

ARTICLE 25
REQUIRED TRAINING

- A. Training that is required and authorized by the supervisor as a condition of employment shall be completed after the commencement of the appointment.
- B. Required and authorized training shall be associated with the GSR's employment.
- C. Required training shall be included in the GSR's appointment and be considered paid time.
- D. If there are costs associated with internal UC training, the GSR will not be responsible for the costs. However, costs for external training may be funded by the GSR's fellowship funding.
