Attn: ELR Consultants / Team Oxford

The Building and Construction Trades Council of Alameda County (BTCA) hereby gives official notice of its desire to begin full contract negotiations for a successor agreement.

The BTCA desires to meet and confer and bargain in good faith over wages, benefits, and terms and conditions of employment for bargaining unit members employed by the University of California, Berkeley/Lawrence Berkeley Lab (CAL/LBL).

The BTCA proposes to open and negotiate all terms in the parties' CBA including all Articles (1-34), Appendices (I and II), Letters of Understanding and Side Letters. The BTC will submit additional proposals at a later date and reserves the right to add, amend, modify, withdraw, and/or change its proposals.

Please sunshine this letter signifying BTCA's request for full contract negotiations with CAL/LBL at the next possible public hearing. We look forward to negotiations where both parties work towards creating a positive work environment for all.

We will work to schedule these negotiations to begin the week of August 4th, 2025.

Sincerely,

Andreas Cluver, Secretary-Treasurer
