Retiree Health Eligibility

Graduated Eligibility based on Age and Service

Age at Retirement

Any AFSCME employee in a UCRP-eligible position as of December 31, 2013 will be grandfathered for the purpose of determining retiree health program eligibility in accordance with the column labeled “Current Minimum Age 50” below. Any AFSCME employee hired, rehired following a break in service, or who becomes UCRP eligible after December 31, 2013, will be covered by the columns labeled “Ages 50 – 65” of the chart below.

To find the University contribution for a particular age and number of years UCRP service credit, look down the far left column for the number of years UCRP service credit; then look across that row to the appropriate age. That will show the amount of the University contribution. Example: with 15 years of UCRP service credit at age 60, the retiree receives 37.5% of the University contribution.
