AMENDATORY RIDER 1
(Continued)

In the definition of Active Employment, a paid leave of absence may include a Qualified Leave for professional renewal.
In the definition of Active Employment, the Note is deleted in its entirety.

The following definitions are added to Section 2 - Definitions:
"Civil Union Partner" means the Covered Person’s civil union partner to the extent recognized by the state in which the Covered Person resides.

"CPI-W" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, as published by the U.S. Department of Labor's Bureau of Labor Statistics. In the event the Department of Labor changes or no longer publishes the CPI-W, Lincoln reserves the right to use a comparable measurement.

"Domestic Partner" means the Covered Person’s domestic partner (whether same or opposite sex), regardless of registration.

"Elimination Period" means a period of consecutive days of Total or Partial Disability for which no benefit is payable. The Elimination Period is shown in the Schedule of Benefits and begins on the first day of Total or Partial Disability.

After the Covered Person has begun his/her Elimination Period and returns to work for a consecutive number of days equal to 3 or less of the Elimination Period, the Covered Person will retain credit for the earlier period if he/she is Totally or Partial Disabled again for the same condition.

The definition of Evidence of Insurability is amended to read:
"Evidence of Insurability" means a statement or proof of an Employee's medical history. Lincoln uses this to determine the Employee’s acceptance for insurance or an increased amount of insurance.

The definition of Injury is amended to read:
"Injury" means bodily impairment that requires treatment by a Physician and results in a Total or Partial Disability that begins while the Employee is insured under this policy.

The following definitions are added to Section 2 - Definitions:
"Life Partner" means the Covered Person’s:
1. Civil Union Partner; or
2. Domestic Partner.

"Medically Appropriate Treatment" means diagnostic services, consultation, care or services that are consistent with the symptoms or diagnosis causing the Covered Person's Total or Partial Disability. Such treatment must be rendered:
1. by a Physician whose license and any specialty are consistent with the disabling condition; and
2. according to generally accepted, professionally recognized standards of medical practice.

"Own Job", with respect to Short Term Disability Income, means the Covered Person’s job that he was performing when his Total Disability or Partial Disability began.

"Own Occupation", with respect to Long Term Disability Income, means the Covered Person’s occupation that he was performing when his Total Disability or Partial Disability began.

The following definitions of Partial Disability or Partially Disabled are amended and moved to Section 2:
"Partial Disability" or "Partially Disabled", with respect to Short Term Disability, means the Covered Person is not Totally Disabled and that while actually working in his Own Job, as a result of Injury or Sickness the Covered Person is unable to earn 80% or more of his Pre-Disability Earnings. The Pre-Disability earnings will be adjusted for inflation using an index such as the CPI-W or other comparable measurement.
"Partial Disability" or "Partially Disabled", with respect to Long Term Disability, means the Covered Person is not Totally Disabled and that while actually working in his Own Occupation, as a result of Injury or Sickness the Covered Person is unable to earn 80% or more of his Pre-Disability Earnings. The Pre-Disability Earnings will be adjusted for inflation using an index such as the CPI-W or other comparable measurement.

The definition of Physician is amended to read:
"Physician" means:
1. a legally qualified medical doctor who is licensed to practice medicine, to prescribe and administer drugs, or to perform surgery; or
2. is a licensed practitioner of the healing arts in a category specifically favored under the health insurance laws of the State where the policy is delivered, and is practicing within the terms of his license.

It does not include a Covered Person, a relative or domestic partner.

Relatives include:
1. the Covered Person’s Spouse or Life Partner, siblings, parents, children and grandparents; and
2. his Spouse’s or Life Partner’s relatives of like degree.

The following definitions are added:

Pre-Existing Condition means a Sickness or Injury for which the Covered Person received medical treatment, care or services for a diagnosed condition or took prescribed medication for a diagnosed condition within 90 days immediately before the effective date of his/her coverage under this policy.

The following definition of “Regular Attendance of a Physician” is added:
"Regular Attendance of a Physician" means the Covered Person:
1. personally visits a Physician, whose license and any specialty qualify him to provide Medically Appropriate Treatment for the Covered Person’s disabling condition;
2. is treated as often as medically required, according to standard medical practice, to effectively manage and treat the disabling condition and when that care would serve to improve the Covered Person’s condition; and
3. receives Medically Appropriate Treatment. Such treatment must be consistent with the disabling condition and it must be rendered according to generally accepted, professionally recognized standards of medical practice.

"Substantial and Material Acts", with respect Short Term Disability, means acts that are normally required for the performance of the Covered Person's Own Job and cannot be reasonably omitted or modified.

In determining what Substantial and Material Acts are necessary to pursue the Covered Person’s Own Job, Lincoln will first look at the specific duties required by the Covered Person’s Own Job. If the Covered Person is unable to perform one or more of these duties with reasonable continuity, Lincoln will then determine whether those duties are customarily required of other employees engaged in his Own Job. If any specific, material duties required of the Covered Employee by the Sponsor differ from the material duties customarily required of other employees engaged in his Own Job, then Lincoln will not consider those duties in determining what Substantial and Material Acts are necessary to pursue his Own Job.
“Substantial and Material Acts”, with respect Long Term Disability, means the important tasks, functions and operations that:
1. are generally required by employers from those engaged in the Covered Person’s Own Occupation; and
2. cannot be reasonably omitted or modified.

In determining what Substantial and Material Acts are necessary to pursue the Covered Person’s Own Occupation, Lincoln will first look at the specific duties required by the Covered Person's Own Occupation. If the Covered Person is unable to perform one or more of these duties with reasonable continuity, Lincoln will then determine whether those duties are customarily required of other employees engaged in his Own Occupation. If any specific, material duties required of the Covered Employee by the Sponsor differ from the material duties customarily required of other employees engaged in his Own Occupation, then Lincoln will not consider those duties in determining what Substantial and Material Acts are necessary to pursue his Own Occupation.

The definitions of Disability or Disabled for Short Term Disability Income and Long Term Disability Income are replaced with the definitions Total Disability or Totally Disabled:
“Total Disability” or “Totally Disabled”, with respect to Basic and Voluntary Short Term Disability, means the Covered Person, as a result of Injury or Sickness, is unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue his Own Job in the usual and customary way.

“Total Disability” or “Totally Disabled”, with respect to Long Term Disability, means:
1. that during the Elimination Period and the next 24 months of Total Disability the Covered Person, as a result of Injury or Sickness, is unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue his Own Occupation in the usual and customary way; and
2. thereafter, the Covered Person is unable to engage with reasonable continuity in any occupation in which he could reasonably be expected to perform satisfactorily in light of his age, education, training, experience, station in life, and physical and mental capacity.

The definition of Waiting Period is replaced with the definition of Elimination Period as shown in this Rider.

The definition of Participation is amended to read:
With respect to this provision, Participation shall include aiding, abetting, and all forms of taking part in,
but shall not include actions taken in defense of public or private property, or actions taken in defense of

Income benefits.

For the purpose of this Pre-Existing Condition Exclusion, if a later period of Total or Partial Disability is
due to the same or related Sickness or Injury as an earlier period of Total or Partial Disability subject to
this Pre-Existing Condition Exclusion and both periods are not separated by (a) a return to full-time
Active Employment based on the Covered Person’s normally schedule workday and (b) a continuous
period of 90 days after a return to full-time work during which no medical treatment, care or services, or
prescribed medication was rendered to or received by the Covered Person in connection with that
Sickness or Injury, the later period of Total or Partial Disability will be considered a continuation of the
earlier period of Total or Partial Disability and will not be covered.

Credit Toward Satisfying Pre-Existing Condition Exclusion

Employees on Leave of Absence for less than 120 days may re-enroll with the same coverage in force
prior to their Leave of Absence with no additional Pre-Existing Condition Exclusion. If the Employee

Exclusion for the time worked prior to the Leave of Absence.

Employees on Leave of Absence for 120 days or more will receive a new period of initial eligibility (PIE)
when they return to work. This allows them to enroll in Voluntary Long Term Disability Income for the
first time or re-enroll. If the Employee was enrolled in Voluntary Long Term Disability Income and
employed for 12 consecutive months prior to the leave of absence the Employee will not be subject to the
Pre-Existing Condition Exclusion. If the Employee was enrolled in Voluntary Long Term Disability
Income prior to the Leave of Absence and employed for less than 12 consecutive months prior to the
Leave of Absence they will receive credit to satisfy the Pre-Existing Condition Exclusion for the time
worked prior to the Leave of Absence.

Pre-Existing Condition Exclusion. If an Employee is on a military leave of absence, they will receive credit
to satisfy the Pre-Existing Condition Exclusion for the time worked prior to the Leave of Absence
regardless of the length of the military leave of absence.

- For a Covered Person paid on a monthly basis, benefits will be based on his/her actual salary for the full calendar month immediately prior to the pay period in which Total or Partial Disability begins.

- For a Covered Person paid on a bi-weekly basis, benefits will be based on his/her salary rate for the two bi-weekly pay periods immediately prior to the pay period in which Total or Partial Disability begins.

For example, if the Covered Person is appointed at 75% time, the applicable salary rate for benefits purposes is the 75% rate. This is the amount the Covered Person would have earned had he/she worked the total amount of time for which hired, not the Covered Person's actual earnings.

The Benefit for members of the Academic Senate on Sabbatical should be calculated using the earnings in effect immediately prior to the sabbatical.

If the Covered Person is an hourly employee with a variable appointment, earnings for benefits purposes is an average of the actual Eligible Earnings for three calendar months or six pay periods immediately prior to the period in which Total Disability begins, excluding periods with Furlough or Approved Leave Without Pay. Overtime, uniform allowances and other extras are excluded from pay. This average is calculated as follows:

For a Covered Person paid bi-weekly, the sum of six pay periods is divided by 480 (the total full-time hours for 12 weeks/6 bi-weekly pay periods) to yield an adjusted hourly rate. This rate is then multiplied times 174 hours (the average number of hours per month for a full-time Employee) to produce an adjusted average monthly salary.

Pay periods in which Furlough or Approved Leave Without Pay occurred typically are excluded from the calculation. If the consecutive three months or six bi-weekly pay periods immediately preceding the date of disability cannot be used due to Furlough or Approved Leave Without Pay, the look-back period may be extended up to, but no longer than, one year prior to the date of disability, using the most recent applicable pay periods. If there are not three months/six bi-weekly pay periods without Furlough or Leave Without Pay in the 12 months prior to the date of disability, periods with Leave Without Pay that is qualified under the Family Medical Leave Act or the California Family Rights Act may be included as if the qualified leave was paid.

Some Employees' University service may include periods of time when they are not normally scheduled to work and are off pay status, for example, Furlough employees. After 12 months of Total or Partial Disability benefits for these employees, an earnings adjustment is also made so that Long Term Disability benefits are continuous rather than stopping for scheduled periods off pay status. The adjustment is made by multiplying the Eligible Earnings the Covered Person was appointed to receive for the full calendar month immediately prior to the month in which Total or Partial Disability begins by the number of months the Covered Person is normally scheduled to work. The result is divided by 12 to arrive at the salary on which Long Term Disability Benefits will be based.

Transfer Provision

In order to prevent loss of coverage for an individual because of a transfer of insurance carriers, this policy will provide coverage for certain individuals as follows:

Failure to be in Active Employment due to Injury or Sickness

This policy will cover, subject to premium payments, individuals:

1. insured by the prior carrier at the time of transfer; and
2. who are not in Active Employment due to Injury or Sickness on the Effective Date of the policy.

The benefit payable will be in accordance with the provisions of this policy, less any benefit for which the prior carrier is liable. However, in no event will the benefit payable be greater than that which would have been paid under the prior carrier's benefit schedule.

Total Disability due to a Pre-Existing Condition

If there is a Pre-Existing Condition Exclusion, a benefit may be payable for a Total Disability due to a Pre-Existing Condition for an individual who:

1. was insured by the prior carrier at the time of transfer; and
2. was in Active Employment and insured under this policy on its Effective Date.

The benefit will be determined as follows:

1. Liberty will apply this policy's pre-existing condition exclusion. If the individual qualifies for a benefit, he/she will be paid according to this policy's benefit schedule.

2. If the individual cannot satisfy this policy's pre-existing condition exclusion, the prior carrier's pre-existing condition exclusion will be applied.
   a. If the individual satisfies the prior carrier's pre-existing condition exclusion, giving consideration towards continuous time insured under both policies, he/she will be paid according to this policy's benefit schedule. However, in no event will the benefit payable be greater than that which would have been paid under the prior carrier's benefit schedule.
   b. If he/she cannot satisfy the pre-existing condition exclusion of this policy or that of the prior carrier, no benefit will be paid.

SECTION 4 - DISABILITY INCOME BENEFITS

BASIC AND VOLUNTARY SHORT TERM DISABILITY COVERAGE

Disability Benefit

When Liberty receives proof that a Covered Person is Totally Disabled due to Injury or Sickness and requires the regular attendance of a Physician, Liberty will pay the Covered Person a Weekly Benefit on a bi-weekly basis, after the end of the Waiting Period. The benefit will be paid for the period of Total Disability if the Covered Person gives to Liberty proof of continued:

1. Total Disability; and
2. regular attendance of a Physician.

The proof must be given upon Liberty's request and at the Covered Person's expense.

For the purpose of determining Total Disability, the Injury must occur and the Covered Person's Total Disability must begin while the Employee is insured for this coverage; and Total Disability which is the result of the Covered Person's Sickness must begin while the Employee is insured for this coverage. In addition, a loss of a license for any reason does not, in itself, constitute Total Disability.

The Weekly Benefit will not:

1. exceed the Covered Person's Amount of Insurance; or
2. be paid for longer than the Maximum Benefit Period.

The Amount of Insurance and the Maximum Benefit Period are shown in the Schedule of Benefits.

Amount of Total Disability Weekly Benefit

To figure the amount of Weekly Benefit:

1. Multiply the Covered Person's weekly earnings by the Benefit Percentage shown in the Schedule of Benefits.
2. Take the least of:
   a. the Covered Person's weekly earnings multiplied by the benefit percentage shown in the Schedule of Benefits; or
   b. the maximum Monthly Benefit (prorated to figure a weekly amount) shown in the Schedule of Benefits.

Partial Disability Benefit

When Liberty receives Proof that a Covered Person is Partially Disabled and has experienced a loss of earnings due to Injury or Sickness, he will receive a loss of earnings Monthly Benefit, subject to any other provisions of this policy. The proof must be given at the Covered Person's expense.

To be eligible to receive Partial Disability benefits, the Covered Person must be earning 80% or less of his Pre-Disability Earnings.

When proof is received that a Covered Person is Partially Disabled from an Injury or Sickness, Liberty will pay a Partial Disability Benefit after the Waiting Period has been satisfied if the Covered Person gives to Liberty within 90 days of the request, and at the Covered Person’s expense, proof of continued (a) Partial Disability, and (b) the required regular attendance of a Physician. For the purpose of this provision, the Covered Person may satisfy the Waiting Period if he is Disabled or Partially Disabled, or a combination of Disabled or Partially Disabled, during such time.

For purposes of determining Disability, the Injury must occur and Disability must begin while the Employee is insured for this coverage.

"Partial Disability" or "Partially Disabled" means as a result of the Injury or Sickness, the Covered Person is:

1. able to perform one or more, but not all, of the Material and Substantial Acts of his own or any other occupation on an Active Employment or a part-time basis; or

2. able to perform all of the Material and Substantial Acts of his own or any other occupation on a part-time basis.

Amount of Partial Disability Benefit

The Partial Disability Benefit for Basic Short Term Disability will be an amount equal to the Covered Person's Pre-Disability Earnings minus other sources of income if applicable, including his earnings, multiplied by the benefit percentage shown in the Schedule of Benefits. The Partial Disability Benefit for Voluntary Short Term Disability will be equal to the Covered Person’s Pre-Disability Earnings minus other sources of income, including his earnings. In no case will the total benefits and other income exceed 100% of the Pre-Disability earnings. The Partial Disability Benefit for Basic Disability or Voluntary Short Term Disability will never exceed the maximum Monthly Benefit in the schedule of benefits (Section 1).

Discontinuation of the Voluntary Short Term Disability Benefit

The Monthly Benefit will cease on the earliest of:

1. the date the Covered Person is no longer Totally Disabled;
2. the date the Covered Person dies;
3. the end of the Maximum Benefit Period; or
4. the date the Covered Person begins work for another employer for wage or profit unless he/she is on approved Partial Disability;
5. the date the Covered Person's current earnings from Partial Disability exceed 80% of his/her Pre-Disability Earnings; or
6. the date the Covered Person's current earnings from Partial Disability plus benefits from other income exceed 100% of his/her Pre-Disability Earnings.
SUCCESSIVE PERIODS OF DISABILITY

A Successive Period of Total Disability will be treated as part of a prior Total Disability if, after receiving Total Disability Benefits under this coverage, the Covered Person returns to work for the University on an Active Employment basis, based on his/her normally scheduled workday; and in less than four consecutive weeks (20 consecutive workdays) after he/she returns to work for the University and while covered under this plan, he/she again becomes Totally Disabled due to the same or related cause as the prior Total Disability.

Benefit payments will be subject to the terms of this coverage for the prior Total Disability.

If the Covered Person returns to a job with the University on an Active Employment basis for four consecutive weeks or more, the Successive Period of Total Disability will be treated as a new period of Total Disability. He/she must complete another Waiting Period. For example, if he/she normally works 8 hours a day, Monday through Friday each week, then he/she must be in Active Employment twenty consecutive 8-hour days to satisfy this requirement.

A Covered Person may take up to one-half day off per week, based on his/her normal work schedule, for routine follow-up appointments with the attending physician without being required to restart the four-week period. However, if he/she takes additional vacation, compensated time and/or sick leave before the completion of the four-week period, he/she will be required to restart this period.

If regular University holidays are scheduled during this period, they will not be counted as workdays nor will they be considered a reason to restart the four-week period. The balance of the period should be completed beginning with the first workday after the holiday. Changes to a Covered Person's work schedule made after the date of Disability will not be considered a normal work schedule for this purpose.

If the later Disability is due to an unrelated cause and the Covered Person had returned to full-time Active Employment based on his/her normally scheduled workday, it will be considered a new Disability and a new Waiting Period will apply.

If a Covered Person becomes eligible for coverage under any other employer's group Short Term Disability coverage, this Successive Period of Disability provision will cease to apply.
SECTION 4 - DISABILITY INCOME BENEFITS

VOLUNTARY LONG TERM DISABILITY COVERAGE

Total Disability Benefit

When Liberty receives proof that a Covered Person is Totally Disabled due to Injury or Sickness and requires the regular attendance of a Physician, Liberty will pay the Covered Person a Monthly Benefit after the end of the Waiting Period. 1. Total Disability; and
2. regular attendance of a Physician.

The proof must be given upon Liberty's request and at the Covered Person's expense.

For the purpose of determining Total Disability, the Injury must occur and the Covered Person's Total Disability must begin while the Employee is insured for this coverage; and Total Disability which is the result of the Covered Person's Sickness must begin while the Employee is insured for this coverage. In addition, a loss of a license for any reason does not, in itself, constitute Total Disability.

The Monthly Benefit will not:

1. exceed the Covered Person's Amount of Insurance; or
2. be paid for longer than the Maximum Benefit Period.

The Amount of Insurance and the Maximum Benefit Period are shown in the Schedule of Benefits.

To be eligible to receive Partial Disability benefits, the Covered Person must be earning 80% or less of his Pre-Disability Earnings.

When proof is received that a Covered Person is Partially Disabled from an Injury or Sickness, Liberty will pay a Partial Disability Benefit after the Waiting Period has been satisfied if the Covered Person gives to Liberty within 90 days of the request, and at the Covered Person's expense, proof of continued (a) Partial Disability, and (b) the required regular attendance of a Physician. For the purpose of this provision, the Covered Person may satisfy the Waiting Period if he is Disabled or Partially Disabled, or a combination of Disabled or Partially Disabled, during such time.

For purposes of determining Partial Disability, the Injury must occur and Partial Disability must begin while the Employee is insured for this coverage.

"Partial Disability" or "Partially Disabled" means as a result of the Injury or Sickness, the Covered Person is:

In such cases, benefits are not payable for his/her Total Disability for more than a combined period of 24 months after the date Long Term Disability benefits begin.

If the Covered Person is in a Hospital or Institution for Mental Illness and/or Substance Abuse at the end of a combined period of 24 months, the Monthly Benefit will be paid during the confinement.

If the Covered Person is not confined in a Hospital or Institution for Mental Illness and/or Substance Abuse, but is fully participating in an Extended Treatment Plan for the condition that caused Disability, the Monthly Benefit will be payable to a Covered Person for up to a combined period of 36 months from the date Long Term Disability benefits begin.

In no event will the Monthly Benefit be payable beyond the Maximum Benefit Period shown in the schedule of benefits (Section 1).

"Extended Treatment Plan" means continued care that is consistent with the American Psychiatric Association's standard principles of Treatment, and is in lieu of confinement in a Hospital or Institution. It must be approved in writing by a Physician.

"Hospital" or "Institution" means a facility licensed to provide Treatment for the condition causing the Covered Person's Disability.

"Mental Illness" means a psychiatric or psychological condition classified as such in the most current edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) regardless of the underlying cause of the Mental Illness. If a covered person returns to work and becomes Totally Disabled again, he/she may qualify for Successive Periods of Total Disability. “Successive Periods of Total Disability” means a Total Disability which is related or due to the same cause(s) as a prior Total Disability for which a Monthly Benefit was payable.

A Successive Period of Total Disability will be treated as part of a prior Total Disability if, after receiving Total Disability Benefits under this coverage, the Covered Person (1) returns to work for the University on an Active Employment basis, based on his/her normally scheduled workday; and (2) in less than six consecutive months after he/she returns to work for the University and while covered under this plan, he/she again becomes Totally Disabled due to the same or related cause as the prior Total Disability.

Benefit payments will be subject to the terms of this coverage for the prior Total Disability.

If the Covered Person returns to a job with the University on an Active Employment basis for six consecutive months or more, the Successive Period of Total Disability will be treated as a new period of Total Disability. He/she must complete another Waiting Period.

A Covered Person may take up to one-half day off per week, based on his/her normal work schedule, for routine follow-up appointments with the attending physician without being required to restart the six month period. However, if he/she takes additional vacation, compensated time and/or sick leave before the completion of the six-month period, he/she will be required to restart this period.

If regular University holidays are scheduled during this period, they will not be counted as workdays nor will they be considered a reason to restart the six-month period. The balance of the period should be completed beginning with the first workday after the holiday. Changes to a Covered Person's work schedule made after the date of Disability will not be considered a normal work schedule for this purpose.

If the later Disability is due to an unrelated cause and the Covered Person had returned to full-time Active Employment based on his/her normally scheduled workday, it will be considered a new Disability and a new Waiting Period will apply. If a Covered Person becomes eligible for coverage under any other employer's group Long Term Disability coverage, this Successive Period of Disability provision will cease to apply to that Covered Person.
SECTION 5 - EXCLUSIONS

GENERAL EXCLUSIONS

This policy will not cover any Total Disability due to:

1. war, declared or undeclared or any act of war;
2. intentionally self-inflicted injuries;
3. active Participation in a Riot;
4. the Covered Person's committing of or the attempting to commit an indictable offense.

With respect to this provision, Participation shall include promoting, inciting, conspiring to promote or incite, aiding, abetting, and all forms of taking part in, but shall not include actions taken in defense of public or private property, or actions taken in defense of the person of the insured, if such actions of defense are not taken against persons seeking to maintain or restore law and order including, but not limited to police officers and firemen.

With respect to this provision, Riot shall include all forms of public violence, disorder or disturbance of the public peace, by three or more persons assembled together, whether or not acting with a common intent and whether or not damage to persons or property or unlawful act or acts is the intent or the consequence of such disorder.

BASIC DISABILITY COVERAGE

Applicable to Class 1 – Basic Disability

Total Disability Benefit Exclusions

A Weekly Benefit will not be payable if a Covered Person becomes Totally Disabled due to:

1. Injury that arises out of or in the course of employment; or
2. Sickness when a benefit is payable under a Workers' Compensation Law, or any other act or law of like intent.
SECTION 5 - EXCLUSIONS
(Continued)

VOLUNTARY LONG TERM DISABILITY COVERAGE

Pre-Existing Condition Exclusion

Under Voluntary Long Term Disability, the Pre-Existing Condition Exclusion will apply as follows to any sickness or injury:

If medical treatment (including examination, laboratory test, diagnosis and/or prescription) of any kind was prescribed for or rendered to or received by the Covered Person during the 90 days immediately before the effective date of his/her coverage under this plan:

1. a period of Total Disability due to that Sickness or Injury that begins within 12 months of the effective date of coverage under this policy will not be covered for Voluntary Long Term Disability benefits; and

2. any later Total Disability considered a continuation of that period of Total Disability, will not be covered.

For the purpose of this Pre-Existing Condition exclusion, a Total Disability is considered a continuation of an earlier period of Total Disability if both are due to the same or related Sickness or Injury and are not separated by (a) a return to full-time Active Employment based on the Covered Person's normally scheduled workday and b) a continuous period of 90 days after a return to full-time work during which no medical treatment (including examination, laboratory test, diagnosis and/or prescription) of any kind was prescribed for or rendered to or received by the Covered Person in connection with that Sickness or Injury.

Covered Persons on Leave of Absence for less than 120 days may re-enroll with the same coverage amounts in force prior to their Leave of Absence with no additional Pre-Existing Condition limitation. If the Covered Person was employed for less than 12 consecutive months prior to the Leave of Absence they will receive credit toward completing the Pre-Existing Condition limitation for the time worked prior to the Leave of Absence. Covered Persons on Leave of Absence for 120 days or more will receive a new period of initial eligibility (PIE) when they return to work. This allows them to enroll in Voluntary disability for the first time or if previously enrolled, change their waiting period. If the Employee was enrolled in Voluntary disability and employed for 12 consecutive months prior to the leave of absence the employee will not be subject to the Pre-Existing Condition limitation. If the Covered Person was enrolled in Voluntary disability prior to the Leave of Absence and employed for less than 12 consecutive months prior to the Leave of Absence they will receive credit toward completing the Pre-Existing Condition limitation for the time worked prior to the Leave of Absence. Covered Persons enrolling in Voluntary disability for the first time will be subject to the Pre-Existing Condition limitation.
SECTION 6 - TERMINATION PROVISIONS

Termination of Covered Person's Insurance

A Covered Person will cease to be insured on the earliest of the following dates:

1. the date this policy terminates, but without prejudice to any claim originating prior to the time of termination;

2. the date the Covered Person is no longer in an eligible class;

3. the date the Covered Person's class is no longer included for insurance;

4. the last day for which any required Employee contribution has been made;

5. the date employment terminates. Cessation of Active Employment will be deemed termination of employment, except the insurance will be continued for an Employee absent due to Total Disability during:
   a. the Waiting Period; and
   b. the period during which premium is being waived.

Liberty reserves the right to review and terminate all classes insured under this policy if any class(es) cease(s) to be covered.

Furlough and Paid Leaves of Absence

The Sponsor may allow continuation of the Covered Person's coverage(s) during certain types of Paid Leaves of Absence. In continuing such coverage under this provision, the Sponsor agrees to treat all Covered Persons equally.

NOTE: The Termination of the Covered Person's Insurance due to “Furlough,” “Paid Leave of Absence,” “Lay-off” or “Unpaid Leave of Absence” will be administered in accordance with the University's Group Insurance Regulations. (Exception: For the purpose of determining disability, Paid sick leave will be administered in accordance with the above definition of Active Employment under the University of California Disability Policy.)
SECTION 6 - TERMINATION PROVISIONS
(Continued)

Policy Termination

1. Termination of this policy under any conditions will not prejudice any claim which occurs while this policy is in force.

2. If the Sponsor fails to pay any premium within the grace period, this policy will terminate at 12:00 midnight Standard Time on the last day of the grace period. The Sponsor may terminate this policy by advance written notice delivered to Liberty at least 60 days prior to the termination date. This policy will not terminate during any period for which premium has been paid. The Sponsor will be liable to Liberty for all premiums due and unpaid for the full period for which this policy is in force.

3. Liberty may terminate this policy on any premium due date by giving written notice to the Sponsor at least 60 days in advance if the Sponsor fails:
   i. to furnish promptly any information which Liberty may reasonably require; or
   ii. to perform any other obligations pertaining to this policy.

4. Liberty may terminate this policy or any coverage(s) afforded hereunder and for any class of covered Employees on any premium due date after it has been in force for 12 months. Liberty will provide written notice of such termination to the Sponsor at least 60 days before it is effective.

5. Termination may take effect on an earlier date if agreed to by the Sponsor and Liberty.
SECTION 7 - GENERAL PROVISIONS

Entire Contract; Changes

This policy, the application of the employer, and the individual applications, if any, of the employees constitute the entire contract between the parties, and any statement made by the employer or by any employee shall, in the absence of fraud, be deemed a representation and not a warranty. No such statement shall (avoid the insurance or reduce the benefits under this policy or) be used in defense to a claim hereunder unless it is contained in a written application, nor shall any such statement of the employer, except a fraudulent misstatement, be used at all to void this policy after it has been in force for two years from the date of its issue, nor shall any such statement of any employee eligible for coverage under the policy, except a fraudulent misstatement, be used at all in defense to a claim for loss incurred or Disability or Partial Disability (as defined in the policy) commencing after the insurance coverage with respect to which claim is made has been in effect for two years from the date it became effective.

No change in this policy shall be valid unless approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Time Limit on Certain Defenses

(a) After two years from the date of issue of this policy, no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or Disability (as defined in the policy) commencing after the expiration of such two-year period. (b) No claim for loss incurred or Disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Grace Period

A grace period of 60 days will be granted for the payment of premiums accruing after the first premium, during which grace period the policy shall continue in force, but the employer shall be liable to the insurer for the payment of the premium accruing for the period the policy continues in force.

Notice of Claim

Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Subject to the qualifications set forth below, if the insured Covered Person suffers loss of time on account of Disability for which indemnity may be payable for at least two years, the Covered Person shall at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said Disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in giving of such notice shall not impair the insured Covered Person’s right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

Form UCP
SECTION 7 - GENERAL PROVISIONS
(Continued)

Claims Forms

The insurer, upon receipt of a written notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Proofs of Loss

Written proof of loss must be furnished to the insurer, in the case of claim for loss for benefits, within 90 days after the termination of the period for which the insurer is liable, and in case of claim for any other loss, within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the employee, later than one year from the time proof is otherwise required.

Time of Payment of Claim

Indemnities payable under this policy for any loss other than benefits will be paid as they accrue immediately upon receipt of due written proof of such loss. Subject to due written proof of such loss, all accrued indemnity for benefits will be paid Weekly or Monthly to the insured employee and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

Payment of Claims

If any indemnity of this policy shall be payable to the estate of the insured employee or employee who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity up to an amount not exceeding $1,000 to any relative by blood or connection by marriage of the insured employee who is deemed by the insurer to be equitable entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Physical Examination and autopsy

The insurer at its own expense shall have the right and opportunity to examine the person of any individual whose injury or sickness is the basis of claim when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.
SECTION 7 - GENERAL PROVISIONS
(Continued)

Misstatement of Age

If the age of any individual covered under this policy has been misstated, the amount payable shall be such as the premium paid for the coverage of such individual would have purchased at the correct age.

Conformity with state statutes

Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.
SECTION 8 - PREMIUMS

Premium Rates

Liberty has set the premiums that apply to the coverage(s) provided under this policy. Those premiums are shown in a notice given to the Sponsor with or prior to delivery of this policy.

Liberty may establish new rates for all future premiums as well as the one then due:

1. when the terms of this policy are changed, any such change in policy terms will be made in accord with the General Provisions regarding "Complete Contract - Policy Changes";

2. when a division, or Associated Company is added to this policy; or

3. when the number of Covered Persons changes by 25% or more from the number insured on this policy's Effective Date; or

4. for reasons other than 1., 2., or 3. above, such as, but not limited to a change in factors bearing on the risk assumed. But, the rates may not be changed within the first 12 months following this policy's Effective Date.

No premium may be increased unless Liberty notifies the Sponsor at least 210 days in advance. Premium increases may take effect on the next January 1st anniversary date.

Payment of Premiums

1. All premiums due under this policy, including adjustments, if any, are payable by the Sponsor on or before their due dates at Liberty's Administrative Office, or to Liberty's agent. The due dates are specified on the first page of this policy.

2. Premium payment calculations will be based on the coverage(s) provided under this policy. Both are determined by the definition of Monthly Covered Salary Rate.

3. The premium charge for insurance terminated during a policy month will cease at the end of the policy month in which such insurance terminates. This manner of charging premium is for accounting purposes only.

4. Except for fraud and premium adjustments, refunds or charges will be made only for the current policy year.

Waiver of Premium

With respect to Voluntary Disability Benefits, premium payments for a Covered Person are waived during any period for which benefits are payable. If coverage is to be continued, premium payments may be resumed following a period during which they were waived.

DEFINITIONS

**Qualified Leave** is the type of leave qualifying you to continue your regular University Voluntary Disability coverage under the Voluntary Disability Continuation Rider. This includes approved leaves under regular University leave programs for research or teaching related to your University position such as the Educational and Professional Development Leave Program for MSP employees and the Professional Research and Teaching Leave Program at the Labs, and approved leaves to work under a professional grant or fellowship related to your University position such as a Guggenheim fellowship. (Leave to enroll as a student in a degree program, personal leaves, and furloughs are not Qualified Leaves.) The University determines whether an employee's leave meets the requirements of a Qualified Leave.

**Note:** If you are going on a sabbatical leave of any appointment time, see your Benefits Office for options regarding continuation of disability coverage.

**Pre-Leave Monthly Covered Salary Rate** is the basis for premium calculation. It is the monthly salary for your appointment at the 100% rate for the full calendar month preceding the month in which your leave begins. For split appointments at different rates, the Pre-Leave Monthly Covered Salary Rate is the monthly salary you would receive if working at 100% time in the appointment which has the highest 100% time salary rate.

**Voluntary Disability Continuation Rate** is the premium rate factor used to calculate the monthly Voluntary Disability Continuation Rider premium and is taken from the special table of rates by age for Voluntary Disability Continuation Rider coverage.

**Reactivation Trigger Date** is the date 60 days before the predetermined ending date of the Qualified Leave. On this date, which is noted by the Benefits Office at enrollment, Liberty will send a reminder to you and the Benefits Office that it is time to reactivate your payroll deduction Voluntary Disability coverage. At this time, if you have not already done, so, you should notify the University and Liberty in writing of any change in your leave plans.

**Total Disability** will continue to be defined as it is in the regular Voluntary Disability plan. If you file a claim while covered by the Voluntary Disability Continuation Rider, your disability will be reviewed relative to your occupation with the University immediately before the date your approved, Qualified Leave began.

Please refer to your Voluntary Disability policy for definitions and descriptions not included in this addendum.

ELIGIBILITY

You are eligible to enroll under the Voluntary Disability Continuation Rider if you are enrolled in the University Voluntary Disability plan immediately before the beginning of an approved, Qualified Leave and you are in Active Employment on the last full day of work before your leave.

**Enrollment**

You may apply for coverage under the Voluntary Disability Continuation Rider when you set up an approved, Qualified Leave, as early as two months before the starting date of the leave. Liberty's confirmation of coverage will depend on the University's confirmation that you have an approved, Qualified Leave and that you are covered under the regular University Voluntary Disability plan immediately before the leave.

Form UCP
Enrollment (Continued)

The final date to apply for the Voluntary Disability Continuation Rider coverage is the last full day worked before the starting date of the approved, Qualified Leave. This means that the application and premium check sent to Liberty must be postmarked no later than this date. NO APPLICATIONS WILL BE CONSIDERED OR ACCEPTED AFTER THIS DATE.

Effective Date

Voluntary Disability Continuation Rider coverage will begin immediately following the last day of regular payroll deduction Voluntary Disability coverage with no lapse in coverage. You must be in Active Employment on the last full day of work before your approved, Qualified Leave.

Within 2 to 3 weeks of making application, you will receive a confirmation of Voluntary Disability Continuation Rider coverage from Liberty. If you have heard nothing at the end of this time period, contact your Benefits Office to determine when the University Statement was sent to Liberty. With that information, contact Liberty to confirm that they received your application and premium check. You may be given telephone confirmation of coverage; however, you will always receive written confirmation of coverage for your records.

Waiting Periods

Your Waiting Period will be the same as under your regular payroll deduction Voluntary Disability coverage.

Length of Continuation That You May Purchase

You may continue your Voluntary Disability coverage under the Voluntary Disability Continuation Rider for a maximum of two years of approved, Qualified Leave.

Return from Leave/Reactivation of Payroll Deduction Voluntary Disability

When you apply for coverage under the Voluntary Disability Continuation Rider, it is your responsibility to ensure that your payroll deduction Voluntary Disability is cancelled. At this same time, the Benefits Office will put the Reactivation Trigger Date on your application for Voluntary Disability Continuation Rider coverage. You must also fill out the re-enrollment form as part of the process. Your Benefits Office will hold your re-enrollment form until Liberty sends notice to reactivate the payroll deduction. This notice is sent on the Reactivation Trigger Date. It will notify you and the University that you have a pre-arranged return-to-work date coming in 60 days. The Benefits Office or Payroll Office (depending on procedures at your location) will process your enrollment form unless you notify them in writing of a change in plans. Be sure to send written notification to Liberty if your plans have changed.

Benefits

Benefits are the same for the Voluntary Disability Continuation Rider and the regular payroll deduction Voluntary Short and Long Term Disability plans. See your Disability policy for benefit amounts. Benefits will begin no sooner than the plan Waiting Period or the end of any UC pay status or other leave income, whichever is later. Voluntary Disability Continuation Rider benefits will be based on your Eligible Earnings for the last full month before the approved, Qualified Leave. (See "Eligible Earnings" in your Voluntary Disability policy.)
Offsets/Benefits from Other Income

Disability benefits under the Voluntary Disability Continuation Rider will be reduced by any Benefits from Other Income you are eligible to receive as defined in the regular Disability policy. In addition, any partial income earned during an approved, Qualified Leave such as income from a grant will be coordinated with the disability benefit so that the total amount of income from all sources does not exceed 100% of your Eligible Earnings for the last full month worked before your leave and subject to all plan maximums as described in Section 1 - Schedule of Benefits under "Plan Benefits" in your Disability policy.

Also see "Estimated Benefits" and "Benefits from Other Income" in your Voluntary Disability policy.

Maximum Benefit Period

Same as the regular Voluntary Disability plan. See your Voluntary Disability policy for full details.

Examples of Voluntary Disability Plan Benefits

Calculation of Voluntary Disability benefits and coordination with Benefits from Other Income while enrolled in the regular Voluntary Disability plan is explained in the Disability policy. These examples also apply to benefits under the Voluntary Disability Continuation Rider.

Medical Plan Contribution During the First Six Months of Benefits

During the first six months of benefits for a claim under the Voluntary Disability Continuation Rider coverage, the University contribution for your medical plan coverage will be paid, provided you do not separate from UC employment and your UC medical coverage has been continuous during your approved, Qualified Leave.

Taxes on Benefits

The Voluntary Disability Continuation Rider coverage is fully employee paid and as such, is not generally taxable under current provisions of the Internal Revenue Code.

Cost of the Voluntary Disability Continuation Rider Coverage

You pay the full premium for the continuation of Voluntary Disability coverage under the Voluntary Disability Continuation Rider directly to Liberty when application for coverage is made. Premium is based on your age on the January 1 preceding or coinciding with the first day of your Qualified Leave, your Pre-Leave Monthly Covered Salary Rate and the length of your leave. To calculate the premium due, multiply your Pre-Leave Monthly Covered Salary Rate times the Voluntary Disability Continuation Rate for your age times the number of months of leave. The annual rate table may be obtained from your local benefits office. Disregard any partial salary being paid during your leave. Be sure to cancel your payroll deduction Voluntary Disability Coverage when applying for the Voluntary Disability Continuation Rider.
Cost of the Voluntary Disability Continuation Rider Coverage (Continued)

If your Pre-Leave Monthly Covered Salary Rate is higher than $25,000 per month, use $25,000 for the purpose of calculating premium.

Example:  Professor, age 52, on a grant for 12 months

\[
\begin{array}{cccc}
\text{Pre-Leave Monthly Covered Salary Rate} & \times & \text{Voluntary Disability Continuation Rate} & \times \\
$10,000 & & $0.0083^{*} &\times \\
& & 12 & = \\
\end{array}
\]

\[
\begin{array}{cccc}
\text{Months of Leave} & \text{Total Premium Due} \\
& & $996.00 & \end{array}
\]

* Rates vary based on benefits selected and Age under the Cost Example

When calculating the number of months of leave, start counting with the first full month after the leave begins. If the leave begins on the first of the month, begin counting with the month leave begins. The last month to count will be the month in which the leave ends.

Example:  A leave begins April 19, 1997 and ends October 11, 1997. The first month counted will be May 1997. The last month counted will be October 1997. Leave = 6 months.

Coverage and premium adjustments are usually made based on changes in salary rate and age in effect on January 1. If you elect the Voluntary Disability Continuation Rider, such adjustments will not be made until you return to Active Employment status.

Waiver of Premium

As with the regular Voluntary Disability plan, when you are receiving benefits under the Voluntary Disability Continuation Rider, no premium is required. Because you must pay the total premium for the Voluntary Disability Continuation Rider upon application for coverage, if you go into benefit status while covered by the Continuation Rider, premium will be refunded from the first of the month coinciding with or next following the date of disability through the earlier of 1) the end of the month in which the end date of the initial claim approval period falls and 2) the end of the month in which the approved, Qualified Leave ends. Refunds will be made in whole month increments only. Approval of an Voluntary Disability claim will initiate the refund process, which will be handled by Liberty.

Dropping Your Voluntary Disability Continuation Rider Coverage

Situations may arise where your Voluntary Disability Continuation Rider coverage needs to be canceled. For example, you may terminate your employment with the University or you may decide that you no longer wish to have the Voluntary Disability Continuation Rider coverage although you are continuing with an approved, Qualified Leave. In these instances, it is your responsibility to notify Liberty and the University in writing to cancel the coverage. Liberty will contact the University as needed, for example, to verify termination, and begin the process of refunding premium you paid for coverage beyond the actual ending date of coverage. Refunds will be calculated from the first of the month coinciding with or next following the date of cancellation of coverage or termination of employment, to the end of the month in which the approved, Qualified Leave ends. Refunds will be in whole month increments only. Please note: NO COVERAGE EXISTS BEYOND TERMINATION OF EMPLOYMENT WITH THE UNIVERSITY.

Form UCP
Dropping Your Voluntary Disability Continuation Rider Coverage (Continued)

If you drop the Voluntary Disability Continuation Rider coverage during an approved, Qualified Leave, when you return to regular pay status at the University you will have a new Period of Initial Eligibility (PIE) under the terms of the UC Group Insurance Regulations during which you may re-enroll in the payroll deduction Voluntary Disability plan. No Statement of Health will be required. The normal eligibility guidelines of the UC Group Insurance Regulations will apply.

General Exclusions

Same as the regular Voluntary Disability plan.

Pre-existing Conditions Exclusion

For purposes of administering the Pre-existing Condition Exclusion in the regular Voluntary Disability plan as well as in the Voluntary Disability Continuation Rider, the period of continued coverage under the Voluntary Disability Continuation Rider will be considered a continuation of the regular period of coverage rather than a new separate time period.

Partial Disability

If you begin receiving benefits under the Voluntary Disability Continuation Rider and decide to request Partial Disability, you must contact Liberty who will coordinate the Partial Disability process.

Successive Period of Total Disabilities

Same as the regular Voluntary Disability plan

Right of Recovery (with respect to Overpayments/Underpayments)

Same as the regular Voluntary Disability plan. Please refer to your Voluntary Disability policy for details.

Filing a Claim

Voluntary Disability Continuation Rider claim forms are available from your Benefits Office. One of these special claim forms has been included in your Voluntary Disability Continuation Rider packet. Claim filing procedures are the same as the regular Voluntary Disability plan guidelines, except for the use of the special claim form.

Plan Administration

Same as the regular Voluntary Disability policy.
