

**ARTICLE 17**  
**MANAGEMENT RIGHTS**

- A. The management of the University is vested exclusively in the University to establish, plan, direct, and control the University's missions, programs, objectives, activities, resources, and priorities including Affirmative Action plans and goals; to establish and administer procedures, rules and regulations, and direct and control University operations; to alter, extend, curtail, or discontinue existing methods, equipment, facilities and location of operations to subcontract all or any portion of any operations; to determine or modify the number, scheduling, and assignment of librarians; to establish or modify standards, duties, and responsibilities and maintain quality of performance; to establish and require librarians to observe the then current University rules and regulations and reasonable standards of conduct; to maintain order, and to impose corrective action or dismiss librarians; and to establish, maintain, modify, and enforce safety standards and programs. The foregoing enumeration of management rights is not inclusive and does not exclude other management rights not specified, nor shall the exercise or non-exercise of rights retained by the University be construed to mean that any right is waived. Except to the extent limited by the express and specific terms of the provisions of this Agreement, the University has the right to make and implement decisions relating to areas including but not limited to those enumerated above.
- B. The University may continue any current policies and practices which do not conflict with the express written provisions of this Agreement.
- C. No management right shall be subject to Article 24 – Grievance Procedure or Article 25 – Arbitration or exclusive claim in a collateral suit unless the exercise thereof violates an express written provision of this MOU.
