amounts and Medical Benefit Maximums” section of this booklet.

Member Out-of-Pocket Maximum

1. The per Individual and per family Out-of-Pocket Maximum responsibility each Calendar Year for Covered Services rendered by an Anthem Prudent Buyer Providers and Other Healthcare Providers is shown on the SUMMARY OF BENEFITS.
2. The per Individual and per family Out-of-Pocket Maximum responsibility each Calendar Year for Covered Services rendered by Out-of-Network Providers is shown on the SUMMARY OF BENEFITS.

After a Member has made the total out-of-pocket payments for covered medical and prescription drug services and supplies during a Calendar Year, the Member will no longer be required to pay a Copayment for the remainder of that Year, unless otherwise stated, but will remain responsible for costs in excess of the Maximum Allowed Amount. The family Out-of-Pocket Maximum is non-embedded meaning the cost shares of all Family Members apply to one shared family Out-of-Pocket Maximum. The Individual Out-of-Pocket Maximum only applies to Individuals enrolled under single coverage.

Note: Expenses and Copayments you make for Infertility Treatment, non-Covered Services or supplies or which is in excess of the maximum allowable amount provided by an Out-of-Network Provider will not be applied to your Out-of-Pocket Maximum. For additional information about Out-of-Pocket Maximums please see the “Deductibles, Copayments, Out-of-Pocket Amounts and Medical Benefit Maximums” section of this booklet.

Copayments

The Member Copayment amounts for Covered Services are shown in the SUMMARY OF BENEFITS. The SUMMARY OF BENEFITS also contains information on Benefit and Copayment maximums and restrictions. In addition to your Copayment, you will be required to pay any amount in excess of the Maximum Allowed Amount for the services of Other Health Care Provider or Out-of-Network Provider.

- Your Copayment for the following services for Out-of-Network Providers will be the same as for Anthem Prudent Buyer Providers if services are authorized. You may be responsible for charges which exceed the Maximum Allowed Amount. See UTILIZATION REVIEW PROGRAM.
 - a. Home health care
 - b. Infusion/Injection therapy
 - c. Hospice
 - d. Skilled Nursing Facility
- Skilled Nursing Facility day limit does not apply to Mental Health and Substance Use Disorder.

Medical Benefit Maximum. The Plan will pay for Covered Services and supplies, up to the maximum amounts, or for the maximum number of days or visits as shown on the SUMMARY OF BENEFITS. The Plan will not make Benefit payments for any Member in excess of any of the Medical Benefit Maximums.

Complete Benefit descriptions may be found in the Medical Care That Is Covered section. Plan exclusions and limitations may be found in the Medical Care That Is NOT Covered section.

INTRODUCTION

Your Employer has agreed to be subject to the terms and conditions of Anthem's provider agreements which may include pre-service review and utilization management requirements, coordination of Benefits, timely filing limits, and other requirements to administer the Benefits under this Plan.

The Benefits of this Plan are provided only for those services that are considered to be Medically Necessary. The fact that a Physician prescribes or orders a service does not, in itself, mean that the service is Medically Necessary or that the service is covered under this Plan. Consult this Benefit Booklet or contact the Member Services number on the back of the identification card if you have any questions regarding whether services are covered.

This Plan contains many important terms (such as "Medically Necessary" and "Maximum Allowed Amount") that are defined in the DEFINITIONS section starting at page 89. When reading through this booklet, consult the DEFINITIONS section to be sure that you understand the meaning of these words.

This Plan is designed to reduce the cost of health care to you, the Member. In order to reduce your costs, much greater responsibility is placed on you.

If you have questions about your Benefits, contact the Member Services number on the back of the identification card before Hospital or medical services are received.

You should read your Benefit Booklet carefully. Your booklet tells you which services are covered by your health Plan and which are excluded. It also lists your Copayment and Deductible responsibilities.

When you need health care, present your identification card to your Physician, Hospital, or other licensed healthcare provider. Your identification card has your participant and group numbers on it. Be sure to include these numbers on all claims you submit to Anthem.

In order to receive the highest level of Benefits, you should assure that your Provider is an In-Network Provider.

You are responsible for following the provisions as described in the UTILIZATION REVIEW section of this booklet, including:

1. You or your Physician must obtain Accolade's approval at least 48 hours before Hospital or Skilled Nursing Facility admissions for all non-Emergency inpatient Hospital or Skilled Nursing Facility services.
2. You or your Physician must notify Accolade within 48 hours or by the end of the first business day following Emergency admissions, or as soon as it is reasonably possible to do so.
3. You or your Physician must obtain prior authorization in order to determine if contemplated services are covered. See "Types of Reviews" in the UTILIZATION REVIEW section for a listing of services requiring prior authorization.

Failure to meet these responsibilities may result in your incurring a substantial financial liability. Some services may not be covered unless prior review and other requirements are met.

Note: Accolade will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating Provider will be notified of the decision within 24 hours followed by written notice to the Provider, Member, and Facility within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of a Member or when the Member is experiencing severe pain, Accolade will respond as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request.

Mental Health Parity and Addiction Equity Act. The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or visit limits) on mental health and substance use disorder Benefits with day or visit limits on medical and surgical benefits. In general,

group health plans offering mental health and substance use disorder benefits cannot set day/visit limits on mental health or substance use disorder benefits that are lower than any such day or visit limits for medical and surgical benefits. A plan that does not impose day or visit limits on medical and surgical benefits may not impose such day or visit limits on mental health and substance use disorder benefits offered under the plan.

The Mental Health Parity and Addiction Equity Act also provides for parity in the application of non-quantitative treatment limitations (NQTL). An example of a non-quantitative treatment limitation is a precertification requirement.

Also, the Plan may not impose Deductibles, Copayments and out of pocket expenses on mental health and substance use disorder benefits that are more restrictive than Deductibles, Copayments and out of pocket expenses applicable to other medical and surgical benefits.

Medical Necessity criteria and other plan documents showing comparative criteria, as well as the processes, strategies, evidentiary standards, and other factors used to apply an NQTL are available upon request.

You may also refer to the following website for more information, [The Mental Health Parity and Addiction Equity Act \(MHPAEA\) - CMS.gov](http://www.cms.gov).

Second Opinions. If you have a question about your condition or about a plan of treatment which your Physician has recommended, you may receive a second medical opinion from another Physician. This second opinion visit will be provided according to the Benefits, limitations, and exclusions of this Plan. If you wish to receive a second medical opinion, remember that greater Benefits are provided when you choose an Anthem Prudent Buyer Provider. You may also ask your Physician to refer you to an Anthem Prudent Buyer Provider to receive a second opinion.

After Hours Care. After hours care is provided by your Physician who may have a variety of ways of addressing your needs. You should call your Physician for instructions on how to receive medical care after their normal business hours, on weekends and holidays, or to receive non-Emergency care and non-Urgent Care within the service area for a condition that is not life threatening but that requires prompt medical attention. If you have an Emergency, call 911 or go to the nearest emergency room.

All benefits are subject to coordination with benefits. Please refer to the COORDINATION OF BENEFITS section of this booklet for details.

The Benefits of this Plan are subject to the SUBROGATION AND REIMBURSEMENT section.

TYPES OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. THE MEANINGS OF WORDS AND PHRASES IN CAPITALIZATION ARE DESCRIBED IN THE SECTION OF THIS BOOKLET ENTITLED DEFINITIONS.

Introduction

Your Plan is a PPO plan. The Plan has two sets of Benefits: In-Network and Out-of-Network. If you choose an In-Network Provider as described below, you will pay less in out-of-pocket costs, such as Copayments and Deductibles. If you use an Out-of-Network Provider, you will have to pay more out-of-pocket costs. Cost sharing for services with Copayments is the lesser of the Copayment amount or the Maximum Allowed Amount.

Anthem Prudent Buyer Providers in California. Anthem has made available to Members a network of various types of In-Network Providers. Anthem Prudent Buyer Providers are called 'participating' because they have agreed to participate in Anthem's preferred provider organization program (PPO), called the Prudent Buyer Plan. Anthem Prudent Buyer Providers have agreed to a rate they will accept as reimbursement for Covered Services. The amount of Benefits payable under this Plan will be different for Out-of-Network Providers than for Anthem Prudent Buyer Providers. See the definition of "Anthem Prudent Buyer Providers" in the DEFINITIONS section starting at page 89, for a complete list of the types of Providers which may be participating providers.

A directory of Anthem Prudent Buyer Providers is available upon request. The directories list In-Network Providers in your area, including health care facilities such as Hospitals and Skilled Nursing Facilities, Physicians, laboratories, and diagnostic x-ray and imaging providers. You may call the Member Services number on the back of the identification card and request for a directory to be sent to you. A member services representative will be able to assist you with locating a provider online. If you need details about a Provider's license or training, or help choosing a Physician who is right for you, call the Member Services number on the back of the identification card.

How to Access Primary and Specialty Care Services

Your health Plan covers care provided by primary care physicians and specialty care providers. To see a primary care physician, simply visit any Anthem Prudent Buyer Provider Physician who is a general or family practitioner, internist or pediatrician. Your health Plan also covers care provided by any Anthem Prudent Buyer Provider specialty care provider you choose (certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy) see "Physician," below). Referrals are never needed to visit any Anthem Prudent Buyer Provider specialty care provider including a behavioral health care provider.

To make an appointment call your Physician's office:

- Tell them you are a Prudent Buyer Plan Member.
- Have your Member identification card handy. They may ask you for your group number, Member ID number, or office visit Copayment.
- Tell them the reason for your visit.

When you go for your appointment, bring your Member identification card.

After hours care is provided by your Physician who may have a variety of ways of addressing your needs. Call your Physician for instructions on how to receive medical care after their normal business hours, on weekends and holidays. This includes information about how to receive non-Emergency care and non-

Urgent Care within the service area for a condition that is not life threatening, but that requires prompt medical attention. If you have an Emergency, call 911 or go to the nearest emergency room.

In-Network Providers Outside of California

The Blue Cross and Blue Shield Association, of which Anthem is a member, has a program (called the "BlueCard Program") which allows our Members to have the reciprocal use of In-Network Providers contracted under other states' Blue Cross and/or Blue Shield Licensees (the Blue Cross and/or Blue Shield Plan).

If you are outside of the California service areas, please call the toll free BlueCard Provider Access number on your identification card to find an In-Network Provider in the area you are in visit the website www.provider.bcbs.com. A directory of PPO Providers for outside of California is available upon request.

Certain categories of Providers defined in this Benefit Booklet as In-Network Providers may not be available in the Blue Cross and/or Blue Shield Plan in the service area where you receive services. See Medical Benefit Summary Notes section and "Maximum Allowed Amount" in the YOUR MEDICAL BENEFITS section for additional information on how health care services you obtain from such Providers are covered.

Out-of-Network Providers. Out-of-network Providers are Providers which have not agreed to participate in the Prudent Buyer Plan network or the Blue Cross and/or Blue Shield Plan. They have not agreed to the reimbursement rates and other provisions of a Prudent Buyer Plan contract nor the Blue Cross and/or Blue Shield Plan.

Anthem has processes to review claims before and after payment to detect fraud, waste, abuse and other inappropriate activity. Members seeking services from Out-of-Network Providers could be Balance Billed by the Out-of-Network Providers for those services that are determined to be not payable as a result of these review processes and meets the criteria set forth in any applicable state regulations adopted pursuant to state law. A claim may also be determined to be not payable due to a provider's failure to submit medical records with the claims that are under review in these processes.

Physicians. "Physician" means more than an M.D. Certain other practitioners are included in this term as it is used throughout the Plan. This doesn't mean they can provide every service that a medical doctor could; it just means that the Plan will cover expense you incur from them when they're practicing within their specialty the same as if the care were provided by a medical doctor. As with the other terms, be sure to read the definition of "Physician" to determine which providers' services will be covered. Only Providers listed in the definition are covered as Physicians. Please note also that certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy). Providers for whom referral is required are indicated in the definition of "Physician" by an asterisk (*).

Other Health Care Providers. "Other Health Care Providers" are neither Physicians nor Hospitals. They are mostly free-standing facilities or service organizations, such as a certified registered nurse anesthetist or a blood bank. See the definition of "Other Health Care Providers" in the DEFINITIONS section starting at page 89, for a complete list of those providers. Other Health Care Providers are not part of the Prudent Buyer Plan Provider network or the Blue Cross and/or Blue Shield Plan.

Reproductive Health Care Services. Some Hospitals and other Providers do not provide one or more of the following services that may be covered under your Plan and that you or your Family Member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; Infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective Physician or clinic, or call the Member Services number on the back of the identification card to ensure that you can obtain the health care services that you need.

Centers of Medical Excellence and Blue Distinction Centers. Anthem is providing access to Centers of Medical Excellence (CME) networks and Blue Distinction Centers for Specialty Care (BDCSC). The facilities included in each of these networks are selected to provide the following specified medical services:

- **Transplant Facilities.** Transplant facilities have been organized to provide services for the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Subject to any applicable Copayments or Deductibles, CME and BDCSC have agreed to a rate they will accept as payment in full for Covered Services. **These procedures are covered only when performed at a CME or BDCSC.**
- **Bariatric Facilities.** Hospital facilities have been organized to provide services for bariatric surgical procedures, such as gastric bypass and other surgical procedures for weight loss programs. **These procedures are covered only when performed at a BDCSC.**

An Anthem Prudent Buyer Provider in the Prudent Buyer Plan or the Blue Cross and/or Blue Shield Plan network is not necessarily a CME or BDCSC Facility. For additional information, please see the DEFINITIONS section of this book or call the Member Services number on the back of the identification card.

YOUR MEDICAL BENEFITS

Maximum Allowed Amount

General

This section describes the term Maximum Allowed Amount as used in this Benefit Booklet, and what the term means to you when obtaining Covered Services under this Plan. The Maximum Allowed Amount is the total reimbursement payable under your Plan for Covered Services you receive from Anthem Prudent Buyer Providers and Out-of-Network Providers. It is the Plan's payment towards the services billed by your Provider combined with any Deductible or Copayment owed by you. In some cases, you may be required to pay the entire Maximum Allowed Amount. For instance, if you have not met your Calendar Year Deductible under this Plan, then you could be responsible for paying the entire Maximum Allowed Amount for Covered Services. Except for Surprise Billing Claims, when you receive services from an Out-of-Network Provider, you may be responsible for paying any difference between its charges and the Maximum Allowed Amount and the provider's actual charges. In many situations, this difference could be significant.

Surprise Billing Claims are described in the "Consolidated Appropriations Act of 2021 Notice" at the end of this booklet. Please refer to that section for further details.

Below are two examples, which illustrate how the Maximum Allowed Amount works. These examples are for illustration purposes only.

Example: The Plan has a Member Copayment of 20% for Anthem Prudent Buyer Provider services after the Calendar Year Deductible has been met.

- The Member receives services from a participating surgeon. The charge is \$2,000. The Maximum Allowed Amount under the Plan for the surgery is \$1,000. The Member's Copayment responsibility when a participating surgeon is used is 20% of \$1,000, or \$200. This is what the Member pays. The Plan pays 80% of \$1,000, or \$800. The participating surgeon accepts the total of \$1,000 as payment for the surgery regardless of the charges.

Example: The Plan has a Member Copayment of 40% for Out-of-Network Provider services after the Calendar Year Deductible has been met.

- The Member receives services from an out-of-network surgeon. The charge is \$2,000. The Maximum Allowed Amount under the Plan for the surgery is \$1,000. The Member's Copayment responsibility when an out-of-network surgeon is used is 40% of \$1,000, or \$400. The Plan pays the remaining 60% of \$1,000, or \$600. In addition, the out-of-network surgeon could bill the Member the difference between \$2,000 and \$1,000. So the Member's total out-of-pocket charge would be \$400 plus an additional \$1,000, for a total of \$1,400.

When you receive Covered Services, Anthem will, to the extent applicable, apply claim processing rules to the claim submitted. Anthem uses these rules to evaluate the claim information and determine the accuracy and appropriateness of the procedure and diagnosis codes included in the submitted claim. Applying these rules may affect the Maximum Allowed Amount if Anthem determines that the procedure and/or diagnosis codes used were inconsistent with procedure coding rules and/or reimbursement policies. For example, if your Provider submits a claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed, the Maximum Allowed Amount will be based on the single procedure code.

Provider Network Status

The Maximum Allowed Amount may vary depending upon whether the Provider is an Anthem Prudent Buyer Provider, an Out-of-Network Provider or Other Health Care Provider.

Anthem Prudent Buyer Providers. For Covered Services performed by an Anthem Prudent Buyer Provider, the Maximum Allowed Amount for this Plan will be the rate the Anthem Prudent Buyer Provider has agreed with Anthem to accept as reimbursement for the Covered Services. Because Anthem Prudent Buyer Providers have agreed to accept the Maximum Allowed Amount as payment in full for those Covered

Services, they should not send you a bill or collect for amounts above the Maximum Allowed Amount. However, you may receive a bill or be asked to pay all or a portion of the Maximum Allowed Amount to the extent you have not met your Calendar Year Deductible or have a Copayment. Please call the Member Services number on the back of the identification card for help in finding an Anthem Prudent Buyer Provider.

If you go to a Hospital which is an Anthem Prudent Buyer Provider, you should not assume all Providers in that Hospital are also Anthem Prudent Buyer Providers. To receive the greater Benefits afforded when Covered Services are provided by an Anthem Prudent Buyer Provider, you should request that all your Provider services (such as services by an anesthesiologist) be performed by Anthem Prudent Buyer Providers whenever you enter a Hospital.

If you are planning to have outpatient surgery, you should first find out if the Facility where the surgery is to be performed is an Ambulatory Surgical Center. An Ambulatory Surgical Center is licensed as a separate Facility even though it may be located on the same grounds as a Hospital (although this is not always the case). If the center is licensed separately, you should find out if the Facility is an Anthem Prudent Buyer Provider before undergoing the surgery.

Note: If an Other Health Care Provider is participating in a Blue Cross and/or Blue Shield Plan at the time you receive services, such Provider will be considered an Anthem Prudent Buyer Provider for the purposes of determining the Maximum Allowed Amount.

If a Provider defined in this Benefit Booklet as an Anthem Prudent Buyer Provider is of a type not represented in the local Blue Cross and/or Blue Shield Plan at the time you receive services, such Provider will be considered an Out-of-Network Provider for the purposes of determining the Maximum Allowed Amount.

Out-of-Network Providers and Other Health Care Providers.*

Providers who are not in the Prudent Buyer network are Out-of-Network Providers or Other Health Care Providers, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. Except for Surprise Billing Claims, for Covered Services you receive from an Out-of-Network Provider or Other Health Care Provider the Maximum Allowed Amount will be based on the applicable Out-of-Network Provider rate or fee schedule for this Plan, an amount negotiated by Anthem or a third party vendor which has been agreed to by the Out-of-Network Provider, an amount derived from the total charges billed by the Out-of-Network Provider, or an amount based on information provided by a third party vendor, or an amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the Maximum Allowed Amount upon the level or method of reimbursement used by CMS, Anthem will update such information, which is unadjusted for geographic locality, no less than annually.

Providers who are not contracted for this product, but are contracted for other products, are also considered Out-of-Network Providers. For this Plan, the Maximum Allowed Amount for services from these Providers will be one of the methods shown above unless the provider's contract specifies a different amount or if your claim involves a Surprise Billing Claim.

For Covered Services rendered outside the Anthem Blue Cross service area by Out-of-Network Providers, claims may be priced using the local Blue Cross Blue Shield plan's Out-of-Network Provider fee schedule / rate or the pricing arrangements required by applicable state or federal law. In certain situations, the Maximum Allowed Amount for out of area claims may be based on billed charges, the pricing we would use if the healthcare services had been obtained within the Anthem Blue Cross service area, or a special negotiated price.

Unlike an Anthem Prudent Buyer Provider, Out-of-Network Providers and Other Health Care Providers may send you a bill and collect for the amount of the Out-of-Network Provider's or Other Health Care Provider's charge that exceeds the Maximum Allowed Amount under this Plan. You may be responsible for paying the difference between the Maximum Allowed Amount and the amount the Out-of-Network Provider or Other Health Care Provider charges. This amount can be significant. Choosing an Anthem Prudent Buyer Provider will likely result in lower out of pocket costs to you. Please call the Member Services number on the back of the identification card for help in finding an Anthem Prudent Buyer Provider. Member Services is also available to assist you in determining this Plan's Maximum Allowed Amount for a particular Covered Service from an Out-of-Network Provider or Other Health Care Provider.

Please see the “Inter-Plan Arrangements” provision in the section entitled GENERAL PROVISIONS for additional information.

***Exceptions:**

- **Clinical Trials of Cancer and Other Life Threatening Conditions Benefits.** The Maximum Allowed Amount for services and supplies provided in connection with clinical trials will be the lesser of the billed charge or the amount that ordinarily applies when services are provided by an Anthem Prudent Buyer Provider.
- **If Medicare is the primary payor, the Maximum Allowed Amount does not include any charge:**
 1. By a Hospital, in excess of the approved amount as determined by Medicare; or
 2. By a Physician who is an Anthem Prudent Buyer Provider who accepts Medicare assignment, in excess of the approved amount as determined by Medicare; or
 3. By a Physician who is an Out-of-Network Provider or Other Health Care Provider who accepts Medicare assignment, in excess of the lesser of Maximum Allowed Amount stated above, or the approved amount as determined by Medicare; or
 4. By a Physician or Other Health Care Provider who does not accept Medicare assignment, in excess of the lesser of the Maximum Allowed Amount stated above, or the limiting charge as determined by Medicare.
- **Surprise Billing Claims.** Surprise Billing Claims are described in the “Consolidated Appropriations Act of 2021 Notice” at the end of this Booklet. Please refer to that section for further details.

You will always be responsible for expense Incurred which is not covered under this Plan.

Member Cost Share

For certain Covered Services, and depending on your plan design, you may be required to pay all or a part of the Maximum Allowed Amount as your cost share amount (Deductibles or Copayments). Your cost share amount and the Out-Of-Pocket Amounts may be different depending on whether you received Covered Services from an Anthem Prudent Buyer Provider or Out-of-Network Provider. Specifically, you may be required to pay higher cost-sharing amounts or may have limits on your Benefits when using Out-of-Network Providers. Please see the SUMMARY OF BENEFITS section for your cost share responsibilities and limitations, or call the member Services number on the back of the identification card to learn how this Plan’s Benefits or cost share amount may vary by the type of Provider you use. For additional details about Deductibles or Copayments please refer to the “Deductibles, Copayments, Out-of-Pocket Amounts and Medical Benefit Maximums” section.

Anthem will not provide any reimbursement for non-Covered Services. You may be responsible for the total amount billed by your Provider for non-Covered Services, regardless of whether such services are performed by an Anthem Prudent Buyer Provider or Out-of-Network Provider. Non-Covered Services include services specifically excluded from coverage by the terms of your Plan and services received after Benefits have been exhausted. Benefits may be exhausted by exceeding, for example, Medical Benefit Maximums or day/visit limits.

Authorized Referrals

In some circumstances Accolade may authorize Anthem Prudent Buyer Provider cost share amounts (Deductibles or Copayments) to apply to a claim for a Covered Service you receive from an Out-of-Network Provider. In such circumstance, you or your Physician must contact Accolade in advance of obtaining the Covered Service. It is your responsibility to ensure that Accolade has been contacted. If Accolade authorizes an Anthem Prudent Buyer Provider cost share amount to apply to a Covered Service received from an Out-of-Network Provider, you also may still be liable for the difference between the Maximum Allowed Amount and the Out-of-Network Provider's charge. If you receive prior authorization for an Out-of-Network Provider due to network adequacy issues, **you** will not be responsible for the difference between the Out-of-Network Provider's charge and the Maximum Allowed Amount. Please call the Member Services number on the back of the identification card for Authorized Referral information or to request authorization.

Deductibles, Copayments, Out-of-Pocket Amounts and Medical Benefit Maximums

After any applicable Deductible and your Copayment are subtracted, the Plan will pay Benefits up to the Maximum Allowed Amount, not to exceed any applicable Medical Benefit Maximum. The Deductible amounts, Copayments, Out-Of-Pocket Amounts and Medical Benefit Maximums are set forth in the SUMMARY OF BENEFITS.

Deductibles

The In-Network and Out-of-Network Deductibles under this Plan are separate and distinct from the other. Only the covered charges that make up the Maximum Allowed Amount will apply toward the satisfaction of any Deductible except as specifically indicated in this booklet.

Calendar Year Deductible. Each Year, you will be responsible for satisfying the Member's Calendar Year Deductible before Benefits are paid. The family Deductible is non-embedded meaning the cost shares of all Family Members apply to one shared family Deductible. The Individual Deductible only applies to Individuals enrolled under single coverage. If Members of an enrolled family pay Deductible expense in a Year equal to the family Deductible, the Calendar Year Deductible for all Family Members will be considered to have been met.

Anthem Preferred Providers, In-Network Pharmacies, Home Delivery Pharmacies and Other Health Care Providers. Only covered charges up to the Maximum Allowed Amount for the services of Anthem Preferred Providers, In-Network Pharmacies, Home Delivery Pharmacies and Other Health Care Providers will be applied to the Anthem Preferred Provider, In-Network Pharmacy, Home Delivery Pharmacy and Other Health Care Provider Calendar Year Deductibles. When these Deductibles are met, the Plan will pay Benefits only for the services of Anthem Preferred Providers, In-Network Pharmacies, Home Delivery Pharmacies and Other Health Care Providers. The Plan will not pay any Benefits for Out-of-Network Providers and Out-of-Network Pharmacies unless the separate Out-of-Network Provider and Out-of-Network Pharmacies Calendar Year Deductibles (as applicable) are met.

Out-of-Network Providers and Out-of-Network Pharmacies. Covered charges up to the Maximum Allowed Amount for the services of any combination of Providers will be applied to the Out-of-Network Provider and Out-of-Network Pharmacy Calendar Year Deductibles. The Plan will pay Benefits for the services of Out-of-Network Providers and Out-of-Network Pharmacies only when the applicable Out-of-Network Provider Deductibles and Out-of-Network Pharmacies are met.

Prior Plan Calendar Year Deductibles. If you were covered under the Prior Plan any amount paid during the same Calendar Year toward your Calendar Year Deductible under the Prior Plan, will be applied toward your Calendar Year Deductible under this Plan; provided that, such payments were for charges that would be covered under this Plan.

Copayments

After you have satisfied any applicable Deductible, your Copayment will be subtracted from the remaining Maximum Allowed Amount.

Depending on the type of service rendered, your Copayment will either be a percentage or a set-dollar Copayment. If your Copayment is a percentage, the Plan will apply the applicable percentage to the Maximum Allowed Amount remaining after any Deductible has been met. If your Copayment is a set-dollar Copayment, the Plan will apply the applicable set-dollar Copayment, such as an office visit or emergency room visit.

Anthem Prudent Buyer Provider and Out-of-Network Provider Out-of-Pocket-Amounts

Satisfaction of the Anthem Prudent Buyer Provider Out-Of-Pocket Amount. If, after you have met your Calendar Year Deductibles and you pay Copayments equal to your Out-of-Pocket Amount per Member during a Calendar Year, you will no longer be required to make Copayments for any additional Covered Services or supplies during the remainder of that year, except as specifically stated below under Charges Which Do Not Apply Toward the Out-of-Pocket Amount.

The family Out-of-Pocket Maximum is non-embedded meaning the cost shares of all Family Members apply to one shared family Out-of-Pocket Maximum. The Individual Out-of-Pocket Maximum only applies to Individuals enrolled under single coverage. If enrolled Members of a family pay Copayments in a year equal to the Out-of-Pocket Amount per family, the Out-of-Pocket Amount for all Family Members will be considered to have been met. Once the family Out-of-Pocket Amount is satisfied, no Family Member will be required to make Copayments for any additional Covered Services or supplies during the remainder of that year, except as specifically stated under Charges Which Do Not Apply Toward the Out-of-Pocket Amount below. However, any expense previously applied to the Out-of-Pocket Amount per Member in the same year will not be credited for any other Family Member.

Anthem Prudent Buyer Provider, In-Network Pharmacies, Home Delivery Pharmacies and Other Health Care Providers. Only covered charges up to the Maximum Allowed Amount for the services of an Anthem Prudent Buyer Provider, In-Network Pharmacy, Home Delivery Pharmacy or Other Health Care Provider will be applied to the Anthem Prudent Buyer Provider, In-Network Pharmacy, Home Delivery Pharmacy and Other Health Care Provider Out-of-Pocket Amount.

After this Out-of-Pocket Amount per Member or family has been satisfied during a Calendar Year, you will no longer be required to make any Copayment for the Covered Services provided by an Anthem Prudent Buyer Provider, In-Network Pharmacy, Home Delivery Pharmacy and Other Health Care Provider for the remainder of that year. You will continue to be required to make Copayments for the Covered Services of an Out-of-Network Provider until the Out-of-Network Provider Out-of-Pocket Amount has been met.

Out-of-Network Providers and Out-of-Network Pharmacies. Covered charges up to the Maximum Allowed Amount for the services of any combination of Providers will be applied to the Out-of-Network Provider and Out-of-Network Pharmacy Out-of-Pocket Amount. After this Out-of-Pocket Amount per Member has been satisfied during a Calendar Year, you will no longer be required to make any Copayment for the Covered Services provided by an Out-of-Network Provider and Out-of-Network Pharmacy for the remainder of that year.

Note: Any covered expense applied to any Deductible or Copayments for Prescription Drugs will apply towards your Out-of-Pocket Amount, unless otherwise stated.

Charges Which Do Not Apply Toward the Out-Of-Pocket Amount. The following charges will not be applied toward satisfaction of an Out-Of-Pocket Amount:

- Charges for services or supplies not covered under this Plan.
- Charges which exceed the Maximum Allowed Amount.
- Charges which exceed the Prescription Drug Maximum Allowed Amount.
- Coinsurance paid for Infertility Treatment

Medical Benefit Maximums

The Plan does not make Benefit payments for any Member in excess of any of the Medical Benefit Maximums.

Prior Plan Maximum Benefits. If you were covered under the Prior Plan, any Benefits paid to you under the Prior Plan will reduce any maximum amounts you are eligible for under this Plan which apply to the same Benefit for the remainder of the calendar year.

Crediting Prior Plan Coverage

If you were covered by UC's Prior Plan immediately before UC signs up with Anthem, with no lapse in coverage, then you will get credit for any accrued Calendar Year Deductible and, if applicable and approved by UC, out-of-pocket amounts under the Prior Plan. This does not apply to Individuals who were not covered by the Prior Plan on the day before UC's coverage with Anthem began, or who join UC later. Credits are applied to the same Individual only.

If UC moves from one of Anthem's plans to another, (for example, changes its coverage from HMO to PPO), and you were covered by the other product immediately before enrolling in this product with no break in coverage, then you may get credit for any accrued Calendar Year Deductible and out-of-pocket amounts, if applicable and approved by UC. Credits are applied to the same Individual only. Any maximums, when applicable, will be carried over and charged against the Medical Benefit Maximums under this Plan.

If UC offers more than one of Anthem's products, and you change from one product to another with no break in coverage, you will get credit for any accrued Calendar Year Deductible and, if applicable, out-of-pocket amounts and any maximums will be carried over and charged against Medical Benefit Maximums under this Plan. Credits are applied to the same Individual only.

If UC offers coverage through other products or carriers in addition to Anthem's, and you change products or carriers to enroll in this product with no break in coverage, you will get credit for any accrued Calendar Year Deductible, out-of-pocket amount, and any Medical Benefit Maximums under this Plan, if applicable and approved by UC. Credits are applied to the same Individual only.

This Section Does Not Apply To You If:

- UC moves to this Plan at the beginning of a Calendar Year;
- You change from one of Anthem's individual policies to UC's plan;
- You change Employers; or
- You are a new Member of UC who joins after UC's initial enrollment with Anthem.

Conditions of Coverage

The following conditions of coverage must be met for expense Incurred for services or supplies to be covered under this Plan.

1. You must incur this expense while you are covered under this Plan. Expense is Incurred on the date you receive the service or supply for which the charge is made.
2. The expense must be for a medical service or supply furnished to you as a result of illness or injury or pregnancy, unless a specific exception is made.
3. The expense must be for a medical service or supply included in Medical Care That Is Covered. Additional limits on covered charges are included under specific Benefits and in the SUMMARY OF BENEFITS.
4. The expense must not be for a medical service or supply listed in Medical Care That Is NOT Covered. If the service or supply is partially excluded, then only that portion which is not excluded will be covered under this Plan.
5. The expense must not exceed any of the maximum Benefits or limitations of this Plan.
6. Any services received must be those which are regularly provided and billed by the provider. In addition, those services must be consistent with the illness, injury, degree of disability and your medical needs. Benefits are provided only for the number of days required to treat your illness or injury.
7. All services and supplies must be ordered by a Physician.

Contact the Member Services number on the back of the identification card if you have any questions.

Medical Care That Is Covered

Subject to the Medical Benefit Maximums in the SUMMARY OF BENEFITS, the requirements set forth under Conditions of Coverage and the exclusions or limitations listed under Medical Care That Is NOT Covered, the Plan will provide Benefits for the following services and supplies:

Abortion Services. Benefits include all abortion and abortion-related services, including pre-abortion and follow-up services. For outpatient abortion services, precertification is not required.

“Abortion” means a medical treatment intended to induce the termination of a pregnancy except for the purpose of producing a live birth.

Acupuncture Benefits. The services of a Physician for acupuncture treatment to treat a disease, illness or injury, including a patient history visit, physical examination, treatment planning and treatment evaluation, electroacupuncture, cupping and moxibustion. The Plan will pay for up to 24 visits (combined with “Chiropractic Benefits”) during a Calendar Year.

Since your Plan has a Calendar Year Deductible, the number of visits will start counting toward the maximum when services are first provided even if the Calendar Year Deductible has not been met.

Advanced Imaging Procedure Benefits. Imaging procedures, including, but not limited to, Magnetic Resonance Imaging (MRI), Positron Emission Tomography (PET scan), and Magnetic Resonance Angiogram (MRA scan) are subject to pre-service review to determine whether Medically Necessary. You may call the Member Services number on the back of the identification card to find out if an imaging procedure requires pre-service review. See UTILIZATION REVIEW PROGRAM for details.

Advanced imaging procedures, when performed by an Out-of-Network Provider, will have a maximum payment of **\$210** per visit.

Allergy Testing and Treatment Benefits. Allergy testing and treatment, including serum and serum injections.

Ambulance Benefits. Ambulance services are covered when you are transported by a state licensed vehicle that is designed, equipped, and used to transport the sick and injured and is staffed by Emergency Medical Technicians (EMTs), paramedics, or other licensed or certified medical professionals. Ambulance services are covered when one or more of the following criteria are met:

- For ground ambulance, you are transported:
 - From your home, or from the scene of an accident or medical Emergency, to a Hospital,
 - Between Hospitals, including when you are required to move from a Hospital that does not contract with Anthem to one that does, or
 - Between a Hospital and a Skilled Nursing Facility or other approved Facility.
- For air or water ambulance, you are transported:
 - From the scene of an accident or medical Emergency to a Hospital,
 - Between Hospitals, including when you are required to move from a Hospital that does not contract with Anthem to one that does, or
 - Between a Hospital and another approved Facility.

Emergency ground ambulance services do not require pre-service review. Pre-service review is required for air ambulance in a non-medical Emergency. When using an air ambulance in a non-Emergency situation, Accolade reserves the right to select the air ambulance provider. If you do not use the air ambulance Accolade selects in a non-Emergency situation, no coverage will be provided by the Plan and Members will be responsible for the entire cost of transport.

You must be taken to the nearest Facility that can provide care for your condition. In certain cases, coverage may be approved for transportation to a Facility that is not the nearest Facility.

Coverage includes Medically Necessary treatment of an illness or injury by medical professionals from an ambulance service, even if you are not transported to a Hospital. Ambulance services are not covered when another type of transportation can be used without endangering your health. Ambulance services for your convenience or the convenience of your Family Members or Physician are not a Covered Service.

Other non-covered ambulance services include, but are not limited to, trips to:

- A Physician's office or clinic;
- A morgue or funeral home.

If provided through the 911 emergency response system*, ambulance services are covered if you reasonably believed that a medical Emergency existed even if you are not transported to a Hospital.

Important information about air ambulance coverage. Coverage is only provided for air ambulance services when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger your health and your medical condition requires a more rapid transport to a Hospital than the ground ambulance can provide, this Plan will cover the air ambulance. Air ambulance will also be covered if you are in a location that a ground or water ambulance cannot reach.

Air ambulance will not be covered if you are taken to a Hospital that is not an acute care Hospital (such as a Skilled Nursing Facility), or if you are taken to a Physician's office or to your home.

Hospital to Hospital transport: If you are being transported from one Hospital to another, air ambulance will only be covered if using a ground ambulance would endanger your health and if the Hospital that first treats you cannot give you the medical services you need. Certain specialized services are not available at all Hospitals. For example, burn care, cardiac care, trauma care, and critical care are only available at certain Hospitals. For services to be covered, you must be taken to the closest Hospital that can treat you. Coverage is not provided for air ambulance transfers because you, your family, or your Physician prefers a specific Hospital or Physician.

* If you have an Emergency medical condition that requires an emergency response, please call the "911" emergency response system if you are in an area where the system is established and operating. At your earliest opportunity, call the Member Services number on the back of the identification card to discuss plan benefits for Ambulance services.

Ambulatory Surgery Center Benefits. Services and supplies provided by an Ambulatory Surgical Center in connection with outpatient surgery.

For the services of an Out-of-Network Provider Facility only, the Plan's maximum payment is limited to **\$210** per visit each time you have outpatient surgery at an Ambulatory Surgical Center.

Ambulatory Surgical Center services are subject to pre-service review to determine whether Medically Necessary. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

Bariatric Surgery Benefits. Services and supplies in connection with Medically Necessary surgery for weight loss, only for morbid obesity and only when performed at a designated BDCSC Facility. See UTILIZATION REVIEW PROGRAM for details.

You must obtain pre-service review for all bariatric surgical procedures. **Charges for services provided for or in connection with a bariatric surgical procedure performed at a Facility other than a BDCSC will not be covered.**

Bariatric Travel Expense Benefits. Certain travel expenses Incurred in connection with an approved, specified bariatric surgery, performed at a designated BDCSC that is fifty (50) miles or more from the Member's place of residence, are covered, provided the expenses are authorized by Accolade in advance. The fifty (50) mile radius around the BDCSC will be determined by the Bariatric BDCSC Coverage Area (See

DEFINITIONS). The Plan's maximum payment will not exceed **\$5,000** per surgery for the following travel expenses incurred by the Member and/or one companion:

- Transportation for the Member and/or one companion to and from the BDCSC.
 - Mileage is reimbursed equal to one round trip to the medical care facility. Mileage is reimbursed per Internal Revenue Service (IRS) Guidelines for medical related mileage. See <http://www.irs.gov/> for details on the mileage rate applicable to the year of service on the claim. Additional commuting to and from the medical care facility is not a reimbursable expense. Fees for parking, tolls, gas, car maintenance, repairs, or the like are not covered.
- Coach airfare to and from the Hospital when it is 300 miles or more from your residence.

Mileage to and from the airport nearest to the medical care facility and the medical care facility is a reimbursable expense. Coverage can be provided for alternate sources of transportation from the airport to the medical care facility and back to the airport after treatment has been completed. These can include taxi, shuttle, and car rental. This benefit is only for arrival and departure days.
- Lodging, limited to one room, double occupancy.
 - Lodging is reimbursed at the lesser of the actual lodging charges or \$50 for the member and \$50 for each covered caregiver for a maximum of \$100 per night. Minor patients are eligible to have two caregivers. In this situation a maximum of \$150 per night would be reimbursable. Lodging can be in the form of a hotel, motel, Airbnb, or short-term apartment rental. Service and cleaning charges are not covered. Receipts must be itemized and contain the number of guests listed. Short term apartment rental must include a copy of the signed lease. Credit card receipts are not an acceptable form of documentation or proof of payment.
- Other reasonable expenses. Tobacco, alcohol, drug expenses, and meals are excluded from coverage.

Member Services will confirm if the "Bariatric Travel Expense Benefit" is available in connection with access to the selected bariatric BDCSC. Details regarding reimbursement can be obtained by calling the Member Services number on the back of the identification card. A travel reimbursement form will be provided and will include instructions for submission of legible copies of all applicable receipts in order to obtain reimbursement.

Blood Benefits. Blood transfusions, including blood processing and the cost of unreplaced blood and blood products. Charges for the collection, processing and storage of self-donated blood are covered, but only when specifically collected for a planned and covered surgical procedure.

Breast Cancer Benefits. Services and supplies provided in connection with the screening for, diagnosis of, and treatment for breast cancer whether due to illness or injury, including:

1. Diagnostic mammogram examinations in connection with the treatment of a diagnosed illness or injury. Routine mammograms will be covered initially under the "Preventive Care Benefits". A follow-up mammogram may be considered diagnostic or treatment of a diagnosed illness or injury. Please talk with your treating Physician to understand what care is being provided so you will know which coverage applies.
2. Breast cancer (BRCA) testing, if appropriate, in conjunction with genetic counseling and evaluation. When done as a preventive care service, BRCA testing will be covered under the "Preventive Care Benefits".

Covered Members who receive mammography screening are eligible to complete a breast health screening tool which provides additional information on the risk of developing breast cancer. High risk individuals may receive telephonic or in person counseling from an Athena breast health specialist. The services must be those that are listed as covered by this Plan for Members who are not enrolled in a clinical trial.

Routine patient care costs include items, services, and drugs provided to you in connection with an approved clinical trial that would otherwise be covered by the Plan.

An “approved clinical trial” is a phase I, phase II, phase III, or phase IV clinical trial that studies the prevention, detection, or treatment of cancer or another life-threatening disease or condition, from which death is likely unless the disease or condition is treated. All requests for clinical trials services, including requests that are not part of approved clinical trials, will be reviewed according to the Plan's Clinical Coverage Guidelines, related policies and procedures. If you have any questions about the information in this section, please refer to the Member Services number on the back of the identification card.

If your Physician determines that none of these contraceptive methods are appropriate for you based on your medical or personal history, coverage will be provided for another prescription contraceptive method that is approved by the Food and Drug Administration (FDA) and prescribed by your Physician.

Certain contraceptives are covered under the "Preventive Care Services" benefit. Please see that provision for further details.

Dental Care Benefits

1. **Admissions for Dental Care.** Listed inpatient Hospital services for up to three days during a Hospital Stay, when such Stay is required for dental treatment and has been ordered by a Physician (M.D.) and a dentist (D.D.S. or D.M.D.). Anthem will make the final determination as to whether the dental treatment could have been safely rendered in another setting due to the nature of the procedure or your medical

condition. Hospital Stays for the purpose of administering general anesthesia are not considered necessary and are not covered except as specified in #2, below.

2. **General Anesthesia.** General anesthesia and associated Facility charges when your clinical status or underlying medical condition requires that dental procedures be rendered in a Hospital or Ambulatory Surgical Center. This applies only if (a) the Member is less than seven years old, (b) the Member is developmentally disabled, or (c) the Member's health is compromised and general anesthesia is Medically Necessary. Charges for the dental procedure itself, including professional fees of a dentist, may not be covered.

Important: If you decide to receive dental services that are not covered under this Plan, an Anthem Prudent Buyer Provider who is a dentist may charge you his or her usual and customary rate for those services. Prior to providing you with dental services that are not a covered benefit, the dentist should provide a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about the dental services that are covered under this Plan, please call the Member Services number on the back of the identification card. To fully understand your coverage under this Plan, please carefully review this Benefit Booklet document.

Designated Pharmacy Provider Benefits

Anthem may establish one or more Designated Pharmacy Provider programs which provide specific pharmacy services (including shipment of Prescription Drugs) to Members. A participating provider is not necessarily a Designated Pharmacy Provider. To be a Designated Pharmacy Provider, the participating provider must have signed a Designated Pharmacy Provider agreement with the Plan. You or your Physician can contact the Member Services number on the back of the identification card to learn which Pharmacy or pharmacies are part of a Designated Pharmacy Provider program.

For Prescription Drugs that are shipped to you or your Physician and administered in your Physician's office, you and your Physician are required to order from a Designated Pharmacy Provider. A patient care coordinator will work with you and your Physician to obtain precertification and to assist shipment to your Physician's office.

Anthem may also require you to use a Designated Pharmacy Provider to obtain Prescription Drugs for treatment of certain clinical conditions such as hemophilia. Anthem reserves the right to modify the list of Prescription Drugs as well as the setting and/or level of care in which the care is provided to you. Anthem may, from time to time, change with or without advance notice, the Designated Pharmacy Provider for a Drug. Such change can help provide cost effective, value based and/or quality services.

If you are required to use a Designated Pharmacy Provider and you choose not to obtain your Prescription Drug from a Designated Pharmacy Provider, coverage will be the same as for an Out-of-Network Provider.

You can get the list of the Prescription Drugs covered under this section by calling the Member Services number on the back of the identification card.

You must do this before you have an evaluation or work-up for a transplant. Accolade will help you maximize your Benefits by giving you coverage information, including details on what is covered and if any clinical coverage guidelines, medical policies, Centers of Medical Excellence (CME) or Blue Distinction Centers for Specialty Care (BDCSC) rules, or exclusions apply. Call the Member Services number on the back of the identification card.

You or your Physician must call Accolade for pre-service review prior to the transplant, whether it is performed in an inpatient or outpatient setting. Prior authorization is required before Benefits for a transplant will be provided. Your Physician must certify, and Accolade must agree, that the transplant is Medically Necessary. Your Physician should contact Accolade as soon as possible to start this process. Not getting prior authorization will result in a denial of Benefits.

Please note that your Physician may ask for approval for HLA (human leukocyte antigen) testing, donor searches, or collection and storage of stem cells prior to the final decision as to what transplant procedure will be needed. In these cases, the HLA testing and donor search charges will be covered as routine diagnostic tests. The collection and storage request will be reviewed for medical necessity and may be approved. However, such an approval for HLA testing, donor search, or collection and storage is NOT an approval for the later transplant. A separate medical necessity decision will be needed for the transplant itself.

Specified Transplant Benefits

You must obtain Accolade's prior authorization for all services including, but not limited to, preoperative tests and postoperative care related to the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Specified transplants must be performed at Centers of Medical Excellence (CME) or Blue Distinction Centers for Specialty Care (BDCSC). **Charges for services provided for or in connection with a specified transplant performed at a Facility other than a CME or BDCSC will not be considered covered.** Call the Member Services number on the back of the identification card if your Physician recommends a specified transplant for your medical care. A case manager transplant coordinator will assist in facilitating your access to a CME or BDCSC. See UTILIZATION REVIEW PROGRAM for details.

Evaluations: Reimbursement of travel expenses associated with one round trip to the medical facility for transplant evaluation. This benefit does not apply to services related to the treatment of the disease leading to the need for a transplant. SUBROGATION AND REIMBURSEMENT

These Subrogation and Reimbursement provisions apply when the Plan pays benefits as a result of injuries or illnesses You sustained, and You have a right to a Recovery or have received a Recovery from any source. Consequently, a third Party may be liable, or legally or equitably responsible, for payment of charges incurred in connection with Your injury or illness. If so, You may have a claim against that third party for payment of the medical or other charges. In that event, the Plan will be secondary payer, not primary, and the Plan will be subrogated (i.e., substituted in to, or put in, your place as to) to all rights You may have against that third party.

Definitions

As used in these Subrogation and Reimbursement provisions, “You” or “Your” includes anyone on whose behalf the plan pays benefits. These Subrogation and Reimbursement provisions apply to all current or former plan participants and plan beneficiaries. The provisions also apply to the parents, guardian, or other representative of a dependent child who incurs claims and is or has been covered by the Plan. The Plan’s rights under these provisions shall also apply to the personal representative or administrator of Your estate, Your heirs or beneficiaries, minors, and legally incompetent or disabled persons. If the covered person is a minor, any amount recovered by the minor, the minor’s trustee, guardian, parent, or other representative, shall be subject to these Subrogation and Reimbursement provisions. Likewise, if the covered person’s relatives, heirs, and/or assignees make any Recovery because of injuries sustained by the covered person, or because of the death of the covered person, that Recovery shall be subject to this provision, regardless of how any Recovery is allocated or characterized.

As used in these Subrogation and Reimbursement provisions, “Recovery” includes, but is not limited to, monies received from any person or party, any person’s or party’s liability insurance coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, workers’ compensation insurance or fund, premises medical payments coverage, restitution, or “no-fault” or personal injury protection insurance and/or automobile medical payments coverage, or any other first or third party insurance coverage, whether by lawsuit, settlement or otherwise. Regardless of how You or Your representative or any agreements allocate or characterize the money You receive as a Recovery, it shall be subject to these provisions.

Subrogation

Immediately upon paying or providing any benefit under the Plan, the Plan shall be subrogated to, or stand in the place of, all of Your rights of recovery with respect to any claim or potential claim against any party, due to an injury, illness or condition to the full extent of benefits provided or to be provided by the Plan. The Plan has the right to recover payments it makes on Your behalf from any party or insurer responsible for compensating You for Your illnesses or injuries. The Plan has the right to take whatever legal action it sees fit against any person, party, or entity to recover the benefits paid under the Plan. The Plan may assert a claim or file suit in Your name and take appropriate action to assert its subrogation claim, with or without Your consent. The Plan is not required to pay You part of any recovery it may obtain, even if it files suit in Your name.

The Plan Administrator may, in its discretion, designate a third party service provider or other person or entity to exercise the rights described in these Subrogation and Reimbursement provisions on behalf of the Plan.

Reimbursement

If You receive any payment as a result of an injury, illness or condition, You agree to reimburse the Plan first from such payment for all amounts the Plan has paid and will pay as a result of that injury, illness or condition, up to and including the full amount of Your recovery. If You obtain a Recovery and the Plan has not been repaid for the benefits the Plan paid on Your behalf, the Plan shall have a right to be repaid from the Recovery in the amount of the benefits paid on Your behalf. You must promptly reimburse the Plan from any Recovery

to the extent of benefits the Plan paid on Your behalf regardless of whether the payments You receive make You whole for Your losses, illnesses and/or injuries.

Secondary to Other Coverage

The Plan shall be secondary in coverage to any medical payments provision, no-fault automobile insurance policy, or personal injury protection policy regardless of any election made by You to the contrary. The Plan shall also be secondary to any excess insurance policy, including, but not limited to, school and/or athletic policies. This provision applies notwithstanding any coordination of benefits term to the contrary.

Assignment

In order to secure the Plan's rights under these Subrogation and Reimbursement Provisions, You agree to assign to the Plan any benefits or claims or rights of recovery You have under any automobile policy or other coverage, to the full extent of the Plan's subrogation and reimbursement claims. This assignment allows the Plan to pursue any claim You may have regardless of whether You choose to pursue the claim.

Applicability to All Settlements and Judgments

Notwithstanding any allocation or designation of Your Recovery made in any settlement agreement, judgment, verdict, release, or court order, the Plan shall have a right of full recovery, in first priority, against any Recovery You make. Furthermore, the Plan's rights under these Subrogation and Reimbursement provisions will not be reduced due to Your own negligence. The terms of these Subrogation and Reimbursement provisions shall apply and the Plan is entitled to full recovery regardless of whether any liability for payment is admitted and regardless of whether the terms of any settlement, judgment, or verdict pertaining to Your Recovery identify the medical benefits the Plan provided or purport to allocate any portion of such Recovery to payment of expenses other than medical expenses. The Plan is entitled to recover from any Recovery, even those designated as being for pain and suffering, non-economic damages, and/or general damages only.

Constructive Trust

By accepting benefits from the Plan, You agree that if You receive any payment as a result of an injury, illness or condition, You will serve as a constructive trustee over those funds. You and Your legal representative must hold in trust for the Plan the full amount of the Recovery to be paid to the Plan immediately upon receipt. Failure to hold such funds in trust will be deemed a breach of your fiduciary duty to the Plan. Any Recovery You obtain must not be dissipated or disbursed until such time as the Plan has been repaid in accordance with these Subrogation and Reimbursement provisions.

Lien Rights

You hereby automatically grant an equitable lien to the Plan to be imposed upon and against all rights of Recovery with respect to Third Parties, as described as follows. The Plan will automatically have a lien to the extent of benefits paid by the Plan for the treatment of Your illness, injury or condition upon any Recovery related to treatment for any illness, injury or condition for which the Plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds from Your Recovery including, but not limited to, you, your representative or agent, and/or any other source possessing funds from Your Recovery. You and Your legal representative acknowledge that the portion of the Recovery to which the Plan's equitable lien applies is a Plan asset. The Plan shall be entitled to equitable relief, including without limitation restitution, the imposition of a constructive trust or an injunction, to the extent necessary to enforce the Plan's lien and/or to obtain (or preclude the transfer, dissipation or disbursement of) such portion of any Recovery in which the Plan may have a right or interest.

First-Priority Claim

The Plan's equitable lien supersedes any right that You may have to be "made whole." By accepting benefits from the Plan, You acknowledge the Plan's rights under these Subrogation and Reimbursement provisions are a first priority claim and are to be repaid to the Plan before You receive any Recovery for your damages. The Plan shall be entitled to full reimbursement on a first-dollar basis from any Recovery, even if such payment to the Plan will result in a Recovery which is insufficient to make You whole or to compensate You in part or in whole for the losses, injuries, or illnesses You sustained. The "made-whole" rule does not apply. To the extent that the total assets from which a Recovery is available are insufficient to satisfy in full the Plan's subrogation claim and any claim held by You, the Plan's subrogation claim shall be first satisfied before any part of a Recovery is applied to Your claim, Your attorney fees, other expenses or costs. The Plan is not responsible for any attorney fees, attorney liens, other expenses or costs You incur. In other words, the Plan's right of first and primary reimbursement will not be reduced for any reason, including Your attorneys' fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise. The Plan is not responsible for Your legal fees and costs, is not required to share in any way for any payment of such fees and costs, and its equitable lien will not be reduced by any such fees and costs. The "common fund" doctrine does not apply to any funds recovered by any attorney You hire regardless of whether funds recovered are used to repay benefits paid by the Plan.

Cooperation

You agree to cooperate fully with the Plan's efforts to recover benefits paid. The duty to cooperate includes, but is not limited, to the following:

- You must authorize the Plan to sue, compromise and settle in Your name to the extent of the amount of medical or other benefits paid for Your injury or illness under the Plan and the expenses incurred by the Plan in collecting this amount, and assign to the Plan Your rights to Recovery when the provisions of these Subrogation and Reimbursement provisions apply.
- You must promptly notify the Plan of how, when and where an accident or incident resulting in personal injury or illness to You occurred, all information regarding the parties involved and any other information requested by the Plan.
- You must notify the plan within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Your injury, illness or condition.
- You must cooperate with the Plan in the investigation, settlement and protection of the Plan's rights. In the event that You or Your legal representative fails to do whatever is necessary to enable the Plan to exercise its subrogation or reimbursement rights, the Plan shall be entitled to deduct the amount the Plan paid from any future benefits under the Plan.
- You and your agents shall provide all information requested by the Plan, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the Plan may reasonably request and all documents related to or filed in personal injury litigation.
- You recognize that to the extent that the Plan paid or will pay benefits under a capitated agreement, the value of those benefits for purposes of these provisions will be the reasonable value of those payments or the actual paid amount, whichever is higher.
- You must not do anything to prejudice the Plan's rights under these Subrogation and Reimbursement provisions. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the Plan.
- You must send the Plan copies of all police reports, notices or other papers received in connection with the accident or incident resulting in personal injury or illness to You.

- You must promptly notify the Plan if You retain an attorney or if a lawsuit is filed on Your behalf.
- You must authorize the Plan to join or intervene into any action by You against a third party.
- You must immediately notify the Plan if a trial is commenced, if a settlement occurs or if potentially dispositive motions are filed in a case.

In the event that You or Your legal representative fails to do whatever is necessary to enable the Plan to exercise its rights under these Subrogation and Reimbursement provisions, the Plan shall be entitled to deduct the amount the Plan paid from any future benefits under the Plan.

If You fail to repay the Plan, the Plan shall be entitled to deduct any of the unsatisfied portion of the amount of benefits the Plan has paid or the amount of Your Recovery whichever is less, from any future benefit under the Plan if:

1. The amount the Plan paid on Your behalf is not repaid or otherwise recovered by the Plan; or
2. You fail to cooperate.

In the event You fail to disclose the amount of Your settlement to the Plan, the Plan shall be entitled to deduct the amount of the Plan's lien from any future benefit under the Plan.

The Plan shall also be entitled to recover any of the unsatisfied portion of the amount the Plan has paid or the amount of Your Recovery, whichever is less, directly from the Providers to whom the Plan has made payments on Your behalf. In such a circumstance, it may then be Your obligation to pay the Provider the full billed amount, and the Plan will not have any obligation to pay the Provider or reimburse You.

You are hereby notified that the Plan Administrator will have the power and authority, in its sole discretion, to (i) deny payment of any claims for benefits by or on behalf of the Participant and (ii) deny or reduce future benefits payable (including payment of future benefits for the same or other injuries or illnesses) under the Plan by the amount due as reimbursement to the Plan. The Plan Administrator may also, in its sole discretion, deny or reduce future benefits (including future benefits for the same or other injuries or illnesses) under any other group benefits plan maintained by the Plan Sponsor. The reductions will equal the amount of the required reimbursement. If the Plan must bring an action against You to enforce the provisions of these Subrogation and Reimbursement provisions, You will be obligated to pay the Plan's attorneys' fees and costs regardless of the action's outcome.

You acknowledge the Plan has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The Plan reserves the right to notify all parties and their agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

You acknowledge the Plan has notified you that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 *et seq*, to share Your personal health information in exercising these Subrogation and Reimbursement provisions.

The Plan is entitled to recover its attorney's fees and costs incurred in enforcing its rights under these Subrogation and Reimbursement provisions.

Discretion

The Plan Administrator has sole discretion to interpret the terms of the Subrogation and Reimbursement provisions of this Plan in its entirety and reserves the right to make changes as it deems necessary.

COORDINATION OF BENEFITS

If you are covered by more than one group medical plan, your benefits under this Plan (referred to as “This Plan” under this section) will be coordinated with the benefits of those Other Plans, as shown below. These coordination provisions apply separately to each member, per calendar year, and are largely determined by California law. Any coverage you have for medical or dental benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this “Definitions” provision.

Allowable Expense is any necessary, reasonable and customary item of expense which is at least partially covered by any plan covering the person for whom claim is made. When a plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering the person for whom a claim is made is not Allowable Expense.

The following are not Allowable Expense:

1. Use of a private hospital room is not an Allowable Expense unless the patient's stay in a private hospital room is medically necessary in terms of generally accepted medical practice, or one of the plans routinely provides coverage for hospital private rooms.
2. If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.
3. If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.
4. If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.
5. The amount of any benefit reduction by the Principal Plan because you did not comply with the plan's provisions is not an Allowable Expense. Examples of these types of provisions include second surgical opinions, utilization review requirements, and network provider arrangements.
6. If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan's deductible.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;
2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trusteed plans, union benefit organization plans, employer organization plans, employee benefit organization plans or self-insured employee benefit plans.
4. Medicare. This does not include Medicare when, by law, its benefits are secondary to those of any private insurance program or other non-governmental program.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of this plan which provides benefits subject to this provision.

EFFECT ON BENEFITS

This provision will apply in determining a person's benefits under This Plan for any calendar year if the benefits under This Plan and any Other Plans, exceed the Allowable Expenses for that calendar year.

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense. Benefits of This Plan cannot be determined until the Principal Plan has completed processing.
3. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.

ORDER OF BENEFITS DETERMINATION

The first of the following rules which applies will determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision. This would include Medicare in all cases, except when the law requires that This Plan pays before Medicare.
2. A plan which covers you as a member pays before a plan which covers you as a dependent. But, if you are retired and eligible for Medicare, Medicare pays (a) after the plan which covers you as a dependent of an active employee, but (b) before the plan which covers you as a retired employee.

For example: You are covered as a retired employee under This Plan and entitled to Medicare (Medicare would normally pay first). You are also covered as a dependent of an active employee under another plan (in which case Medicare would pay second). In this situation, the plan which covers you as a dependent will pay first, Medicare will pay second, and the plan which covers you as a retired employee would pay last.

3. For a dependent child covered under plans of two parents, the plan of the parent whose birthday falls earlier in the calendar year pays before the plan of the parent whose birthday falls later in the calendar year. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

Exception to rule 3: For a dependent child of parents who are divorced or separated, the following rules will be used in place of Rule 3:

- a. If the parent with custody of that child for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that child as a dependent pays first.
- b. If the parent with custody of that child for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:
 - i. The plan which covers that child as a dependent of the parent with custody.
 - ii. The plan which covers that child as a dependent of the stepparent (married to the parent with custody).
 - iii. The plan which covers that child as a dependent of the parent without custody.

- iv. The plan which covers that child as a dependent of the stepparent (married to the parent without custody).
 - c. Regardless of a and b above, if there is a court decree which establishes a parent's financial responsibility for that child's health care coverage, a plan which covers that child as a dependent of that parent pays first.
4. The plan covering you as a laid-off or retired employee or as a dependent of a laid-off or retired employee pays after a plan covering you as other than a laid-off or retired employee or the dependent of such a person. But if either plan does not have a provision regarding laid-off or retired employees, provision 6 applies.
5. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays after a plan covering you as an employee, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the Other Plan does not agree under these circumstances with the Order of Benefit Determination provisions of This Plan, this rule will not apply.
6. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same effective date. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility For Timely Notice. UC is not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision. In addition to the provisions outlined under Notice of Claim, a copy of the Other Plan Explanation of Benefits is required for coordination of benefits.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and our liability reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy our liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, Anthem or this Plan has the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS

If you are entitled to Medicare, you will receive the full Benefits of this Plan, except as listed below:

1. You are receiving treatment for end-stage renal disease following the first 30 months you are entitled to end-stage renal disease benefits under Medicare; or
2. You are entitled to Medicare benefits as a disabled person, unless you have a current employment status as determined by Medicare rules through a group of 100 or more employees (according to federal OBRA legislation).

In cases where exceptions 1 or 2 apply, payment will be determined according to the provisions in the section entitled COORDINATION OF BENEFITS and the provision "Coordinating Benefits with Medicare", below.

Coordinating Benefits With Medicare. Benefits will not be provided under this Plan that duplicate any benefits to which you would be entitled under Medicare. This exclusion applies to all parts of Medicare in which you can enroll without paying additional premium. If you are required to pay additional premium for any part of Medicare, this exclusion will apply to that part of Medicare only if you are enrolled in that part.

If you are entitled to Medicare, your Medicare coverage will not affect the services covered under this Plan except as follows:

1. Medicare must provide benefits first to any services covered both by Medicare and under this Plan.
2. For services you receive that are covered both by Medicare and under this Plan, coverage under this Plan will apply only to Medicare Deductibles and other charges for Covered Services over and above what Medicare pays.
3. For any given claim, the combination of benefits provided by Medicare and the Benefits provided under this Plan will not exceed the Maximum Allowed Amount for the Covered Services.

Anthem will apply any charges paid by Medicare for services covered under this Plan toward your Plan Deductible, if any.

UTILIZATION REVIEW PROGRAM

Your Plan includes the process of utilization review to decide when services are Medically Necessary, Experimental, or Investigative as those terms are defined in this booklet. Utilization review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed. A service must be Medically Necessary to be a Covered Service. When level of care, setting or place of service is part of the review, services in a higher level of care or higher cost setting / place of care will not be Medically Necessary if they can be safely given to you in a lower level of care or lower cost setting / place of care.

Certain services must be reviewed to determine medical necessity in order for you to get Benefits. Utilization review criteria will be based on many sources including medical policy and clinical guidelines. Accolade may decide that a service that was asked for is not Medically Necessary if you have not tried other treatments that are more cost-effective.

If you have any questions about the information in this section, you may call the Member Services number on the back of the identification card.

Coverage for or payment of the service or treatment reviewed is not guaranteed. For Benefits to be covered, on the date you get service:

1. You must be eligible for Benefits;
2. The service or supply must be a Covered Service under your Plan;
3. The service cannot be subject to an exclusion under your Plan (please see Medical Care That Is NOT Covered for more information); and
4. You must not have exceeded any applicable limits under your Plan.

TYPES OF REVIEWS

- **Pre-service Review** – A review of a service, treatment or admission for a coverage determination which is done before the service or treatment begins or admission date.
 - **Precertification** – A required pre-service review for a Benefit coverage determination for a service or treatment. Certain services require precertification in order for you to get Benefits. The Benefit coverage review will include a review to decide whether the service meets the definition of medical necessity or is Experimental / Investigative as those terms are defined in this booklet.

For admissions following an Emergency, you, your authorized representative or Physician must tell the Plan within 48 hours or as soon as it is possible within a reasonable period of time.

For childbirth admissions, precertification is not needed for the first 48 hours for a vaginal delivery or 96 hours for a cesarean section. Admissions longer than 48/96 hours require precertification.

For inpatient Hospital Stays for mastectomy surgery, including the length of Hospital Stays associated with mastectomy, precertification is not needed.
- **Continued Stay / Concurrent Review** – A utilization review of a service, treatment or admission for a Benefit coverage determination which must be done during an ongoing Stay in a Facility or course of treatment.
 - Both pre-service and continued Stay / concurrent reviews may be considered urgent when, in the view of the treating Provider or any Physician with knowledge of your medical condition, without such care or treatment, your life or health or your ability to regain maximum function could be seriously threatened or you could be subjected to severe pain that cannot be adequately managed without such care or treatment. Urgent reviews are conducted under a shorter timeframe than standard reviews.

- **Post-service Review** – A review of a service, treatment or admission for a Benefit coverage that is conducted after the service has been provided. Post-service reviews are performed when a service, treatment or admission did not need a precertification, or when a needed precertification was not obtained. Post-service reviews are done for a service, treatment or admission in which Accolade have a related clinical coverage guideline and are typically initiated by the Plan.

Services for which precertification is required (i.e., services that need to be reviewed by the Plan to determine whether they are Medically Necessary) include, but are not limited to, the following:

- Scheduled, non-Emergency inpatient Hospital Stays and Residential Treatment Center admissions, including detoxification and rehabilitation.

Exceptions: Pre-service review is not required for inpatient Hospital Stays for the following service:

- ◆ Maternity care of 48 hours or less following a normal delivery or 96 hours or less following a cesarean section
- Specific non-Emergency outpatient services, including diagnostic treatment and other services.
- Specific outpatient surgeries performed in an outpatient Facility or a doctor's office.
- Transplant services, excluding cornea transplant, including transplant travel expense. The following criteria must be met for certain transplants, as follows:
 - ◆ For bone or skin transplants, if the Physicians on the surgical team and the Facility in which the transplant is to take place are approved for the transplant requested.
 - ◆ For transplantation of heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney or bone marrow/stem cell and similar procedures, if the Providers of the related preoperative and postoperative services are approved and the transplant will be performed at a Centers of Medical Excellence (CME) or a Blue Distinction Centers for Specialty Care (BDCSC) Facility.
- Air ambulance in a non-medical Emergency.
- Specific durable medical equipment.
- Oncology and Transplant related infusion therapy / injectable therapy, if the attending Physician has submitted both a prescription and a plan of treatment before services are rendered.
- Home health care. The following criteria must be met:
 - ◆ The services can be safely provided in your home, as certified by your attending Physician;
 - ◆ Your attending Physician manages and directs your medical care at home; and
 - ◆ Your attending Physician has established a definitive treatment plan which must be consistent with your medical needs and lists the services to be provided by the Home Health Agency.
- Admissions to a Skilled Nursing Facility if you require daily skilled nursing or rehabilitation, as certified by your attending Physician.
- Bariatric surgical services, such as gastric bypass and other surgical procedures for weight loss, including bariatric travel expense, if:
 - ◆ The services are to be performed for the treatment of morbid obesity;
 - ◆ The Physicians on the surgical team and the Facility in which the surgical procedure is to take place are approved for the surgical procedure requested; and
 - ◆ The bariatric surgical procedure will be performed at a BDCSC Facility.

- Advanced imaging procedures, including but not limited to: Magnetic Resonance Imaging (MRI), Positron Emission Tomography (PET scan), Magnetic Resonance Angiogram (MRA scan). You may call the Member Services number on the back of the identification card to find out if an imaging procedure requires pre-service review.
- Partial hospitalization, Intensive Outpatient Programs.
- Transgender services, including transgender travel expense, as specified under the “Transgender Benefits” provision of YOUR MEDICAL BENEFITS - Medical Care That Is Covered. You must be diagnosed with gender identity disorder or gender dysphoria by a Physician.

For a list of current procedures requiring precertification, please call the Member Services number on the back of the identification card.

Infertility Treatment - prior authorization by WINFertility’s Medical Management Program is required prior to initiation of medical treatment for family building. Contact WINFertility for more information at (877) 451-3077.

Who is Responsible for Precertification?

Typically, Anthem Prudent Buyer Providers know which services need precertification and will get any precertification when needed. Your Physician and other Anthem Prudent Buyer Providers have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering provider, Hospital or attending Physician (“requesting provider”) will get in touch with the Plan to ask for a precertification. However, you may request a precertification or you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older. The table below outlines who is responsible for precertification and under what circumstances.

Provider Network Status	Responsibility to Get Precertification	Comments

NOTE: For an Emergency admission, precertification is not required. However, you, your authorized representative or Physician must notify Accolade within 48hours or as soon as it is possible within a reasonable period of time.

How Decisions Are Made

Decisions are based on multiple sources, such as medical policy, clinical guidelines, and other applicable policies and procedures to help make medical necessity determinations. This includes decisions about Prescription Drugs as detailed in the section “Prescription Drugs Obtained From Or Administered By a Medical Provider.” Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. Accolade reserves the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning your request. To ask for this information, please call the Member Services number on the back of the identification card.

If you are not satisfied with Accolade’s decision under this section of your Benefits, please refer to the “YOUR RIGHT TO APPEALS” section to see what rights may be available to you.

Decision Notice and Requirements

Accolade will review requests for medical necessity according to the timeframes listed below. The timeframes and requirements listed are based on state and federal laws. Where state laws are stricter than federal laws, the Plan will follow state laws. If you live in and/or get services in a state other than the state where your Plan was issued, other state-specific requirements may apply. You may call the phone number on the back of your identification card for more details.

Request Category	Timeframe Requirement for Decision

Urgent Continued Stay / Concurrent Review when request is received less than 24 hours before the end of the previous authorization	72 hours from the receipt of the request
Non-Urgent Continued Stay / Concurrent Review	5 business days from the receipt of the request
Post-Service Review	30 calendar days from the receipt of the request

If more information is needed to make a decision, Accolade will tell the requesting Physician of the specific information needed to finish the review. If Accolade does not get the specific information it needs by the required timeframe identified in the written notice, Accolade will make a decision based upon the information received.

Accolade will notify you and your Physician of a decision as required by state and federal law. Notice may be given by one or more of the following methods: verbal, written and/or electronic.

For a copy of the medical necessity review process, please contact the Member Services number on the back of the identification card.

Revoking or modifying a Precertification Review decision. Accolade will determine **in advance** whether certain services (including procedures and admissions) are Medically Necessary and are the appropriate

length of Stay, if applicable. These review decisions may be revoked or modified prior to the service being rendered for reasons including but not limited to the following:

- Your coverage under this Plan ends;
- The agreement with the group terminates;
- You reach a Benefit maximum that applies to the service in question;
- Your Benefits under the Plan change so that the service is no longer covered or is covered in a different way.

How Accolade Case Management Works

The case management program helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. The programs coordinate benefits and educate Members who agree to take part in the Case Management program to help meet their health-related needs.

The Case Management programs are confidential and voluntary, and are made available at no extra cost to you. These programs are provided by, or on behalf of and at the request of, your Accolade case management staff. These Case Management programs are separate from any Covered Services you are receiving.

If you meet program criteria and agree to take part, then Accolade will help you meet your identified health care needs. This is reached through contact and team work with you and /or your chosen authorized representative, treating physicians, and other providers.

In addition, Accolade may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.

CONTINUATION OF COVERAGE

Most employers who employ 20 or more people on a typical business day are subject to The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If the employer who provides coverage under the Plan is subject to the federal law which governs this provision (Title X of P. L. 99-272), you may be entitled to continuation of coverage. Check with UC for details.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will appear in capital letters. When you see these capitalized words, you should refer to this "Definitions" provision.

Initial Enrollment Period is the period of time following the original Qualifying Event, as indicated in the "Terms of COBRA Continuation" provisions below.

Qualified Beneficiary means: (a) a person enrolled for this COBRA continuation coverage who, on the day before the Qualifying Event, was covered under this Plan as either a Member or Dependent; and (b) a child who is born to or placed for adoption with the Member during the COBRA continuation period. Qualified Beneficiary does not include any person who was not enrolled during the Initial Enrollment Period, including any Dependents acquired during the COBRA continuation period, with the exception of newborns and adoptees as specified above.

Qualifying Event means any one of the following circumstances which would otherwise result in the termination of your coverage under the Plan. The events will be referred to throughout this section by number.

1. **For Members and Dependents:**

- a. The Member's termination of employment, for any reason other than gross misconduct; or
- b. Loss of coverage under an Employer's health plan due to a reduction in the Member's work hours.

2. **For Retired Employees and their Dependents.** Cancellation or a substantial reduction of retiree Benefits under the Plan due to the Plan's filing for Chapter 11 bankruptcy, provided that:

- a. The Plan expressly includes coverage for retirees; and
- b. Such cancellation or reduction of Benefits occurs within one Year before or after the Plan's filing for bankruptcy.

3. **For Dependents:**

- a. The death of the Member;
- b. The Spouse's divorce or legal separation from the Member;
- c. The end of a Domestic Partner's partnership with the Member;
- d. The end of a child's status as a Dependent child, as defined by the Plan; or
- e. The Member's entitlement to Medicare.

ELIGIBILITY FOR COBRA CONTINUATION

A Member or Dependent may choose to continue coverage under the Plan if his or her coverage would otherwise end due to a Qualifying Event.

TERMS OF COBRA CONTINUATION

Notice. UC will notify either the Member or Dependent of the right to continue coverage under COBRA, as provided below:

1. For Qualifying Events 1, or 2, UC will notify the Member of the right to continue coverage.
2. For Qualifying Events 3(a) or 3(e) above, a Dependent will be notified of the COBRA continuation right.
3. You must inform UC within 60 days of Qualifying Events 3(b), 3(c), or 3(d) above, if you wish to continue coverage. UC, in turn, will promptly give you official notice of the COBRA continuation right.

If you choose to continue coverage you must notify UC within 60 days of the date you receive notice of your COBRA continuation right. The COBRA continuation coverage may be chosen for all Dependents within a family, or only for selected dependent.

If you fail to elect the COBRA continuation during the Initial Enrollment Period, you may not elect the COBRA continuation at a later date.

Notice of continued coverage, along with the initial required monthly contribution, must be delivered to us within 45 days after you elect COBRA continuation coverage.

Additional Dependents. A Spouse, Domestic Partner or child acquired during the COBRA continuation period is eligible to be enrolled as a Dependent. The standard enrollment provisions of the Plan apply to enrollees during the COBRA continuation period.

Cost of Coverage. UC may require that you pay the entire cost of your COBRA continuation coverage. This cost, called the "required monthly contribution", must be remitted to UC each month during the COBRA continuation period in order to maintain the coverage in force.

Besides applying to the Member, the Member's rate will also apply to:

1. A Spouse whose COBRA continuation began due to divorce, separation or death of the Member;
2. A Domestic Partner whose COBRA continuation began due to the end of the domestic partnership or death of the Member;
3. A child, if neither the Member nor the Spouse has enrolled for this COBRA continuation coverage (if more than one child is so enrolled, the required monthly contribution will be the two-party or three-party rate depending on the number of children enrolled); and
4. A child whose COBRA continuation began due to the person no longer meeting the Dependent child definition.

Subsequent Qualifying Events. Once covered under the COBRA continuation, it's possible for a second Qualifying Event to occur. If that happens, a Member or Dependent, who is a Qualified Beneficiary, may be entitled to an extended COBRA continuation period. This period will in no event continue beyond 36 months from the date of the first qualifying event.

For example, a child may have been originally eligible for this COBRA continuation due to termination of the Member's employment, and enrolled for this COBRA continuation as a Qualified Beneficiary. If, during the COBRA continuation period, the child reaches the upper age limit of the Plan, the child is eligible for an extended continuation period which would end no later than 36 months from the date of the original Qualifying Event (the termination of employment).

When COBRA Continuation Coverage Begins. When COBRA continuation coverage is elected during the Initial Enrollment Period and the required monthly contribution is paid, coverage is reinstated back to the date of the original Qualifying Event, so that no break in coverage occurs.

For Dependents properly enrolled during the COBRA continuation, coverage begins according to the enrollment provisions of the Plan.

When the COBRA Continuation Ends. This COBRA continuation will end on the earliest of:

1. The end of 18 months from the Qualifying Event, if the Qualifying Event was termination of employment or reduction in work hours;*
2. The end of 36 months from the Qualifying Event, if the Qualifying Event was the death of the Member, divorce or legal separation, the end of a domestic partnership, or the end of Dependent child status;*
3. The end of 36 months from the date the Member became entitled to Medicare, if the Qualifying Event was the Member's entitlement to Medicare. If entitlement to Medicare does not result in coverage terminating and Qualifying Event 1 occurs within 18 months after Medicare entitlement, coverage for Qualified Beneficiaries other than the Member will end 36 months from the date the Member became entitled to Medicare;
4. The date the Plan terminates;
5. The end of the period for which required monthly contributions are last paid;
6. The date, following the election of COBRA, the Member first becomes covered under any other group health plan; or
7. The date, following the election of COBRA, the Member first becomes entitled to Medicare. However, entitlement to Medicare will not preclude a person from continuing coverage which the person became eligible for due to Qualifying Event 2.

Subject to the Plan remaining in effect, a retired employee whose COBRA continuation coverage began due to Qualifying Event 2 may be covered for the remainder of his or her life; that person's covered Dependents may continue coverage for 36 months after the Member's death. However, coverage could terminate prior to such time for either Member or Dependent in accordance with items 4, 5 or 6 above.

Other Coverage Options Besides COBRA Continuation Coverage. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options. Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

EXTENSION OF CONTINUATION DURING TOTAL DISABILITY

If at the time of termination of employment or reduction in hours, or at any time during the first 60 days of the COBRA continuation, a Qualified Beneficiary is determined to be disabled for Social Security purposes, all covered Members may be entitled to up to 29 months of continuation coverage after the original Qualifying Event.

Eligibility for Extension. To continue coverage for up to 29 months from the date of the original Qualifying Event, the disabled Member must:

1. Satisfy the legal requirements for being totally and permanently disabled under the Social Security Act; and
2. Be determined and certified to be so disabled by the Social Security Administration.

Notice. The Member must furnish UC with proof of the Social Security Administration's determination of disability during the first 18 months of the COBRA continuation period and no later than 60 days after the later of the following events:

1. The date of the Social Security Administration's determination of the disability;
2. The date on which the original Qualifying Event occurs;
3. The date on which the Qualified Beneficiary loses coverage; or
4. The date on which the Qualified Beneficiary is informed of the obligation to provide the disability notice.

Cost of Coverage. For the 19th through 29th months that the total disability continues, the cost for the extended continuation coverage must be remitted to UC or its administrator. This cost (called the "required monthly contribution") shall be subject to the following conditions:

1. If the disabled Member continues coverage during this extension, this charge shall be **150%** of the applicable rate for the length of time the disabled Member remains covered, depending upon the number of covered Dependents. If the disabled Member does not continue coverage during this extension, this charge shall remain at **102%** of the applicable rate.
2. The cost for extended continuation coverage must be remitted to UC or its administrator each month during the period of extended continuation coverage. UC or its administrator must receive timely payment of the required monthly contribution in order to maintain the extended continuation coverage in force.
3. You may be required to pay the entire cost of the extended continuation coverage.

If a second Qualifying Event occurs during this extended continuation, the total COBRA continuation may continue for up to 36 months from the date of the first Qualifying Event. The required monthly contribution shall then be **150%** of the applicable rate for the 19th through 36th months if the disabled Member remains covered. The charge will be **102%** of the applicable rate for any periods of time the disabled Member is not covered following the 18th month.

When The Extension Ends. This extension will end at the earlier of:

1. The end of the month following a period of 30 days after the Social Security Administration's final determination that you are no longer totally disabled;
2. The end of 29 months from the Qualifying Event*;
3. The date the Plan terminates;
4. The end of the period for which required monthly contributions are last paid;
5. The date, following the election of COBRA, the Member first becomes covered under any other group health plan; or
6. The date, following the election of COBRA, the Member first becomes entitled to Medicare. However, entitlement to Medicare will not preclude a person from continuing coverage which the person became eligible for due to Qualifying Event 2.

You must inform UC within 30 days of a final determination by the Social Security Administration that you are no longer totally disabled.

GENERAL PROVISIONS

Providing of Care. We are not responsible for providing any type of Hospital, medical or similar care, nor are we responsible for the quality of any such care received.

Independent Contractors. Anthem's relationship with Providers is that of an independent contractor. Physicians, and other health care professionals, Hospitals, Skilled Nursing Facilities and other community agencies are not Anthem's agents nor are they, or any of their employees, an employee or agent of any Hospital, medical group or medical care Provider of any type.

Non-Regulation of Providers. The Benefits of this Plan do not regulate the amounts charged by Providers of medical care, except to the extent that the rates for Covered Services are regulated with Anthem Prudent Buyer Providers.

Inter-Plan Arrangements

Out-of-Area Services

Overview. We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements". These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the geographic area we serve (the "Anthem Blue Cross Service Area"), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of the Anthem Blue Cross Service Area, you will receive it from one of two kinds of providers. Most providers ("participating providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some providers ("non-participating providers") do not contract with the Host Blue. We explain below how we pay both kinds of providers.

Inter-Plan Arrangements Eligibility – Claim Types

Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are prescription drugs that you obtain from a pharmacy and most dental or vision benefits.

A. BlueCard® Program

Under the BlueCard® Program, when you receive Covered Services within the geographic area served by a Host Blue, we will still fulfill our contractual obligations. But, the Host Blue is responsible for: (a) contracting with its providers; and (b) handling its interactions with those providers.

When you receive Covered Services outside the Anthem Blue Cross Service Area and the claim is processed through the BlueCard Program, the amount you pay is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to Anthem.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the provider. Sometimes, it is an estimated price that takes into account special arrangements with that provider. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we used for your claim because they will not be applied after a claim has already been paid.

B. Negotiated (non–BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, Anthem Blue Cross may process your claims for Covered Services through Negotiated Arrangements for National Accounts.

The amount you pay for Covered Services under this arrangement will be calculated based on the lower of either billed charges for Covered Services or the negotiated price (refer to the description of negotiated price under Section A. BlueCard Program) made available to Anthem Blue Cross by the Host Blue.

C. Special Cases: Value-Based Programs

BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's Service Area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Anthem Blue Cross through average pricing or fee schedule adjustments. Additional information is available upon request.

Value-Based Programs: Negotiated (non–BlueCard Program) Arrangements

If Anthem Blue Cross has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the group on your behalf, Anthem Blue Cross will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

E. Non-participating Providers Outside Our Service Area

1. Allowed Amounts and Member Liability Calculation

When Covered Services are provided outside of Anthem Blue Cross's Service Area by non-participating providers, we may determine benefits and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount you pay for such services as a Deductible or Copayment will be based on that allowed amount. Also, you may be responsible for the difference between the amount that the non-participating provider bills and the payment we will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network Emergency Services.

2. Exceptions

In certain situations, we may use other pricing methods, such as billed charges or the pricing we would use if the healthcare services had been obtained within the Anthem Blue Cross Service Area, or a special negotiated price to determine the amount we will pay for services provided by non-participating providers. In these situations, you may be liable for the difference between the amount that the non-participating provider bills and the payment we make for the Covered Services as set forth in this paragraph.

F. Blue Cross Blue Shield Global Core® Program

If you plan to travel outside the United States, call the Member Services number on the back of the identification card to find out your Blue Cross Blue Shield Global Core benefits. - Physician services;

You will need to file a claim form for any payments made up front.

Terms of Coverage

1. In order for you to be entitled to Benefits under the Plan, both the Plan and your coverage under the Plan must be in effect on the date the expense giving rise to a claim for Benefits is Incurred.
2. The Benefits to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for Benefits is Incurred. An expense is Incurred on the date you receive the service or supply for which the charge is made.
3. The Plan is subject to amendment, modification or termination according to the provisions of the Plan without your consent or concurrence.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Protection of Coverage. UC does not have the right to cancel your coverage under this Plan while: (1) this Plan is in effect; (2) you are eligible; and (3) your required monthly contributions are paid according to the terms of the Plan.

Free Choice of Provider. This Plan in no way interferes with your right as a Member entitled to Hospital Benefits to select a Hospital. You may choose any Physician who holds a valid Physician and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the Hospital where services are received. You may also choose any other health care professional or Facility which provides care covered under this Plan, and is properly licensed according to appropriate state and local laws. However, your choice may affect the Benefits payable according to this Plan.

Provider Reimbursement. Physicians and other professional Providers are paid on a fee-for-service basis, according to an agreed schedule. A participating Physician may, after notice from Anthem, be subject to a

reduced negotiated rate in the event the participating Physician fails to make routine referrals to Anthem Prudent Buyer Providers, except as otherwise allowed (such as for Emergency Services). Hospitals and other health care facilities may be paid either a fixed fee or on a discounted fee-for-service basis.

Other forms of payment arrangement are Payment Innovation Programs. These programs may include financial incentives to help improve quality of care and promote the delivery of health care services in a cost-efficient manner. The programs may vary in methodology and subject area of focus and may be modified by UC from time to time, but they will be generally designed to tie a certain portion of an Anthem Prudent Buyer Provider's total compensation to pre-defined quality, cost, efficiency or service standards or metrics. In some instances, Anthem Prudent Buyer Provider may be required to make payment to the Plan under the program as a consequence of failing to meet these pre-defined standards. The programs are not intended to affect the Member's access to health care. The program payments are not made as payment for specific Covered Services provided to the Member, but instead, are based on the Anthem Prudent Buyer Provider's achievement of these pre-defined standards. The Member is not responsible for any Copayment amounts related to payments made by the Plan or to the Plan under the programs and the Member does not share in any payments made by Anthem Prudent Buyer Providers to the Plan under the programs.

Availability of Care. If there is an epidemic or public disaster and you cannot obtain care for Covered Services, we refund the unearned part of the required monthly contribution paid. A written request for that refund and satisfactory proof of the need for care must be sent to us within 31 days of date of service. This payment fulfills our obligation under this Plan.

Medical Necessity. The Benefits of this Plan are provided only for services which Accolade determines to be Medically Necessary. The services must be ordered by the attending Physician for the direct care and treatment of a covered condition. They must be standard medical practice where received for the condition being treated and must be legal in the United States. The process used to authorize or deny health care services under this Plan is available to you upon request.

Expense in Excess of Benefits. We are not liable for any expense you incur in excess of the Benefits of this Plan.

Benefits Not Transferable. Only the Member is entitled to receive Benefits under this Plan. The right to Benefits cannot be transferred.

Notice of Claim. You must send Anthem properly and fully completed claim forms within 90 days of the date you receive the service or supply for which a claim is made. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed. UC is not liable for the Benefits of the Plan if you do not file claims within the required time period. UC will not be liable for Benefits if Anthem does not receive written proof of loss on time.

Services received and charges for the services must be itemized, and clearly and accurately described including the Tax ID and National Provider Identifier of the provider(s) who rendered each service. Claim forms must be used; canceled checks or receipts are not acceptable.

To obtain a claim form you or someone on your behalf may call the Member Services number on the back of the identification card or go to the website at www.anthem.com/ca and download and print one.

Payment to Providers. The Benefits of this Plan will be paid directly to contracting Hospitals, Anthem Prudent Buyer Providers and medical transportation providers. If you or one of your Dependents receives services from non-contracting Hospitals or Out-of-Network Providers, payment may be made directly to the Member and you will be responsible for payment to the provider. Any assignment of Benefits, even if assignment includes the provider's right to receive payment, is void unless an Authorized Referral has been approved by Anthem. The Plan will pay non-contracting Hospitals and other Providers of service directly when Emergency Services and care are provided to you or one of your Dependents. The Plan will continue such direct payment until the Emergency care results in stabilization. If you are a MediCal beneficiary and you assign Benefits in writing to the State Department of Health Services, the Benefits of this Plan will be paid to the State Department of Health Services. These payments will fulfill the Plan's obligation to you for those Covered Services.

Care Coordination. The Plan pays Anthem Prudent Buyer Providers in various ways to provide Covered Services to you. For example, sometimes Anthem Prudent Buyer Providers are paid a separate amount for each Covered Service they provide. The Plan may also pay one amount for all Covered Services related to treatment of a medical condition. Other times, a periodic, fixed pre-determined amount may be paid to cover the costs of Covered Services. In addition, the Plan may pay Anthem Prudent Buyer Providers financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner, or compensate Anthem Prudent Buyer Providers for coordination of your care. In some instances, Anthem Prudent Buyer Providers may be required to make payment to the Plan because they did not meet certain standards. You do not share in any payments made by Anthem Prudent Buyer Providers to the Plan under these programs.

Right of Recovery. Whenever payment has been made in error, Anthem will have the right to recover such payment from you or, if applicable, the provider, in accordance with applicable laws and regulations. In the event Anthem recovers a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, Anthem will only recover such payment from the Provider within 365 days of the date the payment was made on a claim submitted by the provider. Anthem reserves the right to deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if Anthem pays your healthcare Provider amounts that are your responsibility, such as Deductibles or Copayments Anthem may collect such amounts directly from you. You agree that Anthem has the right to recover such amounts from you.

Anthem has oversight responsibility for compliance with Provider and vendor and subcontractor contracts. Anthem may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

Anthem has established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. Anthem will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. Anthem may not provide you with notice of overpayments made by the Plan or you if the recovery method makes providing such notice administratively burdensome.

Plan Administrator - COBRA. In no event will Anthem be Plan Administrator for the purposes of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA). The term "Plan Administrator" refers to the University of California Executive Steering Committee on Health Benefits Programs or to a person or entity other than Anthem, engaged by to perform or assist in performing administrative tasks in connection with the Plan. In providing notices and otherwise performing under the CONTINUATION OF COVERAGE section of this Benefit Booklet, UC is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as your agent.

Workers' Compensation Insurance. The Plan does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Prepayment Fees. UC may require that you contribute all or part of the costs of the required monthly contributions. Please consult UC for details.

Financial Arrangements with Providers. Anthem or an affiliate has contracts with certain health care providers and suppliers (hereafter referred to together as "Providers" in this section) for the provision of and payment for health care services rendered to its members and members entitled to health care benefits under individual certificates and group policies or contracts to which Anthem or an affiliate is a party, including all persons covered under the Plan.

Under the above-referenced contracts between Providers and Anthem or an affiliate, the negotiated rates paid for certain medical services provided to persons covered under the Plan may differ from the rates paid for persons covered by other types of products or programs offered by Anthem or an affiliate for the same medical services. In negotiating the terms of the Plan, UC was aware that Anthem or its affiliates offer several types of products and programs. The Members and UC are entitled to receive the Benefits of only those discounts, payments, settlements, incentives, adjustments and/or allowances specifically set forth in the Plan.

Also, under arrangements with some Providers certain discounts, payments, rebates, settlements, incentives, adjustments and/or allowances, including, but not limited to, pharmacy rebates, may be based on aggregate payments made by Anthem or an affiliate in respect to all health care services rendered to all persons who have coverage through a program provided or administered by Anthem or an affiliate. They are not attributed to specific claims or plans and do not inure to the benefit of any covered individual or group, but may be considered by Anthem or an affiliate in determining its fees or subscription charges or premiums.

Transition Assistance for New Members: Transition Assistance is a process that allows for completion of Covered Services for new Members receiving services from an Out-of-Network Provider. If you are a new Member, you may request Transition Assistance if any one of the following conditions applies:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of Covered Services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of Covered Services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by Anthem in consultation with you and the Out-of-Network Provider and consistent with good professional practice. Completion of Covered Services shall not exceed twelve (12) months from the time you enroll in this Plan.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of Covered Services shall be provided for the duration of the pregnancy.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of Covered Services shall be provided for the duration of the terminal illness.
5. The care of a newborn child between birth and age thirty-six (36) months. Completion of Covered Services shall not exceed twelve (12) months from the time the child enrolls in this Plan.
6. Performance of a surgery or other procedure that Accolade has authorized as part of a documented course of treatment and that has been recommended and documented by the Provider to occur within 180 days of the time you enroll in this Plan.

Please contact the Member Services number on the back of the identification card to request Transition Assistance or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Transition Assistance does not provide coverage for services not otherwise covered under the Plan.

You will be notified by telephone, and the Provider by telephone and fax, as to whether or not your request for Transition Assistance is approved. If approved, you will be financially responsible only for applicable Deductibles and Copayments under the Plan. Financial arrangements with Out-of-Network Providers are negotiated on a case-by-case basis. The Out-of-Network Provider will be asked to agree to accept reimbursement and contractual requirements that apply to Anthem Prudent Buyer Providers, including payment terms. If the Out-of-Network Provider does not agree to accept said reimbursement and contractual

requirements, the Out-of-Network Provider's services will not be continued. If you do not meet the criteria for Transition Assistance, you are afforded due process including having a Physician review the request.

Continuity of Care after Termination of Provider: Subject to the terms and conditions set forth below, Benefits will be provided at the Anthem Prudent Buyer Provider level for Covered Services (subject to applicable Copayments, Deductibles and other terms) received from a Provider at the time the provider's contract with Anthem terminates (unless the provider's contract terminates for reasons of medical disciplinary cause or reason, fraud, or other criminal activity). If your Physician leaves our network for any reason other than termination of cause, or if coverage under this *plan* ends because your *group's agreement* ends, or because your *group* changes plans, and you are in active treatment, you may be able to continue seeing that provider for a limited period of time and still get the In-Network benefits.

You must be under the care of the Anthem Prudent Buyer Provider at the time the provider's contract terminates. The terminated Provider must agree in writing to provide services to you in accordance with the terms and conditions of his or her agreement with Anthem prior to termination. The Provider must also agree in writing to accept the terms and reimbursement rates under his or her agreement with Anthem prior to termination. If the Provider does not agree with these contractual terms and conditions, the provider's services will not be continued beyond the contract termination date.

Benefits for the completion of Covered Services by a terminated Provider will be provided only for the following conditions:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of Covered Services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of Covered Services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by Anthem in consultation with you and the terminated Provider and consistent with good professional practice. Completion of Covered Services shall not exceed twelve (12) months from the date the provider's contract terminates.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of Covered Services shall be provided for the duration of the pregnancy.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of Covered Services shall be provided for the duration of the terminal illness.
5. The care of a newborn child between birth and age thirty-six (36) months. Completion of Covered Services shall not exceed twelve (12) months from the date the provider's contract terminates.
6. Performance of a surgery or other procedure that Accolade has authorized as part of a documented course of treatment and that has been recommended and documented by the Provider to occur within 180 days of the date the provider's contract terminates.

Such Benefits will not apply to Providers who have been terminated due to medical disciplinary cause or reason, fraud, or other criminal activity.

Please contact the Member Services number on the back of the identification card to request continuity of care or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Continuity of care does not provide coverage for services not otherwise covered under the Plan.

You will be notified by telephone, and the Provider by telephone and fax, as to whether or not your request for continuity of care is approved. If approved, you will be financially responsible only for applicable

Deductibles and Copayments under the Plan. Financial arrangements with terminated Providers are negotiated on a case-by-case basis. The terminated Provider will be asked to agree to accept reimbursement and contractual requirements that apply to Anthem Prudent Buyer Providers, including payment terms. If the terminated Provider does not agree to accept the same reimbursement and contractual requirements, that provider's services will not be continued. If you disagree with the determination regarding continuity of care, you may file complaint as described in the COMPLAINT NOTICE.

Policies, Procedures, and Pilot Programs. We are able to introduce new policies, procedures, rules and interpretations, as long as they are reasonable. Such changes are introduced to make the *plan* more orderly and efficient. *Members* must follow and accept any new policies, procedures, rules, and interpretations.

Under the terms of the *agreement*, we have the authority to introduce or terminate from time to time, pilot or test programs for disease management, care management, case management, clinical quality or wellness initiatives which may result in the payment of benefits not otherwise specified in this booklet. We reserve the right to discontinue a pilot or test program at any time.

Program Incentives. UC may offer incentives from time to time at its discretion in order to introduce you to new programs and services available under this Plan. UC may also offer the ability for you to participate in certain voluntary health or condition-focused digital applications or use other technology based interactive tool, or receive educational information in order to help you stay engaged and motivated, manage your health, and assist in your overall health and well-being. The purpose of these programs and incentives include, but are not limited to, making you aware of cost effective Benefit options or services, helping you achieve your best health, and encouraging you to update Member-related information. These incentives may be offered in various forms such as retailer coupons, gift cards and health-related merchandise. Acceptance of these incentives is voluntary as long as the Plan offers the incentives program. Motivational rewards, awards or points for achieving certain milestones may be a feature of the program. UC may discontinue an incentive for a particular new service or program at any time. If you have any questions about whether receipt of an incentive or retailer coupon results in taxable income to you, please consult your tax advisor.

Plan Notice of Privacy Practices for Anthem*

Notice of Privacy Practices

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law governing the privacy of individually identifiable health information. Anthem is required by HIPAA to notify you of the availability of its Notice of Privacy Practices. The notice describes the privacy practices, legal duties and your rights concerning your Protected Health Information. Anthem must follow the privacy practices described in the notice while it is in effect (it will remain in effect unless and until Anthem publishes and issues a new notice).

BINDING ARBITRATION

A dispute regarding a claim for Benefits, including prescription drug benefits administered as a Covered Service, must proceed first through the claims process described in YOUR RIGHT TO APPEALS section before any further legal action can be taken with respect to that claim. Otherwise any dispute or claim, of whatever nature, including a claim for Benefits that has completed the internal appeals process, that arises out of, in connection with, or in relation to this Plan, or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limit of the small claims court.

Any dispute regarding a claim for damages within the jurisdictional limits of the small claims court will be resolved in such court.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The Member and UC agree to be bound by this Binding Arbitration provision and acknowledge that they are each giving up their right to a trial by court or jury.

The Member and UC agree to give up the right to participate in class arbitration against each other. Even if applicable law permits class actions or class arbitrations, the Member waives any right to pursue, on a class basis, any such controversy or claim against UC and UC waives any right to pursue on a class basis any such controversy or claim against the Member.

The arbitration findings will be final and binding except to the extent that state or Federal law provides for the judicial review of arbitration proceedings.

The arbitration is begun by the Member making written demand on UC. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS") according to its applicable Rules and Procedures. If, for any reason, JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by mutual agreement of the Member and UC, or by order of the court, if the Member and UC cannot agree that has completed the internal appeals process.

How Your Appeal will be Decided

When Accolade reviews your pre-service claim appeal, Accolade will not rely upon the initial benefit determination or, for second-level pre-service claim appeals, to the earlier appeal determination. The review will be conducted by an appropriate reviewer who did not make the initial determination and who does not work for the person who made the initial determination. Any second-level pre-service claim reviews will be conducted by an appropriate reviewer who did not make the initial determination or the first-level appeal determination and who does not work for the person who made the initial determination or first-level appeal determination.

If the pre-service claim denial was based in whole or in part on a medical judgment, including whether the treatment is experimental, investigational, or not Medically Necessary, the reviewer will consult with a health care professional who has the appropriate training and experience in the medical field involved in making the judgment. This health care professional will not be one who was consulted in making an earlier determination or who works for one who was consulted in making an earlier determination.

Notification of the Outcome of the Appeal

If you appeal a pre-service claim and it was an expedited/urgent review, Accolade will notify you of the outcome of the pre-service claim appeal as soon as possible, but not later than 72 hours after receipt of your request for appeal.

If you appeal a pre-service claim and it is a standard appeal, either first-level or second-level, Accolade will notify you of the outcome of the both the first-level and second-level appeal within 15 days after receipt of your request for appeal.

Pre-Service Claim Appeal Denial

- If your pre-service claim appeal is denied, that denial will be considered an adverse benefit determination. The notification from Accolade will include all of the information set forth in the above subsection entitled "Notice of Adverse Pre-Service Claim Determination".

Pre-Service Second Level Claim Appeals

If you are dissatisfied with Accolade's first-level appeal decision, a second level appeal is available. If you would like to initiate a voluntary second level appeal, please write to the address listed above.

Voluntary second-level pre-service claim appeals must be submitted within 60 calendar days of the denial of the first level appeal.

External Review

If the outcome of the mandatory first-level appeal is adverse to you and it was based on medical judgment, or if it pertained to a rescission of coverage, you may be eligible for an independent External Review pursuant to federal law.

You must submit your request for External Review to Anthem within four (4) months of the notice of your final internal adverse determination.

A request for an External Review must be in writing unless Anthem determines that it is not reasonable to require a written statement. You do not have to re-send the information that you submitted for internal appeal. However, you are encouraged to submit any additional information that you think is important for review.

For pre-service claims involving urgent/concurrent care, you may proceed with an Expedited External Review without filing an internal appeal or while simultaneously pursuing an expedited appeal through Accolade's internal appeal process. You or your authorized representative may request it orally or in writing. All necessary information, including Accolade's decision, can be sent between Accolade and you by telephone, facsimile, or other similar method. To proceed with an Expedited External Review, you or your authorized representative must contact Accolade at the phone number listed on your ID card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;
- the Provider's name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for External Review should be submitted in writing unless Anthem determines that it is not reasonable to require a written statement. Such requests should be submitted by you or your authorized representative to:

Anthem Blue Cross Life and Health Insurance Company
ATTN: Appeals
P.O. Box 4310, Woodland Hills, CA 91365-4310

You must include Your Member Identification Number when submitting a request for External Review.

This is not an additional step that you must take in order to fulfill your appeal procedure obligations described above. Your decision to seek External Review will not affect your rights to any other benefits under this health care plan. There is no charge for you to initiate an independent External Review.

Requirement to file an Appeal before taking further legal action

No legal action of any kind related to a benefit decision may be filed by you in any other forum, unless it is commenced within three years of the Plan's final decision on the claim or other request for benefits. If the plan decides an appeal is untimely, the Plan's latest decision on the merits of the underlying claim or benefit request is the final decision date. You must exhaust Accolade's first-level and second-level Appeals, and External Review, but not including any voluntary level of appeal, before taking other legal action of any kind against the plan.

POST-SERVICE CLAIMS

If your claim is denied or if your coverage is rescinded:

- you will be provided with a written notice of the denial or rescission; and
- you are entitled to a full and fair review of the denial or rescission.

Appeals Related to Medical Judgment

If the denial was based in whole or in part on a medical judgment, including whether the treatment is experimental, investigational, or not Medically Necessary, you or your authorized representative must submit the written appeal to:

Accolade UM Appeals Department
7400 West Campus Road
Suite F-510
New Albany, OH 43054

Notice of Adverse Benefit Determination

The procedure Anthem will follow will satisfy following the minimum requirements for a full and fair review under applicable federal regulations.

If your claim is denied, Anthem's notice of the adverse benefit determination (denial) will include:

- information sufficient to identify the claim involved;
- the specific reason(s) for the denial;
- a reference to the specific plan provision(s) on which Anthem's determination is based;
- a description of any additional material or information needed to perfect your claim;
- an explanation of why the additional material or information is needed;
- a description of the plan's review procedures and the time limits that apply to them if you appeal and the claim denial is upheld;
- information about any internal rule, guideline, protocol, or other similar criterion relied upon in making the claim determination and about your right to request a copy of it free of charge, along with a discussion of the claims denial decision; and
- the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman who may assist you.

Appeals

You have the right to appeal an adverse benefit determination (claim denial or rescission of coverage). You or your authorized representative must file your appeal within 180 calendar days after you are notified of the denial or rescission. You will have the opportunity to submit written comments, documents, records, and other information supporting your claim. Anthem's review of your claim will take into account all information you submit, regardless of whether it was submitted or considered in the initial benefit determination.

- Anthem shall offer a single mandatory level of appeal and an additional voluntary second level of appeal which may be a panel review, independent review, or other process consistent with the entity reviewing the appeal. The time frame allowed for Anthem to complete its review is Dependent upon the type of review involved (e.g. pre-service, concurrent, post-service, urgent, etc.).

All other requests for appeals should be submitted in writing by the Member or the Member's authorized representative, except where the acceptance of oral appeals is otherwise required by the nature of the appeal (e.g. Urgent Care). You or your authorized representative must submit a request for review to:

Anthem Blue Cross Life and Health Insurance Company
ATTN: Appeals
P.O. Box 4310, Woodland Hills, CA 91365-4310

You must include Your Member Identification Number when submitting an appeal.

Upon request, Anthem will provide, without charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim. "Relevant" means that the document, record, or other information:

- was relied on in making the benefit determination; or
- was submitted, considered, or produced in the course of making the benefit determination; or
- demonstrates compliance with processes and safeguards to ensure that claim determinations are made in accordance with the terms of the plan, applied consistently for similarly-situated claimants; or
- is a statement of the plan's policy or guidance about the treatment or benefit relative to your diagnosis.

Anthem will also provide you, free of charge, with any new or additional evidence considered, relied upon, or generated in connection with your claim. In addition, before you receive an adverse benefit determination on review based on a new or additional rationale, Anthem will provide you, free of charge, with the rationale.

For Out of State Appeals You have to file Provider appeals with the Host Plan. This means Providers must file appeals with the same plan to which the claim was filed.

How Your Appeal will be Decided

When Anthem considers your appeal, Anthem will not rely upon the initial benefit determination or, for voluntary second-level appeals, to the earlier appeal determination. The review will be conducted by an appropriate reviewer who did not make the initial determination and who does not work for the person who made the initial determination. A voluntary second-level review will be conducted by an appropriate reviewer who did not make the initial determination or the first-level appeal determination and who does not work for the person who made the initial determination or first-level appeal determination.

Notification of the Outcome of the Appeal

If you appeal a post-service claim, the reviewer will notify you of the outcome of the appeal within 60 days after receipt of your request for appeal.

Appeal Denial

- If your appeal is denied, that denial will be considered an adverse benefit determination. The notification from the reviewer will include all of the information set forth in the above subsection entitled "Notice of Adverse Benefit Determination".

Voluntary Second Level Appeals

If you are dissatisfied with the plan's mandatory first level appeal decision, a voluntary second level appeal may be available. If you would like to initiate a second level appeal, please write to the address listed above. Voluntary appeals must be submitted within 60 calendar days of the denial of the first level appeal. You are not required to complete a voluntary second level appeal prior to submitting a request for an independent External Review.

External Review

If the outcome of the mandatory first level appeal is adverse to you and it was based on medical judgment, or if it pertained to a rescission of coverage, you may be eligible for an independent External Review pursuant to federal law.

You must submit your request for External Review to Anthem within four (4) months of the notice of your final internal adverse determination.

A request for an External Review must be in writing unless Anthem determines that it is not reasonable to require a written statement. You do not have to re-send the information that you submitted for internal appeal. However, you are encouraged to submit any additional information that you think is important for review.

All other requests for External Review should be submitted in writing unless Anthem determines that it is not reasonable to require a written statement. Such requests should be submitted by you or your authorized representative to:

Anthem Blue Cross Life and Health Insurance Company
ATTN: Appeals
P.O. Box 4310, Woodland Hills, CA 91365-4310

You must include Your Member Identification Number when submitting an appeal.

This is not an additional step that you must take in order to fulfill your appeal procedure obligations described above. Your decision to seek External Review will not affect your rights to any other benefits under this health care plan. There is no charge for you to initiate an independent External Review.

Requirement to file an Appeal before taking further legal action

You must exhaust the plan's internal Appeals Procedure but not including any voluntary level of appeal, before taking other legal action of any kind against the plan.

The policies, procedures and timeframes in this section may be modified upon further clarification from Department of Health and Human Services and Department of Labor.

STATEMENT OF RIGHTS UNDER THE NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any Hospital length of Stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However the plan or issuer may pay for a shorter Stay if the attending Physician (e.g., your Physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) Stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the Stay.

In addition, a plan or issuer may not, under federal law, require that a Physician or Other Health Care Provider obtain authorization for prescribing a length of Stay of up to 48 hours (or 96 hours). However, to use certain Providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain pre-certification. For information on pre-certification, please call the Member Services number on the back of the identification card.

STATEMENT OF RIGHTS UNDER THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

This Plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). Consolidated Appropriations Act of 2021 Notice

Consolidated Appropriations Act of 2021 (CAA)

The Consolidated Appropriations Act of 2021 (CAA) is a federal law that includes the No Surprises Act as well as the Provider transparency requirements that are described below.

Surprise Billing Claims

Surprise Billing Claims are claims that are subject to the No Surprises Act requirements:

- Emergency Services provided by Out-of-Network Providers;
- Covered Services provided by an Out-of-Network Provider at an In-Network Facility; and
- Out-of-Network Air Ambulance Services.

No Surprises Act Requirements

Emergency Services

As required by the CAA, Emergency Services are covered under your Plan:

- Without the need for Precertification;
- Whether the Provider is In-Network or Out-of-Network;

If the Emergency Services you receive are provided by an Out-of-Network Provider, Covered Services will be processed at the In-Network benefit level.

Note that if you receive Emergency Services from an Out-of-Network Provider, your Out-of-Pocket costs will be limited to amounts that would apply if the Covered Services had been furnished by an In-Network Provider. However, Out-of-Network cost-shares (i.e., Copayments, Deductibles and/or Coinsurance) will apply to your claim if the treating Out-of-Network Provider determines you are stable, meaning you have been provided necessary Emergency Care such that your condition will not materially worsen and the Out-of-Network Provider determines: (i) that you are able to travel to an In-Network Facility by non-emergency transport; (ii) the Out-of-Network Provider complies with the notice and consent requirement; and (iii) you are in condition to receive the information and provide informed consent. If you continue to receive services from the Out-of-Network Provider after you are stabilized, you will be responsible for the Out-of-Network cost-shares, and the Out-of-Network Provider will also be able to charge you any difference between the Maximum Allowed Amount and the Out-of-Network Provider's billed charges. This notice and consent exception does not apply if the Covered Services furnished by an Out-of-Network Provider result from unforeseen and urgent medical needs arising at the time of service.

Out-of-Network Services Provided at an In-Network Facility

When you receive Covered Services from an Out-of-Network Provider at an In-Network Facility, your Out-of-Pocket costs will be limited to amounts that would apply if the Covered Service had been furnished by an In-Network Provider. However, if the Out-of-Network Provider gives you proper notice of its charges, and you give written consent to such charges, claims will be paid at the Out-of-Network benefit level. This means you will be responsible for Out-of-Network cost-shares for those services and the Out-of-Network Provider can also charge you any difference between the Maximum Allowed Amount and the Out-of-Network Provider's billed charges. This Notice and Consent process described below does not apply to Ancillary Services furnished by an Out-of-Network Provider at an In-Network Facility. Your Out-of-Pocket costs for claims for Covered Ancillary Services furnished by an Out-of-Network Provider at an In-Network Facility will be limited to amounts that would apply if the Covered Service had been furnished by an In-Network Provider. Ancillary Services are one of the following services: (A) Emergency Services; (B) anesthesiology; (C) laboratory and pathology; (D) radiology; (E) neonatology; (F) diagnostic services; (G) assistant surgeons; (H) Hospitalists; (I) Intensivists; and (J) any services set out by the U.S. Department of Health & Human Services. In addition, The Claims Administrator will not apply this notice and consent

process to you if the Claims Administrator does not have an In-Network Provider in your area who can perform the services you require.

Out-of-Network Providers satisfy the notice and consent requirement as follows:

1. By obtaining your written consent not later than 72 hours prior to the delivery of services; or
2. If the notice and consent is given on the date of the service, if you make an appointment within 72 hours of the services being delivered.

Out-of-Network Air Ambulance Services

When you receive Covered Services from an Out-of-Network Air Ambulance Provider, your Out-of-Pocket costs will be limited to amounts that would apply if the Covered Service had been furnished by an In-Network Air Ambulance Provider.

How Cost-Shares Are Calculated

Your cost shares for Surprise Billing Claims will be calculated based on the Recognized Amount. Any Out-of-Pocket cost shares you pay to an Out-of-Network Provider for either Emergency Services or for Covered Services provided by an Out-of-Network Provider at an In-Network Facility or for Covered Services provided by an Out-of-Network Air Ambulance Service Provider will be applied to your In-Network Out-of-Pocket Limit.

Appeals

If you receive Emergency Services from an Out-of-Network Provider or Covered Services from an Out-of-Network Provider at an In-Network Facility or Out-of-Network Air Ambulance Services and believe those services are covered by the No Surprises Act, you have the right to appeal that claim. If your appeal of a Surprise Billing Claim is denied, then you have a right to appeal the adverse decision to an Independent Review Organization as set out in the "YOUR RIGHT TO APPEALS" section of this Benefit Book.

Provider Directories

The Claims Administrator is required to confirm the list of In-Network Providers in its Provider Directory every 90 days. If you can show that you received inaccurate information from The Claims Administrator that a Provider was In-Network on a particular claim, then you will only be liable for In-Network cost shares (i.e., Copayments, Deductibles, and/or Coinsurance) for that claim. Your In-Network cost shares will be calculated based upon the Maximum Allowed Amount.

Transparency Requirements

The Claims Administrator provides the following information on its website:

- Protections with respect to Surprise Billing Claims by Providers, including information on how to contact state and federal agencies if you believe a Provider has violated the No Surprises Act.

You may also obtain the following information on The Claims Administrator's website or by calling Member Services at the phone number on the back of your ID Card:

- Cost sharing information for 500 defined services, as required by the Centers for Medicare & Medicaid Services (CMS); and
- A listing / directory of all In-Network Providers.

In addition, the Claims Administrator will provide access through its website to the following information:

- In-Network negotiated rates; and
- Historical Out-of-Network rates.
